

Darts Beginning To End

NEW YORK TIMES BESTSELLER • “Desus & Mero are smarter and funnier than everyone writing books.” —Sha Serrano “I will never write anything as hilarious as they have. I give up.” —Malcolm Gladwell “These motherf**ers make me laugh until I choke.” —Ja Tolentino NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR A wild, hilarious guide to life from the hosts of the hit late-night show Desus & Mero and the Bodega Boys podcast Who could have predicted that, after a fateful meeting in a Bronx summer school in the 1990s, Desus & Mero would turn their friendship into an empire of talking to each other. And it’s no surprise—tuning in to them is like listening to the funniest, smartest people you know dissect a topic and then light it on fire. Now they’ve written the most essential guide to life of this century—in which all the important questions are asked: How do I talk to my kids about drugs if I do them, too? What are the ethics of ghosting in a relationship? How do I bet on sports? How should I behave in jail? How much is too much to spend on sneakers? Is porn really that bad for me? As they put it: “We want to share all we’ve learned, after years in the Bronx streets, with you: the people. So with a lifetime spent building up a plethora of information from the streets and thoughtful observations, we decided to write this book—a sequel to the Bible, or maybe to The Hitchhiker’s Guide to the Galaxy, depending on how big a nerd you are. Let this book be your North Star.” **“NO REFUNDS”** This book has been compiled to provide details of tournament winners and runners up on Benelux tournaments – Belgium, Netherlands, and Luxembourg. Every effort has been used to identify winners and runners up of tournaments and in some cases there will be results "missing". If these can be identified they will be included in another edition of this book in the future. There maybe errors with names being misspelt and that ladies surnames may have changed but I've put in an enormous time and effort to correctly record the results of the tournaments. There are probably other tournaments that have been played up in these countries but I've only been able to identify these ones. Research that has been completed for this book to provide the reader and dart enthusiast information on books and links to web sites of dart manufacturers, Professional Bodies and Organisations, dart stores, and Country Darts Organisations. This is not a comprehensive list but it begins the work of collating details of darts into one place instead of being scattered around the World Wide Web across many sites and publications.

The 5th Wave meets Beauty and the Beast in this fast-paced and heart-stopping novel about an invasion of murderous creatures and one girl fighting for her life at the end of the world. He has no voice or name, only a rank, Eighth. He doesn’t know the details of the mission, only the directives that hum in his mind. Dart the humans. Leave them where they fall. His job is to protect his Offside. Let her do the shooting. Until a human kills her... Sixteen-year-old Raven is at summer camp when the terrifying, armored Nahx invade. Isolated in the wilderness, Raven and her fellow campers can only stay put. Await rescue. Raven doesn’t like feeling helpless, but what choice does she have? Then a Nahx kills her boyfriend. Throw together in a violent, unfamiliar world. Eighth and Raven should feel only hate and fear. But when Raven is injured, and Eighth deserts his unit, their survival comes to depend on trusting each other...

John was born in New Tupton, a village in Derbyshire, he was the son of Fredrick and Phyllis, both practising Christians of the Pentocostal faith throughout their life, John puts the title of war baby to his name, being born on the 21/07/1945, the end of world war two, he wasn't on his own and had plenty of friends in his childhood days, John's father was a coal miner, and he expected John to join him down the mine after schooling finished, however, John secured an apprenticeship with a local building firm, and became a carpenter, he was successful and went on to set up his own firm, he had a strong passion for motor cycles and was well known in the area for being a fast driver, to the disappointment of his mother, in the early 70's John was introduced to darts, like many things in his life, he believed it was fate, he began playing in local leagues, went on to become National Champion, and the rest is history, his darting career spanned over 50 years and it has taken him round the globe many times, in 2019 John received the MBE for services to darts, presented by Prince William at Buckingham Palace, he proudly talks of this being one of the finest moments of his life, John is the author of "The Nine Dart Legend" making it the fifth book he has written, it is a book that takes you through the 76 years of the coal miners son from New Tupton to driving through the gates of Buckingham Palace, it's a journey of remarkable interest, excitement, and the arduous task of living with Covid, John's journey has been extraordinary in many ways, he has won hundreds of titles worldwide, learnt the culture of many countries, adjusted his life to unexpected changes, when asked what he regards one of the most important lessons he has learnt from his life journey, he will instantly say, compassion, a word his mother told him when he was a youngster in New Tupton, to never forget. Enjoy your read.

