Brighter Child(R) Spanish for Grade 2 helps students master beginning foreign language skills. Practice is included for learning number words, neighborhood words, classroom words, and more. School success starts here! Workbooks in the popular Brighter Child(R) series are packed with plenty of fun activities that teach a variety of essential school skills. Students will find help for math, English and grammar, handwriting, and other important subject areas. Each book contains full-color practice pages, easy-to-follow instructions, and an answer key.

Finding material for your Spanish immersion can be a nightmare. We know how you feel, and we've addressed it! Spanish students regularly have to go through the toughest experiences to find proper reading material that isn't too tough for them -- as teachers: we know this. This is why we've created Spanish Short Stories for Beginners to ensure that young and old students at the Beginner level can have yet another chance to immerse themselves into fun and interactive stories designer for you, the student. Two read, entertaining and interesting stories await inside, along with the best tools to help you practice once you're done reading each tale. Our book will ensure you not only can read something that will expand your knowledge on Spanish but that you will understand and be able to pick it apart piece by piece in your quest for learning. How Spanish Short Stories For Beginners works: Each story will involve an important lesson of the tools in the Spanish language (Nouns, Pronouns, Future Tense, Going Shopping, and more) involving an interesting and entertaining story with realistic dialogues and day-to-day situations. The summaries follow a synopsis in Spanish and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions to provide you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any -- we will provide them immediately after, but no cheating! Do you think you can handle it? If the answer is yes, then you're definitely on your way to becoming a Spanish speaker, and we'll certainly make that dream come true! We recommend this book for Spanish learners at A2 level and above as it is designed for students with a basic understanding of Spanish. So look no further! Pick up your copy of Spanish Short Stories for Beginners and start learning Spanish right now!

Nail technology is an exciting and rewarding profession. Each year professional nail technicians perform more than \$6 billion worth of manicuring, pedicuring, and artificial nail services for millions of fashion-conscious clients. The business of nails has grown enormously over the past five years and will continue to grow. Thus, the need for educated and competent nail technicians is expanding in the same way. Milady's Standard: Nail Technology is the complete guide to basic nail technology that every professional nail technician needs. - Preface.

Fourth edition of the best-selling Cambridge English: Advanced (CAE) course, updated to prepare for the 2015 revised exam.

This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish rorindicative/subjective; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Answer key available for download from the "features" tab on the publisher's website: https://rowman.com/ISBN/9780761863755/Bilingual-Grammar-of-English-Spanish-Syntax-With-Exercises-and-a-Glossary-of-Grammatical-Terms-3rd-Edition

Features include: The "Arc of Bible History" to help you visualize the Bible's overarching themes The "Story of the Bible" summarizing Genesis through Revelation in just a few pages The core beliefs of the Christian faith, focusing on the teachings that have united Christians for the last 2,000 years 13-week plan that provides teacher's every creative and effective tool for teaching the Bible in 30 days Fan-favorite bonus content, previously removed, now restored from the original edition

Based on Bentley and Ziegler's best-selling, comprehensive survey text, Traditions & Encounters: A Brief Global History provides a streamlined account of the cultures and interactions that have shaped world history. An effective part structure organizes developments into seven eras of global history, putting events into perspective and creating a framework for cross-cultural comparisons, while the strong themes of traditions (the formations and development of the world's major societies) and encounters (cross-cultural interactions and exchanges) bring focus to the human experience and help turn the giant story of world history into something more manageable. With an engaging narrative, visual appeal, extended pedagogy, and a strong emphasis on critical thinking, this concise version offers enhanced flexibility and affordability without sacrificing the features that have made the complete text a favorite among instructors and students alike.
