

## Confessioni Di Un Gatto Killer Illustrati

*La mamma di Ellie frequenta un corso di pittura e decide di ritrarre Tuffy. Però, nessuno in famiglia è entusiasta del nuovo quadro appeso alla parete, e il Gatto killer interviene a modo suo. Ma quando il papà di Ellie cercherà disperatamente il biglietto vincente della lotteria, il suo intervento sarà fondamentale...*
«Si è trattato di un incidente. Gli ho solo dato un colpettino con la mia morbida zampina. Chi può addossarmi la colpa se uno dei miei artigli si è impigliato nella tela? Sono rimasto incastrato. Nessuno potrebbe biasimarmi solo perché ho cercato di liberarmi...».

*Dani is probably the happiest person she knows. She's happy because she's going to start school. She's been waiting to go to school her whole life. Then things get even better—she meets Ella. Dani and Ella stick together through wet and dry, sun and rain, thick and thin. They do everything together. But then things start to happen that Dani isn't prepared for...*
**REVIEWS:**
'An illustrated chapter book about a young girl with a lot of optimism -necessary when you start school.' - *Bookrapt*, July 2012; "Written with humour and pathos this is an up-beat chapter book for five to seven-year-olds learning how to face the challenges of the big world. Dani's courage and her optimistic view of life are a lesson for readers of all ages." - *Library Mice (UK); Ellie e i suoi genitori sono abituati ai guai che combina Tuffy; ma non credono ai loro occhi quando porta un uccello morto dentro casa. Poi un topo. Poi un coniglio. Tuffy però non capisce perché ne facciamo una tragedia. Più scaltro del Gatto con gli stivali, più insolente di Garfield, più pasticcione di Gatto Silvestro, più geniale di Doraeon; Tuffy è pronto a fare breccia nei cuori dei lettori di tutte le età.*

*'I adore stories in which people have weird dreams, and strange things happen. But that's in books. Real life is supposed to be real, and I like my world to be solid around me ...' Mel is the class bookworm. She prefers books to people and doesn't want - or need - friends. She certainly doesn't want to be first-week minder for new girl, Imogen. And Imogen is odd. Slowly, Mel discovers that Imogen has a special talent - a family 'gift' that Mel thinks is more like a curse. And that's when she realizes that stories can happen in real life, too. For only she can stop Imogen's private horror story - stop the bad dreams ...*

Before there is peace, blood will spill blood... New territory brings new troubles for the fierce cats of the warrior Clans, who are still uncovering the secrets of their new home around the lake. Dangers they have never faced before are lurking in the twilight shadows, and former allies are acting strangely hostile. As divisions between the Clans intensify, the warrior cats must choose between loyalty to their old friends and the need to survive. One is torn between loyalty to her calling and a forbidden love, while the other struggles with her best friend's betrayal and the surprising perils of the forest. The choices they make now could affect ThunderClan for generations to come ... and with an unexpected enemy preparing to attack, their courage and strength will be needed more than ever.

*The work of Giorgio Agamben, one of the world's most important living philosophers, has been the object of much scrutiny. Yet, there is one dimension of his thought that remains unexamined by scholars: the presence of the ancient science of astrology in his writings. This book, the first of its kind, identifies the astrological elements and explains the implications of their usage by Agamben. In so doing, this study challenges us to imagine Agamben's thought in a radically new light. A critical account of the presence of astrology and related themes in Agamben's writings, ranging from the earlier works to the more recent publications, illustrates that the astrological signature constitutes a mode of philosophical archaeology that allows for an enhanced understanding of concepts that are central to his works, such as potentiality, the signature, bare life and biopolitics.*

*THE MISADVENTURES OF FIVE CHARMING TROUBLEMAKERS* Anouk Ricard's Anna and Froga features the adventures of a little girl named Anna and her gang of animal friends. Anna's best friend is the titular Froga, and they often hang out with Bubù the dog (an aspiring artist), Christopher the gourmand earthworm, and Ron (a practical joker of a cat). With a sly humor, Ricard spins yarns that will delight and entertain the whole family. Whether the conflict is driven by eating too many French fries, bossing around Johnny the Tuna, or trying to beat a difficult video game, you know that Anna, Froga, Bubù, Ron, and Christopher will come out all right in the end, which makes the layers of confusion they pile on one another all the funnier. Ricard's characters are sweet without ever veering into preciousness, as they constantly find opportunities for a laugh at one another's expense. Ricard works in a fanciful and childlike style, with vibrant colors and simple story lines. The illustrations in Anna and Froga are inviting and the stories well told, employing short, snappy dialogue. Without sacrificing quality, intelligence, or humor, Angoulême Festival–nominated author Ricard is able to write from childhood effectively and charmingly.

