This is the first-ever English-language edition of the book Leo Tolstoy considered to be his most important contribution to humanity, the work of his life's last years. Widely read in prerevolutionary Russia, banned and forgotten under Communism; and recently rediscovered to great excitement, A Calendar of Wisdom is a day-by-day guide that illuminates the path of a life worth living with a brightness undimmed by time. Unjustly censored for nearly a century, it deserves to be placed with the few books in our history that will never cease teaching us the essence of what is important in this world.

Through the Year with Saint Teresa of Avila

365 Science of Mind

A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess Marrisa would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of Marrisa's dearest friends. Overtaken by Marrisa's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on Marrisa's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When Marrisa is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue Marrisa. They

begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...

St. Teresa of Avila is not a lofty, inaccessible saint; she's a companion, and has been taking Christians on a journey through their own interior "castles" for hundreds of years. Honest, humorous, and insightful, her devotional and spiritual reflections show readers how to open up themselves to God in new ways. This journey through Teresa's life and writings will engage readers for a full year, with carefully chosen daily selections from the broad range of her writings—letters, poems, memoirs, as well as spiritual and theological musings. Bangley makes all of these writings accessible—and essential—in these new translations into contemporary English.

Decisions, decisions, decisions. Since our personal decision-making does have consequences, we all struggle making good decisions. In reality, what we believe affects every area of our actions and lifestyle, including our decision-making process. For that reason the Bible must be the centerpiece for Christian decision-making! In our ministry, we have observed many good Christian people struggle with life due to their poor decisions. You don't have to live a life of regrets if you will just apply God's Word to your daily decision processes. The wise King Solomon recognized this problem in his own life. Therefore, early in life he sought to learn wisdom and understanding with his whole heart. Later in life, as he watched his own children grow he became burdened with their lack of wisdom. God used this burden to inspire King Solomon to write the book of Proverbs for his children's benefit. We can profit greatly if we understand and give heed to these same proverbs. After earning his BA degree from Tennessee Temple College, he furthered his training and earned a BD degree from Temple Baptist Theological Seminary in 1972. While recovering from heart surgery in 1991, he completed the requirements and received his PhD. in Biblical Studies from Emmanuel Baptist University. He was ordained at Canton Baptist Temple of Canton, Ohio in August 1972. He began his first pastorate at Lakeshore Baptist Church of Mentor, Ohio. Over the next 36 years he pastored churches in Ohio, Pennsylvania, North Carolina, Virginia, and Indiana. Since November of 1993, he has been the senior Pastor of Northwest Baptist Church of Indianapolis, Indiana. He and his wife Sue

Translated and adapted by Rabbi Moshe Wisnefsky, and produced by Chabad House Publications of California, Daily Wisdom summarizes each daily Torah reading and presents an original insight based on the Rebbes Sabbath and Holiday talks. The Rebbe saw the weekly Torah portion as an inexhaustible source of new ideas, insight into current issues, and profound relevance for daily life. He urged his followers, as well as everyone who came into contact with him, to seek daily inspiration from studying the Torah. Daily Wisdoms 378 daily lessons, are a taste of the Rebbes vast and deep teachings, filled with love for G-d, Torah and the Jewish people, pragmatic optimism, and the conviction that evil and negativity will disappear when we learn to emphasize goodness and kindness. These ideas are woven together throughout the book, resulting in a precious daily resource that will enrich and elevate the lives of all readers.
