*The 1999 Hemingway centennial marks the perfect time for the reevaluation of his position as America's premier modernist writer. These essays, all written specially for this collection, plumb unexplored historical details of Hemingway's life to illuminate new and often unexpected dimensions of the force of his literary accomplishment. Discussing biographical details of his personal and professional life along with the subtleties of his character, the text includes a number of fascinating photos and images.*
*Dear Lady Truelove, I am a girl of noble family, but I am painfully shy, especially in my encounters with those of the opposite sex . . . For Clara Deverill, standing in for the real Lady Truelove means dispensing advice on problems she herself has never managed to overcome. There’s nothing for it but to retreat to a tearoom and hope inspiration strikes between scones. It doesn’t—until Clara overhears a rake waxing eloquent on the art of “honorable” jilting. The cad may look like an Adonis, but he’s about to find himself on the wrong side of Lady Truelove. Rex Galbraith is an heir with no plans to produce a spare. He flirts with the minimum number of eligible young ladies to humor his matchmaking aunt, but Clara is the first to ever catch his roving eye. When he realizes that Clara—as Lady Truelove—has used his advice as newspaper fodder, he’s infuriated. But when he’s forced into a secret alliance with her, he realizes he’s got a much bigger problem—because Clara is upending everything Rex thought he knew about women—and about himself. . . .*
*A man can only have one great love, and mine was the sea. Until I pulled a half-drowned heiress out of the water. Until I kept her as mine. Until I hurt her to prove I didn’t love her. Now we’re surrounded. Dangerous pirates want to use her for their own purposes. I won’t give her up that easy. I have a lifetime of treasure to protect. But with the ship going down, there’s only one thing I want to save. Her. A Deal with the Devil is book two in the Devil trilogy by USA Today bestselling author Amelia Wilde. The Devil and the Deep Blue Sea must be read first.*

*After spending two years studying in Itsutsu city to bring back the life of convenience and abundance from the legends of the ancient civilization, Ash graduates from the military academy. He is now assigned to the newly established Territory Reform Promotion Office, where he works hard to improve this world’s living standards. When it is brought to Ash’s attention that Ajole, the hometown of his co-worker Renge’s childhood friend, is on the verge of extinction, he decides to embark on a rescue mission. The inspection task force led by Ash and Maika encounters barren fields and skinny villagers. It appears that they have no choice but to break the taboo and use animal manure as compost. To make matters worse, there is news of another threat to the village: the demons known as treants! Can Ash find a way to save the village? This is the fourth chapter of the story about a young boy who sets out to revolutionize the world in order to rebuild civilization and create his ideal life!*

*Eminent clinicians and specialists thoroughly review in great detail every aspect of pituitary tumors. The topics covered include prolactinomas, somatotroph adenomas, corticotroph adenomas, thyrotroph adenomas, nonfunctioning tumors, pituitary tumors, invasive adenomas, and pituitary carcinomas, as well as lesions, exclusive of pituitary adenomas, that occur in the sellar region. Also discussed are the new methods in endocrine diagnosis, high resolution imaging, receptor-mediated pharmacotherapy, microsurgical techniques, improved methods of radiation delivery, and the development of a precise and physiologically meaningful classification of pituitary tumors. Much-needed and brilliantly multidisciplinary, Diagnosis and Management of Pituitary Tumors offers all those dealing with pituitary cancer patients today's most comprehensive guide to diagnosis and treatment, one whose coordinated treatment strategies have sharply improved long-term survival rates for many patients.*

