

Death Or Glory I The Last Commando Lanemb

Meet Glory, raised off the grid in a convoy amid truckers the last men and women fighting for true freedom on the American open road. Now, in order to pay for her beloved dying Father's surgery, Glory has three days to pull off four dangerous cross-country heists with mob killers, crooked cops, and a psycho ex-husband all out to bring her in or die trying. The new ongoing series by New York Times bestselling author RICK REMENDER and legendary French superstar BENGAL brings you a high-speed chase across the American West that examines our dwindling freedoms and the price paid by those who fight for an untethered life, in this special double-sized first issue with 40 pages of story!

Jon Spurling has travelled the world to scratch beneath the glossy, confetti-strewn surface of the world's biggest sporting events to uncover their dark secrets. Did Argentina's fascist Junta really bribe Peru with grain and arms to facilitate victory in a crucial match on their way to winning the 1978 World Cup? Which country's players were sent to work in a chicken plucking factory as punishment for a poor result during the 2010 tournament? Part travelogue, part history, Death or Glory is based on more than 100 exclusive interviews.

Glory has found a way to save her father's life, but getting there means barreling into the heart of her ex's criminal empire and the horrors he committed there.

Glory's cargo consists of a heavily drugged Pablo, a worried Isabelle, a very sick father, and a liver to save himNbut it won't last forever. She's got a whole mess of trouble hot on her heels, and time is running out.

Death or Glory Prestige Edition

The Life and Death of General James Wolfe

This narrative retelling of Jesus's life, death, and resurrection draws from all four Gospels to create one continuous story, helping readers encounter the truth about Jesus in a fresh and compelling way.

Pat Gilbert's definitive biography of the Clash – universally acclaimed as a great book – has already sold over 20,000 copies in paperback. Now, for the 30th anniversary of the band's classic London Calling album, it is reissued with a stunning new cover. For the book Pat Gilbert – a former Mojo editor with the highest credentials – talked to everyone, in over 70 interviews with the key participants – roadies, producers, friends and fans - and above all the band members themselves, including Joe Strummer before his death, to be able to give the first real insight into what went on behind the scenes during the Clash's ten-year career. With the surge in interest generated by the Shea Stadium live CD and the official Clash book, Passion Is A Fashion will attract a new sale as the only truly indispensable Clash book.

With organ harvesters chasing her and her convoy, Glory has to find a way across the Mexican border to a surgeon to save her father's life.

"When faced with true evil, Glory must decide if she'll turn and run, or put the pedal down and face it head-on."

Read about his past in The Dark Elements series: The Dark Elements Series: Bitter Sweet Love (ebook-only prequel) White Hot Kiss Stone Cold Touch Every Last Breath

"A full-throttle, first-person account of the treasure hunt set in motion by Forest Fenn—an eccentric art dealer and, some would say, robber baron--in 2010 that lasted a full decade and became the stuff of contemporary legend. When Forest Fenn was told he was going to die, he hid a chest full of jewels and gold in the wilderness and published a poem that contained a series of clues about the treasure's secret location. But he didn't die, and he wouldn't reveal the location. The wild hunt went on for another ten years. Daniel Barbarisi first learned of Fenn's hunt in 2017 when a friend began decoding the poem and convinced Barbarisi to catalogue his search. What began as a great story documenting the history of Fenn's treasure hunt--the rumors, characters, and pitfalls--quickly turned into a personal quest, as Barbarisi found himself on a sometimes reckless and possibly dead-end path, despite having a family at home. Over the course of the next three years, several searchers would die, endless controversies would erupt, and one anonymous unknown would find the ultimate prize. Rich with mystery, danger, and break-neck action, Barbarisi's account of the imagination and drive of desire, of obsession, and of a particularly unbridled adventure is pure gold on the page"---

Tantalizing Twenty-Seven

Selected from sermons delivered by C. S. Lewis during World War II, these nine addresses offer guidance and inspiration in a time of great doubt.These are ardent and lucid sermons that provide a compassionate vision of Christianity.

