Meanwhile, Thisbe, pounded by images of Grimere's dark history and her growing feelings of abandonment, considers leaving Rohan behind in a desperate gamble that could lead her home...or to her death. Back in Artimé, chaos reigns. A new mage steps up to restore the magical land, but finds unexpected trouble at home and discovers--too late--that the Revinir's controlling grip has reached into the vulnerable heart of Artimé.

*Ten years after Alex and Aaron Stowe brought peace to Quill and Artimé, their younger twin sisters journey beyond Artimé in the sixth novel in the New York Times bestselling sequel series to The Unwanted*s, which Kirkus Reviews called *"The Hunger Games meets Harry Potter."* The Revinir is getting desperate. Following her dramatic abduction of Fifer and Thisbe, the dragon woman traps the twins in an isolated, crumbling palace and surrounds them with four killer dragons in an attempt to coerce them to join her side. Hope finally arrives when Dev sneaks into the castle and the threesome reunites, hatching a plan against the Revinir so devious, so horrifying, that it just might work. But when it comes time to act, Thisbe struggles to confront her deepest fears about her inner levels of good and evil and, to her own dismay, questions if she's really been on the right side all along. In Artimé, Rohan and Queen Maiven join forces with Aaron, Florence, and the others to discover the truth of what happened to the twins. But when Fifer sends a devastating message that challenges everything they believe in, Rohan attempts to handle the situation on his own...with disastrous results.

*Ben Wolf has big things planned for his senior year. Had big things planned. Now what he has is some very bad news and only one year left to make his mark on the world. How can a pint-sized, smart-ass seventeen-year-old do anything significant in the nowhere*sville of Trout, Idaho? First, Ben makes sure that no one else knows what is going on--not his superstar quarterback brother, Cody, not his parents, not his coach, no one. Next, he decides to become the best 127-pound football player Trout High has ever seen; to give his close-minded civics teacher a daily migraine; and to help the local drunk clean up his act. And then there's Dallas Suzuki. Amazingly perfect, fascinating Dallas Suzuki, who may or may not give Ben the time of day. Really, she's first on the list. Living with a secret isn't easy, though, and Ben's resolve begins to crumble. . . . especially when he realizes that he isn't the only person in Trout with secrets.

Led by the reckless new head mage, Frieda Stubbs, and swayed by her stoking their fear of the Revinir's return, the people of Artimé have turned against the Stowe family. Aaron and his allies are captured while Fifer is left exposed to mortal danger. Thisbe and the team of black-eyed children from Grimere journey to Artimé to help, leaving Dev behind to fend for himself against the increasingly powerful Revinir.
