

## Crossing The Line Pushing Limits 11 Katie McGarry

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

Eleven-year-old Alex Peterson may be the least-athletic boy at his school, yet he dreams of accomplishing something "not a whole lot of other people in the world have ever done": a 200-mile, single-day bicycle ride from Seattle to Portland. Alex discovers that if he's to reach even the starting line, he must overcome more than his physical disability. He must also find a way to revive his father's own long-dormant dreams, and convince his dad to join forces with him, before they can achieve together what neither would on his own.

Includes Errata Sheet of Notice to Mariners (NTM) 22/13. This book contains a complete copy of the Inland and International Navigation Rules as presented by the United States Coast Guard. The Coast Guard requires that an up-to-date copy such as this one be carried on all vessels 12 meters (39 feet) or more in length at all times.In addition to a complete copy of the USCG edition (COMDTINST M16672.2D), Paradise Cay Publications has added the following features to make our book more useful and comprehensive. 1) We have created an Annotated Contents. This added feature will help guide the reader to a desired rule. The topic of each subsection of the rules has been noted for quick reference along with the page numbers for Inland and International Rules. 2) We have updated this edition for corrections presented in Notice to Mariners up through November 15, 2004. 3) We have included detailed instructions on how to log on to the NGA (National Geospatial-Intelligence Agency, formerly NIMA) website and update this Rules Publication.

The Tyler family had the perfect life - until sixteen-year-old Leah decided she didn't want to be perfect anymore.While Leah's parents fight to save their daughter from destroying her brilliant future, Leah's younger sister, Justine, must cope with the damage her out-of-control sibling leaves in her wake. Will this family survive? What happens when love just isn't enough?Jodi Picoult fans will love In Leah's Wake - a heartbreaking, ultimately redemptive story about family, connection and our responsibility to those we love.

Crash Into You

When To Say Yes, How to Say No

What if you're beating all the odds...but then you're not? Carter McMillan was no typical high school senior. She's hasn't been to a party...ever. She doesn't date. She barely talks to anyone, let alone have any friends, and that's the way she likes it. Her plan is to keep her head down, graduate, and never look back. Until Noah Sweeney came along. Noah Sweeney is a rule-follower. He's the good guy, despite the dark storms that swirl in the depths of his even darker eyes. He's never struggled to know what is right and what is wrong. He's also painfully aware of how much is riding on this one job. He can't afford to mess up. He knows that nothing will get in the way of him excelling in his new position. Or at least he thought. Then Carter came along. This debut novel by Colby Millsaps shows there really is no right or wrong to true love as alternating perspectives take readers through all the twists, turns, ups, and downs of an unlikely but undeniable connection.

Marriage for the sake of a baby neither of us expected to have... Ella ' s younger sister asked her to be a surrogate for her, but then she changed her mind when Ella was already pregnant! Once the baby is born, her sister ' s brother-in-law, Yevgeny, decides that he should adopt the baby to raise with his fianc?e. Ella refuses, as she doesn ' t believe Yevgeny ' s flashy lifestyle will be good for a child. So Yevgeny offers a compromise?he asks Ella to marry him instead!

More Than Words: Bestselling authors and real-life heroines Every year, Harlequin's More Than Words award is given to three real-life heroines, women whose courage and vision have helped change people's lives for the better. Once again, three bestselling Harlequin authors have written stories inspired by these remarkable women. In Red at Night, Stella and Jonah are total opposites. She's the girl with purple hair from the wrong part of town. He's a high school senior who hangs with the cool crowd. Until a car accident leaves him haunted by guilt, and Jonah starts spending time at Stella's favorite refuge...the local cemetery. Stella knows she should keep her distance—after all, she spent her girlhood being bullied by Jonah's friends. Once he's sorted out his tangled emotions, Jonah won't have time for her anymore. Too bad she's already fallen for him.... Look for all three ebooks inspired by real-life heroines: Red at Night by Katie McGarry, You Are Here by Liz Fichera and The Gift of a Good Start by Earl Sewell. Visit the Harlequin More Than Words website, at www.harlequinmorethanwords.com, or your favorite ebook retailer to download these free novellas today.

