Here's the one-minute description of TQW: You have

a Big Question of some kind. You know it's a Big Question because it's keeping you up at night, the outcome is important, and you don't have a ready answer. There

Download Ebook Complete Answer Guide

are four stages you need to go through to answer a Big Question. I don't know where you are in the process; so let me describe the

Download Ebook Complete Answer Guide

four stages.

The first stage involves fully understanding your situation and your motives for wanting to resolve the question that comes from

Download Ebook Complete Answer Guide

being in that situation. The second stage involves separating yourself from the situation you are in. You cannot resolve a situation if you see

Download Ebook Complete Answer Guide

yourself as part of it. You have to gain perspective by separating yourself from your situation in as many ways as possible. The third stage

involves

letting go of
something that
keeps you
attached to,
and subject
to, the
situation you
are in.

Something is
holding you
back. Some

Something. As long as you hold onto these things

they will hold
you back.
Fourth, you
need to
perceive new
possibilities
for resolving
your Big
Question. For
various
reasons, you
are not able

alternative
resolutions
today. You
need to

question in a
way that will

resources you