PDC Darts

Drawing on an eclectic range of primary and secondary sources Chaplin examines the development of darts in the context of English society in the early twentieth century. He reveals how darts was transformed during the interwar years to become one of the most popular recreations in England, not just amongst working class men and, to a lesser extent, working class women but even (to some extent) among the middle and upper classes. This book assesses the social, economic and cultural forces behind this transformation. This work also considers the growth of the darts manufacturing industry and assesses the overall effect the growing popularity of darts had on interwar society and popular culture, with particular reference to the changing culture and form of the English public house. This original study will be of interest to sports historians, social historians, business historians, sociologists and sports scientists.

This "outstanding" novel featuring a Boston detective searching for a judge's missing son is a Shamus Award finalist and the first in a series (The New York Times). John Cuddy's heart is buried in a cemetery overlooking Boston harbor. His wife, Beth, fought her cancer for nearly a year, and when she died Cuddy gave up his morning runs in favor of nightly benders. Two months after her death, he is forced out of his job as an insurance investigator for refusing to sign his name to a phony claim. Now he is filing for unemployment, cutting back on his drinking, and attempting to become a private eye. His first real case comes in the form of Valerie Jacobs, a junior high teacher who was friends with Beth. Her star pupil, the son of a Massachusetts judge, has vanished, and the local police have no leads. To make his name as a detective, Cuddy searches for a boy who's too smart to be found, and whose father would prefer his son never return.

Bellies and Bullseyes is simply the greatest account there will ever be about the sport of darts - as told by one of its most legendary characters - Sid Waddell. It mixes Sid's own personal journey from the coalfields of the North East with the entire history of the sport. What is revealed is a hilarious yet epic Darts Babylon, covering every significant event and every character to walk the oche from Eric 'The Crafty Cockney' Bristow to Phil 'The Power' Taylor. In words as ripe as his commentaries, Sid brings an authentic whiff of fags, hard drink, hot tungsten and moist polyester to the whole cabaret. Sid has been friend and confidante to most of darts' stars over the years as well as being instrumental in the game's progress himself. Nobody is equipped to tell the story quite like he is. From the early days of hustling in bars and the 1960s money-race pub competitions that spawned the likes of John Lowe and Leighton Rees, to ITV's brilliantly daft The Indoor League and the glory days of BBC's coverage; from the bling of Bobby George and the belly of Jocky Wilson to the awesome professionalism of Phil Taylor; from smoky Northern working men's clubs to the Houses of Parliament; this is the complete, incredible story of darts.

This book has been compiled to provide details of tournament winners and runners up of USA steel tip tournaments. Every effort has been used to identify and correctly record winners and runners up of tournaments. In some cases there will be results "missing". If these can be identified they will be included in a future edition. There maybe errors with names being misspelt and ladies surnames may have changed. Where possible, hosting organisation and the year that the tournament was first held will be listed. Other facts about the tournament will be listed if available. Besides tournament results, there are two chapters that were authored by Chuck Hudson. One chapter is on the founding of the United States Sports Darts Alliance (USSDA) and the other is Sandy Hudson a professional player. Both of these chapters are an interesting read and provides a snapshot of darts in the US. This book provides the reader and dart enthusiast information on other published books and magazines, links to web sites of dart manufacturers, Professional Bodies and Organisations, dart stores, and Country Darts Organisations. This is not a comprehensive list but begins the work of collating details into one place. Instead of being scattered around the World Wide Web across many sites and publications. Many dart tournaments in 2020 will be cancelled due to the Coronavirus pandemic.