A semiautobiographical coming-of-age story, framed by the harrowing 1975 Circeo massacre Edoardo Albinati's The Catholic School, the winner of Italy's most prestigious award, The Strega Prize, is a powerful investigation of the heart and soul of contemporary Italy. Three well-off young men—former students at Rome's prestigious all-boys Catholic high school San Leone Magno—brutally tortured, raped, and murdered two young women in 1975. The event, which came to be known as the Circeo massacre, shocked and captivated the country, exposing the violence and dark underbelly of the upper middle class at a moment when the traditional structures of family and religion were seen as under threat. It is this environment, the halls of San Leone Magno in the late 1960s and the 1970s, that Edoardo Albinati takes as his subject. His experience at the school, reflections on his adolescence, and thoughts on the forces that produced contemporary Italy are painstakingly and thoughtfully rendered, producing a remarkable blend of memoir, coming-of-age novel, and true-crime story. Along with indelible portraits of his teachers and fellow classmates—the charming Arbus, the literature teacher Cosmos, and his only Fascist friend, Max—Albinati also gives us his nuanced reflections on the legacy of abuse, the Italian bourgeoisie, and the relationship between sex, violence, and masculinity.

A beautifully illustrated cover edition of Rumer Godden's classic story about friendship and family, Miss Happiness and Miss Flower. When little Nona is sent from her sunny home in India to live with her relatives in chilly England, she is miserable. Then a box arrives for her in the post and inside, wrapped up in tissue paper, are two little Japanese dolls. A slip of paper says their names are Miss Happiness and Miss Flower. Nona thinks that they must feel lonely too, so far away from home. Then Nona has an idea - she will build her dolls the perfect house! It will be just like a Japanese home in every way. It will even have a tiny Japanese garden. And as she begins to make Miss Happiness and Miss Flower happy, Nona finds that she is happier too.

Socialite, fashion icon, television and movie star, recording artist and just plain celebrity: Twenty-two year old Paris Hilton is the great granddaughter of hotel magnate Conrad Hilton and is estimated to be worth \$30 million. The world first became aware of Paris Hilton through a Vanity Fair profile in 2000. Since then, she has graced the pages of countless magazines, newspapers, and tabloids; modeled on the runways of top designers; appeared on television shows as herself ('Saturday Night Live', MTV Music Awards) and as fictional characters (the new Sky One show 'Las Vegas'); had small parts in movies like 'The Cat in the Hat', 'Win a Date with Tad Hamilton' and the upcoming 'The Hitlz'; has begun work on an album; and starred in a hit reality series, 'The Simple Life' (shown here on Channel 4). She has been romantically linked with current boyfriend Nick Carter of the Backstreet Boys, Rick Solomon (of the notorious sex tape), and Deryck Whibley of Sum 41. 'I think the biggest misconception about me is that I'm this spoiled brat. But I'm not. I'm the total opposite.'

A TIME magazine Top 10 Children's Book of 2015 The whimsical "autobiography" of an imaginary friend who doesn't know he's imaginary--perfect for fans of The Miraculous Journey of Edward Tulane and Toy Story Jaques Papier has the sneaking suspicion that everyone except his sister Fleur hates him. Teachers ignore him when his hand is raised in class, he is never chosen for sports teams, and his parents often need to be reminded to set a place for him at the dinner table. But he is shocked when he finally learns the truth: He is Fleur's imaginary friend! When he convinces Fleur to set him free, he begins a surprising and touching, and always funny quest to find himself--to figure out who Jacques Papier truly is, and where he belongs. Readers will fall in love with jacque's sweet, quirky voice as he gives them a look at life from an incredible new perspective

*«Uno dei miei si avvicina alla ragazza e le stringe la faccia tra le mani tozze e pelose. In quell'istante ho compassione di lei. Penso al supplizio che, in altre occasioni, abbiamo inflitto a giovani donne nelle sue stesse condizioni. Fatte abortire a calci, sventrate o decapitate lì sul posto. L'orrore dell'Is non ha fine come non ha fine la vergogna che provo per me. Un altro ha in mano una tancia. La apre lentamente e la versa sulla testa e sul viso della ragazzina che non capisce subito. Si guarda strana. Poi, intinisce e cerca di alzarsi, di scrosciarsi. Due committenti lo aiutano a tenerla ferma mentre il mio "braccio destro", con un accendito, le dà fuoco. La giovane inizia a urlare più dalla paura che dal dolore. Quello che dovrebbe essere suo marito ride soddisfatto a poca distanza mostrando gli incisivi superiori neri e marci». Dai campi di calcio ai campi di concentramento dell'Ir: Bechir è un giocatore della serie A tunisina che decide di arruolarsi nell'Isis e combattere per la Giusta Causa del Califfo Al Baghdadi. Prenderà parte a missioni segrete in Libia per conto dello Stato Islamico e diventerà uno dei combattenti più famosi e temuti di Raqqa. In questo sconvolgente libro-inchiesta, il protagonista svela in diretta il lato oscuro dell'organizzazione terroristica più potente al mondo: l'orrore delle decapitazioni, gli stupri di guerra e gli attentati dei kamikaze. Ma anche i segreti inconfessabili, la corruzione, il traffico di droga, la macchina della propaganda sul social e i piani del Califfo per invadere l'Europa e piegare alla Sharia. *Italian cinema has been an influential, sometimes dominant, force in the world of filmmaking for over 100 years. Many world-famous actors and production personnel have made their mark on the Italian screen. This is an encyclopedic reference and filmography to the nearly 5,000 people, Italians and foreigners, who have been involved in Italian filmmaking since 1896. Each entry provides brief biographical information on the person, along with full filmographic data on his or her films in Italy or for Italian filmmakers. The annotated title index includes Italian titles (and year) and English-language titles and alternate titles where appropriate. Conjoined to all of the title index references (to serially numbered personal entries), with the exception of acting credits, are mnemonic codes indicating specific areas of production (e.g. director, producer, camera, music, etc.).*

