Do you wish to speak like a Turkish native? Are you interested in learning Turkish for a trip to Istanbul? If your answer to any of the previous questions was 'Yes', then this book is for you! Turkish isn't one of the most-spoken languages in the world, but it is certainly one of the most useful. Known as the "Bridge between Europe and Asia", you may find yourself visiting the wonderful nation of Turkey for business or pleasure, and you will need to know the language to succeed there! In this book, we have compiled OVER ONE HUNDRED conversational Turkish dialogues along with their translations into English, allowing new Turkish speakers to obtain the necessary tools to understand how to set a meeting, rent a car or tell a doctor that they don't feel well. If speaking the language fluently is your goal, this book is for you! How Conversational Turkish Dialogues works: - Each new chapter will have a fresh, new story between two people who wish to solve a common, day-to-day issue that you will surely encounter in real life. - A Turkish version of the conversation will take place first. Here, we will challenge your skills by allowing you to read the dialogue in its original tongue: you will learn how to read and pronounce each word like a native! - Accurate English translations follow each Turkish conversation, providing you with the opportunity to understand everything that has been said. - A helpful introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the most out of this learning material. We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your online and offline social circles! So, look no further! Pick up your copy of Conversational Turkish Dialogues and start learning Turkish right now!

The revised second edition of Basic Korean: A Grammar and Workbook is an accessible reference grammar and workbook in one volume. The text can be used in conjunction with any primary textbook, both as a practice book to reinforce learning and as a reference guide to the basics of Korean grammar. This book is comprised of 26 units covering key aspects of Korean grammar students would expect to encounter in their first year learning the language. Grammatical descriptions are followed by examples and exercises which allow students to reinforce and consolidate their learning. This new edition has been updated and enhanced to include more varied exercises and contemporary vocabulary and dialogues. Clearly presented and user-friendly, Basic Korean provides readers with the essential tools to express themselves in a wide variety of situations, making it an ideal reference grammar and practice resource for both beginners and students with some knowledge of the language.

David Crystal's classic English as a Global Language considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

The CEFR Companion volume broadens the scope of language education. It reflects academic and societal developments since the publication of the Common European Framework of Reference for Languages (CEFR) and updates the 2001 version. It owes much to the contributions of members of the language teaching profession across Europe and beyond. This volume contains

the key aspects of the CEFR for teaching and learning; ? a complete set of updated CEFR descriptors that replaces the 2001 set with: - modality-inclusive and gender-neutral descriptors for listening and reading; - a new Pre-A1 level, plus enriched description at A1 and C levels; - a replacement scale for phonological competence; - new scales for mediation, online interaction and plurilingual/pluricultural competence; - new scales for sign language competence; ? a short report on the four-year development, validation and consultation processes. The CEFR Companion Volume represents another step in a process of engagement with language education that has been pursued by the Council of Europe since 1971 and which seeks to: ? promote and support the teaching of modern languages; ? enhance intercultural dialogue, and thus mutual understanding, social cohesion and democracy; ? protect linguistic and cultural diversity in Europe; and ? ensure the right to quality education for all.