When it comes to telling stories about the Second World War few did it better than the authors of BATTLE PICTURE LIBRARY. Here at last is the collection you've been waiting for, gathering together 12 of the toughest tales of war ever told. From the bomb-shattered roads of Europe to the stifling jungles of the Far East, below the crashing waves of the Atlantic or in the war-torn skies over England's green fields - these stories of courage and comradeship stirred the imaginations of generations of children whose parents and grandparents struggled against the Axis powers bent on enslaving nations. The stories you'll find in this volume have an incredible range, from action with the Desert Rats to top-secret missions for Military Intelligence via the nightmare dreams of a Captain in the airborne division and the heroic rise of Jack Charlton (not that Jack Charlton) to the head of Baker Company. It's not just rattling good history ... it's explosive! Attracting some of the finest talent from across Europe, these visceral pocket novels are reproduced 25 per cent bigger than the originals so you can revel in every glorious detail. If you remember these books from your schooldays, get ready to relive the excitement. If you're new to them ... have we got an experience for you!

Historical novel about the Third Crusade and the battle of Jaffa

"That's my son!" These three words were the tidal wave that destroyed the entire landscape of Robin Farnsworth's life, an ER nurse on duty when she identified the dead man on the stretcher. Growing up in the shadow of death after the loss of her brother, Robin understood the devastation that the death of a child causes. "Where is God?" the eight-year-old girl asks the night sky. As her family crumbles, she runs away, only to come crashing to her knees years later. Broken, alcoholic, and a single mom, she finally gets her answer through a divine appointment with Jesus Christ. Years later, her oldest son, Spencer, would also surrender to Christ, exchanging a life of rage and violence for a transforming peace and freedom. Spencer lived his faith with an unusual passion and urgency that would produce an eternal harvest of changed lives beyond his death. At age twenty-one, he was the unintended target of murder. Where is God? The answer is surprising as the author brings you alongside of her in the midst of monumental pain and darkness, discovering not just where God is, but who he is. This is a story of rescue and redemption, of the power of forgiveness and faith within a mother and her son; two broken and imperfect lives that are intercepted by a loving and almighty God.

Behold the King of Glory

Unknowningly possessed by an evil spirit, Batman brutally slaughters a restaurant full of customers. Regaining consciousness with no recollection of the events, the Dark Knight Detective must solve the mystery of his own killing spree. Aided by the mystical Deadman, Batman begins to piece together the clues of his possession. But as the involvement of malevolent mages and a supernatural emissary of Satan is discovered, Batman must find a way to combine his human abilities with Deadman's paranormal powers to defeat this unholy evil.

During its seventy-one years of existence, the 17th/21st Lancers became one of the best known British cavalry regiments of all time. Beloved by the Press as the 'Death or Glory Boys', their renowned skull and crossbones 'Motto', was one of the most recognised cap badges of the British Army. This volume, written by a former member of the Regiment, tells their complete story for the first time; much of which is in the words of those who served. The Regiment's role during the Second World War--on the Home Front, in North Africa and Italy; Austria; Greece, and Palestine in the aftermath of the war; its four years of service in Northern Ireland at the height of the 'Troubles'; and the Gulf War, where one of its crews achieved the longest ever direct-fire tank kill, are all covered in considerable detail. Personal accounts add colour to descriptions of routine life for a cavalry regiment in Egypt and India; and an armoured regiment during the Cold War, serving in Germany, Hong Kong, Libya, Yemen and Belize. Eleven sketch maps and 128 photographs illustrate the text. Appendices include, a definitive Roll of Honour; all Commanding Officers, Colonels of the Regiment and RSMs.