*He’s all business all the time. Now he’s suddenly a dad. Fiddle player Eliza Bancroft had to improvise after an unplanned pregnancy four years ago. Instead of pursuing her dream of performing live music, she changed keys and has focused on being a good mom and a sought-after studio musician in Nashville. Her rhythm is set until she spots her son’s father in a local magazine and realizes the man she was unable to track down lives right under her nose in Music City. As head of the family and CEO of North Brothers Sports, Mason North doesn’t have time for play. His life mission is to build the family business—his father’s legacy—so it can thrive for years to come. When the company’s future becomes endangered, he mounts a full-scale assault to protect what matters the most. Then an unforgettable woman from his past lays a four-year-old truth bomb on him that blows up his priorities. Though they come from different worlds, the attraction from before still hums between Eliza and Mason. But Mason has spent a lifetime entrenched solely in business, and Eliza has two hearts to protect. Can he embrace a more harmonious approach and give them a second chance at love? True Harmony is the fourth stand-alone book in the North Brothers series and includes a steamy second-chance romance for a workaholic CEO and a single-mom fiddle player, an overzealous dog named Blitz, and a three-year-old in need of a dad. Submerge yourself into the North Brothers' world now! If you enjoy books by Jill Shalvis, Zoe York, BJ Harvey, Piper Rayne, Molly McAdams, Lori Wilde, Melissa Foster, Bella Andre, Claudia Burgoa, Alexa Rivers, JH Croix, Christine DePetritto, Melissa Chambers, or Amanda Torrey, chances are, you’ll love Amy Knupp’s Island Fire series. \*\*\*\*\* second chance romance, CEO, secret baby, accidental pregnancy, one-night stand, wealthy hero, opposites attract, single mom, kid in need of a father*

*“This heartfelt, witty addition to women’s fiction will appeal to fans of Elizabeth Berg and Anna Quindlen.” (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It’s only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia’s sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow’s fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, The Widow Waltz explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, “What is family, really?”*

Alex 'Hawk' James has a sordid and violent past, one that, in part, leaves him the single father of a little girl. His only solace is the world he's made within the Dogs of Fire Motorcycle Club. Payton Williams has everything under control. Her neat little world is as she has made it and she's happy with the life she's leading. But when a chance encounter with a gorgeous biker upends her tidy plans, she finds herself confronting things she'd been happy to gloss over... until now. Will Hawk and Payton's different worlds collide in chaos, or will they come together and heal the wounds of the past? Will a threat from someone out of Hawk's past destroy the trust he and Payton are building?

Main descriptionThis book is a standard tutorial, which walks you through the gamification development process, to help you incorporate game elements in an eLearning environment.This book is for jQuery and PHP developers who wish to gamify their educational websites.

This book brings together aspects of statistics and machine learning to provide a comprehensive guide to evaluating, interpreting and understanding biometric data. It naturally leads to topics including data mining and prediction to be examined in detail. The book places an emphasis on the various performance measures available for biometric systems, what they mean, and when they should and should not be applied. The evaluation techniques are presented rigorously, however they are always accompanied by intuitive explanations. This is important for the increased acceptance of biometrics among non-technical decision makers, and ultimately the general public.

The management of pituitary adenomas and other sellar tumors is one of the most difficult tasks for neurosurgeons and endocrinologists. Optimal treatment requires a multidisciplinary approach; neurological, ophthalmological, and endocrinological tests are all required. Fortunately, the past decade has seen rapid improvements in the management of patients with pituitary adenomas and other sellar tumors. Transsphenoidal surgery has gone from being an innovative approach to pituitary adenomas to having become the standard procedure for a whole variety of sellar and para-sellar lesions. The authors contributing to this book expertly detail the state-of-the-art treatment of patients with pituitary adenomas, covering operative approaches, peri-operative management, surgical pathology as well as the newer extensions such as image guidance and endoscopy. They also identify the complementary roles of radiosurgery and transcranial surgery in the approach to sellar and suprasellar tumors. In addition the text gives a glimpse at what the future may hold for the treatment of such tumors. The present volume of Frontiers of Hormone Research will be of great value for endocrinologists, neurosurgeons, neuropathologists, neuro-ophthalmologists, and otolaryngologists in the treatment of patients with pituitary adenomas.

Dear Lady Truelove

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys’ killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

Jason is a cynical rich playboy. He doesn’t take life seriously, He doesn’t believe in settling down. Eileen’s thirtieth birthday is almost here. But as always she’s her parent’s afterthought. Her family is too busy planning a shotgun wedding for her older sister—and she has to help. It’s just another year where she’s overlooked. But the best man is smoking hot and actually notices her and makes her feel special. Jason doesn’t believe in commitment, but Eileen intrigues him. She’s not the kind of girl he usually hooks up with. She doesn’t even fall for his charm. He’s made it his task to convince her that he’s not the shallow man she thinks he is. But can Jason give up his playboy lifestyle to become what Eileen needs?

