

Did I Mention I Won The Lottery A Feel Good Story About Shopping And Second Chances

Special Anniversary Bonus Chapter To celebrate DIMILY’s 8th anniversary, Estelle Maskame has written an exclusive future-take, catching up with Eden and Tyler 10 years after we last saw them at the end of the DIMILY series. Did I Mention it’s 10 Years Later? gives us a highly anticipated glimpse into Tyler and Eden's future. It answers the questions all DIMILY fans have been asking: where are they now? are they still together? have their dreams come true? This special anniversary chapter is a celebration treat, a huge thank you from Estelle to all her dedicated readers!

Quand Eden rentre à Santa Monica pour les vacances d’été, tout le monde la regarde de travers. Chez elle, la situation est compliquée, son père et Jamie lui en veulent terriblement d’avoir semé la zizanie dans la famille. Rien ne va plus quand Tyler débarque sans prévenir et qu’Ella leur impose à tous un week end à Sacramento pour mettre les choses à plat. Malgré leur rupture et son départ précipité l’été dernier, Tyler cacherait-il quelque chose ? Ont-ils vraiment tous les deux tourné la page comme ils le prétendent ? Dans Did I Mention I Miss You ?, le final explosif de DIMILY, Tyler et Eden pourront-ils enfin recoller les morceaux ?

He makes the rules. She breaks them all. A new start. It’s the only thing keeping Allie Harper going, when she packs up her life and moves across the country to Woodshill, Oregon. She’s about to start college, desperate to leave the ghosts of her past behind her. Even if that means never talking to her parents again. Now the hard part - finding an apartment before classes start. Just when it seems she’ll have to live out of her car, Allie visits one more place. It’s beautiful. With one exception: can she stream being roommates with campus bad boy Kaden White? Sure, Kaden is sexy with his tattoos and careless attitude, but he’s also an arrogant jerk. With nowhere else to go, Allie moves in. The first thing Kaden does is make a set of rules. Either Allie obeys, or she’s out: 1. Don't talk about your girl problems. 2. Keep your mouth shut if I bring someone home. 3. We will NEVER hook up. Easy enough, thinks Allie. Who would want to get involved with a brute like Kaden? But the more she gets to know him, the more she sees beyond his gruff facade. He, too, is harboring some painful secrets. For Kaden and Allie, it gets harder and harder to ignore the sparks between them. And the lines between the rules start to blur ... Begin Again is a beautiful romance that shows us just how possible it is to start over. To find freedom in heartbreak and love in the most unlikely places. About the author: Mona Kasten was born in Germany in 1992. Before devoting herself to writing, she studied Library and Information Science. She lives with her husband, cats, and countless books in northern Germany. She loves all forms of caffeine and taking long walks in the woods. Her favorite days are the ones when she can block out the world and just write. Mona loves to interact with her readers on Twitter @MonaKasten. Her website (in German) is www.monakasten.de

Love is everything but expected. Eden Monro came to California for a summer of sun, sand and celebrities what better way to forget about the drama back home? Until she meets her new family of strangers: a dad she hasn’t seen in three years, a stepmonster and three stepbrothers. Eden gets her own room in her dad's fancy house in Santa Monica. A room right next door to her oldest stepbrother, Tyler Bruce. Whom she cannot stand. He’s got angry green eyes and ego bigger than a Beverly Hills mansion. She’s never felt such intense dislike for someone. But the two are constantly thrown together as his group of friends pull her into their world of rule-breaking, partying and pier-hanging. And the more she tries to understand what makes Tyler burn hotter than the California sun, the more Eden finds herself falling for the one person she shouldn’t... A brand new book from the internationally bestselling author of Did I Mention I Love You The higher the stakes, the greater the fall. MacKenzie Rivers knows the kind of impact death can have on those it leaves behind. She’s felt that grief firsthand. So when Jaden, her crush and almost-boyfriend, loses his parents in a car accident, MacKenzie steps back. It might not be the right thing to do, but with an alcoholic mother and a father who deals with their family problems by not dealing at all, self-preservation is her only option. Then the pair meet by chance one night, reunited for the first time in months. Before MacKenzie can throw up her walls again, old feelings resurface and new memories are made. MacKenzie has missed Jaden more than anything. But can she dare to fall for the one person she’s so afraid of growing close to? Praise for Did I Mention I Love You: “A solid romance with a tantalizing helping of forbidden love.” —Booklist on Did I Mention I Love You?

