HALT THE HISSSES! People love cats--and often "double their pleasure" by sharing their hearts (and pillows) with more Than one. But cat behavior puzzles the most savvy pet owners especially when it comes to the furry equation. And behavior problems are the #1 reason pets lose their homes. This book helps any cat lover (whether you share your home with one or a dozen felines). It Demystifies cat behavior and cat disputes, explains scratching (it's NORMAL!), solves litter-ary challenges and dinnertime woes, and redirects normal (but aggravating) cat-to-cat behaviors. Learn about: How Cats Communicate, Understanding Feline Society How Cats Learn & Ideal Training Tips Choosing ComPETable Pet Friends Step-by-Step Cat-to-Cat (and Kid/Baby/Stranger) Introductions Stopping Problem Biting, Cheating, Clawing, Counter Jumping & more! Amy Shojai, CABC, is a certified animal behavior consultant, and author of more than 30 award-winning pet care books. Visit www.SHOJAI.com.

1 Cat Behaviour: Knowing more about why your cat acts the way it does will help you enjoy and appreciate the unique temperament of the cat in your home. 2 Choosing a Cat: This chapter will help you choose the best cat for your circumstances, so that you can decide between moggie and pedigree, a cute kitten or a fully grown adult, one feline or two. It will also help you consider whether to keep your cat indoors or in the outside world. 3 Basic Cat Care: A one-stop guide to caring for your feline, whether it is a young kitten or fully grown adult. This chapter includes no-nonsense advice on feeding and grooming, as well as on all your cat's toileting and sleeping needs. There's a handy section on stress-free travelling with your pet, and advice on tracing a cat that has gone astray. 4 Games, Showing and Training: This chapter offers simple ways to teach your cat the rules of the house using reward and praise (never punishment). There's also advice on enjoying daily playtime - essential for a cat's wellbeing and happiness - and a section on common behavioural problems and how to solve them. 5 A Healthy Cat: When it comes to health, prevention is much better than cure. This chapter shows you how to keep your cat well with regular checks that you can do at home. There's advice on when to call a vet - as well as how to keep your cat calm at the surgery. Common ailments and emergency first aid are covered, and there is also a section on complementary cat therapies.

Celeste Yarnall's time-tested natural and holistic expertise gives cat owners insight into natural alternatives in food, medication, alternative therapies, and healing practices, improving the lives of cats as well as their caregivers. With Dr. Jean Hofve, the esteemed holistic veterinarian, she explores nutrition as preventative medicine, vitamin and mineral supplements, herbal remedies, homeopathic treatments, and groundbreaking anti-aging modalities never before published in a pet care guide. The Complete Guide to Holistic Cat Care also includes a complete bibliography and a list of suppliers of holistic remedies and services. As with all other pet health guides, it is a comprehensive resource intended to complement veterinary care, not replace it.

Combining cat breeds, behavior, and training tips in one easy volume, The Complete Cat Breed Book is an essential reference to the basics of choosing and looking after a cat. Includes practical advice on maintenance, from handling and grooming to nutrition, exercise, and health, current and prospective cat owners will discover the best cat breed for their lifestyle. Including charts and a photograph of more than fifty cat breeds, each profile outlining the breed's history, appearance, and temperament, as well as coat color variations and breed-specific facts, this is the perfect e-guide for anyone who wants to nurture a contented cat.

Building a lifelong, loving relationship with a cat can be a challenging task. Whether you're thinking of adopting a cat or already live with one, The Humane Society of the United States Complete Guide to Cat Care offers authoritative and practical advice that will help you make the best decisions for your pet along the way. This comprehensive guide includes sections on choosing a healthy cat or kitten, feeding and nutrition, training, grooming, disease, vet visits, caring for an aging cat, feline first-

aid kits and emergency care. Unlike other books that endorse breeding and promote novelty or purebred cats, The Humane Society's Guide to Cat Care stresses making life better for the millions of cats already here. It provides information on rescuing and rehabilitating homeless cats, finding a stray's owner, and helping an outdoor cat make the transition to a safe indoor environment. The guide also encourages animal advocacy and offers a list of ways to get involved.

"Bengal Cat and Kittens" will introduce you to the cat that is like no other breed in terms of their dog-like habits. If you are looking for a loyal companion that fetches, walks on a leash, often has a strong fondness for water, and is as beautiful as the Asian Leopard Cat it descended from originally, then this might be the ideal cat for you! This book also includes information on how the Bengal cat compares to other similar exotic breeds of cats that have "wild" cat ancestors from a few generations back, as well as TICA information, and legal considerations specifically for USA, Canada and the UK. "It's good to finally read a book by someone that has owned and clearly loves Bengals like I do. I learned a lot about my Bengal kitten after reading it. Highly recommended!" -Louise Pasli

A magical book about cats and kittens for young readers to treasure. A perfect book for any child interested in cats and kittens, this is a friendly introduction to the world of cat breeds and kitten behavior. Children will learn all about their favorite cat breeds, such as the Ragdoll or Persian, and how baby kittens learn through play. Colorful images, fun facts, and bite-size chunks of information make this a must for kids with a passion for cats.

