Danger They Must Face Together Faith O'Malley travels to the frozen wilderness of Maine determined to discover what her father saw in that same region ten years ago. But her quest attracts the attention of two very different men, one private detective with his own mystery to solve, and the other a werewolf pack leader who holds secrets for them both. Private Detective Cameron MacPherson's search for his lost partners leads him down the same path as Faith's-and soon the two of them are thrust into the wilds of a forbidden, icy world. When Faith and Cameron encounter a mythical creature, they must decide to face their enemies together, or perish on their own.

Seduction is one of the areas of life which has the potential to bring people the most pleasure and the most pain. If people are able to effectively move through life getting what they want and need out of romance and relationships then they are sure to be spared the pain of heartbreak and loneliness. If people are unable to master this area of existence then they set themselves up for disappointment and despair. Most people stumble through life, never taking conscious control of their seductive efforts, never figuring out exactly what it is that makes

some people masters of seduction, and other people permanently alone and bitter. This book entitled Dark Seduction by Michael Pace represents the pinnacle of dark seductive knowledge which has been collected, tested and understood by the seduction community. The fact that a secret society of seducers exists at all will be news to some people. This knowledge is so powerful that some governments have literally banned people from teaching it within their nation. Some of the most devastatingly effective pickup techniques of all time are detailed within these pages. They may shock and surprise readers - but they may well seduce them at the same time. What