From actor and avid traveler Mena Massoud comes a collection of diverse, delicious, and accessible vegan recipes inspired from dishes all over the world, perfect for the aspiring vegan! It’s safe to say that veganism is no longer just a trend. Lifelong vegans, part-time vegans, and the vegan curious are a diverse and eclectic group of people from all walks of life and backgrounds, and yet, there’s very little out there in mainstream media that reflects this new reality. The Evolving Vegan cookbook celebrates both flavors and stories from a wide array of plant-based eateries all across North America, proving that a plant-friendly diet is truly accessible to all! Some of the recipes you will learn to make include: -Sausage Shakshuka in a Skillet from the restaurant Chickpea in Vancouver -Young Coconut Ceviche from the restaurant Rosalinda in Toronto -BBQ Pulled “Pork” Jackfruit Sandwiches from the Butcher’s Son in Oakland, CA -Indian Tofu Curry from The Sudra in Portland, OR -Boston Cream Pie-Cake from Veggie Galaxy in Cambridge, MA -Plus authentic Egyptian dishes from Mena’s mother, and many from Mena’s own SoCal home kitchen Come travel with Mena to meet Cyrus Ichiza from Ichiza Kitchen in Portland, whose Taiwanese mother inspired him to share his Southeast Asian roots through authentically flavorful vegan dishes. Get a behind-the-scenes peek at the secrets of San Francisco’s Peña Pachamama, a Bolivian plant-based restaurant that serves national dishes like pique macho and aji de diedo. Containing recipes from many different countries and cultures, and including helpful tips for lifelong vegans or flexitarians looking to expand their repertoire of vegan dishes, Evolving Vegan takes you on a food-based road trip to explore the vibrancy of veganism across North America.

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

BOOK 3 IN THE SENSATIONAL DIMILY SERIES A year has passed since Eden last spoke to Tyler. She remains furious at him for his abrupt departure last summer but has done her best to move on with her life at college in Chicago. As school breaks up for the summer, she’s heading back to Santa Monica, but she’s not the only one who decides to come home... Having been left behind to deal with the aftermath of their bombshell revelation and a family torn apart, Eden has no time for Tyler when he reappears. But where has Tyler been? And is she as over him as she likes to think? Or can Tyler and Eden finally work things out, despite their family and against all the odds? The explosive finale to Estelle Maskame's international bestselling DIMILY trilogy, and the highly anticipated conclusion to Eden and Tyler's addictive love story. PRAISE FOR THE DIMILY TRILOGY It's a safe bet the films will be out by 2017. One Woman’s Riding MIS-Adventures

The Song of Achilles

Rebecca Miles has won the lottery and is now living a millionaire lifestyle. The only problem is - she hasn't told her husband. So at weekends she's a dutiful wife in Darlington, working at the local deli and making shepherd's pie for dinner, but during the week she's living in her new mansion in Leeds spending her days shopping whilst her husband thinks she's looking after her sick mother. Will she get the courage to tell him before he finds out for himself? And can several million pounds in your bank account save a failing marriage?

Eden, 16 ans, va passer l’été dans la famille recomposée de son père, à Santa Monica, en Californie. Ce dernier a refait sa vie... Ce qui veut dire trois nouveaux demi-frères pour Eden. Le plus âgé, Tyler, est un vrai bad-boy : séducteur, égocentrique, violent... Fascinée, elle ne peut s’empêcher de succomber au charme de la seule personne qui lui est défendue : son demi-frère.

