

Demelza A Novel Of Cornwall 1788 1790 Poldark Book 2

Austria, 1944. Jakob, a gypsy boy–half Roma, half Yenish–runs for his life as he has been told to do. With shoes made of sack cloth–stained with another person’s blood–and a stone clutched in one hand, a small wooden box in the other, he runs blindly, full of fear and nearly drained of hope. He knows when to trust a stranger and when to be wary. He knows how to read the land and the sky–when to seek shelter, when not to. He has grown up following the wind and sticking to the shadows. They are familiar to him. It is the loneliness that is new. He has never, until now, been so alone. Weaving back and forth in time and place between WWII Austria, Switzerland, and 1920s England to tell the interlinked stories of Jakob, an 8-year-old gypsy boy, his father Yavy, and his English mother Lor, Jakob’s Colors is about the painful legacies passed down from one generation to another, finding hope when there is no hope and color where there is no color.

Ross Poldark is now a Member of Parliament, and divides his time and interests between London and Cornwall. The rivalry between Poldark and Warleggan continues, as do the differences between Ross and Demelza.

A tale of love and marriage, society balls and courtship, class and a touch of scandal, Pamela Mingle’s The Pursuit of Mary Bennet is a fresh take on one of the most beloved novels of all time, Jane Austen’s Pride and Prejudice. Growing up with four extraordinary sisters—beautiful and confident Jane and Elizabeth, and flirtatious and lighthearted Lydia and Kitty—wasn’t easy for an awkward bookworm like Mary Bennet. But with nearly all of her sisters married and gone from the household, the unrefined Mary has transformed into an attractive and eligible young woman in her own right. When another scandal involving Lydia and Wickham threatens the Bennet house, Mary and Kitty are packed off to visit Jane and her husband, Charles Bingley, where they meet the dashing Henry Walsh. Eager and naive, Mary is confused by Henry’s attentions, even as she finds herself drawing closer to him. Could this really be love—or the notions of a foolish girl unshooled in the art of romance and flirtation?

A lavishly illustrated companion to Winston Graham’s beloved Poldark novels, reissued to coincide with the BBC series based on the novels. Graham’s saga of Cornish life in the eighteenth century has enthralled readers throughout the world for seventy years and the wild landscapes that inspired the novels have - even today - remained relatively unchanged. Cornwall then was a perilous world of pirates and shipwrecks: of rugged coast and mysterious smugglers’ coves, of windswept moors and picturesque villages such as Boscastle and Port Quin, and of beaches, tin mines and churches. With an introduction by Winston Graham’s son, Andrew, and illustrated with stunning photographs, Poldark’s Cornwall is a glorious evocation of the land of beauty, excitement, romance and imagination that Graham loved so well.

From the critically acclaimed New York Times bestselling author Sharon Kay Penman comes the story of the reign of King Baldwin IV and the Kingdom of Jerusalem's defense against Saladin's famous army. The Kingdom of Jerusalem, also known as Outremer, is the land far beyond the sea. Baptized in blood when the men of the First Crusade captured Jerusalem from the Saracens in the early twelfth century, the kingdom defined an utterly new world, a land of blazing heat and a medley of cultures, a place where enemies were neighbors and neighbors became enemies. At the helm of this growing kingdom sits young Baldwin IV, an intelligent and courageous boy committed to the welfare and protection of his people. But despite Baldwin's dedication to his land, he is afflicted with leprosy at an early age and the threats against his power and his health nearly outweigh the risk of battle. As political deception scours the halls of the royal court, the Muslim army—led by the first sultan of Egypt and Syria, Saladin—is never far from the kingdom's doorstep, and there are only a handful Baldwin can trust, including the archbishop William of Tyre and Lord Balian d'Ibelin, a charismatic leader who has been one of the few able to maintain the peace. Filled with drama and battle, tragedy and romance, Sharon Kay Penman's latest novel brings a definitive period of history vividly alive with a tale of power and glory that will resonate with readers today.