This book uses original data gathered from in-depth research to present an account of what it is like to be an adolescent or young adult living with cancer.

My Story

A Coming of Age YA Romance

The Road

*Book 6 in Katie McGarry's award-winning, powerful and romantic Pushing the Limits series, perfect for fans of Jennifer L. Armentrout, Stephanie Perkins and Simone Elkeles! Tough and independent, seventeen-year-old Abby lets very few people into her inner circle. It's common knowledge in her Kentucky town that she deals drugs, but not even her closest friends know why. But when a deal goes south and Abby's suddenly in danger, she finds herself reluctantly forced to lean on daredevil Logan—a boy whose restless spirit matches her own. Logan has his own reasons for wanting to keep Abby at arm's length. But he never expected to find in her the one person who might help him face the demons he's tried so hard to run from. Together, Abby and Logan will have to make a decision: let their current circumstances weigh them down forever...or fight for the future they both thought was impossible. Originally published in July 2016.*

*From USA Today Bestselling Author comes a new contemporary (student/teacher) romance standalone... He's my art professor. I'm his student. With an electric connection and undeniable chemistry, I know it won't be long until one of us cracks. When the opportunity arises to pose naked for the entire art class, I can't help the thrill of knowing he'll be watching me. While they all look past me with their eyes narrowed and concentrated, drawing only the lines and angles of my body, he sees right through me down to my vulnerability. He sees more than just the physical aspects—he sees me. That's when I see the struggle in his features as he tries to stay in control. How do we keep our distance when everything seems to be pulling us together? What feels so right can only go wrong if we keep pushing the limits.*

*The first ever memoir from the most decorated female skier of all time, revealing never-before-told stories of her life in the fast lane, her struggle with depression, and the bold decisions that helped her break down barriers on and off the slopes. 82 World Cup wins. 20 World Cup titles. 3 Olympic medals. 7 World Championship Medals. A fixture in the American sports landscape for almost twenty years, Lindsey Vonn is a legend. With a career that spanned a transformation in how America recognizes and celebrates female athletes, Vonn—who retired in 2019 as the most decorated American skier of all time—was in the vanguard of that change, helping blaze a trail for other world-class female athletes and reimagining what it meant to pursue speed at all costs. In Rise, Vonn shares her incredible journey for the first time, going behind the scenes of a badass life built around resilience and risk-taking. One of the most aggressive skiers ever, Vonn offers a fascinating glimpse into the relentless pursuit of her limits, a pursuit so focused on one-upping herself that she pushed her body past its breaking point as she achieved greatness. While this iconic grit and perseverance helped her battle a catalog of injuries, these injuries came with a cost—physical, of course, but also mental. Vonn opens up about her decades-long depression and struggles with self-confidence, discussing candidly how her mental health challenges influenced her career without defining her. Through it all, she dissects the moments that sidelined her and how, each time, she clawed her way back using an iconoclastic approach rooted in hard work—pushing boundaries, challenging expectations, and speaking her mind, even when it got her into trouble. At once empowering and raw, Rise is an inspirational look at her hard-fought success as well as an honest appraisal of the sacrifices she made along the way—an emotional journey of winning that understands all too well that every victory comes with a price.*

