This book brings new facts, evidences and records which show that poisoning to second prime minister of India, Lal Bahadur Shastri was happened in Tashkent. Mysterious death of Shastri was a state crime not only for India but also for USSR, Pakistan, US, UK and China especially who were directly or indirectly involved in. Tashkent Summit: They are silent assassins. We should know: How J.F Kennedy's assassination cleared the way for the death of Shastri. Everybody has read arrest of only one Kremlin chief Cook Ahmet Sattarov. This is half truth. There was the arrest of Ahmet and other members of his team who raised finger on the arrested Indian cook for poisoning. Who was that Indian cook? Was he an employee of Indian Embassy in Mascow ? Where he went to hide himself? More questions and answers are in this book. NOTE: Toxic politics: The secret history of Russian poison supply by ISI to contract killers (Supari Killers) Russian & Indian cook for poisoning Lal Bahadur Shastri in food at Taskent and now the same happened to Sunanda Puskar as claimed by Swamy.

Internal Security and Community Policing

How Good Policing Can Help Fight Insurgencies In Conflict-Ridden Societies. Globally, the role of local police has been receiving increased attention following conflicts in Iraq and Afghanistan. The criminalization of insurgent networks coupled with the growing nexus of warlords and drug lords and porous borders in many conflict areas have also bolstered the case for good policing. This book makes a case for the increased role of local/state police in counterinsurgency (COIN) operations by citing the successful implementation of this strategy in the state of Tripura led by the author himself. This makes Tripura the only state after Punjab and Andhra Pradesh where the police have taken full control of such operations. The work combines rigorous scholarship and research on general policing and COIN operations with incisive analysis of multiple insurgencies/terrorist movements in India.

1. Jharkhand Sahivalaya JGLLCE 222 provides the complete syllabus the exam 2. The Guide is divided into 6 Major sections. 3. Ample amount of MCQs for hand-to-hand revision of the topics 4. 3 practice sets are given for practice The Jharkhand Staff Selection Commission (JSSC) is a government body responsible for recruiting and selecting personnel for various posts in the government departments and ministries operating in the state of Jharkhand. TOC Current Affairs, General Studies, Computer Knowledge, General Science, Mathematics, Mental Ability, Knowledge Related to Jharkhand State, Practice Sets (1-3)

This book examines the procedural, cultural, and institutional framework of custodial interrogation in India. It explores theoretical and practical perspectives on custodial interrogation practices in India which have been in urgent need for reform and critiques the systemic failure on the part of the police in India to implement suspects' rights uniformly. This volume. — Analyzes the Indian framework of custodial interrogation to identify its fundamental flaws, and emphasises on the need for having a lawyer present during custodial interrogation. — Demonstrates significant evidence on state of suspects' rights in India through comparative law methodologies with a focus on common law scholarship and jurisprudence, more particularly England and Wales, and supplemented by vital empirical research through key interviews with related institutional parties. — Discusses emerging, seminal jurisprudence of the European Court of Human Rights on applications of the right to fair trial at the custodial interrogation stage, especially shedding light on modern applications of the right to legal assistance in England and Wales, and radical Strasbourg-inspired reforms in other European jurisdictions. — Highlights the right to legal assistance as one of the viable solutions to break the culture of police lawlessness at this critical stage of the criminal process. An invigorating study, this book is aimed at enriching data and hypothesis for academics, policy makers, civil society organizations, and students working in the area of law and legal studies, police and policing, citizenship, and political science.

India's 2014 Elections
Delhi Police Head Constable Exam 2020 Guide

Terrorism in Perspective

The present book focuses on various issues and threats pertaining to internal security, the various factors and non-state actors creating the threat, the initiatives by the police to strengthen internal security by involving community and how the community participation can strengthen those initiatives by enhancing the community policing measures. The study is focussed on Hyderabad. There are multiple manifestations of internal security which are both implicit and explicit. 'Communalism' has been identified as one of the principal threats to internal security with specific reference to Hyderabad. In this background it is highly desirable and required to strengthen 'community' to face any eventualities and encourage working and functional partnership with security and law enforcement agencies especially the police forces. Police or community alone cannot manage security concerns. In these globalized times strong partnership between community and police is mandatory. The book based on primary research tries to establish that community policing can be a significant factor in addressing the internal security threats.

Pratyogita Darpan

The civil rights of Indian citizens are guaranteed both in the Indian Constitution and through the State's international commitments. Despite these guarantees, the civil rights framework encounters numerous challenges from the State—problematic counter-terrorism laws, continuation of the death penalty, misuse of arrest and preventive detention powers, lack of implementation, and impunity. Through nine incisive essays on both traditional and emerging issues, this volume examines the prevailing imbalance between individual rights and State power. Many laws designed to protect the State do little more than protect State power at the expense of her citizens, directly flouting the Constitution, international law, and democratic principles. The authors critically analyse most of these laws, examining their justifications, background debates, and evolution, along with how they violate constitutional and international law. Taking into account relevant and contemporary comparative case law and developments in international law, this book makes a strong case for bold legal reforms and suggests various measures for improvement.

The Parliamentary Debates (Authorized Edition)

India is now governed by a strong Modi-led majority party. A peaceful transference of power in terms of parties and structure as a consequence of India's 16th national election highlights a notable degree of political maturity. The replacement of the Congress-led coalition after 10 years with a Bharatiya Janata Party clear majority is one obvious result of what can be considered a historic election. As a consequence of the 2014 elections, the emergence of a strong leader and a strong party coupled with continuing regionalism may provide a version of the state-nation system. It remains to be seen to what extent the new political structure coupled with India's diversity will shape society, politics and governance during the next five years. Rich in empirical and quantitative data, this volume, along with the four previous volumes, comprise the best set of national- and state-level studies for understanding India's politics in depth.

The Salient Features of the 6th edition of the book: 1. Comprehensive Sections on: Quantitative Aptitude, General Intelligence & Reasoning, English Comprehension and General Knowledge & Awareness; 2. Detailed theory along with solved examples and short-cuts to solve problems; 3. Exhaustive question bank at the end of each chapter in the form of Exercise. Solutions to the Exercise have been provided at the end of the chapter. 4. Solved Question paper of 2018, 2017 & 2016. 5. The book provides thoroughly updated General Awareness section with Current Affairs.

It facilitates a complete coverage of the theory followed by exercises graded into base level and expert level for self-evaluation. Each chapter covers the latest exam questions. Also, it carries more than 2500 objective questions as a whole to boost the preparation level. Written in an easy to read manner and incorporated with complete study material, it is an amazing book to climb the ladder of success in your forthcoming competitive exams. TOC Verbal Reasoning, Analytical Reasoning, Non-Verbal Reasoning

The Third Edition of Terrorism in Perspective, like its two successful predecessors, takes a broad-based approach that emphasizes the historical, cultural, political, religious, social, and economic factors that underlie an understanding of both global and domestic terrorism. This unique text-reader combines original essays with the best of the existing literature on terrorism. Each chapter of this text begins with an overview essay written by the authors, followed by two relevant and engaging articles culled from a wide variety of popular, academic, and governmental sources. This is the only major terrorism text to incorporate readings from top terrorism experts into a traditional textbook format, allowing readers to deepen their understanding of each aspect of terrorism.
