I've been taking care of my little sister for a long time. When Mom was gone, she suddenly became my responsibility. The best years of my life were spent being a caretaker to someone else...with no one to take care of me. So I moved to Paris for my study-abroad program and ended up staying, getting a French Literature degree, studying the classics while sipping the best wine I'd ever had. My sister never makes the best decisions, always makes messes to clean up, and it's finally time for me to have my own life. But when she comes to Paris for a visit... she brings trouble with her. She gets herself into a bad situation, and of course, I come to her rescue...like I always do. Now we're in a labor camp in the middle of nowhere, surrounded by endless snow and mountains, processing drugs for a group of men that never show their faces. There's no chance of escape in this wilderness. Except for my guard. He's not a saint, but he's the only man that's kind to me. He knows I want to escape, but he never reports me. When I've had a hard day, he brings me extra things to make my life easier. He tells me not to run because I'll never make it... but he brings me little hidden tools... as if he's giving me the means. Like he wants me to be free.

"My brother got mixed up with a crime lord and lost everything he had, including his life. And now I have to pay his debt. All I have is twenty bucks in my pocket and the clothes on my back. The bank took the house, and my last living relative was murdered. Knuckles threatened to torture me if I ran. He's counting down the days until he'll claim me, making me treasure my final days of freedom ... The greatest lingerie designer in the world is looking for new talent for Barsetti Lingerie. Till death do us part. My father married me off to one of the most powerful men in Italy. Mayerick De Ville. But I call him the wolf. He calls me his sheep. The arranged marriage was detested by us both, but we had to make sacrifices for the right reasons. He needed to avenge his mother, and I needed protection from the mobs that want to torture me. He's not what I pictured for my husband. He's ruthless, calloused, and cold. His walls are higher than mine. He possesses cruelty that makes him feared. But it doesn't take long for me to respect him...even like him. I rely on my husband more than anyone else in the world. He provides for me, protects me, and chases away all my fears. He lets me graze in the meadow...not a care in the world. Because the wolf is always watching. "When people look in the darkness, they see shadows. I see monsters. And I kill the monsters that hunt my sheep." I hated this marriage in the beginning, but now I realize how lucky I am. How lucky I am to be the sheep the wolf protects...and doesn't eat.

Outlines a mystical theology and experience of the sacred founded on the absence of god. Originally published in 1943, Inner Experience is the single most significant work by one of the twentieth century's most influential writers. It outlines a mystical theology and experience of the sacred founded on the absence of god. Bataille calls Inner Experience a "narrative of despair," but also describes it as a book wherein "profundity and passion go tenderly hand in hand." Herein, he says, "The mind moves in a strange world where anguish and ecstasy take shape." Bataille's search for experience begins where religion, philosophy, science, and literature leave off, where doctrines, dogmas, methods, and the arts collapse. His method of meditation, outlined and documented here, commingles horror and delight. Laughter, intoxication, eroticism, poetry, and sacrifice are pursued not as ends in and of themselves but as means of access to a sovereign realm of inner experience. This new translation is the first to include Method of Meditation and Post-Scriptum 1953, the supplementary texts Bataille added to create the full notes and annotations from the French edition of Bataille's Oeuvres Complètes, along with an incisive introductory essay by Stuart Kendall that situates the work historically, biographically, and philosophically.

He can't understand how she tracked him to the village, but determined to avoid her, he enlists the children's help. The children discover their information-gathering skills are in high demand, and while engaging with the villagers as they usually do and taking part in the village's traditional events, they do their best to learn what Miss Marion Sewell is up to. But upon reflection, Christopher realizes it's unlikely the Marion he was so attracted to years before has changed all that much, and he starts to wonder if what she wants to tell him is actually something he might want to hear. Unfortunately, he has set wheels in motion that are not easy to redirect. Although Marion tries to approach him several times, he and she fail to make contact. Then just when it seems they will finally connect, a dangerous stranger lures Marion away. Fearing the worst, Christopher gives chase—trailed by his bodyguard, the children, and a small troop of helpful younger gentlemen. What they discover at nearby Parteger Hall is not at all what anyone expected, and as the action unfolds, the assembled company band together to protect a secret vital to the resolution of the war against Napoleon. Novel, translated by Joachim Neugroschel. Bataille's scandalous STORY OF THE EYE, written under the pseudonym Lord Auch, centers around the exploits of a young couple exploring the utmost boundaries of the sacred and profane. This hallucinatory melding of sex and religion has lost none of its transgressive power since its original publication in the 1920s, and prefigures Bataille's later studies of death and sensuality, including EROTISM and THE TEARS OF EROS, also published by City Lights and available from SPD.
