"An absolutely unstoppable love story in an unputdownable book. So many twists and surprises I could barely take a breath!" - Shelly Crane, New York Times Bestselling Author of Significance and Wide Awake "A true delight from start to finish! It is sure to leave you thirsting for more!" - Diane Alberts, USA Today Bestselling Author hr **Charlotte Ruzikova is an ordinary girl, but in a world of magic and monsters, it's exactly what makes her an outcast. In occult Prague, Witches draw enchantment spells, Shifters throw tea parties, and markets glow like stardust as jack-o'-lanterns jeer from cobblestone paths. For humans on the mundane side of town, the occult city is a fairy tale for storybooks, but for Charlotte, it's home. When she catches the eye of an Elven prince and spurns his advances, Charlotte sparks a devastating war between the creatures of the light and those lurking in the darkness. Worst of all, she endangers the person she loves most: the man who brought her to the occult city. Joining forces with a coven of outcast monsters, Charlotte rebels against an empire to preserve the magic in her city and in her heart. But can her allies set aside their differences for the greater good? Loyalties are tested and grudges grow thorny roots, but no matter the cost, Charlotte will fight to save the shadows. In the occult city, the dawn cannot consume the night. Warning: Guillermo del Toro-style monsters with the heart of a Studio Ghibli film roam free in the streets of Occult Prague. Fans of THE MORTAL INSTRUMENTS and THE VAMPIRE CHRONICLES will be eager to visit. hr "I love a vampire that does what a vampire is supposed to do...I highly recommend this story as a must read! Goodbye Bella and Edward!"- I Heart YA Books "This was such a magical and beautifully written tale of love and found family. The plot had all the dynamic twists and turns to keep me enthralled to see what would happen next. I support any book that takes the "good versus evil" theme and flips it so the "evil" beings are misunderstood and hated by the "good" for being different. Also, I just really like vampires." - Verified Reviewer "Leighton had shown off her talents as a world builder, with an ability to create an atmosphere the reader can feel a part of. Her characters arrive on the scene fully fleshed out, each with their own quirks and backstory." - Steve Taintor, Vine Voice "Holy f***ing s***! This woman is an f***ing genius! I mean, seriously! I was hooked in from the very first word to the f***ing last! This book deserves 1,000s of stars because its just that f***ing epic. EPIC!!! That's the perfect word for this book." -Verified Reviewer**

Secrets that will not only change her life, but what and who she is--leading her down a path she never imagined possible. I'd always been different. I saw objects in the night where others saw emptiness. Large, human shaped shadows, fierce yet beautiful, melting into the darkness. I collected secrets like other women collected bells; afraid to fully trust lest my oddities be exposed. Until I saw him. He'd been gliding down the street, unshakable confidence in every step. It wasn't just that he was breathtakingly handsome with perfect features. Something about him drew me. Sucked my focus to him and then tugged at my body. As his eyes met mine, I was entrapped. No one had noticed him. He'd been right there, just beyond the light, but only I had perceived. I had to know if he was real. Or maybe I really was crazy. And even when my secret box was blasted wide open, dangers hurled at me like throwing knives, I couldn't stop until I unraveled his true identity. I just had to know. In 1927, during the murderous anti-Catholic reign of Mexican president Plutarco Elias Calles, Mother Luisita and two members of her Carmelite community cast off their religious habits, donned secular clothes, trembling all the while, started out on a perilous flight from the brutal, atheistic government intent on killing them. Neither their forced exile nor those death squads broke these brave nuns, suddenly thrust into the barren American Southwest. For in addition to the meager possessions they carried with them, they bore deep within their hearts a confident love of Jesus as well as a devotion to that principle by which Mother Luisita had directed their steps: "Adelante! Onward! God will Provide!" Strangers in a strange land they were now... but not for long! Mother Luisita's beautiful, prayerful presence soon won these nuns friends and patrons in America, where she and her companions continued their mission. In the decades since then, Mother Luisita's communities have brought comfort and hope to countless sick and suffering, lost and downtrodden souls who have discovered the liberating truth in Mother Luisita's words: "For greater things you were born!" In these pages, you'll read the moving story of Mother Luisita's heroic adventures and learn her secrets of holiness. It's a story

that will renew your confidence in the loving protection of God, strengthen your spirit, and – as Mother Luisita's secrets of holiness did for her and her spirit, and – shield you from temptation and deliver you from evil.

Fighting Destiny series # 1 Reissue originally published 2012 Set in a dark and crumbling near-future... Navy SEAL LT Shane Laughlin was dishonorably discharged and blacklisted—for being too honorable. Desperate for work and down to his last ten bucks, he takes a job as a test subject—a human guinea pig—at Boston's Obermeyer Institute, a fringe scientific research facility. Because OI's not the only organization trying to find Greater-Thans—and the other guys are out to exploit them. An illegal drug called "Destiny" is being made from the blood of young, untrained, and powerless Greater-Than girls. Dr. Michelle "Mac" Mackenzie and her OI team are at war with the shadowy corporations who enslave girls to meet the rising demand for Destiny, and Shane wants to join them. He may not be a G-T, but as a former Navy SEAL, he's got talents of his own. Still, Mac's got powerful reasons to keep her distance from Shane.
