Delighting In The Trinity An Introduction To Christian Faith Michael Reeves

Everyone is being discipled. The question is: what is discipling us? The majority of Christians today are being discipled by popular media, flashy events, and folk theology because churches have neglected their responsibility to make disciples. But the church is not a secondary platform in the mission of God; it is the primary platform God uses to grow people into the image of Jesus.

Read Book *Delighting In The Trinity An Introduction To Christian Faith* Michael Reeves

Therefore, as church leaders, it is our primary responsibility to establish environments and relationships where people can be trained, grow, and be sent as disciples. There are three indispensable elements of discipleship: Learning to participate in the biblical story (the Bible) Growing in our confession of who God is and who we are (theology) Regularly participating in private and corporate intentional action (spiritual disciplines) Deep Discipleship equips churches to reclaim the responsibility of discipling people at any point on their journey.

The Trinity is foundational to Christian theology, with immense relevance for practical living. This

Reformers still have something to teach us? In this accessible primer, Michael Reeves and Tim Chester answer eleven key questions raised by the Reformers—questions that remain critically important for the church today. This book explores the living font of all love, the Holy Trinity. The author writes about a passionate and fruitful God whose creativity in loving brings all that is into existence. It examines the nature of Trinitarian relationships and the loving relationship of the Trinity with humankind and with all of creation. The book is

designed to be read by anybody who seeks a fresh contemporary understanding of this central Mystery of Christianity.

What if the Trinity we've been taught is not the Trinity of the Bible? In this groundbreaking book, Matthew Barrett reveals a shocking discovery: we have manipulated the Trinity, recreating the Father, Son, and Holy Spirit in our own image. With clarity and creativity, Barrett mines the Scriptures as well as the creeds and confessions of the faith to help you rediscover the beauty, simplicity, and majesty of our Triune God. You will be

Deep Discipleship

The Essential Trinity

Simply Trinity

The Deep Things of God

(Second Edition)

Thank You for My Service

The Triune God aims to secure our knowledge of the triune God by rightly ordering the theological language with which we praise

him. It reaches its conclusions about how the doctrine should be handled on the basis of the way the Trinity was revealed. As such, it is a study that offers dogmatic principles for Trinitarian exegesis. Half of the volume establishes the biblical exposition and draws the doctrinal implications from it, showing that Trinitarianism is a gift of revelation before it is an achievement of the church. Sanders interacts with major voices from the history of doctrine, and his arguments are indebted to and informed by the great tradition of Trinitarianism. But the fitting way to retrieve the insights of the church fathers is

not to pay more attention to them than to Scripture. The most patristic way to proceed toward a well-ordered doctrine of the Trinity is, after all, to study Scripture. The New Studies in Dogmatics series seeks to retrieve the riches of Christian doctrine for the sake of contemporary theological renewal. Following in the tradition of G. C. Berkouwer's Studies in Dogmatics, this series will provide thoughtful, concise, and readable treatments of major theological topics, expressing the biblical, creedal, and confessional shape of Christian doctrine for a contemporary evangelical audience. The editors and

Read Book *Delighting In The Trinity An Introduction To Christian Faith* Michael Reeves

contributors share a common conviction that the way forward in constructive systematic theology lies in building upon the foundations laid in the church's historic understanding of the Word of God as professed in its creeds, councils, and confessions, and by its most trusted teachers. Fear is one of the strongest human emotions, and it is one that often baffles Christians. "The fear of the Lord is the beginning of knowledge." —Proverbs 1:7 Fear is one of the strongest human emotions—and one that often baffles Christians. In the Bible the picture can seem equally confusing: Is fear a good thing or

a bad thing? And what does it mean to “fear the Lord”? In Rejoice and Tremble, Michael Reeves clears the clouds of confusion and shows that the fear of the Lord is not a negative thing at all, but an intensely delighted wondering at God, our Creator and Redeemer.

Burning pyres, nuns on the run, stirring courage, and comic relief: the Protestant Reformation is a gripping tale, packed with drama. But what motivated the Reformers? And what were they really like? The Unquenchable Flame, a lively, accessible, and fully informative introduction to the Reformation by Michael

Reeves, brings to life the movement's most colorful characters (Martin Luther, Ulrich Zwingli, John Calvin, The Puritans, etc.), examines their ideas, and shows the profound and personal relevance of Reformation thinking for today. Also included are a lengthy Reformation timeline, a map of key places in the Reformation, further reading suggestions, and, in this U.S. edition, a new foreword by 9 Marks Ministries president Mark Dever.

Grace is a dangerous topic. We want to domesticate it, calm it down, and stuff it into a blue blazer and a pair of khakis. But

biblical grace—or charis—doesn't like to settle down. Grace is a dangerous topic because the Bible is a dangerous book. Scandalous Grace flows from the author's half dozen years of teaching the Old Testament to college students. You might think that would produce a book about judgment – but he shows how every character, every event, every single page of the Old Testament bleeds grace. Rather than looking for heroes to emulate – readers discover a gracious God who loves to redeem the unredeemable.

The Triune God

A Book for Tired Christians

Seeking Rest

In this engaging book, Michael Reeves presents an introduction to Christianity that is rooted in the triune God. Drawing from church history down to the present, this resource, now available in the IVP Signature Collection, provides a rich, enjoyable portrait of basic Christian beliefs, opening up the life-changing truths of our faith.

