

Crank The Gibson Boys Book 1

There are exceptions to every rule. Jada Stanley is starting over, freeing herself from her past. Following the rules she's given herself is easy enough, until she meets HIM. He's gorgeous, cocky, and everything she needs to avoid, but that's easier said than done. Cane Alexander has his own set of guidelines, a plan to keep his life simple and free of complications. But Jada is a temptation he can't resist. As their lives entwine, they realize one thing: there's an exception to every rule.

Crank is a standalone romance in a new small town, blue-collar series from USA Today bestselling author Adriana Locke. Join readers everywhere as they fall in love with the delicious Gibson Boys. This is one mistake Sienna Landry can't buy her way out of. As Walker Gibson looks at her, then at the damage to his precious truck (that she may or may not have accidentally inflicted), she knows she's in trouble. It's not the busted headlight and dented grill that's sunk her though. It's the downright sinful man in front of her that's the problem. The small town mechanic is broody. Rough. Smells like engine grease and gasoline and Sienna isn't sure why that's so sexy, but it is. It so is. She's ready to peel off her panties at the drop of his wrench. He wants her too. She can feel it when he brushes against her. Experience it as he presses her against the wall of the shop. It's thinly veiled in his deep, brown eyes when he looks at her like she's everything he's ever wanted. So why won't he give in? The damage to Walker's truck is the first of many mistakes between the two of them, ending with truths that rock Sienna's world. Nothing can fix her broken heart except the love of a man that won't, maybe even can't, love her back.

People say not to believe the things you read in magazines, but you know what? Most things you've heard about me are probably true. I totally banged the reporter in the locker room after the championship game last year. Those pictures in Expose from last summer? Those were not modified. I'm also not really six-foot tall. (But let's keep that between us.) Now, I know you're wondering about that last Expose headline-the one about me and my teammate (and ex-best friend) Finn Miller's sister, Layla James. That one is a little more complicated. Here's the thing: I've played football my whole life. If there's one thing I know, it's how to adjust when the game changes. And if there's one thing I always do, it's find a way to win. Granted, the stakes are higher. The playbook has changed. There's more on the line than (another) MVP title. But guess what hasn't changed? Me. I'm still Branch "Lucky" Best and I'm not about to fumble this one. Grab a seat and a subscription to Expose. I'm about to make some headlines. (Again.) From USA Today Bestselling author Adriana Locke comes a fun and flirty STANDALONE NOVEL.

She wants something real. He wants something now. Together they're trouble in USA Today bestselling author Adriana Locke's sexy and funny twice-in-a-lifetime love story. With his shameless grin and let's-play swagger, carpenter Penn Etling leaves women wanting in Dogwood Lane. What do they get? Avery Perry knows: a one-night stand. She's been there. She remembers every hot pulse as if it were yesterday. But Penn? He doesn't remember a thing. Now he's making new moves, and Avery's not falling for trouble...again. Is she? How could the beautiful stranger resist him? Avery is going to be a challenge for the bad boy. She's the kind of woman who digs deep--deep enough to see there's more to Penn than meets the eye. But first she has to give him a chance. She has to say yes. Could she also be the woman to make him change his playboy ways? When these two come together, it's hard to pull them apart. But with love and trust on the line, can Avery and Penn get what they both want? This time for keeps?

The classic book on the development of human language by the world's leading expert on language and the mind. In this classic, the world's expert on language and mind lucidly explains everything you always wanted to know about language: how it works, how children learn it, how it changes, how the brain computes it, and how it evolved. With deft use of examples of humor and wordplay, Steven Pinker weaves our vast knowledge of language into a compelling story: language is a human instinct, wired into our brains by evolution. The Language Instinct received the William James Book Prize from the American Psychological Association and the Public Interest Award from the Linguistics Society of America. This edition includes an update on advances in the science of language since The Language Instinct was first published.

Everyone in town wants the smoldering personal trainer. He has his sights set on a curvy (and recently available) single mother. Cherry Falls is filled with returning characters and iconic destinations that will begin to feel like family. When you leave the city, and drive into Cherry Falls, it's like you've finally come home. The cherry on top? Each book delivers a swoon-worthy romance! So welcome to Cherry Falls, we hope you stay awhile!