*Will her shameful secret be exposed? Evie Katner has a shameful secret. One that forced her to abandon a very successful acting career. But now she’s back and…and she wants this role! It was perfect for her! It was everything she needed to prove her place as a serious actor! The only thing…she had to trick the director/producer into giving her the part. Brock Severson is furious when he realizes that the woman who tried out for the role is none other than Evely Katner. She left the industry under a cloud of shame. No one knew why she’d left the acting world – but rumors were rampant! He couldn’t allow Evie to ruin his film but…but she’s perfect for the role. Evie brought more to the complicated role than he could have hoped for! Plus, he’s stunned at how much he wanted her! Could he keep his mind on the job when his body wanted nothing more than to ignore the past and risk it all with the dangerous Evie?*

*In a hard-hitting novel about fitting in—or not—Anthony “Ant” Jones gets transported from his East Cleveland hood to an almost all-white prep school and has to figure out where he belongs…before he loses himself entirely. Black Boy White School is a memorable debut that will appeal to fans of Walter Dean Myers and Sherman Alexie. Anthony has never been outside his rough neighborhood when he receives a scholarship to Belton Academy, an elite prep school in Maine. But at Belton things are far from perfect. Everyone calls him “Tony,” assumes he’s from Brooklyn, expects him to play basketball, and yet acts shocked when he fights back. As Anthony tries to adapt to a world that will never fully accept him, he’s in for a rude awakening: Home is becoming a place where he no longer belongs. In debut author Brian F. Walker’s honest and dynamic novel about staying true to yourself, Anthony might find a way to survive at Belton, but what will it cost him?*

*A Guide to Responsible Undersea Exploration (RUE) was written to help educate divers who may happen upon what they believe to be undiscovered treasure or artifacts. It is not just university-trained archeologists that make discoveries; it is everyday people like you that may happen across wondrous events that were hitherto lost in time. The proper documentation of your find gives it meaning and historical context. This book tells you how. The author arms you with the tools and knowledge to proceed into areas of the unknown where true explorers may find themselves.*

Spanning more than two centuries in Ireland, Castle on the Rise unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle's lady of legend, fighting for survival through the 1798 rebellion that started it all. Praise for Castle on the Rise: "Enchanting and mesmerizing!" —PATTI CALLAHAN, New York Times bestselling author of Becoming Mrs. Lewis "Castle on the Rise perfectly showcases rising star Kristy Cambron's amazing talent! Perfect pacing, lovely prose, and an intricate plot blend together in a delightful novel I couldn't put down. Highly recommended!" —Colleen Coble, USA TODAY bestselling author of Secrets at Cedar Cabin and the Rock Harbor series "Cambron's latest is one of her best. Gripping and epic, this intricately woven tale of three generations seeking truth and justice will stay with you long after the last page." —Rachel Hauck, New York Times bestselling author Second in the Lost Castle series (The Lost Castle, Castle on the Rise, The Painted Castle) Can be read as a stand-alone, but best if read in order Sweet romance set in three time periods: present day, World War I/Easter Rising, and late 1700s Full-length novel (over 110,000 words)

She's running for her life. He's the safe haven she never expected to find. The holiday season is about to get HOT. Hiding out for the holiday season in the heart of the South? Not something that Haley Quick ever expected to have on her to-do list but then...she never expected her ex to want her dead, either. Turns out, life is full of surprises. Time to deal. Haley has ditched New York for a crazy little dot on the map known as Point Hope, Alabama. It's a town gone extra crazy for the holidays, and Haley is sticking out like a sore thumb with her very much Grinch-self. But enter sexy sheriff Spencer Lane...Tall, muscled, and made with an extra dose of sex appeal, he is exactly the kind of man that Haley should be avoiding. He's charming, he looks way too good in a Santa hat, and, oh, yes, he's her new landlord. The hits just keep coming. She can't afford to let Spencer learn all of her secrets, a tough job since she is living with the man. No sex, though. It's purely a business relationship. Except...the holidays in the South sure do get HOT. Or maybe that's just sexy Spencer. Usually, Haley falls for the bad guy. It's the whole reason she's running for her life. She can't help but wonder...What would it be like to fall for a man like Spencer? He just got his Christmas wish. Sheriff Spencer Lane can't believe his luck. The most beautiful, fascinating woman he's ever seen has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley seems to think Spencer is some by-the-book, nice guy. Probably because of the badge. And if she wants him to be the hero, that's a role that he's happy to play for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh—um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No one is going to threaten her. Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. Fake snow, a parade of wild elves, and a stalker ex don't make for the merriest of times, but in Point Hope, anything can happen—and it usually does. Ready for a steamy story that will get you in the ho-ho-ho spirit? Settle back, curl up with Spencer, and have yourself a jolly old time.