*Book 4 in Katie McGarry's award-winning, powerful and romantic Pushing the Limits series, perfect for fans of Jennifer L. Armentrout, Stephanie Perkins and Simone Elkeles! “McGarry has written another knock-out hit—gritty, hot and just as enthralling as always” -RT Book Reviews Champion kickboxer Haley swore she'd never set foot in the ring again after one tragic night. But then the guy she can't stop thinking about accepts a mixed martial arts fight in her honor. Suddenly, Haley has to train West Young. All attitude, West is everything Haley promised herself she'd stay away from. Yet he won't last five seconds in the ring without her help. West is keeping a big secret from Haley. About who he really is. But helping her—fighting for her—is a shot at redemption. Especially since it's his fault his family is falling apart. He can't change the past, but maybe he can change Haley's future. Haley and West have agreed to keep their relationship strictly in the ring. But as an unexpected bond forms between them and attraction mocks their best intentions, they'll face their darkest fears and discover love is worth fighting for. Originally published in May 2014.*

Moon has lost the stars, and Sun is going to help him look. But where will they find them? The story of the Moon and the Stars explores the physics of light and dark. It shows how the stars do not disappear during the day, but we see too much light in order to make them out...

Connor Bannon is supposed to be dead. Dishonorably discharged from the Navy SEALs, he's spent the last two years working as a street enforcer in Brooklyn for his cousin's crime ring. Through a twist of fate, he's now in Chicago, working undercover to bust criminals. But when a cute little arsonist joins the team—all combat boots, tiny jeans, and a control slip. Erin "she's getting away" O'Dea knows two things. She hates authority. And... Nope, that's it. When she's forced to operate on the "right" side of the law, her fear of being confined and controlled blazes to the surface. The last thing she expects is a control freak like Connor to soothe her when she needs it most. Worse, some inferno of desire. One that invites Erin to play with fire. And one that could get them both killed... Each book in the Crossing the Lines series is a standalone, full-length story that can be enjoyed out of order. Series Order: Prequel Novella: His Risk to Take Book .5: Riskier Business Book 1: Risking it All Book 2: Up In Smoke Book 3: Boiling Point In the fall of 2013, while at a crossroads in life after a divorce, Aaron Lauritsen, did what many of us dream of doing but few ever will, he put his problems in the rearview mirror and headed out the door. After selling his business and all his possessions, he and his trusty K9 companion, Athena-bear, jumped in his Toyota pick-up truck, then to end all road trips. Because he hoped that by getting lost out there he would somehow find himself again, he left without a plan or even a map, then for one hundred glorious days journeyed the continent carefree, via secondaries that were not only off the beaten track, but that were often all but forgot. On them he traversed some 30 eight states and seven of the ten Canadian provinces. And yielded in the process an untold number of encounters weaved by confronting personal fears, history, worldly cities, eccentric people and adventurous activities. The real prize afforded by the time, distance and space however, was his spiritual awakening. Follow along as he paints unexpected serendipity that awaited them around each bend of the open road.

Pushing Limits

Equity Warriors

*Pushing Limits: From West Point to Berkeley and Beyond challenges the myth that mathematicians lead dull and ascetic lives. It recounts the unique odyssey of a noted mathematician who overcame military hurdles at West Point, Army Ranger School and the Vietnam War, and survived many civilian escapades—hitchhiking in third-world hotspots, fending off sharks in Bahamian reefs, and camping deep behind the forbidding Iron Curtain. From ultra-conservative West Point in the '60s to ultra-radical Berkeley in the '70s, and ultimately to genteel Georgia Tech in the '80s, this is the tale of an academic career as noteworthy for its offbeat adventures as for its teaching and research accomplishments. It brings to life the struggles and risks underlying mathematical research, the unparalleled thrill of making scientific breakthroughs, and the joy of sharing those discoveries around the world. Hill's book is packed with energy, humor, and suspense, both physical and intellectual. Anyone who is curious about how one maverick mathematician thinks, who wants to relive the zanier side of the '60s and '70s, who wants an armchair journey into the third world, or who seeks an unconventional view of several of society's iconic institutions, will be drawn to this book.*