Pattern Recognition - a pulsating techno-thriller by William Gibson, bestselling author of Neuromancer Cayce Pollard has been flown to London. She's a 'coolhunter' - her services for hire to global corporations desperate for certainty in a capricious and uncertain world. Now she's been offered a special project: track down the makers of the addictive online film that's lighting up the 'net. Hunting the source will take her to Tokyo and Moscow and put her in the sights of Japanese computer crazies and Russian Mafia men. She's up against those who want to control the film, to own it - who figure breaking the law is just another business strategy. The kind of people who relish turning the hunter into the hunted . . . William Gibson is a prophet and a satirist, a black comedian and an outstanding architect of cool. Readers of Neal Stephenson, Ray Bradbury and Iain M. Banks will love this book. Pattern Recognition is the first novel in the Blue Ant trilogy - read Spook Country and Zero History for more. 'A big novel, full of bold ideas . . . races along like an expert thriller' GQ 'Dangerously hip. Its dialogue and characterization will amaze you. A wonderfully detailed, reckless journey of espionage and lies' USA Today 'A compelling, humane story with a sympathetic heroine searching for meaning and consolation in a post-everything world' Daily Telegraph Idoru is a gripping techno-thriller by William Gibson, bestselling author of Neuromancer 'Fast, witty and cleverly politicized' Guardian Nicholas Bracewell befriends a young beggar who is trying to eke out a living as a counterfeit crank, pretending to have spectacular epileptic fits in order to get money from gullible bystanders. When the beggar is murdered inside Bridewell, Nicholas has to pose as a beggar himself in order to get inside the notorious institution so that he can solve the crime. Counterfeiting of all kinds is exposed. "A rock star with no rhythm is a man with no soul." - Stone Lockhart As the lead singer of one of the hottest bands to hit the rock scene, f*cks are free, drugs come easy, and music is life. For as long as Stone can remember, Willow has been his music - the notes that weave his soul together. His rhythm. Until he threw her away. All he has left is a handful of pills and a few lines of powder to make him forget her. And he tries, over and over. Clean and ready to make things right, he's faced with the fact that Willow's moved on. She's not the same girl he cast aside. Willow's a woman sure about her purpose in life. Sure about who she's meant to love. Stone may be lost without his rhythm, but Willow has found so much more.

Sparks fly between a die-hard romantic and a sexy cynic in this fresh, funny romance from USA Today bestselling author Adriana Locke. That cream-filled, caramel-topped doughnut should have been hers. Still, Haley Raynor can't deny that the pastry thief with the dreamy blue eyes looks even more delicious. But moving in on a handsome devil like Trevor Kelly is bad news for a die-hard romantic like Haley. Trevor doesn't believe in love. She does. Giving in to a fling and Trevor's irresistible charms can't end well. Can it? What can it hurt to give it a shot? Girls always fall for Trevor, and in the end, he always ends up looking like a bad-boy cad. Still, spending some time with Haley and her smart-talking, kissable mouth sounds pretty perfect. Besides, he's only going to be in Dogwood Lane for one week. How much trouble could they possibly get into? The only answer? A "no falling in love" contract. All Trevor and Haley have to do is follow the rules and resist the attraction sizzling between them...before their hearts get completely tangled up in temptation.

The Counterfeit Crank

Hey, Kiddo: A Graphic Novel

From James Dashner, #1 New York Times bestselling author of the Maze Runner series, comes the complete collection of all three books in the bestselling Mortality Doctrine series— The Eye of Minds, The Rule of Thoughts, and The Game of Lives. This edge-of-your-seat cyber-adventure trilogy is the perfect gift for fans of Marie Lu and Brandon Sanderson. The VirtNet offers total mind and body immersion, and the more hacking skills you have, the more fun it is. Why bother following the rules when it's so easy to break them? But some rules were made for a reason. Some technology is too dangerous to fool with. And one gamer has been doing exactly that, with murderous results. The government knows that to catch a hacker, you need a hacker. And they've been watching Michael. If he accepts their challenge, Michael will need to go off the VirtNet grid, to the back alleys and corners of the system human eyes have never seen—and it's possible that the line between game and reality will be blurred forever. Also look for James Dashner's Maze Runner series— The Maze Runner, The Scorch Trials, The Death Cure, The Kill Order, and The Fever Code. The first and second books, The Maze Runner and The Scorch Trials, are now major motion pictures featuring the star of MTV's Teen Wolf, Dylan O'Brien; Kaya Scodelario; Aml Ameen; Will Poulter; and Thomas Brodie-Sangster! Praise for the Mortality Doctrine Series: "Dashner takes full advantage of the Matrix-esque potential for asking 'what is real.'" —io9.com "Set in a world taken over by virtual reality gaming, the series perfectly capture[s] Dashner's hallmarks for inventiveness, teen dialogue and an ability to add twists and turns like no other author." —MTV.com "A brilliant, visceral, gamified mash-up of The

