Ride with the tide! Deep beneath the waves, King Triton's powerful trident has passed through the magical barrier that surrounds the Isle of the Lost—keeping villains in and magic out. And when Mal's longtime rival Uma, daughter of Ursula, gets wind of this, she can't believe her luck. The tide has dragged in something good for a change, and Uma is determined to get her wicked hands on it. But first, she needs a pirate crew. A storm is brewing back in Auradon, and when Mal, Evie, Carlos, and Jay hear that the trident has been washed away, they realize they'll have to find it before anyone from the Isle does. Luckily, they seem to have a talent for locating missing magical objects. As Uma readies for the high seas alongside Harry, son of Captain Hook, Gil, son of Gaston, and the toughest rogues on the Isle of the Lost, the reformed villains of Auradon devise their own master plan. And with King Ben away on royal business, they won't have to play by all the rules. Using bad for good can't be totally evil, right? Every night, before Sylvia goes to sleep, she whispers a magic spell to the rhyme-elves. In the morning her Wonder Book is filled with beautiful pictures and poems of her adventures and the extraordinary stories she has heard. There is nothing Sylvia loves more than stories; so every day she asks her mother, the old woodsman and even her fairy friend Sister-in-the-Bushes to tell them to her. They weave magical stories of clever princesses, far-away kingdoms, courageous knights, kind children and graceful fairies. During the day, Sylvia also has her own adventures: planting a fairy tree, meeting St Nicholas and venturing into the deep woods. But as she comes closer to her special seventh birthday, there is one extraordinary adventure left. This enchanting collection of tales, charmingly told by Isabel Wyatt, takes us through the highlights of the year as Sylvia and her friends celebrate festivals and birthdays.

Mal, Evie, Carlos, and Jay may be the children of terrible villains, but they're fitting in amazingly well on Auradon. Well, at least most of them are. For Mal, the pressure to be royally perfect is too intense, so she returns to her rotten roots on the Isle of the Lost. But Mal soon finds that her archenemy, Uma, the daughter of Ursula, has taken her spot as self-proclaimed Princess of Evil. Even worse, Uma has a plan to destroy Auradon—and a gnarly gang of pirates to back her up! It's a classic battle between wicked and evil . . . and these kids are made for trouble.

There's no place like home. Especially if home is the infamous Isle of the Lost. Mal, Evie, Carlos, and Jay haven't

exactly turned their villainous noses up at the comforts of Auradon after spending their childhoods banished on the Isle. After all, meeting princes and starring on the Tourney team aren't nearly as terrible as Mal and her friends once thought they would be. But when they receive a mysterious invitation to return to the Isle, Mal, Evie, Carlos, and Jay can't help feeling comfortable in their old hood—and their old ways. Not everything is how they left it, though, and when they discover a dark mystery at the Isle's core, they'll have to combine all of their talents in order to save the kingdom.