*From acclaimed author Katie McGarry comes an explosive new tale of a romance forged in the fast lane The girl with straight A's and the perfect life—that's who people expect Rachel Young to be. So the private school junior keeps secrets from her wealthy family...and she's just added two more to the list. One involves racing strangers down dark country roads in her Mustang GT. The other? Seventeen-year-old Isaiah Walker—a guy she has no business even talking to. But after the foster kid with the tattoos and intense gray eyes comes to her rescue, she can't get him out of her mind. The last thing Isaiah needs is to get tangled up with a rich girl who wants to slum it on the south side for kicks. But when their shared love of street racing puts their lives in jeopardy, Isaiah and Rachel will have six weeks to come up with a way out. Six weeks to discover just how far they'll go to save each other.*

*The purpose of this manual is to provide clear and helpful information for maintaining gravel roads. Very little technical help is available to small agencies that are responsible for managing these roads. Gravel road maintenance has traditionally been "more of an art than a science" and very few formal standards exist. This manual contains guidelines to help answer the questions that arise concerning gravel road maintenance such as: What is enough surface crown? What is too much? What causes corrugation? The information is as nontechnical as possible without sacrificing clear guidelines and instructions on how to do the job right.*

*A relationship between them is strictly forbidden, but they are drawn to each other like moths to a flame. Neither would dare cross the line, until now. He calls me PG, short for Paisley Grove, and my heart skips a beat. Nobody calls me that but Hercules Lord, a guy I've had a crush on since we first locked eyes in high school. Even though our attraction has always been strong, Hercules and I could never be together. The hate between our families runs deep enough to create an invisible line in the sand that neither of us has ever dared to cross. But that's never stopped us from gazing longingly at each other from across a crowded room. And we've always been cordial to each other but never true friends. Then there was that night seven years ago. I bet Hercules doesn't know that he's my first. Yet here we are again, locking eyes like old times. As usual, my heart skips beats as desire spreads down my spine like a warm kiss. This moment feels so sweet, fulfilling, and so right, but yet and still, our families would disapprove. However, tonight is very different from the past. Our raw desire cannot be contained. Maybe it's because Hercules and I are older, wiser, and finally ready to cross the line. This standalone must-read billionaire romance has plenty of angst, steam, and romance that'll keep you turning the pages; it also ends with happily ever after.*

Doesn ’ t matter who did it. Not anymore. I did the time. It ’ s over. ” When Drix was convicted of a crime—one he didn ’ t commit—he thought his life was over. But opportunity came with the Second Chance Program, the governor ’ s newest pet project to get delinquents off the streets, rehabilitated and back into society. Drix knows this is his chance to get his life back on track, even if it means being paraded in front of reporters for a while. Elle knows she lives a life of privilege. As the governor ’ s daughter, she can open doors with her name alone. But the expectations and pressure to be someone she isn ’ t may be too much to handle. She wants to follow her own path, whatever that means. When Drix and Elle meet, their connection is immediate, but so are their problems. Drix is not the type of boy Elle ’ s parents have in mind for her, and Elle is not the kind of girl who can understand Drix ’ s messy life. But sometimes love can breach all barriers. Fighting against a society that can ’ t imagine them together, Drix and Elle must push themselves—Drix to confront the truth of the robbery, and Elle to assert her independence—and each other to finally get what they deserve.

Hiding the truth about her mother’s illicit lifestyle until an intervention forces her to move in with a reluctant aunt, Beth becomes a misfit in a new school and unexpectedly falls for star athlete Ryan, whose secrets and compulsion to engage in daring behaviors prompts an intense relationship.

Waltzing Australia was born out of a dream-and a journey. After walking away from her corporate career, Cynthia Clampitt headed to Australia, to start over, to write, and to test the limits of what she could do. Waltzing Australia recounts that joyous adventure. It is a story about change and about making dreams come true. But more than that, it is about Australia: the history, legends and art, both European and Aboriginal; the beauty, the challenge, the people, the land. From Sydney to Perth, Tasmania to Darwin, tropics to desert, city to wilderness, Clampitt carries the reader along on an exhilarating grand tour of a fascinating country. With a writing style reminiscent of Annie Dillard, she captures the essence of the land Down Under and invites others to fall in love with Australia.

