So much of the experience of everyday life, says Osho in this insightful guide, is shaped by religious and social conditioning — and we are not even aware of the fact. We are constantly being pulled away from the unique nature that is our birthright. In place of that original and unique self, a false self called the “ego” is constructed that eventually gains control of our creativity, our ideas about what it means to be successful, our relationships, and our very experience of who we are. At the same time, he argues, the collection of egos known as “society” shapes our political, educational, and religious institutions, which in turn combine to force the same old patterns onto new generations. In this book, Osho

shows how to discard these old patterns in favor of a new and nurturing trinity of watchfulness, awareness, and alertness. The bundled DVD lets readers directly experience the insights of this important modern mystic.

THE STORY: Growing up in an impoverished family in the Bronx, Moss Hart dreamed of being part of the glamorous world of the theatre. Forced to drop out of school at age thirteen, Hart's famous memoir *Act One* is a classic Hortatio Alger story that plots Hart's unlikely collaboration with the legendary playwright George S. Kaufman. Tony Award-winning writer and director James Lapine has adapted *Act One* for the stage, creating a funny, heartbreaking, and suspenseful play that celebrates the making of a playwright and his play *Once in a Lifetime*. **ACT ONE** offers great fun to a director to utilize over fifty roles, which can be played by a cast as few as twelve, and in a production that can be done as simply or elaborately as desired.

In this *Billionaires & Babies* novel by USA TODAY bestselling author Maureen

Child, one night leads to two babies! When Colton King ended his impetuous marriage to Penny Oaks after just twenty-four hours, it was out of sight, out of mind. But now, more than a year later, Colton discovers Penny's huge secret--actually two little secrets: a baby boy and a baby girl. Colton's only option is to lay claim to his twins. Incorporating both new and now-classic essays, this book sets the vocal works of Modest Musorgsky in a fully detailed cultural, political, and historical context, elevating the composer's image over other biographers. Among the book's many offerings are the most complete explanation of the revision of the opera "Boris Godunov", and a revisionary characterization of "Khovanshchina" as an aristocratic tragedy resulting from a pessimistic view of history. Includes 102 music examples.

According to airline tycoon Jackson King, business always triumphed over romance, and babies were best appreciated from afar. That was, until the beautiful stranger with whom he'd shared a mind-blowing tryst revealed he had fathered her baby daughter. If Casey Davis thought she could drop a bombshell like that and just disappear, she didn't know Jackson. For a King would never

deny his own flesh and blood. He was determined to have his daughter under his roof...even if it meant marrying a near stranger.

From New York Times and USA Today bestselling author J. Kenner comes a new story in her Stark series... I am Damien Stark. From the outside, I have a perfect life. A billionaire with a beautiful family. But if you could see inside my head, you'd know I'm as f-ed up as a person can be. Now more than ever. I'm driven, relentless, and successful, but all of that means nothing without my wife and daughters. They're my entire world, and I failed them. Now I can barely look at them without drowning in an abyss of self-recrimination. Only one thing keeps me sane—losing myself in my wife's silken caresses where I can pour all my pain into the one thing I know I can give her. Pleasure. But the threats against my family are real, and I won't let anything happen to them ever again. I'll do whatever it takes to keep them safe—pay any price, embrace any darkness. They are mine. I am Damien Stark. Do you want to see inside my head? Careful what you wish for.

A sexy new contemporary standalone romance by New York Times and USA Today Bestselling Author Katy Evans. You've seen the headlines: Womanizing billionaire player! Watch out! Stay away! We were just two strangers. Facing a forbidden attraction, a chemical connection. Neither of us expected or wanted it to amount to more. But I had never been drawn to a guy the way I was drawn to

this one: my brother's best friend, and CEO of the company where I interned. Even knowing I should stay away, I proved to be too human, after all. The chemistry was amazing. The laughs were incredible. I opened up to him in more ways than I'd opened up to anyone before. But sex was as far as I'd go. Just sex because he was too irresistible. Just sex because I wouldn't be falling for him. Just sex because I'd leave in three months, and I'd like for my brother not to kill me, and for nobody to find out he was my wicked little secret. He wasn't the One. He was just a womanizer. But for a time, he would be mine.