Upon their father’s return, the five Dunbar boys, who have raised themselves since their mother’s death, begin to learn family secrets, including that of fourth brother Clay, who will build a bridge for complex reasons, including his own redemption.

The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! Have you shared it with a child or grandchild in your life? For the first time, Eric Carle’s The Very Hungry Caterpillar is now available in e-book format, perfect for storytime anywhere. As an added bonus, it includes read-aloud audio of Eric Carle reading his classic story. This fine audio production pairs perfectly with the classic story, and it makes for a fantastic new way to encounter this famous, famished caterpillar.

Did I Mention I Won The Lottery?A Feel Good Story about Shopping and Second Chances!

Did I Mention I Love You is the first book in the phenomenal DIMILY trilogy, following the lives of Eden Munro and Tyler Bruce as they try to find their way in an increasingly confusing world. When sixteen-year-old Eden Munro agrees to spend the summer with her estranged father in the beachfront city of Santa Monica, California, she has no idea what she's letting herself in for. Eden's parents are divorced and have gone their separate ways, and now her father has a brand new family. For Eden, this means she's about to meet three new step-brothers. The eldest of the three is Tyler Bruce, a troubled teenager with a short temper and a huge ego: Eden's complete polar opposite. Eden quickly finds herself thrust into a world full of new experiences as Tyler's group of friends take her under their wing. But one thing she can't understand is Tyler, and the more she tries to figure him out, the more she finds herself falling for the one person she shouldn't - her stepbrother. How can Eden keep her feelings under control? And can she ever work out the truth about Tyler? PRAISE FOR THE DIMILY TRILOGY It's a safe bet the films will be out by 2017. Anniversary Bonus Chapter

Just Don't Mention It

Allie and Kaden's Story

Round Robin

A Feel Good Story about Shopping and Second Chances!

Vanessa Murphy doesn’t do relationships. With a father who doesn't notice her, it's easy for her to sneak around with her latest fling, Harrison Boyd. But when an explicit video of Vanessa hooking up with Harrison is leaked the morning after she ends things with him, her life is thrown into chaos. And Vanessa wants payback. Enter Kai. With his own vendetta against Harrison, Kai proposes revenge, and the two pair up to ruin Harrison Boyd's life. At first, they are nothing more than an illicit partnership. Teammates working towards the same mission. But – between late-night stakeouts and crime committing – Vanessa is drawn into Kai's life. And, as the two grow closer, she finds herself letting Kai into hers.

The Scorched Souls Saga, Books 1-4, Firetrap, Firefight, Firestorm, and Fireworks all in one volume. "If the Scorched Souls Saga was a cocktail, it would be one part Overboard, the 1987 movie classic, starring Kurt Russell and Goldie Hawn, mixed well with the FX hit TV series, Sons of Anarchy, with a twist of 50 Shades." Olympia Olsen I don't know who I am. I don't know where I am. What I do know: I don't trust Boone Richards, my supposed husband. It doesn't matter how damn sexy he is; I refuse to give in to his demands. How could I marry someone like him? A biker who acts like a caveman on steroids and calls me his "old lady." What the-? Our kids, this life, this MC...it's all wrong. I don't belong.

The problem is, I can't remember anything. If this really is my life, it's no wonder I want to forget. Did I mention someone is trying to kill me, and Boone is the one person standing between me and a fiery death? Boone Richards What started out as a way to get even has turned into so much more. I want to touch her. Taste her. Own her. I want to make Olympia mine. If I do, and she remembers, things are gonna go from bad to worse. The club is my life, my brothers are my family. I can't afford to be sidetracked by a woman, but it's hard not be distracted with her looking like that, talking like that, and shaking her sweet ass like that. What I do know: taking Olympia has changed everything, including me.

