Faith is joy is love is hope in this novel of exquisite power and everyday miracles, reminiscent of Barbara Kingsolver's THE POISONWOOD BIBLE. Thomas can see things no one else can see. Tropical fish swimming in the canals. The magic of Mrs. Van Amersfoort, the Beethoven-loving witch next door. The fierce beauty of Eliza with her artificial leg. And the Lord Jesus, who tells him, "Just call me Jesus." Thomas records these visions in his "Book of Everything." They comfort him when his father beats him, when the angels weep for his mother's black eyes. And they give him the strength to finally confront his father and become what he wants to be when he grows up: "Happy."

Rumer Godden's The Diddakoi won the 1972 Whitbread Children's Book Award. Everyone in Kizzy's town hates her because she's half-gypsy - a diddakoi. But Kizzy doesn't care. All she needs is Gran and her horse, Joe. But when Gran dies and their wagon burns down, Kizzy is all alone. No one wants to look after her and her beloved Joe might get sent to the knacker's yard. Can Kizzy survive in a hostile world - and save Joe?

Roberto Calasso, "a literary institution of one" (The Paris Review), tells the story of the eternal life of Utnapishtim, the savior of man, in the eleventh part of his great literary project. A long time ago, the gods grew tired of humans, who were making too much noise and disturbing their sleep, and they decided to send a Flood to destroy them. But Ea, the god of fresh underground water, didn't agree and advised one of his favorite mortals, Utnapishtim, to build a quadrangular boat to house humans and animals. So Utnapishtim saved living creatures from the Flood. Rather than punish Utnapishtim, Enlil, king of the gods, granted him eternal life and banished him to the island of Dilmun. Thousands of years later, Sindbad the Sailor is shipwrecked on that very same island, and the two begin a conversation about courage, loss, salvation, and sacrifice. What Utnapishtim tells Sindbad is the subject of this book, the eleventh part of Roberto Calasso's great opus that began in 1983 with The Ruin of Kasch. The Tablet of Destinies, a continuous narrative from beginning to end, delves into our earliest mythologies and records the origin stories of human civilization.

Jack Loveless attempts to avert his grandson's questions about his role in World War I by taking him to visit the battlefield graveyards in France. While there he meets a German soldier from the past and vividly remembers the Christmas truce, a miraculous moment when the guns fell silent and horrors of war were temporarily forgotten in a football match. Suggested level: secondary.

Lucy's life is being made hell by Melanie Prosser and her bullying sidekicks - the present takers - who threaten her every day at school for presents and money. Too ashamed to tell her parents, and too scared to tell her teacher, Lucy finds an unexpected ally in Angus Burns. But when push comes to shove, there's only one thing to do: take on the present takers at their own game, to silence them once and for all.

THE #1 NEW YORK TIMES AND INTERNATIONAL BESTSELLER **THE BOOK THAT STARTED IT ALL, NOW A NETFLIX ORIGINAL SERIES** “Eerie, beautiful, and devastating.” —Chicago Tribune “A stealthy hit with staying power. . . . thriller-like pacing.” —The New York Times “Thirteen Reasons Why will leave you with chills long after you have finished reading.” —Amber Gibson, NPR’s “All Things Considered” You can’t stop the future. You can’t rewind the past. The only way to learn the secret . . . is to press play. Clay Jensen returns home from school to find a strange package with his name on it lying on his porch. Inside he discovers several cassette tapes recorded by Hannah Baker—his classmate and crush—who committed suicide two weeks earlier. Hannah's voice tells him that there are thirteen reasons why she decided to end her life. Clay is one of them. If he listens, he'll find out why. Clay spends the night crisscrossing his town with Hannah as his guide. He becomes a firsthand witness to Hannah's pain, and as he follows Hannah’s recorded words throughout his town, what he discovers changes his life forever. Need to talk? In questo saggio, dal taglio prettamente divulgativo, l'Autore esamina il fenomeno del cyberbullismo in tutte le forme in cui lo stesso può manifestarsi, tanto tra adolescenti quanto tra adulti. L'opera, partendo da una scrupolosa analisi del fenomeno della prevaricazione nel web, nei social network, nei gruppi di WhatsApp, e ovunque possa manifestarsi, esamina casi concreti di cyberbullismo (non da ultimo il fenomeno della Blue Whale), evidenziando anche quei drammatici fatti di cronaca che, sull'onda di un'opinione pubblica sempre più bisognosa di risposte, hanno portato il Legislatore ad emanare la Legge 29 maggio 2017, n. 71 recante: "Disposizioni a tutela dei minori per la prevenzione e il contrasto del fenomeno del cyberbullismo", entrata in vigore il 18 giugno 2017. Il saggio fornisce un quadro agile e completo del fenomeno del bullismo in Rete, ed è rivolto principalmente agli operatori della scuola e ai professionisti che si occupano della materia.

Linus Hoppe has always lived in Realm One, an ideal world. Now, at 14, he must be tested by the Great Processor to determine where he deserves to live from here on. If he achieves a high score, nothing in his life will change. But if he scores too low, he'll be relegated to an inferior realm, possibly far from his family and friends. There's really nothing for Linus to worry about—unless, of course, choices to alter his destiny.

Join Geronimo on a whiskertingling trip through history! Geronimo Stilton, was so excited to travel on my third journey through time! Professor Paws von Volt had invented a portal to take my family and me to the past. On this trip, we visited the Ice Age, ancient Greece, and the Renaissance. I encountered wooly mammoths and enormous bears, wrote and starred in a play, and even helped put bad guy in prison! But then the portal started malfunctioning - could we get back to the present day, or would we get lost in time? It was an amazing adventure!

