Collecting the finest work from Jordan's ten volumes, as well as dozens of "last poems" that were never published in Jordan's lifetime, these more than six hundred pages overflow with intimate lyricism, elegance, fury, meditative solos, and dazzling vernacular riffs. SUCKED IN Struggling vampire romance novelist Ashley Hawn was living her dream. By day she worked as a clerk at a local grocery store, and by night she immersed herself in the imaginary world of sexy vampires, shirtless men, and endless parties. Between work, her writing, and her best friends- Chloe and Jordan- life was good. She was even dating a mysterious and sexy man (or so

she thought) by the name of Isaac. Then in a flash, her whole world changed and she discovered herself turned. Quickly she finds that life as a vampire is less sexy shirtless men, endless parties, and is more running for her life as she tries to dodge the attacks of every mythological creature in the area. SUCKED AWAY Barely surviving the resurrection of the warlock Sedgrave, Ashley has healed in body, if not in mind. As she slowly tries to piece together her mind, sorting past from present and friend from foe, the time of her joining-a ritual designed to bind her to her seethe-comes upon her. Before the ritual can be completed in full, it is interrupted by a ragged pack of werewolves seeking

THAT SUCKED Ashley Hawn's vampire existence has been anything but calm. Turned for the sole purpose of raising a long-dead warlock from the grave, Ashley has spent her new life fighting against those who would use her. Now the warlock is back, and Ashley finds herself connected to him in every way possible. She must work alongside her friends to stop him from enslaving the entire human population. Meanwhile, the men in her life continue to show her romantic inclinations. As Ashley works to break the connection
