*What do women really want? To be sensually seduced or pressed up against the wall for a quickie? To be tantalized by a peep show or the chance to join the mile high club? Acclaimed erotica writer and editor Rachel Kramer Bussel knows: They want it all. They want to be worshiped, ordered around, sent blindly into ecstasy, and made hot in front of a mirror. They want strangers bearing ice cubes on a hot day and to be the party favor passed around among guests. They want sex at the office and in the great*

Author Interview with Aidy Award: Q - So, what makes the Curvy Love Series special? When I set out to write the Curvy Love Series I wanted to write about a BBW (Big, Beautiful Woman) who was someone I would want to read about. My top picks are usually Romance series with kickin' curvy women who fall in love with some hot alpha males. I like any of the thousands of spicy, contemporary romance novels featuring women like me, women I can relate to. The Curvy Love books*

*are a great way for me to show that plus-size, rubensienne, titian, BBW, whatever you call yourself, can have an erotic romance, real love, and lots of dirty fun. We need more diversity in books and especially body positivity. My curvy heroines don't always have it all together at the beginning of the story, but you can bet on some great growth, learning to accept themselves as amazing, and fall in love with a sexy hero along the way. Q - What order should I read the books in? A - I've written the series so you can read the books in any order, and all the story threads will tie up nicely by the time you're finished. There are lots of cross-overs in the timelines, so it's fun to find re-visit your favorite characters from another heroine's point of view. If you do want to read*

*them in order, I'd suggest the following sequence: - Curvy Diversion - Curvy Temptation - Curvy Persuasion - The Curvy Seduction Serial - Curvy Domination (coming soon) Q - Why should readers give these books a try? A - Because the Curvy Love series is fun romantic comedy (I love to write so my readers get to laugh out loud!), but it also has lots of sexy times set in a BDSM club, so it's also really hot. Ultimately, readers who enjoy panty-melting heroes, heroines who are real women, with a romance that keeps you reading will get a kick out of this series. Q - Can readers get the whole series in one go? A - I'll be releasing a few bundles soon if people want to save a little moolah and grab all the books in one swoop. Check out my author page here at*