Matrix and Inception, guaranteed to thrill even the non-gaming crowd."

—Christian Science Monitor

I'm that guy. Camilla Landry rustles against me, the silky fabric of her overpriced lingerie slipping along my bruised rib. The porcelain perfection of her skin is even more innocent against the colorful ink dotting my own. It's demure meets damaged, pampered meets punctured. So, yeah, it's obvious I'm that guy. Dominic Hughes. Her attempt at rebellion. Her bid to see what the other side of the tracks feel like. I'm okay with being used because, from where I'm sitting, the other side of the tracks have never looked so good. A contemporary romance standalone.

Fall head-over-heels in love with the men of The Exception Series from USA Today bestselling author Adriana Locke. The Exception: Jada Stanley is starting over--freeing herself from her past with a set of carefully devised rules to spare her heart. Cane Alexander has his own set of guidelines, a plan to keep his life simple and free of complications. As their lives entwine, they realize one thing - there's an exception to every rule. The Connection (a novella): He was the bad boy she didn't need. She was the exception to his rules. When Jada Stanley and Cane Alexander met, it was lust at first sight. As much as they fought it, it became so much more. Now that they've stopped fighting it and made their own rules, a little respite is needed. Las Vegas is the destination of choice. Despite what they say, not everything that happens in Vegas stays there. The Perception: There is no greater burden than a secret, and Kari Stanley has been carrying one alone for a long time. Max Quinn has secrets of his own. His good deeds aren't just a product of his southern upbringing; they're his atonement. As they struggle to find their path together, their secrets weigh heavier on them. Will they be able to trust one another with the truth, or will their secrets keep them apart forever? Things heat up (and take an unexpected turn) when a self-proclaimed romantic requests the help of a broody small-town mechanic. Grayson Blake is a jackass. There's no other way to put it. He comes into Fireside every day and orders a beer. It's nearly impossible to get him to have a conversation while he drinks it. Smiles-or anything remotely close to it-are even more rare. Despite his cantankerous personality, he's so freaking gorgeous. His thick black hair, broad shoulders, and tattoos that mark his calloused skin draw me in like a magnet. I don't even care that he's ten years older than me. I'm here for the age gap. And his broody, bad-boy persona is entirely more attractive than it should be. I have a thing for the rough-around-the-edges mechanic. And I've heard through the grapevine that he has a thing for me too. But getting him to admit it will be as easy as catching lightning in a bottle. Author's Note: This is a standalone novella. Cherry Falls is filled with returning characters and iconic destinations that will begin to feel like family. When you leave the city, and drive into Cherry Falls, it's like you've finally come home. The cherry on top? Each book delivers a swoon-worthy romance!

So welcome to Cherry Falls, we hope you stay awhile!

Three lovers really click in the latest from the New York Times bestselling author of Call on Me— Cora has an amazing sex life. She's beautiful, daring, and the most popular submissive in Hayven. Too bad none of it's real... IT specialist Cora Benning has figured out the key to her formerly disastrous love life—make it virtual. In the online world of Hayven, she's free of her geek girl image and can indulge her most private fantasies with a sexy, mysterious master without anyone in her life discovering her secrets. Until her information is hacked and she finds herself working to fix the breach under two very powerful men—one who seems all too familiar... Best friends and business partners Ren Muroya and Hayes Fox were once revered dominants. Then Hayes was wrongfully sent to prison and everything changed. Ren wants to get back to who they were. Hayes can't risk it. But when they discover the new IT specialist is their online fascination, and that she's never felt a dominant's touch, the temptation to turn virtual into reality becomes all too great...