The Outrageous and Completely Untrue History of the Sport of Darts

London Fields

Your techniques have given me the tools to become the best player I can be. Joe Everett (aka: dart face) New York City Certainly from reading the additional information in George's book (a must for all dart players) I now understand and feel when my stroke is good and bad and also I'm in a position where I am able to correct it if the first dart thrown is poor. Anthony Sharrett (aka: Tanman) Harrogate, England I know it's working for me because now what feels like a bad night would have been considered a great night 6 months ago. Mark Kelly (aka: DracD) Australia I have never felt more controlled and focused with my darts. The drills, the reading material, all of it are a huge help. Greg Kanes (aka: P-man) S. Africa The way George writes makes you wanna read it. Davin Burgess, (aka: davin) Nashville, Tennessee, U.S.A.

Two veteran cosplayers - Miyuu Takahara and Kenji Weston - have teamed up to their experience and skills to give cosplay newcomers a great guide. Illustrated topics and techniques are explained in easy to understand and straightforward ways, while being detailed and comprehensive. All manner of costumes are covered: superheroes and supervillains, video game characters, and of course those from Japan's vast anime culture. There's coverage on culture and history; aspects of planning out and making a costume; makeup and props; advice on enjoying conventions and cosplay photography. Ways to find materials and items to suit all budgets and lifestyles receives coverage, while the importance of budget and time management are also examined. Colossal research was made on this book. To write it, the authors drew on the spirit of commitment and passion that is at the core of great cosplay. This book is guaranteed to give newbies, beginners and even experienced cosplayers the guidance they need to make epic cosplay.

The autobiography of one of the most charismatic figures in darts history, who has so much more to tell... When Bobby George first appeared on the darts scene, he immediately caught the eye: well built (he was the only darts player ever to be approached to take part in TV's Superstars), good looking and with plenty of bling, he was a natural showman. He could play a bit too, as he showed by reaching the final of the world championship in both 1980 and 1994. But that is only the beginning of the story. Before the darts came his time as a doorman at various East End pubs and bars just after the era of the Krays and Richardsons, when baseball bats and knuckle dusters would often come in handy. He also helped build the Victoria Line. Since he retired from full-time darts, he has appeared in gangster films such as Dog, on TV programmes such as Celebrity Fit Club, and in videos with The Streets. Now best known as a commentator on the BBC, George relives the excitement of the last thirty years of the world of darts, with plenty of insider gossip and stories about all the most famous players in the TV era of the sport.

This book was the first serious scholarly attempt in nearly a century to put in narrative form the exciting and important history of the Mexican Indians who founded Tenochtitlan and who created from it what is known as the Aztec empire. Although many native sources, often in translations with scholarly annotations, became available in the twentieth century, the corpus of this material was scattered and uncoordinated. Burr Cartwright Brundage has utilized these sources to produce a consecutive narrative that portrays direction and purpose in the evolution of the Aztec empire. A Rain of Darts is the first one-volume history of the Mexica, historically the most important of the Aztec peoples. The focus of the narrative is on the political state produced by the Mexica during their stormy history. The eleven Mexica reigns that preceded the Spanish Conquest are investigated, their triumphs and errors explained, and the lives of their great leaders illuminated where the sources allow. The narrative opens with the first appearance of the Mexica out of the arid north; it details their aimless wandering, the founding of the city of Mexico in the waters of Lake Tezocco, their desperate struggle for independence (successfully achieved in 1428), and the flourishing of the new state and its curiously structured empire. This history concludes with an analysis of the character of Moteuczoma II, and investigates the final sickness of the Mexican state. Cortez and his small army of Spaniards are seen here for the first time in historical literature through the eyes of the people they conquered. The Mexica Aztecs remain at the center of the narrative. The Mexica were unable to build a tightly knit empire because of the elitist, international warrior class and its peculiar cult of war and sacrifice. To the Mexica, warfare and bloodshed were sacraments; the teuctli or knightly warrior was the priest of this cult, to which he was as loyal as to the state. In this lay the uniqueness of the Mexican state and the seeds of its tragic end in 1521.

