Tina Fey reveals all, and proves what we've all suspected: you're no one until someone calls you bossy. Funny short stories by a gaggle of the most incredibly talented humorists from across the globe. Only the best stories have been included – those which took top honors on the "Humor and Life, in Particular" website's acclaimed Humor Writing Contest, 1997 to 2009!Really good short humorous fiction is difficult to find these days. And a collection of humor stories by a plural number of singular authors? Well, truly elusive. I'd say we're filling a void, but then I might be accused of hyperbole, and that would be an exaggeration.Between these covers you'll find: Sam Harper, screenwriter for movies such as Rookie of the Year, Cheaper by the Dozen, and Cheaper by the Dozen 2; Debbie Farmer, who was featured alongside Erma Bombeck in the book, Life's a Stitch; and Karen Rinehart, whose columns are featured in several books, including the best-selling Amazing Grace series. The list could go on and on ... there are almost 70 authors in this collection ... but I think it's really time to start reading. Have we got stories to tell!

**A pampered Long Island princess hits the road in a converted bus with her wilderness-loving husband, travels the country for one year, and brings it all hilariously to life in this offbeat and romantic memoir. Doreen and Tim are married psychiatrists with a twist: She's a self-proclaimed Long Island princess, grouchy couch potato, and shoe addict. He's an affable, though driven, outdoorsman. When Tim suggests “chucking it all” to travel cross-country in a converted bus, Doreen asks, “Why can’t you be like a normal husband in a midlife crisis and have an affair or buy a Corvette?” But she soon shocks them both, agreeing to set forth with their sixty-pound dog, two querulous cats—and no agenda—in a 340-square-foot bus. Queen of the Road is Doreen's offbeat and romantic tale about refusing to settle, about choosing the unconventional road with all the misadventures it brings (fire, flood, armed robbery, and finding themselves in a nudist RV park, to name just a few). The marvelous places they visit and delightful people they encounter have a life-changing effect on all the travelers, as Doreen grows to appreciate the simple life, Tim mellows, and even the pets pull together. Best of all, readers get to go along for the ride through forty-seven states in this often hilarious and always entertaining memoir, in which a boisterous marriage of polar opposites becomes stronger than ever.**

**When you want to read in both Italian and English, though, there's a great option: bilingual books! Reading bilingual books and inferring the vocabulary and grammar is a far superior method of language learning than traditional memorization. It is also much less painful. The Divine Comedy (Italian: Divina Commedia) is a long narrative poem by Dante Alighieri, begun c. 1308 and completed in 1320, a year before his death in 1321. It is widely considered to be the preeminent work in Italian literature and one of the greatest works of world literature. The poem's imaginative vision of the afterlife is representative of the medieval world-view as it had developed in the Western Church by the 14th century. It helped establish the Tuscan language, in which it is written, as the standardized Italian language. It is divided into three parts: Inferno, Purgatorio, and Paradiso. Durante degli Alighieri, commonly known as Dante Alighieri or simply Dante (1265 - 1321), was a major Italian poet of the Late Middle Ages. His Divine Comedy, originally called Comedia (modern Italian: Commedia) and later christened Divina by Giovanni Boccaccio, is widely considered the most important poem of the Middle Ages and the greatest literary work in the Italian language.**

High Ambo, in England, is the setting. It is winter, and Caroline West—a very human, placid and unexcitable person, has gone there to escape her late husband’s relatives. Like so many good-hearted people, she is immediately put upon. Caroline’s sister Iris comes first, full of impulse and determination to be a reporter—an ambition abruptly deflected by a handsome young schoolmaster—an authority on birds. Then comes Robert, with his sweet, ingenuous fiancée Polly, and thus making the three-ring circus of a genuine Cadell household. A great number of little boys with big ears and caps are supporting players—English private school variety. Altogether, this book is in the happiest tradition of the English social comedy, and those who want to find as much life and laughter as possible between the covers of a novel will enjoy reading it.

A new collection from David Sedaris is cause for jubilation. His recent move to Paris has inspired hilarious pieces, including Me Talk Pretty One Day, about his attempts to learn French. His family is another inspiration. You Cant Kill the Rooster is a portrait of his brother who talks incessant hip-hop slang to his bewildered father. And no one hones a finer fury in response to such modern annoyances as restaurant meals presented in ludicrous towers and cashiers with 6-inch fingernails. Compared by The New Yorker to Twain and Hawthorne, Sedaris has become one of our best-loved authors. Sedaris is an amazing reader whose appearances draw hundreds, and his performancesincluding a jaw-dropping impression of Billie Holiday singing I wish I were an Oscar Meyer weinerare unforgettable. Sedariss essays on living in Paris are some of the funniest hes ever written. At last, someone even meaner than the French! The sort of blithely sophisticated, loopy humour that might have resulted if Dorothy Parker and James Thurber had had a love child. Entertainment Weekly on Barrel Fever

*The #1 New York Times Bestseller “An engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives.”—Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of Master of None*

and one of this generation's sharpest comedic voices At some point, every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it's wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human history. With technology, our abilities to connect with and sort through these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. "Why did this guy just text me an emoji of a pizza?" "Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!" "My girlfriend just got a message from some dude named Nathan. Who's Nathan? Did he just send her a photo of his penis? Should I check just to be sure?" But the transformation of our romantic lives can't be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at modern romance, but for *Modern Romance*, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the world's leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Lyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we've seen before. In *Modern Romance*, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brandt tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Do you find fun in pun? Perhaps you are looking for a few puns on the run? Follow the characters of *Comedic Destruction in Daze and Knights* as they take you on a mind-stimulating, language-enhancing journey. Puntastic and fantastic, this book will massage your intellect, and provide your laugh muscles some 'much-kneaded' exercise via wordplay vignettes!The book is divided into several chapters. The first chapter, "Their Eyes Were Watching Job," is a collection of stories in an occupational setting or regarding a business transaction. "I Think Yet I Cram" features tales of students and teachers and, more generally, intellectual high jinks. The third chapter, "Empty Cow or Rheas: I Love My Shakes Pear," is, as you'd imagine, a collection of tales involving food; although it should be noted that these wordplays have little or no nutritional value. The final chapter, "I've Been Around: Whirled without End," features stories of characters in motion.*Daze and Knights* contains fun puns for everyone, enhanced by talented illustrator,

Megan Nolton. This wild and witty work promises a few dozen laughs along the journey, as you'll discover, from cover to cover.

You are an idiot. Don't get defensive! It's not your fault. For decades your teachers, authority figures and textbooks have been lying to you. You do not have five senses. Your tongue doesn't have neatly segregated taste-bud zones. You don't know what the pyramids really looked like. You're even pooping wrong - Jesus, you're a wreck! But it's going to be okay. Because we're here to help. Packed with more sexy facts than the *Encyclopedia Pornographica*, the *Cracked De-Textbook* will teach you about the true stars of history, why you picture everything from *Velociraptors* to *Ancient Rome* incorrectly, and finally, at long last - how to pop a proper squat. This book was built from the ground up to systematically seek out, dismantle and destroy the many untruths that years of misguided education have left festering inside of you, and leave you a smarter person...whether you like it or not. The *De-Textbook* is a merciless, brutal learning machine. It can't be bargained with. It can't be reasoned with. It doesn't feel pity, or remorse, or fear. And it absolutely will not stop, ever, until you are informed.
