Death of A Salesman

In 1983 Arthur Miller was invited to direct Death of a Salesman at the Beijing People's Theatre, with Chinese actors. This was an entirely new experience for Miller and for the Chinese company, most of whom had never even heard of 'life insurance' or 'installment payments'. Miller had forty-eight days of rehearsals in which to direct his play and, while there, he kept a diary. This book tells the fascinating story of Miller's time in China and the paradoxes of directing a tragedy about American capitalism in a Communist country, and features photographs throughout by Inge Morath. In this edition, Miller's diary is given a contemporary context as the production and process is investigated against the backdrop of twenty-first century China and its theatre, through a new introduction by Claire Conceison, Professor of Theatre Studies at Duke University.

The Pulitzer Prize-winning tragedy of a salesman's deferred American dream Ever since it was first performed in 1949, *Death of a Salesman* has been recognized as a milestone of the American theater. In the person of Willy Loman, the aging, failing salesman who makes his living riding on a smile and a shoeshine, Arthur Miller redefined the tragic hero as a man whose dreams are at once insupportably vast and dangerously insubstantial. He has given us a figure whose name has become a symbol for a kind of majestic grandiosity—and a play that compresses epic extremes of humor and anguish, promise and loss, between the four walls of an American living room. "By common consent, this is one of the finest dramas in the whole range of the American theater." —Brooks Atkinson, *The New York Times* "So simple, central, and terrible that the run of playwrights would neither care nor dare to attempt it." —*Time*

The definitive memoir of Arthur Miller—the famous playwright of *The Crucible*, *All My Sons*, *Death of a Salesman*, *A View from the Bridge*, and other plays—Timebends reveals Miller's incredible trajectory as a man and a writer. Born in 1915, Miller grew up in Harlem in the 1920s and 1930s, developed leftist political convictions during the Great Depression, achieved moral victory against McCarthyism in the 1950s, and became president of PEN International near the end of his life, fighting for writers' freedom of expression. Along the way, his prolific output established him as one of the greatest writers of the twentieth century—he wrote twenty-two plays, various screenplays, short stories, and essays, and won the Pulitzer Prize in 1949 for *Death of a Salesman*and the New York Drama Critics Circle Award in 1947 for *All My Sons*. Miller also wrote the screenplay for *The Misfits*, Marilyn Monroe's final film. This memoir also reveals the incredible host of nobles that populated his life, including Marilyn Monroe, Elia Kazan, Clark Gable, Sir Laurence Olivier, John F. Kennedy, and Mikhail Gorbachev. Leaving behind a formidable reputation in the worlds of theater, cinema, and politics, Arthur Miller died in 2005 but his memoir continues his legacy.

ABOUT THE BOOK "A diamond is hard and rough to the touch." - Ben Loman, *Death of a Salesman* Why is Arthur Miller's *Death of a Salesman* still relevant today? Perhaps this simple question begs the question "IS it still relevant?" To any who ask this, the simple answer is an admonition to read the play. Or see it staged. Or watch any of the myriad cinematic adaptations. (Dustin Hoffman's portrayal of Willy Loman is arguably a gold standard performance. There are many fine renditions of the role, but the best is surely the one conjured in a careful reader's mind.) Before we delve too deeply into the lasting meaning of this play and the still poignant struggles of its characters, let us discuss something held so directly before our faces that we may well look through it and never recognize its paramount importance: the play's name. Arthur Miller titled his play – his first real success – not simply *Death of a Salesman* but added the sub-title *Personallities and Attitudes towards Life*. *Arthur Miller is considered one of the most influential dramatists of the 20th century, and Death of a Salesman is one of his best-known plays.
