*Myrthia, a mystical world of magic that was once connected to ours, has been overrun by an army of vampires. Two crystal shards containing ancient and powerful magic are all that stands between an evil tyrant and an age of darkness prophesied by a powerful being of magic known as the Oracle. After a brutal attack by a vampire leading for the shards, Alex Belwood's life is thrown into chaos. Learning that he is the heir to a powerful and dark legacy, he is taken to Myrthia to face his destiny. There he must confront the dark visage of himself that haunts his mind and find the girl that has been in his dreams for most of his life. The fates of two worlds lie upon the edge of a knife. It would take but a baby's breath to plunge all into the foretold Epoch of Darkness! In the Dark we cannot see. Yet in the Light, we see only what it allows us too. –The Oracle*

**Self-assembled materials produced in the reaction between alkanethiol and Ag are characterized and compared. It is revealed that the size of the Ag substrate has a significant role in the self-assembly process and determines the reaction products. Alkanethiol adsorbs on the surface of Ag continuous planar thin films and only forms self-assembled monolayers (SAMs), while the reaction between alkanethiol and Ag clusters on inert surfaces is more aggressive and generates a significantly larger amount of alkanethiolate. Two dissimilar products are yielded depending on the size of the clusters. Small Ag clusters are more likely to be converted into multilayer silver-alkanethiolate (AgSR, R = CnH2n+1) crystals, while larger Ag clusters form monolayer-protected clusters (MPCs). The AgSR crystals are initially small and can ripen into large lamellae during thermal annealing. The crystals have facets and flat terraces with extended area, and have a strong preferred orientation in parallel with the substrate surface. The MPCs move laterally upon annealing and reorganize into a single-layer network with their separation distance approximately equal to the length of an extended alkyl chain. AgSR lamellar crystals grown on inert surfaces provide an excellent platform to study the melting characteristics of crystalline lamellae of organic materials in the nanometer scale. This system is also unique in that each crystal has integer number of layers 03 magic-number size (thickness). The size of the crystals is controlled by adjusting the amount of Ag and the annealing temperature. X-ray diffraction (XRD) and atomic force microscopy (AFM) are combined to accurately determine the size (number of layers) of the lamellar crystals. The melting characteristics are measured with nanocalorimetry and show discrete melting transitions which are attributed to the magic-number sizes of the lamellar crystals. The discrete melting temperatures are intrinsic properties of the crystals with particular sizes. Smaller lamellar crystals with less number of layers melt at lower temperatures. The melting point depression is inversely proportional to the total thickness of the lamellae 03 the product of the number of layers and the layer thickness.**

***The work of Ernesto de Martino is relatively unknown outside of Italian intellectual circles, but with a growing interest in his ethnographic and theoretical work, he is now widely considered to be one of the great anthropologists and historians of religion of the early twentieth century. Magic: A theory from the south (first published in Italian asSud e Magia) is de Martino's stunning ethnography of ceremonial magic in southern Italy (Lucania/Basilicata), an intimate "other" to Western European civilization. Rigorous and detailed analyses of evil eye, possession, witchcraft, religious belief, "binding," exorcism, and various magical practices lead de Martino to question the historical, ideological, ritual, psychological, and pragmatic grounds of the arts of enchantment. The question here is not whether magic is irrational or rational, but why it came to be perceived as a problem of knowledge in the first place. De Martino's response is contextualized within his wider, pathbreaking theorization of ritual, as well as his politically sensitive reading of the south's subaltern culture in its historical encounter with Western science. In addition to the ethnography, De Martino's historical anthropology traces the development of "jettatura" in Enlightenment Naples as a paradigm of the complex dynamics between hegemonic and subaltern cultures. Far ahead of its time, this first English edition (annotated and translated by Dorothy Louise Zinn) stands to be as relevant as ever as anthropologists (among others) continue to theorize modernity's continued trust with magical thinking. 1st Edition Publication Data: [1959] 2001. After finding herself the subject of a powerful psychic attack in the 1930's, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense

Space Opera with elements of Epic Fantasy, following both heroes and villains. The planet Entori in the Free Kingdoms on the planet Entori, the royals are desperate to defend themselves and their kingdoms against the aggressive Taran Empire. A full attack from The Tarans would leave The Free Kingdoms chanceless, unless they can find the legendary city of Anzoria, which is said to contain a weapon of immense power. Milky Way galaxy in the milky way galaxy, the ruthless corporation Aterion Industries and their plans for domination are only held back by the Intergalactic Trade Council. The council was formed as an alliance between multiple governments and authorities to keep companies like Aterion Industries from gaining too much power, and they have succeeded at keeping them in check for some time. But when a previously unknown alien race starts attacking the human worlds; Aterion might be the only ones with a military power strong enough to counter the alien threat. The Source of Power trilogy is a fast paced space opera where heroes and villains are given equal attention. It is an epic adventure in a universe where the line between magic and technology has been blurred. Links Homepage: https://sourceofpower.myportfolio.com/Facebook link: https://www.facebook.com/sopseries/ Characters Source of Power follows two major storylines, split into the point of view of the main characters whose fates are bound together by an ancient mysterious half magical, half technological power source. Vincent: When Vincent sees an object crash across the sky and crash in the nearby forest, he has no idea that a strange and epic adventure awaits him in another world. The planet: Entori was once home to a powerful race; the Hizenra. No one knows what happened to them, but they left behind weapons and artefacts all over the planet from their time there. These artefacts are all powered by crystals of immense power. Vincent ends up in the Free Kingdoms, who are under constant threat from the more powerful Taran Empire to the north. Here he meets Eria; a young SOURCE mechanic and together they set out to search for the ancient city of the Hizenra; Anzoria, in the hopes of finding a weapon powerful enough to protect themselves against the Taran aggression. Malkreth: Malkreth sets out together with the captain and the crew on a delivery spaceship to secretly transport Queen Anexia of Daruna to Earth for a meeting to save her planet from Aterion Industries who wishes to experiment on her people and steal their powers. While on the way to Earth; he starts to develop amazing powers and tries to understand them, all while he also develops feelings for the queen. Reva Aterion: Daughter of Kerian Aterion; CEO of Aterion Industries, which is the largest and most powerful company in the known universe. Niana: Priestess in the order of the balance: An order which has sworn to guard the world from an Ancient god, while using his powers to stop anyone from releasing him. Themos Lighthammer: A general in the Free Kingdoms army, forced to set out on a mission he does not believe in. Due to graphic violence and adult situations, the Source of Power trilogy is aimed at mature teenagers and up.

Llewellyn is pleased to present a new Scott Cunningham book—a long-lost Book of Shadows. Discovered in a battered Manila envelope, this previously unpublished manuscript was penned by Scott in the early 1980s. This rare book includes original spells, rituals, invocations, and an herbal grimoire. Featured in the design are Scott's actual hand-drawn signs, symbols, and runes. More than twenty years after his passing, Scott Cunningham is still an iconic and highly regarded figure in the magical community. His books on Wicca are considered classics, and his writings continue to inspire and inform those new to the Craft.

Aimed at helping the reader use natural gifts from the earth and develop their own intuitive talents, here is a comprehensive guide to the world of Wicca, and the practices, principles, tools, and elements used by modern witches in their daily lives: -- Magick and candles -- Divination (scrying, runes, pendulums and dowsing, astrology, numerology, Tarot) -- Ritual and visualization (including astral circles) Included is a cross-referenced, encyclopedic listing of spell-craft uses for hundreds of herbs, plants, stones, and crystals.