Protecting her from a murdering arsonist has become my obsession. I'll destroy anyone who tries to hurt her. Please be advised: The entire Scorched Souls Series is for readers 18 and older due to sexual content, violence, language, and dark subject matters. You have been warned. There are BDSM elements in all four books.

A First Nations former hockey star looks back on his life as he undergoes treatment for alcoholism in this novel from the author of Dream Wheels. Saul Indian Horse is a child when his family retreats into the woods. Among the lakes and the cedars, they attempt to reconnect with half-forgotten traditions and hide from the authorities who have been kidnapping Ojibway youth. But when winter approaches, Saul loses everything: his brother, his parents, his beloved grandmother—and then his home itself. Alone in the world and placed in a horrific boarding school, Saul is surrounded by violence and cruelty. At the urging of a priest, he finds a tentative salvation in hockey. Rising at dawn to practice alone, Saul proves determined and undeniably gifted. His intuition and vision are unmatched. His speed is remarkable. Together they open doors for him: away from the school, into an all-Ojibway amateur circuit, and finally within grasp of a professional career. Yet as Saul’s victories mount, so do the indignities and the taunts, the racism and the hatred—the harshness of a world that will never welcome him, tied inexorably to the sport he loves. Spare and compact yet undeniably rich, Indian Horse is at once a heartbreaking account of a dark chapter in our history and a moving coming-of-age story. “Shocking and alien, valuable and true... A master of empathy.”—Jane Smiley, Pulitzer Prize-winning author of Golden Age “A severe yet beautiful novel.... Indian Horse finds the granite solidity of Wagamese’s prose polished to a lustrous sheen; brisk, brief, sharp chapters propel the reader forward.”—Donna Bailey Nurse, National Post (Toronto)

Are you totally obsessed with horses? Or want to be? This book takes you deep into one rider's life behind the glamorous scenes of the televised equine world into the dirt, grit, grime and fun of endurance and competitive trail riding. It's a fresh look at the thrill of being part of a sport that is rarely heard of and never televised. The spunk and tenacity of the riders and their horses sparks a thrill in any reader, begging them to go out and buy a horse, a beat up saddle and get started on their own thrilling adventure. This book, part one in a series, encompasses the riding years of 2005 and 2006. Quickly addictive, a warning label should be attached to the outside binder letting the readers know that they should beware of the humor, fun and giggles contained inside. If you have no interest in rolling on the floor in gut busting laughter, you should not engage in reading this book.

The haunting true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. The haunting true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. Introduction by Gillian Flynn • Afterword by Patton Oswalt “A brilliant genre-buster.... Propulsive, can’t-stop-now reading.” —Stephen King For more than ten years, a mysterious and violent predator committed fifty sexual assaults in Northern California before moving south, where he perpetrated ten sadistic murders. Then he disappeared, eluding capture by multiple police forces and some of the best detectives in the area. Three decades later, Michelle McNamara, a true crime journalist who created the popular website TrueCrimeDiary.com, was determined to find the violent psychopath she called “the Golden State Killer.” Michelle pored over police reports, interviewed victims, and embedded herself in the online communities that were as obsessed with the case as she was. I’ll Be Gone in the Dark—the masterpiece McNamara was writing at the time of her sudden death—offers an atmospheric snapshot of a moment in American history and a chilling account of a criminal mastermind and the wreckage he left behind. It is also a portrait of a woman’s obsession and her unflagging pursuit of the truth. Utterly original and compelling, it has been hailed as a modern true crime classic—one which fulfilled Michelle’s dream: helping unmask the Golden State Killer.