Trouble

The Language Instinct

Falling in love is easy. Falling out of love is the hardest thing in the world. And Elin and Ty Whitt are terrible at it. The first time the local basketball star smiled at Elin, she was a goner. It was just so damn easy to fall for the dark-haired hometown hero with his charming smile and strong, athletic build. Thousands of sleepy smiles, aimless drives down country roads, and squeaks of the backdoor after a swing shift later, reality hits. And it hits hard. Falling in love was definitely the easy part. Watching it break apart was impossible. Through the tears, the second-guesses, the memories of a life built together, the world keeps spinning. With each turn comes clarity and hope-sometimes in the form of a pair of muddy boots by the back door or from the words of a wise friend. When Ty shows back up with a new found determination to put his family back together, Elin's torn between the fights of the past and the possibility of a new start. This is the man that holds her heart, the man she loves beyond anything else. But this is also the one person in the world that can cause her the most pain. Life's not always easy. Love's not for the faint of heart. But with life comes lessons and Ty and Elin have the scars to prove it. But it's their love written in those scars that will hold them together ... or break them apart.

Cross Jacobs was a screw-up. Everyone knew it, especially him, and the point was hammered home when Kallie Welch drove herself right out of his life. But, she's back. Seeing Cross wasn't on Kallie's to-do list. She didn't think she could avoid him forever but trying never hurt anyone. One minute she's standing by herself and the next she's accosted by a rich, velvety scent that could only belong to one man: Cross. At face value, he's divine. All rugged and confident with a smile that melts her right where she's standing. It doesn't take long to find him to be charming, witty, and the owner of a few legitimate businesses. Not at all like the mischievous boy she left. He laughs and her heart flutters. With a touch of his hand, she's dizzy. She's fairly certain she's going to

die when he pulls her into an embrace and touches his lips to her forehead. It feels right. It feels so right. But is it? Cross is a novella, originally published in the Team Player Anthology. Cross includes three chapters not included in the original story. There are also two Gibson Boy short stories, Restraint and Crash, included at the end for your enjoyment.

#1 NEW YORK TIMES BESTSELLER • A panoramic experience that tells the story of Beastie Boys, a book as unique as the band itself—by band members ADROCK and Mike D, with contributions from Amy Poehler, Colson Whitehead, Wes Anderson, Luc Sante, and more. The inspiration for the Emmy-nominated Apple TV+ “live documentary” Beastie Boys Story, directed by Spike Jonze NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Rolling Stone • The Guardian • Paste Formed as a New York City hardcore band in 1981, Beastie Boys struck an unlikely path to global hip hop superstardom. Here is their story, told for the first time in the words of the band. Adam “ADROCK” Horovitz and Michael “Mike D” Diamond offer revealing and very funny accounts of their transition from teenage punks to budding rappers; their early collaboration with Russell Simmons and Rick Rubin; the debut album that became the first hip hop record ever to hit #1, Licensed to Ill—and the album’s messy fallout as the band broke with Def Jam; their move to Los Angeles and rebirth with the genre-defying masterpiece Paul’s Boutique; their evolution as musicians and social activists over the course of the classic albums Check Your Head, Ill Communication, and Hello Nasty and the Tibetan Freedom Concert benefits conceived by the late Adam “MCA” Yauch; and more. For more than thirty years, this band has had an inescapable and indelible influence on popular culture. With a style as distinctive and eclectic as a Beastie Boys album, Beastie Boys Book upends the typical music memoir. Alongside the band narrative you will find rare photos, original illustrations, a cookbook by chef Roy Choi, a graphic novel, a map of Beastie Boys’ New York, mixtape playlists, pieces by guest contributors, and many more surprises. Praise for Beastie Boys Book “A fascinating, generous book with portraits and detail that float by in bursts of color . . . As with [the band’s] records, the book’s structure is a lyrical three-man weave. . . . Diamond’s voice is lapidary, droll. Horovitz comes on like a borscht belt comedian, but beneath that he is urgent, incredulous, kind of vulnerable. . . . Friendship is the book’s subject as much as music, fame and New York.”—The New York Times Book Review “Wild, moving . . . resembles a Beastie Boys LP in its wild variety of styles.”—Rolling Stone

