Travels and observations of a missionary among the Indian of Canada at the end of the last century.

Collects All-New Ultimates #1-6.

Prithu had always wanted to live life on his own terms. Showing complete apathy for the high society to which he belonged, he went around with his motley group of friends whom his wife scorned as 'riff-raff'. But can Prithu really live like a powerful tiger? Set in the picturesque backdrop of the Kanha - Kisli forest reserve of Madhya Pradesh, Madhukari is a novel about Prithu Ghosh. Prithu had always wanted to live life on his own terms.

Showing complete apathy for the high society to which he belonged, he went around with his motley group of friends whom his wife scorned

Yeshua of Nazareth has two sisters: Damaris, married to a wealthy merchant's son, and Pheodora, married to a simple shepherd from Bethlehem. When Pheodora's husband suffers an unexpected reversal of fortune and is thrown into debtor's prison, she returns to Nazareth, where she pins her hopes on two she-goats who should give birth to spotless white kids that would be perfect for the upcoming Yom Kippur sacrifice. In the eighteen months between the kids' birth and the opportunity to sell them and redeem her husband from prison, Pheodora must call on her wits, her family, and her God in order to provide for her daughters and survive. But when every prayer and ritual she knows is about God's care for Israel, how can she trust that God will hear and help a lowly shepherd's wife?

Anisha is about to be married, but she is yet to get over her ex, Rashi. What happens when Rashi comes to stay over at Anisha's place for her wedding? Do sparks fly? Read the latest in the "Edge of Ecstasy" series from Chetna Khanna to know more.

The most ghost-filled mansion on Coney Island has been demolished-and unfortunately, every one of its spirits has decided that Harley's hacienda is the hot new hangout to haunt! It sure is convenient, then, that Zatanna is currently booked at Big Tony's cabaret show! It's up to Harley and Zatanna to convince all of those ghosts to move on to the next world but if you think Harley's got problems now, just wait until you see the ectoplasmic baggage these specters are packing!

José Alaniz explores the problematic publication history of komiks--an art form much-maligned as "bourgeois" mass diversion before, during, and after the collapse of the USSR--with an emphasis on the last twenty years. Using archival research, interviews with major artists and publishers, and close readings of several works, Komiks: Comic Art in Russia provides heretofore unavailable access to the country's rich--but unknown--comics heritage. The study examines the dizzying experimental comics of the late Czarist and early revolutionary era, caricature from the satirical journal Krokodil, and the postwar series Petia Ryzhik (the "Russian Tintin"). Detailed case studies include the Perestroika-era KOM studio, the first devoted to comics in the Soviet Union; post-Soviet comics in contemporary art; autobiography and the work of Nikolai Maslov; and women's comics by such artists as Lena Uzhinova, Namida, and Re-I. Alaniz examines such issues as anti-Americanism, censorship, the rise of consumerism, globalization (e.g., in Russian manga), the impact of the internet, and the hard-won establishment of a comics subculture in Russia Komiks have often borne the brunt of ideological change--thriving in summers of relative freedom, freezing in hard winters of official disdain. This volume covers the art form's origins in religious icon-making and book illustration, and later the immensely popular lubok or woodblock print. Alaniz reveals comics' vilification and marginalization under the Communists, the art form's economic struggles, and its eventual internet "migration" in the post-Soviet era. This book shows that Russian comics, and the people who made them, never had a "normal life."

Namrata has had a huge crush on Sanjay for some time. She borrows a dress from her cousin Shivangi, and on her advice, tells Sanjay a story meant to seduce him. Does Namrata succeed in her plan? Read the latest in the Edge of Ecstasy series from Chetna Khanna to know more.

Aditi’s Game

Namrata’s Thirst

Words in Deep Blue

Aditi is a voluptuous young woman in her early thirties, working as an Assistant Professor at an acclaimed university. Having had her heart broken once in her twenties, she enjoys playing games with much younger inexperienced men, most of them her college students. But as Aditi starts meeting and spending time with the much older Prof. Gupta, she discovers that her heart, though once broken, is not beyond repair. Will Aditi discover true love or will she go back to her old ways?