Master of the House of Darts

Eric Bristow MBE (1957-2018) might just have been the greatest darts player of all time. An unmistakable figure on the oche during his 1980s heyday, 'the Cheeky Cockney' became renowned not just for the number of world titles he won but for his arrogance on stage and off it. In this candid account, Bristow reveals how darts saved him from his early life as a cat burglar, shoplifter and thug - and introduced him to a new world of beer, babes and success beyond his wildest dreams. Bristow's life is a thrill-a-minute ride through the raucous world of darts and how it helped to shape and drive his life.

A Bar Player's Guide to Winning Darts is a personal manual of form, technique and strategy for all dart players who love this friendly pub game. The two chapters dealing with the great American game, Cricket, are alone worth the price of the book. Capt. Fred writes in clear concise style and tells you how to go about keeping your opponent off balance so you can beat him to the bull. If you share the Captain's irreverent love of smoke-filled dart rooms and cold beer, this book is for you. This book provides details of the winners and runners up of BDO world tournaments. Lists the Embassy World Championships winners and runners up for both men, women, and youth competitions and the Winmau World Masters besides all the other BDO World major tournaments. Analysis of some tournaments that details the number of times a player has appeared in the final, number of times a player has won the tournament, lists players that have won a tournament in consecutive years, and lists players that have won a tournament in consecutive "nine darts". The book provides a checkout table, lists useful dart links and provides details of books and periodicals published over the years on darts.

For Patricia 'Fitz' Fitzpatrick, hockey is her only escape from her controlling husband and the isolation of her suburban life. When the drama on her team threatens that one happiness, Fitz takes matters into her own hands. She convinces three of her teammates-Michelle, Dawn, and Tessa-to join her in building a new team. The Darts. The Darts have the potential to be something fantastic-if they can survive their first season. As Fitz's marriage takes a dark turn, she puts more pressure on her team to succeed. But as the season progresses, she begins to realize that her friends are not who she thought they were. The danger that success, the Darts begin to crack. Can these four unlikely friends learn to trust and support each other before it all falls apart?

The Outrageous True Story of Darts

Romance blooms in the strangest places for Lily, an L.A. television writer who is trying to manage a career, a teenage son, and a new boss

The most comprehensive guide to Cricket that has ever been written! Most other dart books focus only on fundamentals and the most basic rules of both Cricket and '01. This book is the only complete strategy guide available and will cover almost all possible angles and game play scenarios to help you become a master of the game. Includes detailed graphics that even the most novice players can follow. If you want to learn how to master the game of Cricket and learn what it takes to compete with the world's best players, this book is for you! Also included with the book is the author's email address if you have any questions or would like additional help with certain scenarios.

This 2nd edition of PDC Darts covers the same details as the original book with current details of tournament winners and runners up on the PDC (Professional Darts Corporation) Tour. Besides the tournament results, analysis of the tournament history is provided. Provides details of players that have thrown the perfect leg, the highest average achieved during the history of the tournament, how many times a player has appeared in the final, and how many times a player has won the tournament. Majority of tournaments were cancelled due to the Coronavirus Pandemic in 2020. To keep the tour viable, there were three Home Tour Championships staged until players could attend events in person. The book is to provide the reader and dart enthusiast more information on publications, links to web sites of dart manufacturers, County Darts Organisations, Professional Bodies and Organisations, dart stores, and Country Darts Organisations. This is not a comprehensive list but it begins the work of collating details of darts into one place instead of being scattered around the World Wide Web across many sites and publications. Disclaimer: Links to dart stores is for informational purposes. I have not been contacted by any of the stores to advertise. When I come across a dart store and the link is correct, I have included in list for dart enthusiasts. I hope you enjoy the book.

