"Dating Advice for Women from Men" was written for women by a man. It might sound a bit ironic but it is filled with great tips that ladies venturing into the world of dating can use. Based on what the author advises, the best dating tips for women comes from the male perspective. Author, Lance Steele believes that women who have a difficult time dating do not take the time to look at things from a males point-of-view. What a male looks for in a woman and not the opposite way around is the key for a woman to find her special someone. Not understanding this angle often leads to ladies choosing the wrong man to pursue a relationship with or to end up ruining the one that they are with. This book is a great addition to any females book collection as it zones in on the main points that a woman should focus on if she is seeking male companionship. The author has ensured that the text is laid out in a fashion that is easy to read and understand. In the dating game, all good advice is a necessary vice.

: How to Become an Alpha Male, Become Irresistible in Her Eyes and Develop a Charismatic Personality (Secret Dating Advice for Men, Book 1).

Have you ever dreamt of becoming an infallible seducer of women? This book tells you everything you need to know, courtesy of the world's only major female PUA (pick-up artist), Kezia Noble! Unknown until a couple of years ago, Kezia was approached by the organisers to attend a PUA class meeting. She gave it to the other attendees straight, not caring if she offended anyone; the men took it on the chin and took her constructive criticisms on board. Within days and weeks they were trying out her suggested techniques and starting to become more successful with women. Kezia returned to the PUA classes and started to make a name for herself. Kezia Noble is the first woman to offer the aspiring pick-up artist advice on how to attract women from a woman's point of view. She now runs many classes and a workshop, and even produces corporate videos on the chemistry of attracting women. Now, in answer to requests from her students, Kezia has written a book on the 15 steps to becoming a master seducer - which will also prove an invaluable aid to men who cannot afford her classes, who work too far away or don't have enough time. The Noble Art of Seducing Women is the first and only sure-fire pick-up guide to be written by a woman. It has the potential to transform a lonely man into someone who need never be single again . . . unless, of course, he wants to be. Kezia Noble works with her students instead of belittling them. As a sensitive and intelligent young woman, she is becoming known as the best PUA in the business...

The #1 bestselling pioneer of "fratire" and a leading evolutionary psychologist team up to create the dating book for guys. Whether they conducted their research in life or in the lab, experts Tucker Max and Dr. Geoffrey Miller have spent the last 20+ years learning what women really want from their men, why they want it, and how men can deliver those qualities. The short answer: become the best version of yourself possible, then show it off. It sounds simple, but it's not. If it were, Tinder would just be the stuff you use to start a fire. Becoming your best self requires honesty, self-awareness, hard work and a little help. Through their website and podcasts, Max and Miller have already helped over one million guys take their first steps toward Ms. Right. They have collected all of their findings in Mate, an evidence-driven, seriously funny playbook that will teach you to become a more sexually attractive and romantically successful man, the right way: No "seduction techniques," No moralizing, No bullshit. Just honest, straightforward talk about the most ethical, effective way to pursue the win-win relationships you want with the women who are best for you. Much of what they've discovered will surprise you, some of it will not, but all of it is important and often misunderstood. So listen up, and stop being stupid!
