**Wearing jewelry is essential to helping women developed their own style. For women wishing to create a look that's unique, the last thing they'll want to invest money in is mass produced pieces of jewelry. It's for this reason alone, learning the skills needed for making beaded jewelry and costume jewelry could prove extremely beneficial. When it comes to making such pieces you need to know where to purchase the right kinds of supplies. In this book, " Costume Jewelry Making & Making Jewelry With Beads: A Complete Step by Step Guide (Special 2 In 1 Edition)" not only do we discuss what's needed to start your own beaded jewelry & costume jewelry making venture but also provide several projects you may want to try out. After finishing this book not only will you be able to create unique and stunning jewelry designs with beads for yourself but for others as well. In addition, if you're someone who has an eye for fashion and enjoys making their own things, why not save yourself money by making your own costume jewelry. Even the simplest pieces of costume jewelry can be overpriced, so why spend money on such accessories when making them for yourself could save you a great deal of money. Of course when it comes to making your own jewelry there are certain things you need to consider before you do. The first thing you need to consider before you begin the process of learning how to make costume jewelry is what type you wish to make. The best way of determining what style of jewelry you want to make is to look through various magazines and see what's on offer in stores locally. It's also a good idea to gain inspiration for your costume jewelry designs by visiting museums or art galleries. You may even gain inspiration for your designs when out for a walk. From the outset, this book has been designed for those who have never created jewelry with beads and costume jewelry before. However by the end you'll be an expert in the tools of the trade, the supplies you need and some basic skills you can advance upon over time. *"Jewelry Making For Beginners" is a text that not only highlights the basics of making various types of jewelry, it also goes just a bit further into the process without making it overwhelming for the beginner. The aim that the author has with this text is to inform and educate and make the overall process as easy as possible to execute. The individual that has no concept at all of what jewelry making entails can read the text and not only get an overview of the jewelry making process but also get a bit of insight on the various processes that one can focus on be it using metal or beads or gems and stones. This book is a great source of reference for any hobbyist with an interest in making jewelry in their spare time or someone who has a creative side and has an interest in earning an income from making jewelry. The book is a great place to start to achieve that goal of creating great piece of wearable art. Of course this text will not appeal to everyone as not all are interested in using their hands or creativity to make something but for those who are it works.*