Make Dart Your Programming Language of Choice There are many programming languages you can start learning today. But not many are as modern, easy to learn, object-oriented and scalable as Dart. Plus, combined with Flutter, Dart allows you to build native iOS, Android, web and desktop applications with a single code base. Dart Apprentice will teach you all the basic concepts you need to master this language. Follow along with the clearly and thoroughly explained concepts and you'll be building Dart applications in a breeze. Who This Book Is For Dart Apprentice is aimed at anyone interested in learning this new and modern programming language. If you're a beginner and want to start programming, this is great place to start. If you're an experienced programmer interested in learning Dart, here you'll find all the concepts you need to know. In either case, following along with this book, you'll be comfortable writing your own Dart programs in less time than you think. Topics covered in Dart Apprentice Expressions, Variables and Constants: The building blocks of the language Types and Operations: Static vs. dynamic typing, inference and strings Control Flow: Booleans, enums, switches, if statements and loops Functions: Named and anonymous functions, parameters and arrow syntax Classes: Objects, constructors, methods and properties Nullability: Null and how to handle it Collections: Lists, sets and maps Advanced classes: Inheritance, abstract classes, interfaces and mixins Asynchronous Programming: Concurrency, futures, streams and isolates One thing you can count on: after reading this book, you'll be preparing for your own applications using Dart. About the Tutorial Team The Tutorial Team is a group of app developers and authors who write tutorials at the popular website raywenderlich.com. We take pride in making sure each tutorial we write holds to the highest standards of quality. We want our tutorials to be well written, easy to follow, and fun. If you've enjoyed the tutorials we've written in the past, you're in for a treat. The chapters we've written for this book are some of our best yet - and this book contains detailed technical knowledge explained in a way you simply won't be able to find anywhere else.

Blunt Darts

BIOGRAPHY: SPORT. Justin "The Bachelor of Darts" Irwin". Justin Irwin used to have another moniker - that of the Director of England at the children's charity, Childline. However, in December 2004, he suddenly resigned, giving up his well-paid job in order to... play darts. His aim was simple: to qualify for the World Darts Championship in one year's time in December 2005. As a child, Justin had wanted to become a sportsman. He remembered that in 1987 he once hit treble 20 - darts nirvana! So, why couldn't he do that again, just on a more regular basis? And so began his journey. From playing with friends, he graduated to pub teams, moving on to Open Tournaments in Essex and Hampshire. From backroom bars to the glamour of the Novotel in Southampton, he learnt the difference between a "Bull-up" and "Bullseye". The American Darts Organization Book of Darts has been thoroughly updated and revised for the benefit of the growing ranks of dart players. Darts continues to be among the fastest-growing sports in the world, and this is the book to introduce anyone to the joys of the game. It is estimated that there are over ten million regular players in the United States alone. The American Darts Organization Book of Darts is your one convenient, clear source for buying darts, tips on play, and the rules of dozens of games. In addition, you'll learn the language of the sport (see glossary) as well as an introduction to websites of interest. This edition has been entirely rewritten and revised with new material throughout, including a new chapter, Tips from the Professionals, in which top-ranked professionals Stacy Bromberg and Steve Brown offer insights on their individual successes and sound advice on mechanics, equipment, and practice. For its size and price, this remarkably inclusive little book deserves a place next to every dartboard.

Share in the euphoria that comes of the “kill shot” by learning the skills and techniques required to play a great game of darts. From the history of the sport to choosing the right type of equipment, The Ultimate Book of Darts is written in an accessible style that is perfect for both novices and seasoned professionals. Dart throwing is now a global phenomenon with new players emerging every day. This amazing sport demands remarkable precision and an agile mind from its competitors. Learn the rules for playing team games and tips for improving your score and ability for more advanced competitions. Author Anne Kramer focuses on the mechanics of dart throwing by discussing the pros and cons of various stances, such as toes square to the line versus one foot behind the other. This guide emphasizes good form over accuracy. If you develop good form, the accuracy will follow. Aside from mechanics this book also discusses the necessary equipment from types of darts to board materials, dimensions, and mounting. Whether you’re an expert marksman who competes in a pub league or a guy who just enjoys throwing sharp objects, this is the go-to guide to a longstanding and fun tradition.