From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Fahrenheit 451

The Complete Saga

Did I Forget to Mention

Workshop Summary

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work

Dare to Fall

Can love heal all wounds? At seventeen, Tyler Bruce is hot — a hot mess. His girlfriend is a knockout, his reputation's untouchable, parties are nothing without him. Even his car is unreal. But inside Tyler is broken — and he'll stop at nothing to keep that a secret. Then one summer Eden comes to stay. She's upfront, sharp and far more enticing than a stepsister should be. She also sees straight through Tyler's bad boy façade to the vulnerable kid within. The quiet kid who took all the punches. As Eden draws Tyler in, his defenses start to crumble around him. In his past, vulnerability only brought him danger. But now, it might just bring him everything he needs...if it doesn't break him. As irresistible and dazzling as its Californian backdrop, Just Don't Mention It is a companion novel to the Did I Mention I Miss You trilogy that explores Tyler's story — his heart-stopping tale of past hurt, finding hope and figuring out who the hell he wants to be.

It's the story "They" don't want you to read. Though, to be fair, "They" are probably right about this one. To quote the Bible, "Learning the truth can be like loosening a necktie, only to realize it was the only thing keeping your head attached." No, don't put the book back on the shelf -- it is now your duty to purchase it to prevent others from reading it. Yes, it works with e-books, too, I don't have time to explain how. While investigating a fairly straightforward case of a shape-shifting interdimensional child predator, Dave, John and Amy realized there might actually be something weird going on. Together, they navigate a diabolically convoluted maze of illusions, lies, and their own incompetence in an attempt to uncover a terrible truth they -- like you -- would be better off not knowing. Your first impulse will be to think that a story this gruesome -- and, to be frank, stupid -- cannot possibly be true. That is precisely the reaction "They" are hoping for. John Dies at the End's "smart take on fear manages to tap into readers' existential dread on one page, then have them laughing the next" (Publishers Weekly) and This Book is Full of Spiders was "unlike any other book of the genre" (Washington Post). Now, New York Times bestselling author David Wong is back with What the Hell Did I Just Read, the third installment of this black-humored thriller series.

A year in the true life adventures of a Cleveland area, traveling soccer family, criss-crossing the country making new friends, navigating the highs, lows, triumphs and pitfalls of youth soccer in town and learning the value of family along the way. With four kids in tow, the Taylor family navigate the super competitive world of youth soccer, new additions to the family, life changing events while experiencing the true meaning of family, sacrifice and dedication to sport.

One last chance for love. It's been a year since Eden last spoke to Tyler. She remains furious with him for his abrupt departure last summer but has done her best to move on with her life at college in Chicago — and she's finally over Tyler...right? As school breaks up for the summer, she's heading back to Santa Monica, but she's not the only one who decides to come home... Despite their breakup, Tyler's determined to rekindle what they once had.

Having been left behind to deal with the aftermath of their bombshell revelation and a family torn apart, Eden's not sure she can forgive him. Now she must search her heart and decide if Tyler is worth the risk once and for all. Did I Mention I Miss You? is the explosive finale to Wattpad senstation Estelle Maskame's DIMILY trilogy: three unforgettable summers of secrets, heartbreak, and forbidden romance.

Did I Mention I Miss You?

A Novel

Did I Mention I Miss You ?

The Role of Telehealth in an Evolving Health Care Environment

Meet Mila

The Very Hungry Caterpillar

Two years ago Rebecca Miles won the lottery and ended her marriage to her overbearing and unpleasant husband Daniel. She had every intention of putting the past behind her and starting again, but it turned out to be so much more difficult than she had imagined. Then Daniel announces he is getting married again and as Rebecca broods over how he has found it so easy to move on her daughter phones with good news - she's getting married too! Determined not to be left behind Rebecca throws caution to the wind and finally meets someone who can give her the new start she so desperately wants. Now her ex-husband is back in her life, the future Mrs Miles wants to be her best friend, she has her daughter's wedding to plan and a ramshackle old wedding venue to renovate to its former perfection in just a few months. There are challenges, surprises, love and heartbreak ahead but at the end of a long, hot summer, will there be any weddings? ' a very enjoyable captivating romance which keeps you wondering what will happen next' MoMoBook Diary I adored Did I Mention I Won the Lottery? and was thrilled when I saw there was a sequel. Did I Mention I Was Getting Married? is every bit and good. Funny, intelligent, covering all the emotions and with the absolutely perfect ending -Tina J Sequel to ' Did I mention I won the lottery?' & it's just as good. I want to read more from This author as it took me another place. Thank you' Christine Davies 'This is the third book I've read by this author and they are all as fantastic as each other.' Sarah Devine Amusing, insightful, memorable. A delightful follow up to 'Did I Mention I Won the Lottery?' Netnoggin