This tabloid-size masterpiece includes the story of Superman Land with Lex Luthor, Superboy stories, How to Draw Superman, Superman Family Portrait, and more! Special bonus! A giant poster Map of Krypton!

Reclaim Your Heart is not just a self-help book. It is a manual about the journey of the heart in and out of the ocean of this life. It is a book about how to keep your heart from sinking to the depths of that ocean, and what to do when it does. It is a book about redemption, about hope, about renewal. Every heart can heal, and each moment is created to bring us closer to that transformative return. Reclaim Your Heart is about finding that moment when everything stops and suddenly looks different. It is about finding your own awakening. And then returning to the better, truer, and freer version of yourself. Many of us live our lives, entrapped by the same repeated patterns of heartbreak and disappointment. Many of us have no idea why this happens. Reclaim Your Heart is about freeing the heart from this slavery. It is about the journey in an out of life's most deceptive traps. This book was written to awaken the heart and provide a new perspective on love, loss, happiness, and pain. Providing a manual of sorts, Reclaim Your Heart will teach readers how to live in this life without allowing life to own you. It is a manual of how to protect your most prized possession: the heart.

Reclaim Your Heart

Varsha and Sandeep are newlyweds and have been saving themselves for marriage. What happens when Varsha and Sandeep are left to their own devices in their marital bedroom? Give in to the magic of firsts with the latest in the "Edge of Ecstasy" series from Chetna Khanna.

On hard core pornographic cinema.

Dr. Hugo Strange will stop at nothing to bring and keep Batman, Catwoman, and Two-Face behind the walls of Arkham Asylum, which he has taken over an entire neighborhood of Gotham City to build.

Stella is a bored teen who's part of the first generation to grow up immersed in a world of virtual reality games. Her parents only allow her to play, bland all-ages titles, one of which is called "Crystal Fighters"--a very bubbly and positive world where you assume the role of a magical girl. Through a series of events, she discovers that other players in the game have created a secret magical girl fight club that adds a whole new world of thrills and challenges to her mundane world. Now that she's gotten her wish of finding peers like her and something exciting in her life, she also discovers a dark side to magical girls, and finds herself having to prove her worth in a series of tournaments where if she loses she can never come back.

Stories from Indian Wigwams and Northern Camp-fires

For almost half a century, the Miss India competition has been a prominent feature of Indian popular culture, influencing, over time, the conventional standard for female beauty. As India participates increasingly in a global economy, that standard is gradually being shaped by forces beyond the country's borders. Through the unexpected lens of the 2003 beauty pageant, Susan Dewey's Making Miss India Miss World examines what feminine beauty has come to mean in a country transformed by recent political, economic, and cultural developments.

With an introduction by Moebius. An elegant setting of women who were once men! Beautiful, irresistibly feminine and with their manly attributes still bulging between their thighs! Gorgeous highly stylish art by another great Italian, reveling in the depiction of these transsexuals falling in increasing heat for each other!