The classic story by E. B. White, author of the Newbery Honor Book Charlotte’s Web and The Trumpet of the Swan, about one small mouse on a very big adventure. Now available as an ebook! Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Stuart Little is no ordinary mouse. Born to a family of humans, he lives in New York City with his parents, his older brother George, and Snowbell the cat. Though he’s shy and thoughtful, he’s also a true lover of adventure. Stuart’s greatest adventure comes when his best friend, a beautiful little bird named Margalo, disappears from her nest. Determined to track her down, Stuart ventures away from home for the very first time in his life. He finds adventure aplenty. But will he find his friend? Stuart Little joins E. B. White favorites Charlotte’s Web and The Trumpet of the Swan as classic illustrated novels that continue to speak to today’s readers. Whether you curl up with your young reader to share these books or hand them off for independent reading, you are helping to create what are likely to be all-time favorite reading memories.

**Lila McCormick first met Lincoln Turner when tragedy struck both their lives.**

**Book 5 in Katie McGarry’s award-winning, powerful and romantic Pushing the Limits series, perfect for fans of Jennifer L. Armentrout, Stephanie Perkins and Simone Elkeles! “Amazing, heartbreaking, sexy and sweet...” —Monica Murphy, New York Times bestselling author of the One Week Girlfriend series “Echo and Noah stole my heart—and my breath—again. Bravo, Ms. McGarry, for another gripping, romantic ride.” —Tammara Webber, New York Times bestselling author of Easy “Highly emotional and hugely inspiring... I had an ache in my chest as I turned each page...” —Samantha Young, New York Times bestselling author of On Dublin Street A summer road trip changes everything... For new high school graduate Echo Emerson, a summer road trip out west with her boyfriend means getting away and forgetting what makes her so . . . different. It means seeing cool sights while selling her art at galleries along the way. And most of all, it means almost three months alone with Noah Hutchins, the hot, smart, soul-battered guy who’s never judged her. Echo and Noah share everything—except the one thing Echo’s just not ready for. But when the source of Echo’s constant nightmares comes back into her life, she has to make some tough decisions about what she really wants—even as foster kid Noah’s search for his last remaining relatives forces them both to confront some serious truths about life, love, and themselves. Now, with one week left before college orientation, jobs and real life, Echo must decide if Noah’s more than the bad-boy fling everyone warned her he’d be. And the last leg of an amazing road trip will turn seriously epic. Originally published in December 2014.**

**Rendered a subject of gossip after a traumatic night that left her with terrible scars on her arms, Echo is dumped by her boyfriend and bonds with bad-boy Noah, whose tough attitude hides an understanding nature and difficult secrets.**

**An unforgettable new series from acclaimed author Katie McGarry about taking risks, opening your heart and ending up in a place you never imagined possible Seventeen-year-old Emily likes her life the way it is: doting parents, good friends, good school in a safe neighborhood. Sure, she’s curious about her biological father—the one who chose life in a motorcycle club, the Reign of Terror, over being a parent—but that doesn’t mean she wants to be a part of his world. But when a reluctant visit turns into an extended summer vacation among relatives she never knew she had, one thing becomes clear: nothing is what it seems. Not the club, not her secret-keeping father and not Oz, a guy with suck-me-in blue eyes who can help her understand them both. Oz wants one thing: to join the Reign of Turns. They’re the good guys. They protect people. They’re...family. And while Emily—the gorgeous and sheltered daughter of the club’s most respected member—is in town, he’s gonna prove it to her. So when her father asks him to keep her safe from a rival club with a score to settle, Oz knows it’s his shot at his dream. What he doesn’t count on is that Emily just might turn that dream upside down. No one wants them to be together. But sometimes the right person is the one you least expect, and the road you fear the most is the one that leads you home. Look for Katie McGarry’s latest poignant and thrilling title in her Thunder Road series, Walk the Edge.**