Ugly, gangling, and tormented by agonising illness, Major General James Wolfe was an unlikely hero. Yet in 1759, on the Plains of Abraham before Quebec, he won a battle with momentous consequences. Wolfe's victory, bought at the cost of his life, ensured that English, not French, would become the dominant language in North America. Ironically, by crippling French ambitions on that continent, Wolfe paved the way for American independence from Britain. Just thirty-two years old when he was killed in action, Wolfe had served in the British army since his mid-teens, fighting against the French in Flanders and Germany, and the Jacobites in Scotland. Already renowned for bold leadership, Wolfe's death at the very moment of his victory at Quebec cemented his heroic status on both sides of the Atlantic. Epic paintings of Wolfe's dying moments transformed him into an icon of patriotic self-sacrifice, and a role model for Horatio Nelson. Once venerated as the very embodiment of military genius and soldierly modesty, Wolfe's reputation has recently undergone sustained assault by revisionist historians who instead see him as a bloodthirsty and priggish young man, a general who owned his name and fame to one singularly lucky - though crucial - victory. But was there more to James Wolfe than a celebrated death? In Paths of Glory, the first full-length biography of Wolfe to appear in almost half a century, Stephen Brumwell seeks to answer that question, drawing upon extensive research to offer a reassessment of a soldier whose short but dramatic life unquestionably altered the course of world history.

'I, Hero' is an interactive adventure series where readers are the hero and can decide their own destiny as the story progresses.

The Last Commando

Grace and Glory

Death Or Glory #9

Throughout Christian history, the Gospel of John's distinctive way of presenting the life, works, teachings, death, and resurrection of Jesus have earned it labels such as "the spiritual Gospel" and "the maverick Gospel." It has been seen as the most theological of the four canonical Gospels. In this volume Richard Bauckham, a leading biblical scholar and a bestselling author in the academy, illuminates main theological themes of the Gospel of John. Bauckham provides insightful analysis of key texts, covering topics such as divine and human community, God's glory, the cross and the resurrection, and the sacraments. This work will serve as an ideal supplemental text for professors and students in a course on John or the four Gospels. It will also be of interest to New Testament scholars and theologians.

Egypt, October 1942 The battle for North Africa rages fiercely along the length of the Egyptian coast . . . Punching their way deep behind enemy lines, the newly formed SAS - under the enigmatic Lt Col David Stirling - carries out daring raids against the Germans. Lt Tom Caine leads a small squad of SAS men on a desperate mission far into hostile territory. His brief: to sabotage a terrible weapon being secretly developed by the Nazis in the desolate Libyan hills . . . If he fails the Axis forces will almost certainly be unstoppable. Caine faces the full force of the German military might, but what he doesn't know is that there is a traitor among his own men. Ultimately, his fate will rest in the hands of one woman, Special Ops agent Betty Nolan. Only one thing is for certain in this war - who dares wins . . .

From “the most popular mystery writer alive” (The New York Times), the twenty-seventh entry in the #1 New York Times bestselling series isn't just the biggest case of Stephanie Plum's career. It's the adventure of a lifetime. When Stephanie's beloved Grandma Mazur's new husband died on their wedding night, the only thing he left her was a beat-up old easy chair...and the keys to a life-changing fortune. But as Stephanie and Grandma Mazur search for Jimmy Rosolli's treasure, they discover that they're not the only ones on the hunt. Two dangerous enemies from the past stand in their way—along with a new adversary who's even more formidable: Gabriela Rose, a dark-eyed beauty from Little Havana with a taste for designer clothes. She's also a soldier of fortune, a gourmet cook, an expert in firearms and mixed martial arts—and someone who's about to give Stephanie a real run for her money. Stephanie may be in over her head, but she's got two things that Gabriela doesn't: an unbreakable bond with her family and a stubborn streak that will never let her quit. She'll need both to survive because this search for “fortune and glory” will turn into a desperate race against time with more on the line than ever before. Because even as she searches for the treasure and fights to protect her Grandma Mazur, her own deepest feelings will be tested—as Stephanie could finally be forced to choose between Joe Morelli and Ranger.

