The world's bestselling travel book is back in a more informative, more experiential, more budget-friendly full-color edition. A #1 New York Times bestseller, 1,000 Places reinvented the idea of travel book as both wish list and practical guide. As Newsweek wrote, it "tells you what's beautiful, what's fun, and what's just unforgettable-- everywhere on earth." And now the best is better. There are 600 full-color photographs. Over 200 entirely new entries, including visits to 28 countries like Lebanon, Croatia, Estonia, and Nicaragua, that were not in the original edition. There is an emphasis on experiences: an entry covers not just Positano or Ravello, but the full 30-mile stretch along the Amalfi Coast. Every entry from the original edition has been readdressed, rewritten, and made fuller, with more suggestions for places to stay, restaurants to visit, festivals to check out. And throughout, the book is more budget-conscious, starred restaurants and historic hotels such as the Ritz, but also moderately priced gems that don't compromise on atmosphere or charm. The world is calling. Time to answer. Readers of the Yearbook of American & Canadian Churches have come to trust it as the best single source of information about the status of religion in North America. Updated and confirmed annually, this accurate and comprehensive resource provides quick-reference access to names, addresses, telephone numbers, and fax numbers for denominational leaders, headquarters, agencies, and regional headquarters, as well as historical and current statistical data. This edition will include a theme chapter by Diana Eck on "Religious Pluralism in the New Millennium."
