Your hard work is paying off. You are doing well in your field. But there is something standing between you and the next level of achievement. That something may just be one of your own annoying habits. Perhaps one small flaw - a behaviour you barely even recognise - is the only thing that's keeping you from where you want to be. It may be that the very characteristic that you believe got you where you are - like the drive to win at all costs - is what's holding you back. As this book explains, people often do well in spite of certain habits rather than because of them - and need a "to stop" list rather than one listing what "to do". Marshall Goldsmith's expertise is in helping global leaders overcome their unconscious annoying habits and become more successful. His one-on-one coaching comes with a six-figure price tag - but in this book you get his great advice for much less. Recently named as one of the world's five most-respected executive coaches by Forbes, he has worked with over 100 major CEOs and their management teams at the world's top businesses. His clients include corporations such as Goldman Sachs, Glaxo SmithKline, Johnson and Johnson and GE.

Provides information, tips, tricks, and troubleshooting for iPhone 4S, 5, 5C, 5S, 6, and 6 Plus using the iOS8 operating system. --Publisher's description.

Center, download apps, buy music, and sync your data to iCloud Written by iPhone and Mac expert Mark L. Chambers, iPhone 5 First Steps For Dummies will be one of the handiest e-books every iPhone owner should have to get started using your device -and fast! NATIONAL BESTSELLER • The gripping story of Elizabeth Holmes and Theranos—one of the biggest corporate frauds in history—a tale of ambition and hubris set amid the bold promises of Silicon Valley, rigorously reported by the prize-winning journalist. With a new Afterword. “Chilling ... Reads like a thriller ... Carreyrou tells [the Theranos story] virtually to perfection.” —The New York Times Book Review In 2014, Theranos founder and CEO Elizabeth Holmes was widely seen as the next Steve Jobs: a brilliant Stanford dropout whose startup “unicorn” promised to revolutionize the medical industry with its breakthrough device, which performed the whole range of laboratory tests from a single drop of blood. Backed by investors such as Larry Ellison and Tim Draper, Theranos sold shares in a fundraising round that valued the company at more than \$9 billion, putting Holmes’s worth at an estimated \$4.5 billion. There was just one problem: The technology didn’t work. Erroneous results put patients in danger, leading to misdiagnoses and unnecessary treatments. All the while, Holmes and her partner, Sunny Balwani, worked to silence anyone who voiced misgivings—from journalists to their own employees.

"It's okay if you're not yet where you want to be. Remember: you don't always notice the sun rising in the sky until, one day, you feel its warmth touching your face and you realize how much you have grown." From the author of the bestselling book 'Bloom for Yourself,' comes a collection of poetry and prose for courage. This empowering collection explores the transformation from low self-worth, to the bravery of letting go, and the wisdom that comes from truly believing in yourself. April Green has an extraordinary gift for helping you understand that you are never truly alone. Her words are shared by thousands of people all over the world, including Jenna Dewan, and Shantel Vansanten. Her voice serves as a reminder to all of us that healing, transformation, freedom, and self-love are possible.

Catholic social teaching has explosive power for changing not just individuals, but whole societies. And it's the saints who light the fuse. - Brandon Vogt The value of human life. The call to family and community. Serving the poor. The rights of workers. Care for creation. The church has always taught certain undeniable truths that can and should affect our society. But over the years, these teachings have been distorted, misunderstood, and forgotten. With the help of fourteen saints, it's time we reclaim Catholic social teaching and rediscover it through the lives of those who best lived it out. Follow in the saints' footsteps, learn from their example, and become the spark of authentic social justice that sets the world on fire. Learn from heroes like: Bl. Teresa of Calcutta St. Peter Claver St. Frances of Rome St. Roque Gonzalez Bl. Pier Giorgio Frassati St. Damien of Molokai St. John Paul II Goodreads Review for Saints and Social Justice Reviews from Goodreads.com

