in London just as the Revolutions of 1848 began to erupt, it was later recognized as one of the world's most influential political documents. It presents an analytical approach to the class struggle (historical and then-present) and the conflicts of

capitalism and the capitalist mode of production, rather than a prediction of communism's potential future forms.

"Manifesto of the Communist Party" summarizes Marx and Engels' theories concerning the nature of society and politics and

and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters

and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target.

Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a