Screw him and his perfect stats. Sinful smirk. Delicious body. Lincoln Landry probably even has game-winning stamina. I'd like to screw her and her perfect ass. Dangerous curves. Sweet smile. Danielle Ashley probably even has a game-changing personality. There's no denying the chemistry between them. It's so fiery, it's undeniable. They partake in it. Enjoy it. They really enjoy it. Attraction is not a problem. Nor is their banter, relationship status, or habits. That's all fine. Perfect, actually. The problem is as tangled up as their sheets. A lighthearted STANDALONE romantic comedy from USA Today Bestselling author Adriana Locke.

From USA Today bestselling author Adriana Locke comes a witty romance about first love and second chances. After being burned by her dream job in New York City, sports journalist Neely Kimber suddenly finds herself jobless and paying a long-overdue visit to her hometown in Tennessee. Her plan? Relax, reset, and head back up the corporate ladder. There's just one unexpected step. Neely's back in Dogwood Lane for barely a day when she sees the man she ran from nine years ago: the bad boy next door who was her first kiss, her first love, and her first heartbreak. Devoted single dad Dane Madden knows he hurt Neely in the worst way. He's got a lot to make up for. And as passionate as their reconnection is, it's a lot to hope for. Having her back in his arms

feels so right. But falling in love all over again with a woman who wants to live a world away is bound to go so wrong. What's it going to take for Neely to give him--and Dogwood Lane--just one more chance?

The Crusader

The Help

How hard can it be? That was the question rolling around Larissa Mason's mind just before she asked Hollis Hudson to be her fake boyfriend. It was only supposed to be for five minutes, after all. Granted, that was also before she felt his hand on the small of her back as he charmed the heck out of her family. And it was definitely before she saw the football god shirtless. Otherwise, she would've had an idea of just how hard some things could be. It turns out that pretending to be in love with a crazily handsome, somewhat enigmatic, and absolutely unforgettable tight end (that has an amazing tight end) is easy. Reminding herself that just because opposites attract doesn't mean they're forever is much harder. What they have isn't love—it's a relationship pact. Right? **AUTHOR'S NOTE:** The Relationship Pact is a fun and flirty college sports romance with lots of heart. No cliffhanger. Other interconnected standalone books in this series: The Revenge Pact by Ilsa Madden-Mills, The Romantic Pact by Meghan Quinn. In Cory Doctorow's wildly successful Little Brother, young Marcus Yallow was arbitrarily detained and brutalized by the government in the wake of a terrorist attack on San Francisco—an experience that led him to become a leader of the whole movement of technologically clued-in teenagers, fighting back against the tyrannical security state. A few years later, California's economy collapses, but Marcus's hacktivist past lands him a job as webmaster for a crusading politician who promises reform. Soon his former nemesis Masha emerges from the political underground to gift him with a thumbdrive containing a Wikileaks-style cable-dump of hard evidence of corporate and governmental perfidy. It's incendiary stuff—and if Masha goes missing, Marcus is supposed to release it to the world. Then Marcus sees Masha being kidnapped by the same government agents who detained and tortured Marcus years earlier. Marcus can leak the archive Masha gave him—but he can't admit to being the leaker, because that will cost his employer the election. He's surrounded by friends who remember what he did a few years ago and regard him as a hacker hero. He can't even attend a demonstration without being dragged onstage and handed a mike. He's not at all sure that just dumping the archive onto the Internet, before he's gone through its millions of words, is the right thing to do. Meanwhile, people are beginning to shadow him, people who look like they're used to inflicting pain until they get the answers they want. Fast-moving, passionate, and as current as next week, Homeland is every bit the equal of Little Brother—a paean to activism, to courage, to the drive to make the world a better place. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Two childhood friends are playing house--and maybe playing for keeps--in USA Today bestselling author Adriana Locke's funny, sexy, and unpredictable marriage-of-convenience romance. To save her Tennessee bed-and-breakfast, Sophie Bates needs a fast-cash miracle. Holden McKenzie, her childhood best friend, needs to prove to a prospective employer that he's a committed man. Their fortunes on the line, Holden proposes...a solution. He'll take care of Sophie's bills if she agrees to a temporary marriage of convenience. And why not? They're comfortable together, they have fun, and they trust each other. It's as simple as saying "I do." But the off-the-cuff wedding has all of Honey Creek talking--and Sophie and Holden realizing

that their perfect arrangement is working too well. If they're not careful, this marriage could turn into a love story.