*Having clear boundaries is essential to a healthy, balanced lifestyle. A boundary is a personal property line that marks those things for which we are responsible. In other words, boundaries define who we are and who we are not. Boundaries impact all areas of our lives: Physical boundaries help us determine who may touch us and under what circumstances -- Mental boundaries give us the freedom to have our own thoughts and opinions -- Emotional boundaries help us to deal with our own emotions and disengage from the harmful, manipulative emotions of others -- Spiritual boundaries help us to distinguish God's will from our own and give us renewed awe for our Creator -- Often, Christians focus so much on being loving and unselfish that they forget their own limits and limitations. When confronted with their lack of boundaries, they ask: - Can I set limits and still be a loving person? - What are legitimate boundaries? - What if someone is upset or hurt by my boundaries? - How do I answer someone who wants my time, love, energy, or money? - Aren't boundaries selfish? - Why do I feel guilty or afraid when I consider setting boundaries? Dr. Henry Cloud and Dr. John Townsend offer biblically-based answers to these and other tough questions, showing us how to set healthy boundaries with our parents, spouses, children, friends, co-workers, and even ourselves.*

*All the books in the New York Times bestselling Pushing the Limits series by Katie McGarry-Pushing the Limits, Dare You To, Crash into You, and Take Me On-are now available in one complete collection and includes a free bonus novella! Pushing The Limits: Book 1 No one knows what happened the night Echo Emerson went from popular girl to the outsider, even Echo can't remember the whole truth. But when Noah Hutchins, the smoking-hot loner explodes into her life, Echo's world shifts in ways she could never have imagined. They should have nothing in common. Yet the crazy attraction between them refuses to go away. And Echo has to ask herself just how far they can push the limits. Dare You To: Book 2 If anyone knew the truth, they'd send Beth's mother to jail. So she protects her mum at all costs-until her uncle swoops in, and 17 year old Beth finds herself starting over at a school where no one understands her. Except one guy. Ryan Stone is a popular jock-with secrets he can't tell anyone. Not even the friends he shares everything with, including their crazy dares. The craziest? Asking out the skater girl. But what begins as a dare becomes an intense attraction. Suddenly, the boy with the flawless image is risking everything, and the girl who won't let anyone get too close is daring it all.... Crash Into You: Book 3 Rachel Young keeps secrets from her wealthy family...and she just added two to the list. One involves street racing in her Mustang GT. The other? Isaiah Walker-a guy she has no business even talking to. But after the foster kid with the tattoos comes to her rescue, she can't get him out of her mind. The last thing Isaiah needs is to get tangled up with a rich girl. But when their love of street racing puts their lives in jeopardy, Isaiah and Rachel will have just six weeks to come up with a way out. Take Me On: Book 4 Kickboxer Haley swore she'd never set foot in the ring again. But then West Young accepts a MMA fight in her honour and suddenly Haley has to train him. West is everything Haley promised herself she'd stay away from. Yet he won't last five seconds in the ring without her help. West is keeping a secret from Haley. About who he really is. But helping her-fighting for her-is a shot at redemption. He can't change the past, but maybe he can change Haley's future. Haley and West have agreed to keep their relationship strictly in the ring. But an unexpected attraction mocks their best intentions... Breaking The Rules: Book 5 For new high school graduate Echo Emerson, a summer road trip with her boyfriend means getting away from it all. And most of all, it means almost three months alone with Noah Hutchins. Echo and Noah share everything-except the one thing Echo's just not ready for. But when the source of Echo's constant nightmares comes back into her life, she has to make some tough decisions about what she really wants.*