This book is about thoughts that collected in my head over a period of time. Mostly Poetry, but, a few Short Stories that are all true. Some of the Poems are fiction and some actually happened to me. I believe you will be able to separate the fiction from the truth as you read the book. I hope you enjoy reading the book and I truly think you will. Gary Reynolds

Packed with rites and rituals for the advanced practitioner, Advanced Circle Magick builds on the subjects introduced by Kirk White in Adept Circle Magick. Organised by key seasons and Sabbats Advanced Circle Magick walks readers through essential incantations and invocations of elementals and spirits, deep personal transformation work and advanced psychic development.

Filled with plenty of hexes for just every purpose, from a general cursing of ones life to causing baldness and even death. The spells within this book should only ever be used when they are justified. This is not for the frivolous practitioner who throws hexes on people for no reason. With over 100 hexes, a few protection and un-hexing recipes this book is everything you've always wanted, but were too afraid to ask about.

Cassidy Ann Magee made a promise. If the masked impostor leader, Dmitri von Calvin, ever returned to complete his secret death campaign against the people of I-Star, she would stand in his way using the magic sword at her side. President Calvin is counting on this as he knows more about the nature of the black sword than she does. As Cassidy comes out of hiding, she realizes more and more that the sword is influencing her actions and guiding her decisions. President Dmitri von Calvin is now more prepared than ever as he has teamed up with a secret society of dark sorcerers and placed them in the highest positions in the government in the guise of counterterrorism. Further, Dmitri has surrounded himself with dragons from Cassidy's past, every bit as powerful as she is. Cassidy and her friends are the only hope for a world plunging into war but Cassidy must escape the control of the sword before it is too late. A fast-paced trial by fire, A Wicked Storm is the fantasy novel you've been waiting for.

This is a book about white magick and witchcraft as sources of wisdom, healing and positivity. Like Native American spirituality, to which true witchcraft is akin (some say both were carried by the people of Atlantis), the practice of white magick is based on the belief that that all life is sacred and interconnected in an unbroken circle. For example, every fully grown birch tree - defined in magick as a tree of new beginnings and regeneration - breathes out enough oxygen for a family of four and absorbs the carbon dioxide that we exhale, transforming it again to life-giving oxygen. And this sacred spark of a common source of divinity is contained not only by trees, but also the stones, the animals, the people and everything else on the Earth and in the waters and the sky

What color candle is appropriate for a justice spell? Which herbs correspond to heart problems? What can you do to strengthen a peace ritual? How can you protect your home? When is a good time to empower a healing charm? Because of her exhaustive knowledge of this subject, Eileen Holland is the expert other witches turn to when they are seeking correspondences for magical workings. By publishing Holland's Grimoire of Magical Correspondences, she at long last makes public the information she has been sharing privately with them for years (and which she began writing for herself as a way of organizing the information she needed for her own practice of the Craft). Holland's Grimoire of Magical Correspondences is the ultimate resource for witches, magicians and shamans, brujas and brujos, Druids, Wiccans, Asatru and Santerians. The most comprehensive book of magical correspondences that has ever been written, it is for everyone who practices magick or creates rituals. More than 500 separate topics are covered with a sample listing as follows: ASSERTIVENESS (See also: Aggressiveness) Mars Color: red Animal: sparrow Oil: bergamot Plant: basil, cypress Goddess: Innana, Oya God: Ares, Mars Assertive Action: (See: Action) To Learn to Assert Yourself Stone: angelite, danburite Plant: apple The correspondences included are drawn from many cultures and traditions, including Egyptian, Mesopotamian, Mayan, African, Afro-Caribbean, Buddhist, Norse, Hindu, Greco-Roman, Chinese, Celtic and Native American. Whatever the subject of your working, you are likely to find it covered here. If you practice magick, this will quickly become the most useful book you own and the one to which you refer constantly.