The electrifying sequel to Becoming Mila... following Blake and Mila through the heat-filled days of a tempestuous summer. What the hell just happened?! One cheating dad, one furious mom, and Mila stuck in the middle. Enter chaos. Hit by an onslaught of revelations, Mila's life is turned upside down. And when her A-list parents jet in from LA, they bring nothing but conflict, leaving Mila feeling betrayed and her Tennessee fun at a standstill. But Blake is still there - with his easy smile, comforting touch and his guitar - and Mila turns to him more and more. Things are heating up between them and the pressure is becoming intense. As the drama unfolds between their families and life starts to unravel, can Mila and Blake keep it together as summer draws to a close?

"How to Win Friends and Influence People" is one of the first best-selling self-help books ever published. Born into poverty on a farm in Missouri, he was the author of How to Win Friends and Influence People (1936), a massive bestseller that remains popular today._x000D_

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Did I Mention I Love You?

In 1996, the Institute of Medicine (IOM) released its report Telemedicine: A Guide to Assessing Telecommunications for Health Care. In that report, the IOM Committee on Evaluating Clinical Applications of Telemedicine found telemedicine is similar in most respects to other technologies for which better evidence of effectiveness is also being demanded. Telemedicine, however, has some special characteristics-shared with information technologies generally-that warrant particular notice from evaluators and decision makers. Since that time, attention to telehealth has continued to grow in both the public and private sectors. Peer-reviewed journals and professional societies are devoted to telehealth, the federal government provides grant funding to promote the use of telehealth, and the private technology industry continues to develop new applications for telehealth. However, barriers remain to the use of telehealth modalities, including issues related to reimbursement, licensure, workforce, and costs. Also, some areas of telehealth have developed a stronger evidence base than others. The Health Resources and Service Administration (HRSA) sponsored the IOM in holding a workshop in Washington, DC, on August 8-9 2012, to examine how the use of telehealth technology can fit into the U.S. health care system. HRSA asked the IOM to focus on the potential for telehealth to serve geographically isolated individuals and extend the reach of scarce resources while also emphasizing the quality and value in the delivery of health care services. This workshop summary discusses the evolution of telehealth since 1996, including the increasing role of the private sector, policies that have promoted or delayed the use of telehealth, and consumer acceptance of telehealth. The Role of Telehealth in an Evolving Health Care Environment: Workshop Summary discusses the current evidence base for telehealth, including available data and gaps in data; discuss how technological developments, including mobile telehealth, electronic intensive care units, remote monitoring, social networking, and wearable devices, in conjunction with the push for electronic health records, is changing the delivery of health care in rural and urban environments. This report also summarizes actions that the U.S. Department of Health and Human Services (HHS) can undertake to further the use of telehealth to improve health care outcomes while controlling costs in the current health care environment.

Meet Mila. Sixteen years old, an ordinary LA girl . . . except for her A-list actor dad. With his next big movie premiere on the horizon, the media spotlight is intense - and when Mila's antics make headlines, something must be done. Exit Mila. Dispatched to small-town Tennessee to cool off. It's summer, she's off-grid in the middle of nowhere, but Mila's no sooner arrived than she falls out - in spectacular style - with local mayor's son, Blake. Blake knows just how to rattle Mila. He also knows just how she feels. He gets the drama, the dynamics, the tricky parents. Perhaps they have far more in common than either of them cares to admit. Set in Los Angeles and Nashville over a long hot summer, Becoming Mila shimmers with friendship, family frictions and romance. It's the first book in an exhilarating new trilogy from Estelle Maskame.