*Children in Mexicano communities learn to use language in a variety of ways. At times they use both Spanish and English in the same conversation or help friends and family members enter mainstream society by translating English to Spanish for them. Pushing Boundaries describes Eastside, a Mexicano community in northern California, analysing language learning and language socialization in the context of real, problematic, important activities in people's lives. The authors consolidate three separate studies providing a unique perspective on the ways bilingual children and their families use and learn language. With children using the language of home, school and community separately and in combination, the book reveals how these children use their traditional language and cultural knowledge as a critical component for learning their second language and its underlying cultural norms.*

*Her best friend's brother is totally off limits. She knows it and he knows it. But try telling their bodies that.When Sabrina Jones reluctantly visits a psychic one sunny San Francisco morning, she gets a whole lot more than she bargains for-like a prediction she will "lock eyes" with The One within the next two weeks. So, when she looks up into a pair of gorgeous green eyes belonging to her best friend's big brother, Sabrina's running scared. As sexy as he is, she can't fall for ladies' man Declan, not if she wants to keep what she holds most dear.Declan Scott is the successful head chef of the hottest new restaurant in San Francisco. He's got everything he could want: a great job, good friends, and any woman he desires. Problem is, he's always had a "thing" for his sister's best friend-ever since that one incredible kiss they shared as teenagers.When the two are thrown together on a weekend trip to Cabo San Lucas, it becomes harder to resist what they both feel. Maybe one hot and steamy night together could quench their thirst for one another? Or maybe it'll leave them both wanting more?Will they risk it all by crossing the line?Crossing the Line is a hot and sexy friends to lovers contemporary romance for fans of Lauren Blakely and Lauren Layne.*

5 Rules for Sexy Play in the Workplace! 1. Know the company policy:—You just got an opportunity to finally snag that sweet corner office. The last thing you need is a wicked distraction...

NAMED A TOP 10 BOOK OF 2018 BY NPR and THE WASHINGTON POST WINNER OF THE LOS ANGELES TIMES BOOK PRIZE IN CURRENT INTEREST FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE NONFICTION AWARD The instant New York Times bestseller, "A must-read for anyone who thinks 'build a wall' is the answer to anything." --Esquire For Francisco Cantú, the border is in the blood: his mother, a park ranger and daughter of a Mexican immigrant, raised him in the scrublands of the Southwest. Driven to understand the hard realities of the landscape he loves, Cantú joins the Border Patrol. He and his partners learn to track other humans under blistering sun and through frigid nights. They haul in the dead and deliver to detention those they find alive. Plagued by a growing awareness of his complicity in a dehumanizing enterprise, he abandons the Patrol for civilian life. But when an immigrant friend travels to Mexico to visit his dying mother and does not return, Cantú discovers that the border has migrated with him, and now he must know the full extent of the violence it wreaks, on both sides of the line.

On the brink of a critical moment in human history, this book presents a vision of "planetary stewardship" - a rethinking of our relationship with our planet - and plots a new course for our future. The authors reveal the full scale of the planetary emergency we face - but also how we can stabilize Earth's life support system. The necessary change is within our power, if we act now. In 2009, scientists identified nine planetary boundaries that keep Earth stable, ranging from biodiversity to ozone. Beyond these boundaries lurk tipping points. In order to stop short of these tipping points, the 2020s must see the fastest economic transition in history. This book demonstrates how societies are reaching positive tipping points that make this transition possible: groups such as Extinction Rebellion and the schoolchildren led by Greta Thunberg demand political action; countries are committing to eliminating greenhouse gas emissions; and one tipping point has even already passed - the price of clean energy has dropped below that of fossil fuels. The story is accompanied by unique images of Earth produced by Globaia, the world's leading visualizers of human impact.