'Extremely funny' - Guardian Booze, Bullseyes and (more) Booze Humanity has come a long way in the 500,000 years since Neanderthal man first started chucking spears around. Or has it? In his blisteringly funny new book, former professional player Wayne Mardle, whose crowd-pleasing antics were even more lively off stage than they were on, blows the lid off one of the UK's biggest televised sports. Known in darts circles as Hawaii 501 on account of his colourful Hawaiian shirts (yours for just forty-five quid - he's got a garage full of them) Mardle remains one of the planet's most recognisable players, having performed on the world stage during a professional career that saw him play all the greats and, quite frankly, lose to most of them. In this witty (frequently), honest (largely), and poignant (twice) guide to life both on and off the oche, Mardle delivers world-class advice - such as why you shouldn't go on a two-day Vegas booze bender before a major PDC final, or how to avoid going live on European TV with a string of expletives so outrageous that clips are still replayed, years later, on Belgian telly. Some are lessons Mardle learned the hard way; others, like why it's best to avoid being sued by a well-known biscuit manufacturer, are gleaned from green-room gossip spanning decades.

"Introduction by Dan William Peek, author of 'To the Point: The Story of Darts in America'"

Can't hit the doubles? Got a bad case of dartsitis? Want to stick it in the bull every time? You've come to the right place. This well-loved classic is the only book to cater for every level of player, from the obsessed amateur to the fledgling professional, and reveals the secrets of his three decades experience at the pinnacle of the sport. Every conceivable aspect of the game is covered, from choosing the right grip, darts and practice routines to suit you, constructing out shots, perfecting your stance at the oche to tips on how to cope with the pressure of a sold out, noisy arena in your first professional match. Whether you want to improve your game wholesale or simply fine tune some misbehaving aspects, THE ART OF DARTS is essential for every darts player, fan or enthusiast and is well set to becoming the classic darts text.

London Fields is Amis's murder story for the end of the millennium—"a comic murder mystery, an apocalyptic satire, a statistical meditation on love and death" (The New York Times). The murderer is Nicola Six, a "black hole" of sex and self-loathing intent on orchestrating her own extinction. The murderer may be Keith Tarrant, a violent lowlife whose only passions are pornography and darts. Or is the killer the rich, honorable, and dimly romantic Guy Clinch? Here, Amis is "by turns lyrical and obscene, colloquial and rhapodic." —Michiko Kakutani

This is Dartois's most recent and tiniest work of darts fiction and we should indeed be grateful for the latter. I can solemnly attest that it is, in my very humble opinion, quite the most historically inaccurate and stupid thing that anyone has ever put to paper. Despite his advanced apologies to his God, and many others, I am certain that they are insufficient to prevent him from being cast into Hades when the Grim Reaper eventually comes to call. Having said that, IT IS FUN!!!!