To say that complex data analyses are ubiquitous in the education and social sciences might be an understatement. Funding agencies and peer-review journals alike require that researchers use the most appropriate models and methods for explaining phenomena. Univariate and multivariate data structures often require the application of more rigorous methods than basic correlational or analysis of variance models. Additionally, though a vast set of resources may exist on how to run analysis, difficulties may be encountered when explicit direction is not provided as to how one should run a model and interpret results. The mission of this book is to expose the reader to advanced quantitative methods as it pertains to individual level analysis, multilevel analysis, item-level analysis, and covariance structure analysis. Each chapter is self-contained and follows a common format so that readers can run the analysis and correctly interpret the output for reporting.

The war is over and blackouts are a thing of the past, except in the village of Melchester, where the local council has refused to sully its streets with unsightly lamps. The night is pitch black, but hardly quiet. Young lovers are rendezvousing, a police constable is helping himself to a few of his neighbor's partridges, and a poet is going to visit his beloved, a new verse on his lips. She will never hear it, sadly, for the young man is stopped along his way - stopped forever, by the tight grip of the garrote. The local constabulary wastes no time reaching out to Scotland Yard, which sends its best man: the easygoing detective-inspector Littlejohn. In Melchester he will find unspeakable secrets - and one citizen whose soul is as dark as the village night.

Leading physicians from a variety of medical specialties summarize their clinical experiences in treating pituitary adenomas in United States and the United Kingdom. Using simple language to describe their approaches, the authors describe the latest treatments for prolactinoma, acromegaly, Cushing's disease, and nonfunctioning pituitary tumors, and the latest surgical techniques. To round out the clinician's understanding of the illness, a patient describes the experience of diagnosis, treatment, and follow-up. Comprehensive and accessible, Management of Pituitary Tumors: The Clinician's Practical Guide brings together all the medical fields involved in treating pituitary tumors, both for novices in the specialties that manage these cases, and for pituitary specialists seeking to understand better the contribution of other medical disciplines to the treatment of these tumors.

I don't belong with her. Born into darkness, life made me a cynic incapable of love. But then Ellie waltzed in. Innocent, optimistic, kind. She's the opposite of what I deserve. I bought her, but she she stole my heart. Now my business is going up in flames. I have only one chance to make it right. That's where it happens...something I can never take back. I don't cheat on her. There's no one else. It's worse than that. Much worse. Can we survive this? Praise for Charlotte Byrd "This series thrilled me from the first page and had me completely engrossed. The pacing and plot was excellent. It had the perfect amount of twists and turns, luring me into the fantasy of this amazing book. The story was well-crafted, starting off with characters I fell in love with. I instantaneously bonded with the heroine and of course Mr. Black. YUM. It's sexy, it's sassy, it's everything. For those who find themselves in a battle for public records, Access with Attitude: An Advocate's Guide to Freedom of Information in Ohio is an indispensable weapon. First Amendment lawyer David Marburger and investigative journalist Karl Idsvoog have written a simply worded, practical guide on how to take full advantage of Ohio's so-called Sunshine Laws. Journalists, law firms, labor unions, private investigators, genealogists, realty companies, banks, insurers—anyone who regularly needs access to publicly held information—will find this comprehensive and contentious guide to be invaluable. Marburger, who drafted many of the provisions that Ohio adopted in its open records law, and coauthor Idsvoog have been fighting for broader access to public records their entire careers. They offer field-tested tips on how to avoid “no,” and advise readers on legal strategies if their requests for information go unmet. Step by step, they show how to avoid delays and make the law work. Whether you're a citizen, a nonprofit organization, journalist, or attorney going after public records, Access with Attitude is an essential resource.