*Since the release in 1926 of a popular book series with bright yellow covers, the Italian word giallo (yellow) has come to define a whole spectrum of mystery and detective fiction and films. Although most English speakers associate the term giallo with the violent and erotic thrillers popular in the 1960s and 1970s from directors like Mario Bava, Dario Argento, Lucio Fulci and others, the term encompasses a wide range of Italian media such as mysteries, thrillers and detective stories—even comedies and political pamphlets. As films like Blood and Black Lace (1964) and Deep Red (1975) have received international acclaim, giallo is a fluid and dynamic genre that has evolved throughout the decades. This book examines the many facets of the giallo genre –narrative, style, themes, and influences. It explores Italian films, made-for-TV films and miniseries from the dawn of sound cinema to the present, discussing their impact on society, culture and more.*

Christmas comes but once a year. Luckily . . . The Christmas holiday is, traditionally, a time when families gather together. In Ralph's case this means ten or more relatives coming to stay, including assorted aunts and uncles, nutty Great-Aunt Ida (the Home tells them to be careful not to let her out) and his ghostly cousins: Titania in her silly, sick-making frilly fairy dresses and the twins Sylvester and Sylvia (it took until Easter last year before the family dog got over them). Jammed into one small house for three days of merriment and family fun, with the tv on the blink and Mum on the verge of a breakdown, it soon becomes obvious that, in this house, more definitely does not mean merrier . . .

A kitchen is so different from most science laboratories and cookery may properly be regarded as an experimental science. Food preparation and cookery involve many processes which are well described by the physical sciences. Understanding the chemistry and physics of cooking should lead to improvements in performance in the kitchen. For those of us who wish to know why certain recipes work and perhaps more importantly why others fail, appreciating the underlying physical processes will inevitably help in unravelling the mysteries of the "art" of good cooking. Strong praise from the reviewers - "Will be stimulating for amateur cooks with an interest in following recipes and understanding how they work. They will find anecdotes and, sprinkled throughout the book, scientific points of information... The book is a pleasant read and is an invitation to become better acquainted with the science of cooking." - NATURE "This year, at last, we have a book which shows how a practical understanding of physics and chemistry can improve culinary performance... [Barham] first explains, in a lucid non-textbooky way, the principles behind taste, flavour and the main methods of food preparation, and then gives fool-proof basic recipes for dishes from roast leg of lamb to chocolate soufflé." - FINANCIAL TIMES WEEKEND "This book is full of interesting and relevant facts that clarify the techniques of cooking that lead to the texture, taste and aroma of good cuisine. As a physicist the author introduces the importance of models in preparing food, and their modification as a result of testing and refining." \* - THE PHYSICIST "Focuses quite specifically on the physics and food chemistry of practical domestic cooking in terms of real recipes... Each chapter starts with an overview of the scientific issues relevant to that food group, e.g. toughness of meat, thickening of sauces, collapse of sponge cakes and soufflés. This is followed by actual recipes, with the purpose behind each ingredient and technique explained, and each recipe followed by a table describing some common problems, causes and solutions. Each chapter then ends with suggested experiments to illustrate some of the scientific principles exploited in the chapter." - FOOD & DRINK NEWSLETTER

The first, and still the best known, testimony by a gay survivor of the Nazi concentration camps translated into English, this harrowing autobiography opened new doors onto the understanding of homosexuality and the Holocaust when it was first published in 1980 by Gay Men's Press. THE MEN WITH THE PINK TRIANGLE has been translated into several languages, with a second edition published in 1994 by Alyson Books. Heger's book also inspired the 1979 play Bent by Martin Sherman which was filmed as the 1997 movie of the same name, directed by Sean Mathias.

A hilarious picture book featuring the big, bad wolf from the popular Gecko Press book, I am so Strong. "Hey, little bacon bits! Tell me, who's the handsomest of all?" demanded the wolf."

This cultural history of Mussolini's dictatorship discusses the meanings of modernity in interwar Italy. The work argues that fascism appealed to many Italian intellectuals as a new model of modernity that would resolve the European and national crises.