Coy Mason is a jerk. If there is one truth that Bellamy Davenport knows, it's that. Well, that and the fact she didn't mean to hurt him. Physically. Coy can't be hurt emotionally because he doesn't have a heart. Coy is not just the small-town, literal boy next door. He's a heartbreaking, womanizing, mischief-making (and delicious) man and was all of those things well before he became a hot-shot country music sensation. He's a dream standing in her doorway with no shirt, messy hair, and a "Do you wanna?" grin. But he's also a nightmare for her heart, and she knows it. Their enemies-to-lovers relationship always ends the same way-heavy on the enemies, light on the lovers. So why is she still standing there?

Kirkus' Best Fiction of 2017 From New York Times bestselling author Cory Doctorow, an epic tale of revolution, love, post-scarcity, and the end of death. "Walkaway is now the best contemporary example I know of, its utopia glimpsed after fascinatingly-extrapolated revolutionary struggle." —William Gibson Hubert Vernon Rudolph Clayton Irving Wilson Alva Anton Jeff Harley Timothy Curtis Cleveland Cecil Ollie Edmund Eli Wiley Marvin Ellis Espinoza—known to his friends as Hubert, Etc—was too old to be at that Communist party. But after watching the breakdown of modern society, he really has no where left to be—except amongst the dregs of disaffected youth who party all night and heap scorn on the sheep they see on the morning commute. After falling in with Natalie, an ultra-rich heiress trying to escape the clutches of her repressive father, the two decide to give up fully on formal society—and walk away. After all, now that anyone can design and print the basic necessities of life—food, clothing, shelter—from a computer, there seems to be little reason to toil within the system. It's still a dangerous world out there, the empty lands wrecked by climate change, dead cities hollowed out by industrial flight, shadows hiding predators animal and human alike. Still, when the initial pioneer walkaways flourish, more people join them. Then the walkaways discover the one thing the ultra-rich have never been able to buy: how to beat death. Now it's war – a war that will turn the world upside down. Fascinating, moving, and darkly humorous, Walkaway is a multi-generation SF thriller about the wrenching changes of the next hundred years...and the very human people who will live their consequences. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Idea Man

Fake Dating Standalone

Sway

The Life and Tumultuous Times of Pat Buchanan

Like You Love Me

They're not quite enemies. Not really friends. More like frustrated balls of sexual tension and neither will give in. Lance Gibson drives Mariah Malarkey absolutely crazy. He uses her office like a phone booth, takes cupcakes from the corner of her desk like she baked them just for him. She didn't. Maybe she knew the history teacher happened to love peanut butter icing, but that was purely a coincidence. All sixteen times. Mariah has a way of getting under Lance's skin too. She calls him out on his crap, spoils him even if inadvertently, and seeing the librarian in skirts drives him wild. She won't give in. It's for the best, really, considering there's no way he could lie to a woman like that and he's not about to tell her the truth about himself. Not in a million years. These two don't hate each other. They don't really like each other. But for this to be a friends-to-lovers story,

they have to start somewhere, right? Note: This can be read as a standalone novel. Mallory Sims is late for her first day of work. After spilling her tea, she discovers she has no gas in her car. Add that her arm keeps sticking to her dress from syrup left on the console of her car, flustered feels like an understatement. Then she sees her new boss. Graham Landry is the epitome of NSFW in his custom-fit suit, black-rimmed glasses, and a look so stern her libido doesn't stand a chance. Being flustered is just the start of her problems. Her punctuality is only the start of his. With a pink slip in hand, he's been waiting on his new secretary to show up only to let her go. Then she rushes in with her doe eyes and rambling excuses, smelling like bacon and lavender. The termination paper falls to the side as she falls in his arms. This is a disaster in the making. Not because of his pinpoint exactness or her free spirit, but because when they're together, the sparks that fly threaten to burn the whole place down.