A teenager discovers his voice in this contemporary love story from "one of young adult literature's greatest living writers" (Booklist). Shy teenager Karl is desperately in love with his girlfriend, Fiorella, a literary enthusiast who's asked him to write her a letter in which he reveals his true self. But one problem . . . Karl is dyslexic. Convinced that his attempts to express himself with words will end in disaster, Karl tracks down Fiorella's favorite novelist and begs him to take up the task. The famous writer unexpectedly agrees, but on one condition: Karl must participate in a series of interviews so the author can pen an authentic portrait of his affections. What follows is a series of misunderstandings, a startling revelation, and an unusual bond that will change all three of their lives.

moving story of love and friendship. Dying to Know You is the perfect novel for 'that cloudy expanse between older teenager and younger adult, a novel that doesn't pretend to advise, but merely sees its characters for who they really are' (The Guardian). "This quietly understated performance captures the wistfulness of music in a minor key." —Kirkus Reviews

Kill All Enemies

A compelling, epic journey of survival and hope

A Novel

The story of Mika, a Jewish boy, who becomes a puppeteer in the Warsaw ghetto - a stunning debut for fans of The Tattooist of Auschwitz. The Boy with the Striped Pajamas and Schindler's List I was twelve when the coat was made. Nathan, our tailor and dear friend, cut it for Grandfather in the first week of March 1938. It was the last week of freedom for Warsaw and for us... Even in the most difficult of lives there is hope. And sometimes that hope comes in the form of a small boy, armed with a troupe of puppets - a prince, a girl, a fool, a crocodile with half-painted teeth... When Mika's grandfather dies in the Warsaw ghetto, he inherits not only his great coat, but its treasure trove of secrets. In one remate pocket, he finds a papier mache head, a scrap of cloth...the prince. And what better way to cheer the cousin who has lost her father, the little boy who his ill, the neighbours living in one cramped room, than a puppet show? Soon the whole ghetto is talking about the puppet boy - until the day when Mika is stopped by a German officer and is forced into a secret life... This is a story about survival. It is an epic journey, spanning continents and generations, from Warsaw to the gulags of Siberia, and two lives that intertwine amid the chaos of war. Because even in wartime, there is hope...

The Aspern Papers is a novella set in Venice. A young man travels to the city and takes lodgings with an old woman—the former lover of the dead American poet Aspern. The man believes the old woman still has some letters from Aspern and he ingratiates himself with her niece in an attempt to find them. Suspense builds around the motives and actions of James' masterfully drawn characters.

"Cyberbulli al tappeto" parla direttamente ai ragazzi mostrando loro i vantaggi dell'articolo ma anche di internet, ma anche i pericoli in cui possono incorrere, e affronta il tema del bullismo on line. Lo scopo non è spaventare, ma promuovere un uso consapevole e ricco della rete. In fondo, insegnare le dinamiche delle app e dei social network non è molto diverso dall'educazione stradale: conoscere potenzialità e rischi di queste nuove tecnologie è facile e fondamentale come imparare ad attraversare la strada. Il libro mette in che cosa si traduce il bullismo in rete (esclusione, offese e insulti, diffusione di informazioni imbarazzanti o false, furto di identità...), come distinguere dallo scherzo e quali sono gli strumenti pratici per difendersi. In cosa consistono flaming e denigrazioni? Chi è un troll? E uno stalker? Cosa fare se si viene derisi o isolati?Scritto da chi usa i social network per professione e sa parlare ai ragazzi con il loro linguaggio, il manuale mira alla sicurezza in rete e alla tutela dal cyberbullismo, offrendo sia spunti teorici (come funziona internet, quali sono i social network e le social app più usate, che cosa sono il kick e il ban e quando ricorrervi...) , che suggerimenti pratici (impostazioni di privacy e di blocco sui

principal social, cosa fare per non essere taggati senza permesso, come si blocca un amico su Facebook o un follower su Twitter...). "Cyberbulli al tappeto" è anche un valido supporto per genitori e insegnanti che vogliono accompagnare i minori nell'uso delle nuove tecnologie.

For fans of Rick Riordan and Brian Selznick, author-artist Armand Baltazar introduces Timeless: Diego and the Rangers of the Vastlantic, the first in a new science fiction/fantasy series that explores a world painted new by the Time Collision. Integrating art and text, this epic and cinematic adventure features more than 150 full-color illustrations. You've never seen Earth like this before: continents reshaped, oceans re-formed, cities rebuilt, and mountains sculpted anew. Dinosaurs roam the plains alongside herds of buffalo, and giant robots navigate the same waters as steam-powered ships. This is the world Diego Ribera was born into. The past, present, and future coexisting together. In New Chicago, Diego's middle school hallways buzz with kids from all eras of history and from cultures all over the world. The pieces do not always fit together neatly, but this is the world he loves. There are those, however, who do not share his affection. On his thirteenth birthday, Diego learns of a special gift he has within, a secret that is part of something much bigger—something he cannot understand. When his father, New Chicago's top engineer, is taken by the Aeternum, Diego must rescue him and prevent this evil group from disrupting the fragile peace humanity has forged.

The second novel in David Gilman's supercharged, sophisticated Danger Zone series — perfect for fans of Anthony Horowitz, James Patterson and the Jason Bourne movies. High in the freezing French Pyrenees, Max Gordon's race to win an extreme sports challenge has become a race for survival. He witnesses the last moments of a mysterious Basque monk, who screams a cryptic clue before plummeting to his death. The clue? A prophecy that foretells a cataclysmic ecological event that will kill millions of people across Europe. Max is desperate to find a solution, but instead, he's accused of causing the monk's death, and the hunt is on to find him. How can Max prove his innocence when nobody will trust him . . . and when he can trust no one?