The Nine Dart Legend

A nation born of angels, vast and intricate and surrounded by danger... a woman born to servitude, unknowingly given access to the secrets of the realm... Born with a scarlet mote in her left eye, Phédre nó Delaunay is sold into indentured servitude as a child. When her bond is purchased by an enigmatic nobleman, she is trained in history, theology, politics, foreign languages, the arts of pleasure. And above all, the ability to observe, remember, and analyze. Exquisite courtesan, talented spy... and unlikely heroine. But when Phédre stumbles upon a plot that threatens her homeland, Terre d'Ange, she has no choice. Betrayed into captivity in the barbarous northland of Skaldia and accompanied only by a disdainful young warrior-priest, Phédre makes a harrowing escape and an even more harrowing journey to return to her people and deliver a warning of the impending invasion. And that proves only the first step in a quest that will take her to the edge of despair and beyond. Phédre nó Delaunay is the woman who holds the keys to her realm's deadly secrets, and whose courage will decide the very future of her world. Not since Dune has there been an epic on the scale of Kushiel's Dart—a massive tale about the violent death of an old age and the birth of a new. It is a novel of grandeur, luxuriance, sacrifice, betrayal, and deeply laid conspiracies. A world of cunning poets, deadly courtiers, deposed rulers and a besieged Queen, a warrior-priest, the Prince of Travelers, barbarian warlords, heroic traitors, and a truly Machiavellian villainess... all seen through the unflinching eyes of an unforgettable heroine. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The conclusion to the critically acclaimed Obsidian and Blood trilogy: The year is Three Rabbit, and the storm is coming. The Mexica Empire now has a new Emperor, but his coronation war has just ended in a failure: the armies have retreated with a paltry forty prisoners of war, not near enough sacrifices to satisfy the gods. Acatl, High Priest for the Dead, has no desire to involve himself yet again in the intrigues of the powerful. However, when one of the prisoners dies of a magical illness, he has little choice but to investigate. For it is only one death, but it will not be the last. As the bodies pile up and the imperial court tears itself apart, dragging Teomitl, Acatl's beloved student, into the eye of the storm, the High Priest for the Dead is going to choose whom he can afford to trust; and where, in the end, his loyalties ultimately lie... REVIEWS: 'Like the previous books, the third in the Obsidian and Blood series abounds with suspects and red herrings. It's a twisty and colourful tale filled with strange gods who demand sacrifices and pain for the least favour. I liked the way Acatl is beginning to question the way things are, and the first stirrings of doubt are awakening in him. He's always had misgivings about his own suitability as High Priest, but in this novel his eyes are opened to some of the deeper wrongs done in the name of the empire, and in the name of people's unwavering loyalty to the gods.' —WarpCore SF 'I found this to be the best book of a very good series. The same positives from the first two books are still present, a very easy-to-read writing style (easy to read but not simple or dumbed down), a quick pace, and some incredible world building, incredible accessibility despite the lesser know pantheon and names. Even though the second book dealt with a possible end to the world, MASTER OF THE HOUSE OF DARTS took a similar fate and did it better. Perhaps this was because in many ways it felt more like a fantasy book than a mystery book, which lends itself better to the "save the world" type story. The magic felt more organic here, it was never used as a crutch, or perhaps it was just better explained. There was a bit less travelling this time around, which also led to a tighter story. The ending involved several confrontations that were tense and

believable, including some between people who are supposed to be allies... a great end to the series.' –Fantasy Review Barn 'Whether you take it as historical noir or as a highly accurate fantasy, it's hard not to enjoy the Obsidian and Blood books—it's a perfect fit for those looking for something different from their usual fare, but still exciting in ways they're used to.' –Guys Lit Wire 'Acatl, is very much at the heart of the story, more so perhaps than the plot. He slowly grows into his position as the High Priest of the Dead throughout the trilogy, while the author moves along a parallel path, her narrative growing into its teller and inhabiting his mind with increasing comfort and self-assurance. Acatl is both the hero and the author's avatar as she explores her ideas of what a hero can and should be. Perceptive readers will find Acatl to be a very different kind of hero than we are accustomed to reading about, but the action and the mystery proceed so smoothly that some may never notice the gleeful contrariness that lurks below the surface... Acatl is not, and this is apparent from much earlier in the trilogy, a typical action hero. He is not even a typical mystery solver, at least not in the Western idiom... The entirety of the Obsidian & Blood trilogy gets high marks... for creativity, execution, and gentle subversion. Not just recommended, but, to paraphrase Demi Moore in A Few Good Men, strenuously recommended.' –Two Dudes in an Attic

The first part of the book is a fictional story about a non-profit organization dedicated to protecting nature preserves around the world; the second part of the book is a collection of essays on the subjects of nature, human nature, evolutionary biology, and biodiversity.

This book is a fascinating and entertaining mixture of the history and characters of the darts world. It features player profiles, trivia – including players' walk-on music, quickest matches, longest matches, 9-dart finishes, the most loved and hated players and celebrity fans – as well as a treasure trove of statistical information. As such, all the tension, glory, complexity and irony of the 'art of the arras' is portrayed. Funny, interesting and perplexing, the reader will smile, reminisce, laugh and occasionally experience bewilderment as the spirit of the oche is brought to life. The wit and skill of players is mixed with expressions of frustration, pain, confusion and anguish. Fighters, moaners, clowns and philosophers rub shoulders between the pages, creating an atmosphere that anyone who has either watched or played the game will recognise. With this book, Brian Belton hits the bullseye of a simple passion that has enjoyed a massive resurgence of popularity in recent years.