Do you want to begin your healing journey toward a more energized state of being? Do you wish to fill your body with positive energy? Do you want to transform your body 's aura by avoiding bad vibes and releasing blocked energy? Do you wish to cleanse and heal the blockages in your Chakras? If so, crystal healing is just what you need... Since the dawn of time, crystals have been cherished and admired. They are formed deep under the ground over thousands of years from three-dimensional repeating patterns of atoms and are some of the strongest materials we know, so it 's no wonder that our fascination with them has endured. Crystal healing has been used for ages in many cultures all over the world. It is a kind of complementary therapy that involves the use of crystals to provide harmony to a person 's life and mind. Connecting with crystals helps you to harness your energy and balance your chakras in order to heal both your body and your soul. They offer us healing possibilities by using the Earth 's and the Universe 's life-giving qualities. When we come into contact with semi-precious stones that harness the energy of the Sun, Moon, and Seas, we are instantaneously connected to universal energy. They are said to have a stable and consistent energy pattern, with each having a unique frequency and energy field, or resonance, that gives them their distinguishing properties. As a result, they act as tuning forks, bringing harmony to the human body 's highly volatile energy field. They have the potential to transform our mental, physical, spiritual, and emotional states. Simply holding the appropriate crystal at the right time may affect our mood and general well-being. They may assist you in developing a more mindful, thoughtful, and spiritually rewarding life. Whether you 're new to crystals and stones or have been collecting for years, this wonderful and thorough guide will show you how to use them in everyday rituals to the best possible level. With this book, we 'll dive deeper into the world of healing crystals. You will learn how to use the healing power of crystals to help you regain your calm and control. By using crystals the proper way, you can bring your life back to balance. It provides you with all the information you need to reap the benefits of their incredible holistic healing qualities. Every crystal discussed is illustrated with photographs for your convenience. Ultimately, this book has all the crystals and tools you 'll need to cleanse, heal, and protect your energy field and surroundings, whether you 're feeling drained by your relationships, struggling to establish boundaries, or your body is under assault from toxins or tech overload. This book includes: History and Origin of Crystals How Crystals Work? Our Energy Body Benefits of Crystals Types of Crystals How to Choose Crystals? How to Buy Genuine Crystals?

Law 1: Never outshine the master Law 2: Never put too much trust in friends: learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than you mean. The text is both in black and red throughout and replete with tables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power. (From the Playboy interview with Jay Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. The Dawn of Magick

**The history of American witches is way weirder than you ever imagined. From bewitched pigs hell-bent on revenge to gruesome twentieth-century murders, American Witches reveals strange incidents of witchcraft that have long been swept under the rug as bizarre sidenotes to history. On a tour through history that's both whimsical and startling, we'll encounter seventeenth-century children flying around inside their New England home "like geese." We'll meet a father-son team of pious Puritans who embarked on a mission that involved undressing ladies and overseeing hangings. And on the eve of the Civil War, we'll accompany a reporter as he dons a dress and goes searching for witches in New York City's most dangerous neighborhoods. Entertainingly readable and rich in amazing details often left out of today's texts, American Witches casts a flickering torchlight into the dark corners of American history.**

**Hustling as a waitress is a far cry from being the most feared witch in the world. But after surviving ten years of war between humans and supernaturals, Lily finds anonymity a relief. Even a request for help from an old coven friend can't bring Lily out of hiding -- until her friend disappears, along with the entire coven. What's worse, wolf shifter and Chief Investigator Leif -- the man Lily is secretly in love with -- considers her the only suspect. And to top it all off, the dark witch who was her first love has been resurrected ... and wants her back. Lily's search for the truth could destroy the witch-shifter Alliance and reignite the war with the humans. But if that's what it takes to help her friends, she'll do it. Even a retired war witch is very dangerous when provoked.**

**Nearly all witches practice some form of magick. This book is a collection of hands-on magickal lore from four witchcraft writers and includes nearly one hundred specific spells for a variety of purposes. You will discover the magical uses of candles, herbs and plants, stones and crystals, oil and incense, and much more. The Witch's Book of Spellcraft shares spells for protection, luck, self-love, driving away enemies, spiritual cleansing, attracting customers, and other specific needs. The authors provide detailed tips for working with earth energy, color correspondences, creative visualizations, and even the magick of hair.