On July 18, 1863, the African American soldiers of the Fifty-Fourth Massachusetts Infantry led a courageous but ill-fated charge on Fort Wagner, a key bastion guarding Charleston harbor. Confederate defenders killed, wounded, or made prisoners of half the regiment. Only hours later, the body of Colonel Robert Gould Shaw, the regiment's white commander, was thrown into a mass grave with those of twenty of his men. The assault promoted the young colonel to the higher rank of martyr, ranking him alongside the legendary John Brown in the eyes of abolitionists. In this biography of Shaw, Russell Duncan presents a poignant portrait of an average young soldier, just past the cusp of manhood and still struggling against his mother's indomitable will, thrust unexpectedly into the national limelight. Using information gleaned from Shaw's letters home before and during the war, Duncan tells the story of the rebellious son of wealthy Boston abolitionists who never fully reconciled his own racial prejudices yet went on to head the North's vanguard black regiment and give his life to the cause of freedom. This thorough biography looks at Shaw from historical and psychological viewpoints and examines the complex family relationships that so strongly influenced him.

Death or Glory #8

NATIONAL BESTSELLER • A "gripping book about this extraordinary man who lived passionately and died unnecessarily" (USA Today) in post-9/11 Afghanistan, from the bestselling author of Into the Wild and Into Thin Air. In 2002, Pat Tillman walked away from a multimillion-dollar NFL contract to join the Army and became an icon of American patriotism. When he was killed in Afghanistan two years later, a legend was born. But the real Pat Tillman was much more remarkable, and considerably more complicated than the public knew. Sent first to Iraq—a war he would openly declare was “illegal as hell” —and eventually to Afghanistan, Tillman was driven by emotionally charged, sometimes contradictory notions of duty, honor, justice, and masculine pride, and he was determined to serve his entire three-year commitment. But on April 22, 2004, his life would end in a barrage of bullets fired by his fellow soldiers. Though obvious to most of the two dozen soldiers on the scene that a ranger in Tillman's own platoon had fired the fatal shots, the Army aggressively maneuvered to keep this information from Tillman's family and the American public for five weeks following his death. During this time, President Bush used Tillman's name to promote his administration's foreign policy. Long after Tillman's nationally televised memorial service, the Army grudgingly notified his closest relatives that he had “probably” been killed by friendly fire while it continued to dissemble about the details of his death and who was responsible. Drawing on Tillman's journals and letters and countless interviews with those who knew him and extensive research in Afghanistan, Jon Krakauer chronicles Tillman's riveting, tragic odyssey in engrossing detail highlighting his remarkable character and personality while closely examining the murky, heartbreaking circumstances of his death. Infused with the power and authenticity readers have come to expect from Krakauer's storytelling, Where Men Win Glory exposes shattering truths about men and war. This edition has been updated to reflect new developments and includes new material obtained through the Freedom of Information Act.

In the heat of battle you have two choices ... death or glory ... Libya 1942 - Rommel's Africa Korps is sweeping across Northern Africa. The ragged Allied forces engage the enemy in brutal fire-fights on the scorched desert sands. Meanwhile, the Allied commander-in-chief sends a desperate coded message to the Prime Minister - the courier is First Officer Madeleine Rose, WRNS - codename Runefish. When Runefish's plane is shot down deep behind enemy lines - GHQ must send in the commandos to pull her out. It looks like no more than a deadly fool's errand - and the man they choose is given one option: take the mission or face court martial. Battle-hardened Sgnt Tom Caine is a first class soldier who struggles with obeying orders. He must lead his small squad of specialist commandos into the hornet's nest - on a bloody mission that could change the outcome of the war ...

Adparlor CEO Ben Legg, a veteran of McKinsey, Coca-Cola and Google and one of the sharpest, most innovative minds in digital marketing, delivers a smart, irreverent manifesto sure to put the fear of God into most Chief Marketing Officers! Marketing for CEOs may be compact in length, but it's long on ideas and informed opinions about what works and doesn't work in today's digital marketing world.

Escaping from a disastrous space battle, Commissar Cain and Jurgen crash behind enemy lines. The only way out is to round up what few troops they can find, and fight their way back to the safety of the Imperial lines. Unfortunately, thousands of barbaric alien orks stand in their way. Original.
