*Respiratory Muscle Training: theory and practice is the world's first book to provide an "everything-you-need-to-know" guide to respiratory muscle training (RMT). Authored by an internationally-acclaimed expert, it is an evidence-based resource, built upon current scientific knowledge, as well as experience at the cutting-edge of respiratory training in a wide range of settings. The aim of the book is to give readers: 1) an introduction to respiratory physiology and exercise physiology, as well as training theory; 2) an understanding of how disease affects the respiratory muscles and the mechanics of breathing; 3) an insight into the disease-specific, evidence-based benefits of RMT; 4) advice on the*

*application of RMT as a standalone treatment, and as part of a rehabilitation programme; and finally, 5) guidance on the application of functional training techniques to RMT. The book is divided into two parts – theory and practice. Part I provides readers with access to the theoretical building blocks that support practice. It explores the evidence base for RMT as well as the different methods of training respiratory muscles and their respective efficacy. Part II guides the reader through the practical implementation of the most widely validated form of RMT, namely inspiratory muscle resistance training. Finally, over 150 "Functional" RMT exercises are described, which incorporate a stability and/or postural challenge – and address specific*

An Inspiring and Heartwarming Story about an Amazing Best Friend

***This Swiss composer's conceptual and practical guide to the mind/body overlap in music and martial arts Over the past 20 years, Swiss musician and composer Nik Bärtsch (born 1971) has performed around the world and released a number of albums with ECM Records. During this time, Bärtsch also developed a number of practical techniques which not only offer useful tools to musicians and martial artists, but also support, focus and***

***simplify learning and creative processes in other fields of artistic activity as well as in daily life. Together with his wife, Andrea Pfisterer-Bärtsch, Bärtsch presents Listening, a guide to these techniques, based on the pair's longstanding experience as aikido practitioners, performers in live music, cultural entrepreneurs and teachers of music and physical techniques. Through essays and pictures, interviews, exercises and games, the***

***book conveys the couple's poetic understanding of body and mind and inspires readers' individual creativity and consciousness, regardless of their background.***
