Power Farming

Nothing runs or reads like a John Deere finger puppet tractor book! This interactive farming story features a fun finger puppet tractor toy built into the book encouraging interactive play, hand-eye coordination, and language development in your little one. Babies and toddlers learn best when they are playing, especially when their grown-ups are in on the fun! A must for your little tractor enthusiast! Collect the entire series in the Finger Puppet Collection! Fun tractor puppet encourages interactive play between little ones and their grown-ups. Soft plush and a rhyming story combine to provide both tactile and verbal learning opportunities to babies and toddlers in their first years. Practice hand-eye coordination while enjoying together time. Great gift for the little John Deere fan in your life!

The Tractor and Its Effects on Farming in Minnesota

Farm Implements

Tractor Mac wakes up eager to start the day. Plow, plant, scoop, mow--there's always a new chore for him and his animal and vehicle friends to do at the farm. When the day is done, he washes up and goes to bed, excited to see what the next day will bring.

Farm Mechanics ...

A visit to a family farm with a special tractor brings back memories for a grandfather who shares them with his grandson. Grandpa Joe takes his grandson Timmy back to the site of his family's farm, where the old house and a ramshackle barn still stand. The visit stirs up memories for Grandpa Joe—in particular, the majesty of his own father's shiny red tractor, now rusting in the forgotten fields. An ideal gift, this picture book evokes nostalgia while demonstrating a special bond between a grandparent and grandchild.