A sexy, single dad standalone romance from New York Times bestselling author Kendall Ryan. Life threw me a curveball. An adorable eight-pound, four-ounce curveball with her mother's eyes and my dark hair. I'd like to think my single-dad game is strong, but honestly? I've been struggling a little. When a beautiful young woman moves in next door and offers to give me a hand, I jump at the chance to hire her as a nanny. Jessa is amazing with my daughter. She's also patient, kind, and way too pretty. The number one rule of hiring a nanny? Don't bed the nanny. It's a rule I intend to keep. But as the days pass, I begin to realize how much my life is missing. Companionship. Romance. Intimacy. When I discover my heart has space for one more female, it's a lost cause, another curveball. The hot-as-hell nanny is leaving soon for a mission trip to Central America. No sense in letting myself fantasize about Jessa being a permanent part of my life.

The closer we get, the more difficult it becomes to keep my feelings in check, because my heart won't listen. And neither will my libido. Well, you know what they say. Rules are meant to be broken . . .

Each book in the Patterson's Bluff series is STANDALONE: \* The Aussie Next Door \* Her Aussie Holiday

From Blake Pierce, bestselling author of ONCE GONE (a #1 bestseller with over 600 five star reviews), comes book #2 in a heart-pounding new mystery series. In BEFORE HE SEES (A Mackenzie White Mystery—Book 2), FBI agent-in-training Mackenzie White struggles to make her mark in the FBI Academy in Quantico, trying to prove herself as a woman and as a transplant from Nebraska. Hoping she has what it takes to become an FBI agent and leave her life in the Midwest behind for good, Mackenzie just wants to keep a low profile and impress her superiors. But all that changes when the body of a woman is found in a garbage dump. The murder bears shocking similarities to the Scarecrow Killer—the case that made Mackenzie famous in Nebraska—and in the frantic race against time to stop a new serial killer, the FBI decides to break protocol and give Mackenzie a chance on the case. It is Mackenzie ' s big break, her chance to impress the FBI—but the stakes have never been higher. Not everyone wants her on the case, and everything she touches seems to go wrong. As the pressure mounts and the killer strikes again, Mackenzie finds herself as a lone voice in a sea of experienced agents, and she soon realizes she is in way over heard. Her entire future with the FBI is in jeopardy. As tough and determined as Mackenzie is, as brilliant as she is in hunting down killers, this new case proves an impossible riddle, something just beyond her reach. She may not even have time to crack it as her own life falls apart around her. A dark psychological thriller with heart-pounding suspense, BEFORE HE SEES is book #2 in a riveting new series—with a beloved new character—that will leave you turning pages late into the night. Book #3 in the Mackenzie White Mystery series will be available soon. Also available by Blake Pierce is ONCE GONE (A Riley Paige mystery—Book #1), a #1 bestseller with over 600 five star reviews on Amazon—and a free download!

To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I ' ve ever met in my life. I know you think that you ' re God ' s gift to women, but I have a secret to let you in on: you ' re not. You ' re God ' s gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you not all that. Just because you have an Ivy league education doesn ' t mean you ' re the smartest man in the world. In fact, I ' m not even sure if you would have gotten in if you didn ' t have rich parents. Yes, I went there. Every woman doesn ' t want to sleep with you and I ' m sure you ' re not even good in bed. And I ' m someone that would know. From, Your Secret Not Admirer

Analysis, Controllability and Optimization of Time-Discrete Systems and Dynamical Games

*Focuses on the analysis, optimization and controllability of time-discrete dynamical systems and games under the aspect of stability, controllability and (for games) cooperative and non-cooperative treatment. The investigation of stability is based on Lyapunov's method which is generalized to non-autonomous systems. Optimization and controllability of dynamical systems is treated, among others, with the aid of mapping theorems such as implicit function theorem and inverse mapping theorem. Dynamical games are treated as cooperative and non-cooperative games and are used in order to deal with the problem of carbon dioxide reduction under economic aspects. The theoretical results are demonstrated by various applications.*