Practical Theology for the Church

Today The Trinity is one of the most essential doctrines of the Christian faith, as it reveals a magnificent truth about

Read Book Delighting In The Trinity An Introduction To Christian Faith Michael Reeves

God—that he is one God eternally existing as three distinct persons. While Christians often struggle to find the right words to describe the union of Father, Son, and Spirit, the Bible gives clarity concerning the triune God ' s activity in nature (creation), grace (redemption), and glory (reward). In the second installment of the Short Studies in Systematic Theology series, theologian Scott Swain examines the Trinity, presenting its biblical foundations, systematic – theological structure, and practical relevance for the church today. 'Beginning with the current skepticism about God's very existence, Dr. McGrath starts off with some convincing apologetics. The book would be worth buying for this alone. But he does not rely on apologetics., He knows that the

Read Book Delighting In The Trinity An Introduction To Christian Faith Michael Reeves

only way to be sure about the living God is to encounter him: and this can happen to people who know almost nothing about him. 'Dr. McGrath then develops a number of models which help us to form some conception of God, leading into an important chapter on God as personal. . . There follows a shrewd chapter on the Incarnation, with some very straight talk to theologians who affect to dispense with the deity of Jesus: at the same time Dr. McGrath makes it clear that Jesus is not an exhaustive definition of God. The last four chapters are on the Trinity proper. They are skillfully put together, and avoid dangers such as Modalism on the one hand or Tritheism on the other. Dr. McGrath's fellow-theologians could learn a lot from this book, not least on how to

Read Book Delighting In The Trinity An Introduction To Christian Faith Michael Reeves

communicate. . . Ordinary Christians devoid of theological training (will find this book a marvelous guide.' -Michael Green

In a very accessible way Michael Reeves writes about God as Trinity in order for both our understanding and faith to grow. In *The Good God*, Michael Reeves writes about growing in our enjoyment of God and seeing how God's triune being makes all his ways beautiful. He sees it as a chance to taste and see that the Lord is good, to have our hearts won and ourselves refreshed.

construction of the triunity of God. All in all, a stimulating collection of essays for both positive and critical purposes." --Geoffrey Wainwright, Cushman Professor of Christian Theology, Duke University

The doctrine of the Trinity is taught and believed by all evangelicals, but rarely is it fully understood or celebrated. In *The Deep Things of God*, systematic theologian Fred Sanders shows why we ought to embrace the doctrine of the Trinity wholeheartedly as a central concern of evangelical theology. Sanders demonstrates, engagingly and accessibly, that the doctrine of the Trinity is grounded in the

Trinity An Introduction To
Christian Faith Michael Reeves

the person and work of Christ, and life in the Spirit into a simple framework of the Christian life. What does the Trinity have to do with missions? As it turns out . . . everything. Too often, we put theology in one part of the Christian life and missions in another—and they never meet. A doctrine like the Trinity belongs in the “intellectual” realm, while missions belongs with the “practical” parts of life. Or so we think. But is that really the way it should be? Michael Reeves wants you to understand that the doctrine of the Trinity has everything to do with the practice of missions. When a Christian sees the Father, Son, and Holy Spirit

Read Book Delighting In The
Trinity An Introduction To
Christian Faith Michael Reeves

as divine persons who are so full of love that it radiates and overflows into creation—and into the lives of human beings—our perspective on missions is radically changed. No longer is missions an obligation or a drudgery. Instead, realizing the abundance of love that goes forth from God, we who have received and delighted in such love are motivated to go forth as well. Let the radiance of God's triune beauty capture your heart. Then God's great mission won't be a chore, but will naturally overflow from your joyous delight in Him. examines the doctrine of the Trinity's biblical foundations and traces its historical development before engaging critical issues. This new edition addresses developments in Augustine studies, teaching on the Trinity and election in Barth studies, East-West relations, and evangelical disputes on the relation of the Son to the Father.

While many of us struggle to understand it, the Trinity is one of the most important teachings of the Christian faith. It defines God's very essence and describes how he relates to us. And while it can be a difficult concept to get our heads around, it is crucial for believers to understand how God explains his triune nature in his Word. In this book, James R. White offers a

Trinity An Introduction To
Christian Faith** Michael Reeves

concise, understandable explanation of what the Trinity is and why it matters. While refuting the distortions of God presented by various cults, Dr. White shows how understanding this teaching leads to renewed worship and a deeper understanding of what it means to be a Christian. And amid today's emphasis on the renewing work of the Holy Spirit, The Forgotten Trinity is a balanced look at all three persons of the Trinity. May this book deepen your understanding of this important doctrine while also drawing you closer to the triune God himself. The author of Desiring God reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Includes a study guide for individual and small-

The Trinity is a difficult concept, but it is a necessary one. It is not a problem.

This user-friendly guide by a noted biblical scholar explores three crucial questions that often pose difficulty for those seeking to understand the doctrine of the Trinity.

*How and when did Jesus and the Spirit come to be regarded as fully God? *The Birth of the Trinity* offers a new historical approach by exploring the way in which first- and second-century Christians read the Old Testament in order to differentiate the one God as multiple persons. The earliest Christians felt they could metaphorically overhear divine conversations between the Father, Son, and Spirit when reading the Old Testament. When these snatches of dialogue are connected and joined,*

Read Book *Delighting In The Trinity An Introduction To Christian Faith* Michael Reeves

they form a narrative about the unfolding interior divine life as understood by the nascent church. What emerges is not a static portrait of the triune God, but a developing story of divine persons enacting mutual esteem, voiced praise, collaborative strategy, and self-sacrificial love. The presence of divine dialogue in the New Testament and early Christian literature shows that, contrary to the claims of James Dunn and Bart Ehrman (among others), the earliest Christology was the highest Christology, as Jesus was identified as a divine person through Old Testament interpretation. The result is a Trinitarian biblical and early Christian theology.