The Flaming Cow offers a rare insight into the brilliant but often fraught collaboration between Pink Floyd and composer Ron Geesin, the result of which became known as Atom Heart Mother – the Floyd's first UK number one album. From the time drummer Nick Mason visited Geesin's damp basement flat in Notting Hill, to the last game of golf between bassist Roger Waters and Geesin, this book is an unflinching account about how one of Pink Floyd's most celebrated compositions came to life. Alongside unpublished photographs from the Abbey Road recording sessions (the only ones taken) and the subsequent performances in London and Paris, Geesin goes on to describe how the title was chosen, why he was not credited on the record, how he left Hyde Park in tears, and why the group did not much like the work. The Flaming Cow rose again, firstly in France, then in London in 2008. After 40 years Atom Heart Mother remains a much-loved record, and The Flaming Cow explores its new-found cult status that has led to it being studied for the French Baccalauréat.

Blaire Gibson knows better than to have one night stands. She prides herself on her decision-making skills. It's the one asset that has never let her down. But even the best thinkers have weaknesses. Hers is a delicious business mogul with a quick tongue. Unfortunately for her, that tongue is good for more than just talking. Holt Mason doesn't need to justify anything to anyone. He wants Blaire. He pursues Blaire. And he gets Blaire because that's how his life works. Until it doesn't. What begins as a single night in a hotel room spirals into an unusual agreement. As late nights provide the space to trade secrets and walls come tumbling down, more is shared than just pillow talk. They both should've known better. They should've shown restraint. Because when guards are dropped, hearts get shattered. Restraint is a standalone romance from USA Today Bestselling author Adriana Locke. Join readers everywhere as they fall in love with the delicious Mason brothers. Author's Note: Restraint originally appeared as a short story. It has been expanded into a full novel.

By his early thirties, Paul Allen was a world-famous billionaire-and that was just the beginning. In 2007 and 2008, Time named Paul Allen, the cofounder of Microsoft, one of the hundred most influential people in the world. Since he made his fortune, his impact has been felt in science, technology, business, medicine, sports, music, and philanthropy. His passion, curiosity, and intellectual rigor-combined with the resources to launch and

support new initiatives-have literally changed the world. In 2009 Allen discovered that he had lymphoma, lending urgency to his desire to share his story for the first time. In this classic memoir, Allen explains how he has solved problems, what he's learned from his many endeavors-both the triumphs and the failures-and his compelling vision for the future. He reflects candidly on an extraordinary life. The book also features previously untold stories about everything from the true origins of Microsoft to Allen's role in the dawn of private space travel (with SpaceShipOne) and in discoveries at the frontiers of brain science. With honesty, humor, and insight, Allen tells the story of a life of ideas made real.

The powerful, unforgettable graphic memoir from Jarrett Krosoczka, about growing up with a drug-addicted mother, a missing father, and two unforgettably opinionated grandparents. A National Book Award Finalist! In kindergarten, Jarrett Krosoczka's teacher asks him to draw his family, with a mommy and a daddy. But Jarrett's family is much more complicated than that. His mom is an addict, in and out of rehab, and in and out of Jarrett's life. His father is a mystery -- Jarrett doesn't know where to find him, or even what his name is. Jarrett lives with his grandparents -- two very loud, very loving, very opinionated people who had thought they were through with raising children until Jarrett came along. Jarrett goes through his childhood trying to make his non-normal life as normal as possible, finding a way to express himself through drawing even as so little is being said to him about what's going on. Only as a teenager can Jarrett begin to piece together the truth of his family, reckoning with his mother and tracking down his father. Hey, Kiddo is a profoundly important memoir about growing up in a family grappling with addiction, and finding the art that helps you survive. USA Today Bestselling author Adriana Locke brings laughter and love in this fresh unexpected romance. Love is crazy. Peck Ward, the sweet, small-town mechanic, isn't sure it's for everyone. Least of all him. His life is chaotic enough without adding the pressure of a relationship. Besides, unrequited love is a real thing and he's kind of over it. This works out perfectly until a certain someone throws a wrench-pun intended-into his plans. As they go from adversaries to friends to possibly something more, things get complicated. After all, they know how this story ends. It's not with them together. His easy grin is enough to win her over. Her unabashed personality does him in. But are they ready to accept the fact that sometimes you don't find love where you're looking for it? Sometimes you find it in the most unexpected, craziest places.