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Relive the extraordinary Presidency of Barack Obama through White House photographer Pete Souza's behind-the-scenes images and stories in this #1 New York Times bestseller -- with a foreword from the President himself. During Barack Obama's two terms, Pete Souza was with the President during more crucial moments than anyone else -- and he photographed them all. Souza captured nearly two million photographs of President Obama, in moments highly classified and disarmingly candid. Obama: An Intimate Portrait reproduces more than 300 of Souza's most iconic photographs with fine-art print quality in an oversize collectible format. Together they document the most consequential hours of the Presidency -- including the historic image of President Obama and his advisors in the Situation Room during the bin Laden mission -- alongside unguarded moments with the President's family, his encounters with children, interactions with world leaders and cultural figures, and more. Souza's photographs, with the behind-the-scenes captions and stories that accompany them, communicate the pace and power of our nation's highest office. They also reveal the spirit of the extraordinary man who became our President. We see President Obama lead our nation through monumental challenges, comfort us in calamity and loss, share in hard-won victories, and set a singular example to "be kind and be useful," as he would instruct his daughters. This book puts you in the White House with President Obama, and is a treasured record of a landmark era in American history.

Winner of the 2016 Tiptree Award! Longlisted for the 2016 National Book Award for Young People's Literature Stonewall Book Award Honor "McLemore's second novel is such a lush surprising fable, you half expect birds to fly out of the pages... McLemore uses the supernatural to remind us that the body's need to speak its truth is primal and profound, and that the connection between two people is no more anyone's business than why the dish ran away with the spoon." --Jeff Giles, New York Times Book Review Anna-Marie McLemore's debut novel The Weight of Feathers was greeted with rave reviews, a YALSA Morris Award nomination, and spots on multiple "Best YA Novels" lists. Now, McLemore delivers a second stunning and utterly romantic novel, again tinged with magic. To everyone who knows them, best friends Miel and Sam are as strange as they are inseparable. Roses grow out of Miel's wrist, and rumors say that she spilled out of a water tower when she was five. Sam is known for the moons he paints and hangs in the trees and for how little anyone knows about his life before he and his mother moved to town. But as odd as everyone considers Miel and Sam, even they stay away from the Bonner girls, four beautiful sisters rumored to be witches. Now they want the roses that grow from Miel's skin, convinced that their scent can make anyone fall in love. And they're willing to use every secret Miel has fought to protect to make sure she gives them up. Atmospheric, dynamic, and packed with gorgeous prose, When the Moon was Ours is another winner from this talented author.

Book Twelve of the Wheel of Time

C. L. Polk turns their considerable powers to a fantastical noir with Even Though I Knew the End. “Stylish supernatural noir with a heart and a thrumming pulse. I devoured it.”—Laini Taylor A magical detective dives into the affairs of Chicago's divine monsters to secure a future with the love of her life. This sapphic period piece will dazzle anyone looking for mystery, intrigue, romance, magic, or all of the above. An exiled augur who sold her soul to save her brother's life is offered one last job before serving an eternity in hell. When she turns it down, her client sweetens the pot by offering up the one payment she can't resist—the chance to have a future where she grows old with the woman she loves. To succeed, she is given three days to track down the White City Vampire, Chicago's most notorious serial killer. If she fails, only hell and heartbreak await.

Three teenagers in a post-holocaust survival colony find that their shelter has become a prison and decide to break out.

The #1 New York Times bestselling sequel to Words of Radiance, from epic fantasy author Brandon Sanderson at the top of his game. In Oathbringer, the third volume of the New York Times bestselling Stormlight Archive, humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin's Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar's blood-soaked past and stand together—and unless Dalinar himself can confront that past—even the restoration of the Knights Radiant will not prevent the end of civilization. Other Tor books by Brandon Sanderson The Cosmere The Stormlight Archive The Way of Kings Words of Radiance Edgedancer (Novella) Oathbringer The Mistborn trilogy Mistborn: The Final Empire The Well of Ascension The Hero of Ages Mistborn: The Wax and Wayne series Alloy of Law Shadows of Self Bands of Mourning Collection Arcanum Unbounded Other Cosmere novels Elantris Warbreaker The Alcatraz vs. the Evil Librarians series Alcatraz vs. the Evil Librarians The Scrivener's Bones The Knights of Crystallia The Shattered Lens The Dark Talent The Rithmatist series The Rithmatist Other books by Brandon Sanderson The Reckoners Steelheart Firefight Calamity At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Book of Wonders for Grown-Up Readers Every once in a great while a book comes along that reminds us of the magic spell that stories can cast over us—to dazzle, entertain, and enlighten.

