One choice can destroy you. Veronica Roth's second #1 New York Times bestseller continues the dystopian thrill ride that began in Divergent. A hit with both teen and adult readers, Insurgent is the action-

packed, emotional adventure that inspired the major motion picture starring Shailene Woodley, Theo James, Ansel Elgort, and Octavia Spencer. As war surges in the factions of dystopian Chicago all around her, Tris attempts to save those she loves—and herself—while grappling with haunting questions of grief and forgiveness, identity and loyalty, politics and love. And don't miss *The Fates Divide*, Veronica Roth's powerful sequel to the bestselling *Carve the Mark!* The final thrilling part of the New York Times bestselling trilogy, *REACHED* is the sequel to *MATCHED* and *CROSSED* by Ally Condie. After leaving the Society and desperately searching for each other - and the Rising - Cassia and Ky have found what they were looking for, but at the cost of losing each other yet again. But nothing is as predicted, and all too soon the veil lifts and things shift once again . . . In the gripping conclusion to the bestselling *MATCHED* trilogy Cassia, Ky, and Xander return to the Society to save the one thing they have been denied for so long: the power to choose.

A journey may take hundreds of miles, or it may cover the distance between duty and desire. Sixteen of today's hottest writers of paranormal tales weave stories on a

common theme of journeying. Authors such as Kelley Armstrong, Rachel Caine, and Melissa Marr return to the beloved worlds of their bestselling series, while others, like Claudia Gray, Kami Garcia, and Margaret Stohl, create new landscapes and characters. But whether they're writing about vampires, faeries, angels, or other magical beings, each author explores the strength and resilience of the human heart. Suspenseful, funny, or romantic, the stories in Enthralled will leave you moved.

*For fans of Kelly Barnhill's *The Girl Who Drank the Moon* and Jack Cheng's *See You in the Cosmos*, here is "a haunting and poignant exploration of family, loss, and redemption" (Booklist, Starred Review). When Alice is suddenly bundled off to her estranged grandmother Nell's house, there's nothing good about it, except the beautiful Darkling Wood at the end of the garden—but Nell wants to have it cut down. Alice feels at home there, at peace. She even finds a friend, a girl named Flo. But Flo doesn't go to the local school, and no one in town has heard of her. When Flo shows Alice the surprising secrets of Darkling Wood, Alice starts to wonder: What is real? And can she find out in time to save the wood from destruction? Don't miss Emma Carroll's new novel, *Strange Star!* ★ "A haunting and poignant exploration of family, loss, and redemption."—Booklist, Starred Review ★ "A tale brimming with emotion and atmosphere....[In *Darkling Wood*] is absorbing and well written. Hand this to readers who enjoy fantasy, fairy tales, and magical realism."—School Library Journal, Starred Review "Magic and mystery adds appeal to this already compelling family drama...and Carroll manages to wrap all of the threads into a wholly satisfying ending."—Bulletin "Beautifully drawn, and the pragmatic prose and completely modern language (except for the letters) ground the story. The fairies aren't covered in pixie dust here. Carroll is becoming well-known in her native England; this book should win her American fans."—Kirkus Reviews*

Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be “normal,” to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a community, and believing in something better. Published to rave reviews as Future Girl in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, The Words in My Hands is very much a novel for our turbulent times.

*Cassia has always trusted the Society to make the right choices for her: what to read, what to watch, what to believe. So when Xander's face appears on-screen at her Matching ceremony, Cassia knows with complete certainty that he is her ideal mate . . . until she sees Ky Markham's face flash for an instant before the screen fades to black. The Society tells her it's a glitch, a rare malfunction, and that she should focus on the happy life she's destined to lead with Xander. But Cassia can't stop thinking about Ky, and as they slowly fall in love, Cassia begins to doubt the Society's infallibility and is faced with an impossible choice: between Xander and Ky, between the only life she's known and a path that no one else has dared to follow. National Book Award winner M. T. Anderson returns to future Earth in a sharply wrought satire of art and truth in the midst of colonization. When the vuvv first landed, it came as a surprise to aspiring artist Adam and the rest of planet Earth — but not necessarily an unwelcome one. Can it really be called an invasion when the vuvv generously offered free advanced technology and cures for every illness imaginable? As it turns out, yes. With his parents' jobs replaced by alien tech and no money for food, clean water, or the vuvv's miraculous medicine, Adam and his girlfriend, Chloe, have to get creative to survive. And since the vuvv crave anything they deem classic Earth culture (doo-wop music, still life paintings of fruit, true love), recording 1950s-style dates for the vuvv to watch in a pay-per-minute format seems like a brilliant idea. But it's hard for Adam and Chloe to sell true love when they hate each other more with every passing episode. Soon enough, Adam must decide how far he's willing to go — and what he's willing to sacrifice — to give the vuvv what they want.

New York Times bestselling authors Ally Condie and Brendan Reichs team up to co-author this thrilling first

book in a darkly suspenseful middle grade series. Everyone in Timbers knows Still Cove is off-limits, with its creepy Beast sightings and equally terrifying legends. But when a bullying incident sends twelve-year-old Nico Holland over a cliff and into Still Cove's icy waters, friends Tyler and Emma--and even Opal Walsh, who usually runs with the popular kids--rush to his rescue . . . and discover a mysterious island hiding in the murky, swirling mists below. Though the island appears uninhabited, the kids can't shake a feeling that something about it is definitely not right. Their suspicions grow when they stumble upon an abandoned houseboat filled with all sorts of curiosities: odd-looking weapons, unnerving portraits, maps to unknown places, and a glass jar containing something completely unidentifiable. And in its lowest depths churns a dark, deep secret. As the group delves deeper into this mysterious new clubhouse, their lives begin to intertwine in weird and dangerous ways. For something ancient has awakened . . . and it can detect not only their wishes and dreams, but also their darkest, most terrible imaginings. Do they have what it takes to face the shadowy secrets lurking within their own hearts? Told from alternating points of view, this pulse-racing tale from bestselling duo Ally Condie and Brendan Reichs is the start of a high-stakes, thrilling series about friendship and believing in yourself--and each other.

The world of uglies, pretties, and specials is over. Now, it's all about fame. In the new book in Westerfield's "New York Times"-bestselling Uglies series, everyone's social status is constantly monitored and rated, and anyone can be a celebrity in an instant.

The Queen's Secret

In search of a better life, Cassia joins a widespread rebellion against Society, where she is tasked with finding a cure to the threat of survival and must choose between Xander and Ky.

A Brooklyn eighth-grader nicknamed Antsy befriends the Schwa, an "invisible-ish" boy who is tired of blending into his surroundings and going unnoticed by nearly everyone.

This gorgeous picture book follows a helpful marmot trying to save a forest recovering after a wildfire. Perfect for teaching children to practice kindness while developing an appreciation for animals and the earth. After a fire leaves the forest smoldering, a determined marmot and her resourceful bird friend set off on a rescue mission in this beautifully illustrated, wordless story. They clear away fallen branches and scorched bushes. They rake and dig and plant new seedlings in the earth. With determination and ingenuity, as the seasons pass, they care for the little trees by making sure they have enough water, protect their branches from the wind and snow, and keep away hungry creatures, until the trees can thrive on their own. With a little time, care, and hope we all can help the earth.