Advance equity by learning to crack the system's codes We must act now, using what we already know, to advance equity and raise the achievement of every student. With three decades of leading equity work across the country, George S. Perry Jr. issues a call to action for educational leaders who are willing to fight the fight for equity for all students. School and district leaders will encounter roadblocks as they enact systemic change, but Equity Warriors introduces practical, realistic, and strategic approaches for navigating those barriers. Equity Warriors equips education leaders with the moves they can make today to achieve the vision that every student becomes a high achiever by Providing real school and district examples of systemic equity efforts Demonstrating the parallel work that school and district teams must do to achieve and sustain systemic change Cracking the codes in the domains of politics, diplomacy, and warfare to achieve the equity agenda. Equity Warriors is a must read for leaders at all levels of the system who have chosen to be in this fight and are ready to do what it takes to make the system work for all students.

**Under ordinary circumstances, Oakley Ford and Vaughn Bennett would never even cross paths. There’s nothing ordinary about Oakley. This bad-boy pop star’s got Grammy awards, millions of fangirls and a reputation as a restless, too-charming troublemaker. But with his home life disintegrating, his music well suddenly running dry and the tabloids having a field day over his outrageous exploits, Oakley needs to show the world he’s settling down—and who better to help him than Vaughn, a part-time waitress trying to help her family get by? The very definition of ordinary. Posing as his girlfriend, Vaughn will overhaul Oakley’s image from troublemaker to serious artist. In return for enough money to put her brothers through college, she can endure outlandish Hollywood parties and carefully orchestrated Twitter exchanges. She’ll fool the paparazzi and the groupies. She might even start fooling herself a little. Because when ordinary rules no longer apply, there’s no telling what your heart will do...**

**Katie McGarry captivated readers with her “riveting, emotional”\* young adult fiction debut, Pushing the Limits. In this gripping companion novella, she tells the story of Lila and Lincoln, who discover that sometimes it’s worth crossing the line for love... Lila McCormick first met Lincoln Turner when tragedy struck both their lives. But she never expected their surprise encounter would lead to two years of exchanging letters—or that she’d fall for the boy she’s only seen once. Their relationship is a secret, but Lila feels closer to Lincoln than anyone else. Until she finds out that he lied to her about the one thing she depended on him for the most. Hurting Lila is the last thing Lincoln wanted. For two years, her letters have been the only thing getting him through the day. Admitting his feelings would cross a line he’s never dared breach before. But Lincoln will do whatever it takes to fix his mistakes, earn Lila’s forgiveness-and finally win a chance to be with the girl he loves. Look for more contemporary YA by Katie McGarry with Pushing the Limits and Dare You To from Harlequin TEEN. \*Simone Elkeles, New York Times bestselling author of the Perfect Chemistry series “Brimming with dark memories, veiled secrets, and steamy moments.” —Publishers Weekly on Pushing the Limits Originally published in April 2013.**

**Don’t miss these irresistible reads from the beloved Pushing the Limits series by critically acclaimed author Katie McGarry, perfect for fans of Jennifer L. Armentrout, Stephanie Perkins, and Erin Watt! PUSHING THE LIMITS No one knows what happened the night Echo Emerson went from popular girl with jock boyfriend to gossiped-about outsider with “freaky” scars on her arms. Even Echo can’t remember the whole truth. But when bad boy Noah Hutchins explodes into her life, Echo’s world shifts in ways she could never have imagined. CROSSING THE LINE Lila McCormick first met Lincoln Turner when tragedy struck both their lives. But she never expected their surprise encounter would lead to two years of exchanging letters—or that she’d fall for the boy she’s only seen once. DARE YOU TO If anyone knew the truth about Beth Risk’s home life, they’d send her mother to jail and seventeen-year-old Beth who knows where. But when Beth finds herself starting over at a school, she can’t help but confide in the one person who shouldn’t understand her, but inexplicably does—the town’s golden boy, Ryan Stone. CRASH INTO YOU Rachel Young is the girl with straight A’s and the perfect life...or at least that’s what everyone expects her to be. No one knows about the two secrets she’s keeping—racing her Mustang GT down dark country roads, and her relationship with Isaiah Walker, the street-racing kid with tattoos her family would never approve of. Titles originally published in 2012 and 2013.**