Written by a qualified veterinarian, this is a complete and comprehensive guide to health care for cats and dogs, providing invaluable advice on essential aspects of care, such as diet and vaccinations, as well as a guide to holistic treatments. The first part of the book describes the main lifestyle choices every dog and cat owner makes, whether or not they are aware of them: settling in a new puppy or kitten, vaccination, neutering, diet, finding the right veterinarian, and caring for the ageing animal. The second part describes the main holistic modalities and their relevance when animals become sick. What they are, how they work, when they are useful, and how to find a practitioner. Also includes chapters on osteopathy, homeopathy, acupuncture, Bach's flower remedies, and herbal medicine. The third part of the book discusses a range of common health problems in dogs and cats, both from a conventional veterinary point of view and from an holistic perspective, and aims to help the owner understand the condition they are facing, as well as providing tips on how to supplement their veterinarian's advice and treatment.

The decision to adopt your first cat is a monumental one, both for you and for your new cat. Whether you are thinking about getting a cat, or have just adopted your first one, the "Raising Your First Cat" book has been designed to make your relationship with this special cat a lasting one so the cat has found its "forever home." It shares successful methods that will help you and your cat build a great relationship. This books includes: Create a Shopping List for Your New Cat, Prepare a Safe Room for Your Cat, Cat-Proof Your Home, Bring Your New Cat Home, Get a Litter Box and Take Care of Sleeping Arrangements, Play with Your Cat, and How to Stop Your Cat from Scratching and Biting.

An Owner's Guide to a Happy Healthy Pet is the series to turn to when you want a basic reference that's reliable, up-to-date, and complete. These guides feature: Expert authors, plus renowned guest contributors on specialized topics Full-color photos throughout Basic information on the breed, species, or topic Complete coverage of care, health, grooming, training, and more Tips and techniques to make life with a pet more rewarding Filled with beautiful color photographs of these furry friends, this book reveals virtually everything needed to appreciate this mysterious, lovable companion. Chapter One, "Evolutionary Cat," traces the domestic feline back to the Paleocene Era, then introduces its big cat relatives. Sidebars highlight the fascinating evolutionary differences between big cats and small cats, which clearly explain why the smaller kitties became household favorites. Cats have been both revered and scorned throughout history. Egyptian law protected sacred cats, and the beauty of Egyptian women was measured by their resemblance to the cat. But the cat's spiritual heyday came to a halt in the Middle Ages, when the Christian church crushed the worship of cat-gods. Yet, in the seventeenth century, cat popularity rose again as the French aristocracy welcomed the cat back into polite society. Chapter Two, "Cultured Cat," is a survey of artistic homage paid to the cat. From Aesop's fables to Lewis Carroll's Alice in Wonderland, cats have been featured as analogy, metaphor, and hero. From the Egyptians to Leonardo da Vinci and beyond, the cat has been featured in paintings and other media. Notable cat lovers include Winston Churchill, President Lincoln, and President Roosevelt, whose cat, Slippers, often attended White House dinners. Enemies of the cat include Hitler, Alexander the Great, and Napoleon. Chapter Three, "Physical Cat," is a guide to understanding and caring for your cat. First, each of the cat's senses and physical attributes are described, to reveal how they see the world. Important cat care issues are discussed, such as whether you should get your cat "fixed" (definitely!) and what ailments your cat is likely to suffer from. Also provided are tips for proper training, advice on when to vaccinate, and information about choosing and caring for kittens. Cat Life closes with a "Gallery of Breeds," a parade of fascinating cat types with descriptions of their unique personalities and special characteristics. Overflowing with endearing photographs and enlightening, entertaining text, Cat Life is sure to capture the fancy of ailurophiles everywhere.

Behaviors (Counter Surfing, Excessive Meowing, and More) Carrier Training Giving Medication Playtime and enrichment Senior Cat care So you've decided to adopt a cat. Easy, right? You just go to the closest shelter, pick out the cute, fluffy orange one, and live happily ever after. Although this is exactly what goes through the minds of many would-be cat adopters, picking out your new best friend can be a little more complicated. I mean, if you get a kitten, you're looking at a 15-20 year commitment. I once had one of my cats live to be 27! And what happens if they don't like your other pets? Or your kids? Even worse, what if they stop using their litter box? And how often do cats even need to go to the vet, anyway? Even for impulsive people like myself, you have to at least put a little bit of thought into it. That's where this book comes in. It's a comprehensive guide to all things cat adoption. If you don't know where to start, this is a good place. If you've just brought your new kitty home and have questions, we'll cover that too. Even if you've already had a cat for a while, you're guaranteed to learn something new. So grab your catnip and feather wand, and let's get started!