Introducing Game Theory

From its beginnings in Twilight fan-fiction to its record-breaking sales as an e-book and paperback, the story of the erotic romance novel Fifty Shades of Grey and its two sequels is both unusual and fascinating. Having sold over seventy million copies worldwide since 2011, E. L. James’s lurid series about a sexual ingénue and the powerful young entrepreneur who introduces her to BDSM sex has ingrained itself in our collective consciousness. But why have these particular novels—poorly written and formulaic as they are—become so popular, especially among women over thirty? In this concise, engaging book, Eva Illouz subjects the Fifty Shades cultural phenomenon to the serious scrutiny it has been begging for. After placing the trilogy in the context of best-seller publishing, she delves into its remarkable appeal, seeking to understand the intense reading pleasure it provides and how that resonates with the structure of relationships between men and women today. Fifty Shades, Illouz argues, is a gothic romance adapted to modern times in which sexuality is both a source of division between men and women and a site to orchestrate their reconciliation. As for the novels’ notorious depictions of bondage, discipline, and sadomasochism, Illouz shows that these are as much a cultural fantasy as a sexual one, serving as a guide to a happier romantic life. The Fifty Shades trilogy merges romantic fantasy with self-help guide—two of the most popular genres for female readers. Offering a provocative explanation for the success and popularity of the Fifty Shades of Grey novels, Hard-Core Romance is an insightful look at modern relationships and contemporary women’s literature.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work.As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. This cutting-edge handbook brings together an international roster of scholars to examine many facets of comics and graphic novels. Contributor essays provide authoritative, up-to-date overviewsof the major topics and questions within comic studies, offering readers a truly global approach to understanding the field. Essays examine: the history of the temporal, geographical, and formal development of comics, including topics like art comics, manga, comix, and the comics code; issues such as authorship, ethics, adaptation, and translating comics connections between comics and other artistic media (drawing, caricature, film) as well as the linkages between comics and other academic fields like linguistics and philosophy; new perspectives on comics genres, from funny animal comics to war comics to romance comics and beyond. The Routledge Companion to Comics expertly organizes representative work from a range of disciplines, including media and cultural studies, literature, philosophy, and linguistics. More than an introduction to the study of comics, this book will serve as a crucial reference for anyone interested in pursuing research in the area, guiding students, scholars, and comics fans alike.

“One of the loveliest, most exquisitely beautiful books I’ve read in a very long time. . . . I didn’t just read the pages, I lived in them.” –Jennifer Niven, New York Times bestselling author of All the Bright Places
A beautiful love story for fans of Jandy Nelson and Nicola Yoon: two teens find their way back to each other in a bookstore full of secrets and crushes, grief and hope—and letters hidden between the pages. Years ago, Rachel had a crush on Henry Jones. The day before she moved away, she tucked a love letter into his favorite book in his family’s bookshop. She waited. But Henry never came. Now Rachel has returned to the city—and to the bookshop—to work alongside the boy she’d rather not see, if at all possible, for the rest of her life. But Rachel needs the distraction. Her brother drowned months ago, and she can’t feel anything anymore. As Henry and Rachel work side by side—surrounded by books, watching love stories unfold, exchanging letters between the pages—they find hope in each other. Because life may be uncontrollable, even unbearable sometimes. But it’s possible that words, and love, and second chances are enough.

On her second night working the front desk of her family's dilapidated motel on the shores of the Florida panhandle, Delilah "Dee" Beckett and her sister Meg Beckett discover a dead body.And three things are strange about that: They knew him.Dee loved him. (Meg? Not so much.)They thought they killed him ten years ago.

Combining historical and ethnographic analysis, this book deals with the making of the heterosexual imagination from the beginning of the twentieth century to the present in the Indian context. This unique book uses methods from anthropology, cultural studies and history to explore the making of modern cultures of sexuality in India. It provides an analysis of the sexual and domestic politics of the period by focusing on the vast corpus of publications and journals on sexology from the 1920s to the 1940s, and links Indian activities with those in other parts of the world. The author analyzes material that has thus far been outside the purview of scholarly studies, namely, ‘footpath pornography’, magazines such as Sexology Mirror (in Hindi), women’s magazines dealing explicitly with sex and sexuality.

Smriti is young heiress to a large fortune, but she has always been unlucky in love, all her life. She is attracted to her father's friend, the much older and suave Sam Rodriguez, but doesn't believe she would ever act on her attraction. When events rapidly transpire to lock Sam and Smriti together in confinement and in each other's company, will Smriti finally act on her attraction? Will things get heated up between Smriti and Sam? Read the latest in the 'Edge of Ecstasy' series from Chetna Khanna to know more.