Welcome to the Arabian Nights for our time—a lush and fantastical epic guaranteed to spirit you away from the very first page . . . Secreted away in a garden, a lonely girl spins stories to warm a curious prince: peculiar feats and unspeakable fates that loop through each other and back again to meet in the tapestry of her voice. Inked on her eyelids, each twisting, tattooed tale is a piece in the puzzle of the girl's own hidden history. And what tales she tells! Tales of shape-shifting witches and wild horsewomen, heron kings and beast princesses, snake gods, dog monks, and living stars—each story more strange and fantastic than the one that came before. From ill-tempered “mermaid” to fastidious Beast, nothing is ever quite what it seems in these ever-shifting tales—even, and especially, their teller. Adorned with illustrations by the legendary Michael Kaluta, Valente's enchanting lyrical fantasy offers a breathtaking reinvention of the untold myths and dark fairy tales that shape our dreams. And just when you think you've come to the end, you realize the adventure has only begun.... Praise for In the Night Garden “Cathrynne Valente weaves layer upon layer of marvels in her debut novel. In the Night Garden is a treat for all who love puzzle stories and the mystical language of talespinners.”—Carol Berg, author of Daughter of Ancients “Fabulous talespinning in the tradition of story cycles such as The Arabian Nights. Lyrical, wildly imaginative and slyly humorous, Valente's prose possesses an irrepressible spirit.”—K. J. Bishop, author of The Etched City “Astonishing work! Valente's endless invention and mythic range are breathtaking. It's as if she's gone night-wandering, and plucked a hundred distant cultures out of the air to deliver their stories to us.”—Ellen Kushner, author of Thomas the Rhymer “Refreshingly original in both style and form, In the Night Garden should delight lovers of myth and folklore.”—Juliet Marillier, author of the Sevenwaters trilogy

A comprehensive survey of Arctic landscapes and wildlife The perfect gift for anyone with an interest in animals, landscapes, nature photography, and adventure travel A visual journey that presents natural beauty alongside a call to action to protect these environments

“Joyously wild stuff. Highly recommended.” —The New York Times The Red Threads of Fortune is one of a pair of unique, standalone introductions to Neon Yang's Tensorate Series, which Kate Elliott calls "effortlessly fascinating." For more of the story you can read its twin novella The Black Tides of Heaven, available simultaneously. Fallen prophet, master of the elements, and daughter of the supreme Protector, Sanao Mokoya has abandoned the life that once bound her. Once her visions shaped the lives of citizens across the land, but no matter what tragedy Mokoya foresaw, she could never reshape the future. Broken by the loss of her young daughter, she now hunts deadly, sky-obscuring naga in the harsh outer reaches of the kingdom with packs of dinosaurs at her side, far from everything she used to love. On the trail of a massive naga that threatens the rebellious mining city of Bataanar, Mokoya meets the mysterious and alluring Rider. But all is not as it seems: the beast they both hunt harbors a secret that could ignite war throughout the Protectorate. As she is drawn into a conspiracy of magic and betrayal, Mokoya must come to terms with her extraordinary and dangerous gifts, or risk losing the little she has left to hold dear. The Tensorate Series Book 1: The Black Tides of Heaven Book 2: The Red Threads of Fortune Book 3: The Descent of Monsters Book 4: The Ascent to Godhood At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The new iPhone 3G is here, and New York Times tech columnist David Pogue is on top of it with a thoroughly updated edition of iPhone: The Missing Manual. With its faster downloads, touch-screen iPod, and best-ever mobile Web browser, the new affordable iPhone is packed with possibilities. But without an objective guide like this one, you'll never unlock all it can do for you. In this new edition, there are new chapters on the App Store, with special troubleshooting and syncing issues with iTunes; Apple's new MobileMe service, and what it means to the iPhone; and Microsoft Exchange ActiveSync compatibility. Each custom designed page in iPhone: The Missing Manual helps you accomplish specific tasks with complete step-by-step instructions for everything from scheduling to web browsing to watching videos. You'll learn how to: Use the iPhone as a phone -- get a guided tour of 3G's phone features and learn how much time you can save with things like Visual Voicemail, contact searching, and more Figure out what 3G means and how it affects battery life, internet speed, and even phone call audio quality. Treat the iPhone as an iPod -- listen to music, upload and view photos, and fill the iPhone with TV shows and movies Take the iPhone online -- learn how to get online, use email, browse the Web, and use the GPS Go beyond the iPhone -- discover how to use iPhone with iTunes, sync it with your calendar, and learn about The App Store where you can pick from hundreds of iPhone-friendly programs Teeming with high-quality color graphics and filled with humor, tips, tricks, and surprises, iPhone: The Missing Manual quickly teaches you how to set up, accessorize, and troubleshoot your iPhone. Instead of fumbling around, take advantage of this device with the manual that should have been in the box. It's your call.

