In this heartfelt, incisive novel, Danielle Steel celebrates the virtues of unconventional beauty while exploring deeply resonant issues of weight, self-image, sisterhood, and family. A chubby little girl with ordinary looks, Victoria Dawson has always felt out of place in her family, especially in body-conscious L.A. While her parents and sister can eat anything and not gain an ounce, Victoria must watch everything she eats, as well as endure her father's belittling comments about her body and see her academic achievements go unacknowledged. Ice cream and oversized helpings of all the wrong foods give her comfort, but only briefly. The one thing she knows is that she has to get away from home, and after college in Chicago, she moves to New York City. Landing her dream job as a high school teacher, Victoria loves working with her students and wages war on her weight at the gym. Despite tension with her parents, Victoria

remains close to her younger sister, Grace. Though they couldn't be more different in looks, they love each other unconditionally. So when Grace announces her engagement to a man who is an exact replica of their narcissistic father, Victoria worries about her sister's future happiness, and with no man of her own, she feels like a failure once again. As the wedding draws near, a chance encounter, a deeply upsetting betrayal, and a family confrontation lead to a turning point. Behind Victoria is a lifetime of hurt and neglect she has tried to forget. Ahead is a challenge and a risk: to accept herself as she is, celebrate it, and claim the victories she has fought so hard for and deserves. Big girl or not, she is terrific and discovers that herself.

Palomino. Large Print

Danielle Steel's 56th bestselling novel is about family and friendship, about one woman's struggle to break

free from the past—and the man who helps her triumph. And most of all, it is about daring to believe in...Answered Prayers. On the outside, Faith Madison is the very picture of a sophisticated New Yorker. Slim, blond, stylish, Faith has a life many would envy. Overcoming a childhood marked by tragedy, married to a successful investment banker and having raised two grown daughters, Faith has enjoyed her role as mother and wife, and the good life that emanates from their bustling Manhattan town house. But every step of the way, Faith has carried within her a secret she could divulge to no one. And with it, she has kept an even more painful secret from herself. For Faith, it is the sudden death of her stepfather—a man who, like her husband, Alex, always remained just beyond her reach—that will touch off a journey of change and revelation. At the funeral, painful memories flood back—and an old friend reenters Faith's life. Faith is greeting mourners, when she hears a voice behind her and a single word that brings a quick smile to her face: "Fred." Only one person aside from her older brother, Jack, called her that. Brad Patterson was Jack's best friend, a long, lanky boy who teased, tormented, and protected Faith when they fancied themselves "The Three Musketeers" as kids. When Jack died years later, Faith and Brad came together again in their common, inconsolable grief, then lost touch once more amid the demands of families and busy lives a continent apart. Now a lawyer in California, Brad has reentered Faith's life just as she is making a decision that plunges her marriage into crisis. Determined to fulfill a long-held

desire for a career of her own, Faith applies to law school against her husband's wishes, igniting a barrage of anger and recrimination. Faith's only solace is the correspondence she has begun with Brad, a man trapped in an empty marriage of his own, a friend she once lost and has found again. Soon e-mails are flying between them, bridging three thousand miles, sharing much-needed friendship, support, laughter. And as these two childhood friends rediscover each other, something extraordinary is beginning to happen. In the safety of their friendship, Brad will find the courage to make a decision he should have made years before. And Faith, too, is changing, beginning to believe in herself—and in her right to grab hold of her dreams. Gathering a strength she never knew she had, Faith is finally ready to face the most painful step of all: of sharing the secret that has long been haunting her, and truly opening up her heart for the first time in her life. With unerring insight into the hearts of husbands and wives, lovers and families, Danielle Steel tells a wise and moving story of the secrets that wound and the choices that heal—and of the second chances that come only once in a lifetime.

in the hands of master storyteller Danielle Steel, it's a place those who visit will never want to leave.

This is a special book about special people. People who have loved me, and whom I have loved. People who have brought me joy beyond measure, and sometimes incredible pain. People I have hurt, sometimes more than I can bear to think about. People who have hurt me, sometimes more than they know. Yet each of their gifts has been precious, each moment treasured, each face, each smile, each victory, each defeat woven into the fiber of my being. In retrospect, all of it is beautiful, because we cared so much. In essence, this book covers fifteen years of my life, and a handful of precious people who mean, and have meant everything to me. This book is written for them. With much love,

But, with happiness finally within her grasp, and precious loved ones to protect, Grace is at her most vulnerable-in danger of losing everything to a vicious tabloid press and an enemy from her past, an enemy bent on malice at all costs. With rare insight and power, Danielle Steel writes this extraordinary woman's story, portraying her struggle to triumph over malice and betrayal, and to transform a lifetime of pain into a blessing for others.
