This text is an unbound, binder-ready edition. We've listened. Boone/Kurtz, *Essentials of Contemporary Business* is the flexible, current, and easy-to-use resource that today's students and teachers want. Our commitment to delivering solutions at the speed of business has produced the perfect combination of current material, illustrative examples and a storytelling narrative -- all in a brief, valued-priced package. Covering all of the major topics of the introduction to business course, Boone/Kurtz, *Essentials of Contemporary Business* offers shorter chapters and a visually pleasing design paired with a comprehensive suite of resources to help you make business concepts come alive. Experience a textbook program that supports your goals to

stimulate curiosity, show relevance, promote creativity, and prepare students for what's ahead, in both their academic and business careers. Leveraging their extensive background at multi-national corporations, co-authors Shad Morris and James Oldroyd created an International Business course that is current, concise, and easy to implement. As instructors themselves, the authors focused on engaging pedagogy that prepares students for the global marketplace and created interactive resources to deepen the learning experience. This second edition of International Business includes extensive updates including coverage on important topics like COVID-19, Brexit and the US-China trade war. Additionally, the WileyPLUS course provides just-in-time resources like chapter introductory videos, whiteboard animations, cases/case application problems, adaptive practice, and more to help students apply their learning and think critically.

Boone, Kurtz, and Berston's, Contemporary Business, 17th Edition, delivers solutions at the speed of business to stimulate curiosity, show relevance, promote creativity, and prepare students for what's ahead in their academic and business careers. With thoroughly revised cases, fresh, current examples, and an updated video series, the 17th Edition provides insights into the many facets of business that contribute to the dynamic, ever changing world of work.

Thoroughly revised and updated, *MARKETING STRATEGY*, 6e continues with one primary goal: to teach students to think and act like marketers. Packed with cutting-edge coverage, current examples, new cases, and photographs, the sixth edition delivers a practical, straightforward approach to analyzing, planning, and implementing marketing strategies--helping students learn to develop a customer-oriented market strategy and market plan. Students sharpen their analytical and creative critical thinking skills on the key concepts and tools of marketing strategy. Continuing in the text's signature student-friendly style, the sixth edition covers essential points without getting bogged down in industry jargon--all in a succinct 10 chapters. We're facing an information overload. With the quick tap of a finger we can access an endless stream of addictive information—sports scores, breaking news, political commentary, streaming TV, the latest Instagram posts, and much more. Accessing information has never been easier—but acquiring wisdom is increasingly difficult. In an effort to help us eat a more balanced, healthy diet of information, Brett McCracken has created the “Wisdom Pyramid.” Inspired by the food pyramid model, the Wisdom Pyramid challenges us to focus on our intake of enduring, trustworthy sources (like the Bible) while moderating our consumption of less reliable sources (like the Internet and social media). At a time when our daily media diet is toxic and making us spiritually sick, The Wisdom Pyramid suggests that we become healthy and wise when we reorient our lives around God—the truth and the eternal source of wisdom.

Essentials of Contemporary Business, Binder Ready Version

*Social Media Marketing: A Strategic Approach* promises to be the seminal textbook in the field with its distinctive conceptual foundation and practical approach to developing successful social media marketing plans. A proven eight-step social media planning model provides students with a cumulative learning experience, showing them how to construct social media strategies that achieve desired marketing goals. These marketing goals shape the development of tailored social media strategies. Special attention is given to the most effective techniques for identifying targeted marketing on the social web, with emphasis on the creation of personas that represent the critical online market segments for a company. Students discover how to put these well-defined personas to work in selecting the optimal social media platforms for reaching an organization's marketing goals. Students are taught rules of engagement and social media ethics for behaving properly as marketers on the social web. With these guidelines in mind, the most productive marketing tactics for each type of major social media platform are examined in depth. These platform-specific tactics, along with all the preceding material in the book, are brought together in the final chapter to create a comprehensive social media marketing plan, with detailed explanations and illustrations from a real world plan. Extensive consideration is given to monitoring, evaluating, and tuning the implementation of social media marketing initiatives. In addition, students are introduced to the most useful quantitative and qualitative social media measurements, along with various ways to estimate an organization's return on investment in social media marketing activities.