As President Trump's National Security Advisor, John Bolton spent many of his 453 days in the room where it happened, and the facts speak for themselves. The result is a White House memoir that is the most comprehensive and substantial account of the Trump Administration, and one of the few to date by a top-level official. With almost daily access to the President, John Bolton has produced a precise rendering of his days in and around the Oval Office. What Bolton saw astonished him: a President for whom getting reelected was the only thing that mattered, even if it meant endangering or weakening the nation. “I am hard-pressed to identify any significant Trump decision during my tenure that wasn't driven by reelection calculations,” he writes. In fact, he argues that the House committed impeachment malpractice by keeping their prosecution focused narrowly on Ukraine when Trump's Ukraine-like transgressions existed across the full range of his foreign policy—and Bolton documents exactly what those were, and attempts by him and others in the Administration to raise alarms about them. He shows a President addicted to chaos, who embraced our enemies and spurned our friends, and was deeply suspicious of his own government. In Bolton's telling, all this helped put Trump on the bizarre road to impeachment. “The differences between this presidency and previous ones I had served were stunning,” writes Bolton, who worked for Reagan, Bush 41, and Bush 43. He discovered a President who thought foreign policy is like closing a real estate deal—about personal relationships, made-for-TV showmanship, and advancing his own interests. As a result, the US lost an opportunity to confront its deepening threats, and in cases like China, Russia, Iran, and North Korea ended up in a more vulnerable place. Bolton's account starts with his long march to the West Wing as Trump and others woo him for the National Security job. The minute he lands, he has to deal with Syria's chemical attack on the city of Douma, and the crises after that never stop. As he writes in the opening pages, “If you don't like turmoil, uncertainty, and risk—all the while being constantly overwhelmed with information, decisions to be made, and sheer amount of work—and enlivened by international and domestic personality and ego conflicts beyond description, try something else.” The turmoil, conflicts, and egos are all there—from the upheaval in Venezuela, to the erratic and manipulative moves of North Korea's Kim Jong Un, to the showdowns at the G7 summits, the calculated warmongering by Iran, the crazy plan to bring the Taliban to Camp David, and the placating of an authoritarian China that ultimately exposed the world to its lethal lies. But this seasoned public servant also has a great eye for the Washington inside game, and his story is full of wit and wry humor about how he saw it played.

iPhone 5 First Steps For Dummies

Follows the efforts of Dragon Reborn Rand al'Thor to unite a fractured network of kingdoms and alliances to prepare for battle against the Shadow.

Environment, Energy and Sustainable Development brings together 242 peer-reviewed papers presented at the 2013 International Conference on Frontiers of Energy and Environment Engineering, held in Xiamen, China, November 28-29, 2013. The main objective of this proceedings set is to take the environment-energydevelopments discussion a step further. Volume 1 of the set is devoted to Energy, power and environmental engineering, and volume 2 to Control, information and applications. Environment, Energy and Sustainable Development is

intended to serve as resource material for scientists working on related topics in many disciplines, including environmental science, management science, and energy science and policy analysis, as well as for industry professionals in the wide field of energy and environmental engineering.

Explains how to use the portable device, from activating the iPhone to managing its multi-touch and voice-recognition interfaces to iPhone security, including syncing the phone with iCloud, managing contacts, and organizing multimedia.

The book investigates the new forms of empowered agency possessed by national audiences with reference to two particular television texts: Game of Thrones and Mad Men. The two popular American TV shows are highly successful products of the convergence era, characterized by trans-media storytelling as a strategy and the interconnection of audiences' multiple practices of reception and fruition. The book argues how the analysis of audience engagement with trans-media texts will disclose important information about the various ways people organize their lives around media and how these activities help them to make sense of the world they live in.