An exploration of the modalities, affective intensities, and disturbing qualities of online pornography. Digital production tools and online networks have dramatically increased the general visibility, accessibility, and diversity of pornography. Porn can be accessed for free, anonymously, and in a seemingly endless range of niches, styles, and formats. In Carnal Resonance, Susanna Paasonen moves beyond the usual debates over the legal, political, and moral aspects of pornography to address online porn in a media historical framework, investigating its modalities, its affect, and its visceral and disturbing qualities. Countering theorizations of pornography as emotionless, affectless, detached, and cold, Paasonen addresses experiences of porn largely through the notion of affect as gut reactions, intensities of experience, bodily sensations, resonances, and ambiguous feelings. She links these investigations to considerations of methodology (ways of theorizing and analyzing online porn and affect), questions of materiality (bodies, technologies, and inscriptions), and the evolution of online pornography. Paasonen dicusses the development of online porn, focusing on the figure of the porn consumer, and considers user-generated content and amateur porn. She maps out the modality of online porn as hyperbolic, excessive, stylized, and repetitive, arguing that literal readings of the genre misunderstand its dynamics and appeal. And she analyzes viral videos and extreme and shock pornogaphy, arguing for the centrality of disgust and shame in the affective dynamics of porn. Paasonen's analysis makes clear the crucial role of media technologies—digital production tools and networked communications in particular—in the forms that porn takes, the resonances it stirs, and the experiences it makes possible.

When should you adopt an aggressive business strategy? How do we make decisions when we don't have all the information? What makes international environmental cooperation possible? Game theory is the study of how we make a decision when the outcome of our moves depends on the decisions of someone else.

Economists Ivan and Tuvana Pastine explain why, in these situations, we sometimes cooperate, sometimes clash, and sometimes act in a way that seems completely random. Stylishly brought to life by award-winning cartoonist Tom Humberstone, Game Theory will help readers understand behaviour in everything from our social lives to business, global politics to evolutionary biology. It provides a thrilling new perspective on the world we live in.

The bestselling, prize-winning biography of a mathematical genius who suffered from schizophrenia, miraculously recovered, and then won a Nobel Prize.

In 1946, American judge Potter Stewart famously said, 'I can't define pornography, but I know it when I see it.' Over seventy years later, the reverberations of this sentence are still felt across the world. From proposed porn bans to religious morality to women's rights, the assumption is that porn has a single, knowable definition. But if one man's pornography is another woman's erotica is another man's pornography? And who gets to do the counting? In this alternative conversation around digital sexual expression in India, Richa Kaul Padte takes readers on an intimate tour of the sexy internet. From camgirls to fanfiction writers, homemade videos to consent violations, Cyber Sexy is an unflinching deep dive into the messy terrain of what it means to seek out pleasure online. The question of whether or not you are a porn reader. After all, you'll know it when you see it, right?

A series of misadventures outlines the trials and tribulations of being a single woman on the wrong side of twenty-five in India, as Aisha deals with her mother's presentation of candidates for an arranged marriage, falls in love with a New York investment banker, and is torn between tradition and her yearning to be a modern woman. Simultaneous. 60,000 first printing.

For everyone who loves watching Amanda Owen and her family on Our Yorkshire Farm, or enjoys reading her bestselling books, comes this delightful and uplifting collection of her monthly Dalesman columns. In Tales From the Farm by the Yorkshire Shepherdess Amanda takes readers on an evocative journey to Ravenseat, where she lives with husband Clive and their nine children, not to mention hardworking dogs and a formidable chicken called Linda. Covering events from 2019 through to early 2021, Amanda describes saving the life of a newborn calf on New Year's Eve and watching, mouth agape, as their livestock trailer was swept away by floodwater in March. Son Sidney braves the wrath of Linda and husband Clive crafts an unusual Valentine's Day gift. Eldest daughter Raven leaves home to find a sheepdog Taff and Tony the pony arrive at the farm. As Covid-19 sends the country into lockdown, Amanda feels more lucky than ever to live close to nature, finding happiness in the beauty of the Dales and the unchanging routines of the farming year. Illustrated with charming line-drawings throughout, this book is the perfect gift for fans of the Owen family and a chance to catch up on their lives.