(Book). The Ultimate Bluegrass Mandolin Construction Manual is the most complete step-by-step treatise ever written on building an acoustical string instrument. Siminoff, a renowned author and luthier, applies over four decades of experience to guide beginners to pros through detailed chapters on wood selection, cutting, carving, shaping, assembly, inlays, fretting, binding and

assembly of an F-style mandolin. A special highlight is an in-depth chapter on the art of tap tuning. This fully-illustrated manual boasts more than 250 photos, a full-color section on the staining and finishing processes, numerous detailed illustrations, and a bonus set of 20 full-size blueprints. Spiral bound.

A Novel

The Eye of Minds; The Rule of Thoughts; The Game of Lives

Limited and persecuted by racial divides in 1962 Jackson, Mississippi, three women, including an African-American maid, her sassy and chronically unemployed friend and a recently graduated white woman, team up for a clandestine project against a backdrop of the budding civil rights era. Includes reading-group guide. Reissue. A #1 best-selling novel.

A profile largely based on first-person interviews offers insight into the life, career and beliefs of the controversial conservative, citing his loyal service to Nixon and Reagan, leadership against the Republican establishment and role in decades of cultural upheaval.

Ellie Pagan has a list of reasons to stay away from Ford Landry. It's a mile long and was so much easier to stick to when he was a world away. Now that he's standing in front of her-body hard and chiseled from a stint in the military, suit cut to perfection, and a smirk she could never resist-remembering all the reasons why just got a whole lot harder. Ford gets Ellie isn't his biggest fan. He just doesn't care. Standing in front of him, giving him hell, she's even prettier than he remembered. All he can think about is how she felt in his arms, the taste of her kiss, the sound of her giggle in the middle of the night. He may not know how to win her back, but he does know this: he may have let her go once, but that's one mistake he won't make again. SWEAR is a heartfelt and steamy standalone romance.

Meet a genuine American folk hero cut from the homespun cloth of America's heartland: Sam Walton, who parlayed a single dime store in a hardscrabble cotton town into Wal-Mart, the largest retailer in the world. The undisputed merchant king of the late twentieth century, Sam never lost the common touch. Here, finally, inimitable words. Genuinely modest, but always sure of his ambitions and achievements. Sam shares his thinking in a candid, straight-from-the-shoulder style. In a story rich with anecdotes and the "rules of the road" of both Main Street and Wall Street, Sam Walton chronicles the inspiration, heart, and optimism that propelled him to lasso the American Dream.

"How did you get in here?" That's not what you want to hear when you're staring into the sea-green eyes of the hottest man you've ever seen. Yet I suppose it's a fair question, considering I'm an uninvited stranger standing in Boone Mason's kitchen. If you think that's bad-just wait. It gets worse. This charming and wealthy playboy, who can't pay his bills on time or find his way to the grocery store (but

we all have flaws, right?), is sweet. Confident. Playful. He's almost perfect. And, to make matters worse ... He's smitten with me. I know what you're thinking. You're rolling your eyes. You're assuming this is some opposites attract situation-or that maybe we can be friends who turn into something more. How can this be a bad thing? Well, it's simple. I'm not the kind of girl you fall in love with. Just to be sure, the universe reminds me of that in an unforgettable, in-your-face kind of way. I might have broken into Boone's house, but I won't let him break my heart. I won't break his either. There's too much on the line to be that reckless.

The Exception Series

BARRETT LANDRY has it all. Power, prestige, and plenty of women, the dapper politician's life is pretty phenomenal. But in the midst of the biggest campaign of his life, he needs to focus. The last thing he can afford is a distraction. ALISON BAKER is a work-in-progress. As a single mother to HUXLEY, she's rebuilding life on her terms. She's focused on family, faith, and a future for her son that can't be taken away. Putting her child first means not being careless, no matter what. A chance encounter forces Barrett and Alison to redefine what they really want out of life. But everything comes at a cost ... and sometimes, even for love, it's a price too steep to pay.