My iPhone for Seniors _p2

Sparks fly when two ex-best-friends team up to save a family business in this swoon-worthy and witty debut perfect for fans of Jenn Bennett and Sarah Dessen. Caroline "Chuck" Wilson has big plans for spring break—hit up estate sales to score vintage fashion finds and tour the fashion school she dreams of attending. But her dad wrecks those plans when he asks her to spend vacation working the counter at Bigmouth's Bowl, her family's failing bowling alley. Making things astronomically worse, Chuck finds out her dad is way behind on back rent—meaning they might be losing Bigmouth's, the only thing keeping Chuck's family in San Francisco. And the one person other than Chuck who wants to do anything about it? Beckett Porter, her annoyingly attractive ex-best friend. So when Beckett propositions Chuck with a plan to make serious cash infiltrating the Bay Area action bowling scene, she accepts. But she can't shake the nagging feeling that she's acting irrational—too much like her mother for comfort. Plus, despite her best efforts to keep things strictly business, Beckett's charm is winning her back over...in ways that go beyond friendship. If Chuck fails, Bigmouth's Bowl and their San Francisco legacy are gone forever. But if she succeeds, she might just get everything she ever wanted.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Step-by-step instructions with callouts to iPhone images that show you exactly what to do. Help when you run into iPhone problems or limitations. The tasks include how to: • Connect to the Internet, Bluetooth devices, Wi-Fi networks, and other iPhones, iPod touches, and iPads; take advantage of AirDrop to instantly share with other iOS and Mac users around you • Use Siri to get information, write texts and emails, set reminders/appointments, and more just by speaking to your iPhone • Customize your iPhone with folders, wallpaper, ringtones, and much more • Configure and sync your information, and efficiently manage contacts, and calendars • Communicate via FaceTime videoconferences, conference calls, text, email, and more • Make your text messages come alive by adding Digital Touches and effects • Make the most of Safari to browse the Web and Mail to manage all of your email from one Inbox • Listen to music, subscribe to podcasts, and use other great iPhone apps • Capture and edit photos and video; use the great camera features such as burst, timed and time-lapse photos, slow-motion video, and Live Photos via email, AirDrop, or texts; use iCloud to automatically save and share your photos • Find, download, install, and use awesome iPhone apps • Take advantage of iCloud to keep your content and information in sync on all your devices

In this beautifully written and propulsive memoir, Huma Abedin—Hillary Clinton's famously private top aide and longtime adviser—emerges from the wings of American political history to take command of her own story. The daughter of Indian and Pakistani intellectuals and advocates who split their time between Saudi Arabia, the UK, and the United States, Abedin grew up in many worlds. Both/And grapples with family, legacy, identity, faith, marriage, and motherhood with wisdom and sophistication. Abedin launched full steam into a college internship in the office of the first lady in 1996, never imagining that her work at the White House would blossom into a career in public service, nor that the career would become an all-consuming way of life. Still in her twenties and thirties, she thrived in rooms with diplomats and sovereigns, entrepreneurs and artists, philanthropists and activists, and witnessed many crucial moments in 21st-century American history—Camp David for urgent efforts at Middle East peace in the waning months of the Clinton administration, Ground Zero in the days after the 9/11 attacks, the inauguration of the first African American president of the United States, the convention floor when America nominated its first female presidential candidate. Abedin's relationship with Clinton has seen both women through extraordinary personal and professional highs, as well as unimaginable lows. Here, for the first time, is a deeply personal account of Hillary Clinton as mentor, confidante, and role model. Abedin cuts through caricature, rumor, and misinformation to reveal a crystal-clear portrait of Clinton as a brilliant and caring leader a steadfast friend, generous, funny, hardworking, and dedicated. Both/And is a candid and heartbreaking chronicle of Abedin's marriage to Anthony Weiner, what drew her to him, how much she wanted to believe in him, the devastation wrought by his betrayals—and their shared love for their son. It is also a timeless story of a young woman with aspirations and ideals coming into her own in high-pressure jobs, and a testament to the potential for women in leadership to blaze a path forward while supporting those who follow in their footsteps.

Both/And describes Abedin's journey through the opportunities and obstacles, the trials and triumphs, of a full and complex life. Abedin's compassion and courage, her resilience and grace, her work ethic and mission are an inspiration to people of all ages. "This journey has led me through exhilarating milestones and devastating setbacks," said Abedin. "I have walked both with great pride and in overwhelming shame. It is a life I am—more than anything—enormously grateful for and a story I look forward to sharing."

