This is a shorter version of the classic bestseller *The Birth Partner*, ideal for time-pressed parents, partners, and birthing professionals. It is a convenient and easy-to-use book that provides facts on the fly during the ultra-busy period before, during, and after labor and birth. An added planner keeps your plans and to-dos in one place.

Generations of spouses and partners, as well as doulas, nurses, midwives, and other professionals, have relied on Penny Simkin's warm and wise guidance in caring for the new mother, from the last trimester through the early postpartum period. Her book *The Birth Partner* is the definitive guide to helping a woman through labor and birth, and *The Birth Partner's Quick Reference Guide and Planner* is a more-concise version of that book. For those who have the original book, it adds a planner component, for hospital or at-home birth plans and for other essential to-dos. It is full of reliable and up-to-date information on: Preparing for labor and for the new baby Ways to help a woman through each stage of labor and birth Pain-relief measures, including epidurals and medications as well as natural techniques Ways to induce or speed up labor Cesarean birth and complications that may require it Breastfeeding and newborn care and much more For the partner who wishes to be truly helpful in the birthing room, this is the essential book to have on hand.

Teachers, Students and the Law is an indispensable pocket-sized resource that guides primary and secondary school teachers through the many complex legal issues that can arise in school environments. Covering key topics including duty of care, cyberbullying, discrimination, privacy and family law, among others, the book provides concise, plain-language information in an easy-to-use format. This fifth edition incorporates revised and expanded information and references, including online learning and pandemic advice, with an up-to-date directory of national contacts and services.