The Wheel of Time is now an original series on Prime Video, starring Rosamund Pike as Moiraine! In The Shadow Rising, the fourth novel in Robert Jordan's #1 New York Times bestselling epic fantasy series, The Wheel of Time®, Rand al'Thor now wields the sword Callandor. He is both the Champion of Light and the Dragon Reborn. Now, he seeks answers to another prophecy that lies with the warrior people known as the Aiel to put him on the path of learning how to wield the One Power. Accompanied by Moiraine Damodred, Rand arrives at the Aiel Waste and is granted permission by the Wise Ones to enter the sacred city of Rhuidean. After passing through a doorway ter'angreal, Moiraine gains foresight while the Aiel await Rand's return, either with both arms marked by dragon symbols, validating his identity as He Who Comes With the Dawn, the Chief of Chiefs of all the Aiel—or to never emerge at all. Since its debut in 1990, The Wheel of Time® has captivated millions of readers around the globe with its scope, originality, and compelling characters. The last six books in series were all instant #1 New York Times bestsellers, and The Eye of the World was named one of America's best-loved novels by PBS's The Great American Read. The Wheel of Time® New Spring: The Novel #1 The Eye of the World #2 The Great Hunt #3 The Dragon Reborn #4 The Shadow Rising #5 The Fires of Heaven #6 Lord of Chaos #7 A Crown of Swords #8 The Path of Daggers #9 Winter's Heart #10 Crossroads of Twilight #11 Knife of Dreams By Robert Jordan and Brandon Sanderson #12 The Gathering Storm #13 Towers of Midnight #14 A Memory of Light By Robert Jordan and Teresa Patterson The World of Robert Jordan's The Wheel of Time By Robert Jordan, Harriet McDougal, Alan Romanczuk, and Maria Simons The Wheel of Time Companion By Robert Jordan and Amy Romanczuk Patterns of the Wheel: Coloring Art Based on Robert Jordan's The Wheel of Time At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The compulsively readable and sometimes jaw-dropping story of the life of a notorious madam who played hostess to every gangster, politician, writer, sports star and Cafe Society swell worth knowing, and who as much as any single figure helped make the twenties roar—from the Pulitzer Prize-winning author of The Most Famous Man in America. "Applegate's tour de force about Jazz Age icon Polly Adler will seize you by the lapels, buy you a drink, and keep you reading until the very last page.... A treat for fiction and nonfiction fans alike." —Abbott Kahler, New York Times bestselling author (as Karen Abbott) of The Ghosts of Eden Park Simply put: Everybody came to Polly's. Pearl "Polly" Adler (1900-1962) was a diminutive dynamo whose Manhattan brothels in the Roaring Twenties became places not just for men to have the company of women but were key gathering places where the culturati and celebrity elite mingled with high society and with violent figures of the underworld—and had a good time doing it. As a Jewish immigrant from eastern Europe, Polly Adler's life is a classic American story of success and assimilation that starts like a novel by Henry Roth and then turns into a glittering real-life tale straight out of F. Scott Fitzgerald. She declared her ambition to be "the best goddam madam in all America" and succeeded wildly. Debby Applegate uses Polly's story as the key to unpacking just what made the 1920s the appallingly corrupt yet glamorous and transformational era that it was and how the collision between high and low is the unique ingredient that fuels American culture.

A tale packed with adventure, The Book of Life celebrates the power of friendship and family, and the courage to follow your dreams. To determine whether the heart of humankind is pure and good, two godlike beings engage in an otherworldly wager during Mexico's annual Day of the Dead celebration. They tether two friends, Manolo and Joaquin, into vying for the heart of the beautiful and fiercely independent Maria, with comical and sometimes dangerous consequences. This volume is an inspirational behind-the-

scenes look at the making of the animated feature film *The Book of Life*, from visionary producer Guillermo del Toro (*Pan's Labyrinth*) and director Jorge R. Gutierrez (*El Tigre: The Adventures of Manny Rivera*).

Skybright is plunged into the terrifying Underworld where demons are bred, while Stone, stripped of his immortal status, must find a way to close hell's breach before more mortals die. Meanwhile, Zhen Ni, Skybright's former mistress and friend, is now wed to the strange and brutish Master Bei, and she finds herself trapped inside an opulent but empty manor. When she discovers half-eaten corpses beneath the estate, Zhen Ni worries that Master Bei is not all he seems. As Skybright begins the dangerous work of freeing Zhen Ni with the aid of Kai Sen and Stone, nothing can prepare them for an encounter so dark that it threatens to overtake their very beings.