***SHORTLISTED FOR THE ORANGE PRIZE FOR FICTION 2012* Greece in the age of heroes. Patroclus, an awkward young prince, has been exiled to the court of King Peleus and his perfect son Achilles. Despite their differences, Achilles befriends the shamed prince, and as they grow into young men skilled in the arts of war and medicine, their bond blossoms into something deeper - despite the displeasure of Achilles’s mother Thetis, a cruel sea goddess. But when word comes that Helen of Sparta has been kidnapped, Achilles must go to war in distant Troy and fulfill his destiny. Torn between love and fear for his friend, Patroclus goes with him, little knowing that the years that follow will test everything they hold dear.**

When Rebecca Miles wins the lottery she doesn't tell anyone - not even her husband. So at the weekend she's a dutiful wife in Darlington, working at the local deli and making shepherd's pie for dinner, but during the week she's living in her new mansion in Leeds spending her days shopping whilst her husband thinks she's looking after her sick mother. Will she get the courage to tell him before he finds out for himself? And can several million pounds in your bank account save a failing marriage?

A Romantic Comedy about Weddings, New Starts and Taking a Chance on Love!

Begin Again

Love has no rules. It’s been a year since Eden Munro last saw Tyler Bruce: her stepbrother...and secret love. Although they swore to ignore their feelings and put their family first, Eden can’t help but feel excited when Tyler invites her to join him in New York City for the summer. But it’s not like anything is going to happen. Eden is happy with her boyfriend Dean, and she knows gorgeous, green long, hot summer in the city that never sleeps, it becomes obvious that those old feelings are still there...simmering beneath the surface. Will Tyler and Eden be able to resist temptation? Did I Mention I Need You? is book two in Wattpad sensation Estelle Maskame’s DIMILY trilogy: three unforgettable summers of secrets, heartbreak and forbidden romance. The DIMILY Trilogy: Did I Mention I Love You? (Book 3)

Now a Major Motion Picture from Director Sarah Polley, starring Rooney Mara, Claire Foy, and Jessie Buckley, with Ben Wishaw and Frances McDormand. INTERNATIONAL BESTSELLER “This amazing, sad, shocking, but touching novel, based on a real-life event, could be right out of The Handmaid’s Tale.” -Margaret Atwood, on Twitter “Scorching. . . . a wry, freewheeling novel of ideas that touches collective responsibility, cultural determinism, and, above all, forgiveness.” -New York Times Book Review, Editors’ Choice One evening, eight Mennonite women climb into a hay loft to conduct a secret meeting. For the past two years, each of these women, and more than a hundred other girls in their colony, has been repeatedly violated in the night by demons coming to punish them for their sins and attacked by a group of men from their own community, they are determined to protect themselves and their daughters from future harm. While the men of the colony are off in the city, attempting to raise enough money to bail out the rapists and bring them home, these women-all illiterate, without any knowledge of the world outside their community and unable even to speak the lang

Should they stay in the only world they’ve ever known or should they dare to escape? Based on real events and told through the “minutes” of the women’s all-female symposium, Toews’s masterful novel uses wry, politically engaged humor to relate this tale of women claiming their own power to decide. As seen in Time, USA TODAY, The Atlantic, The Wall Street Journal, and on CBS This Morning, BBC, PBS, CNN, and NPR, iGen is crucial reading to understand how the children, teens, and young adults born in the mid-1990s and later are vastly different from their Millennial predecessors, and from any other generation. With generational divides wider than ever, parents, educators, and employers are generation of teens and young adults. Born in the mid-1990s up to the mid-2000s, iGen is the first generation to spend their entire adolescence in the age of the smartphone. With social media and texting replacing other activities, iGen spends less time with their friends in person—perhaps contributing to their unprecedented levels of anxiety, depression, and loneliness. But technology is no villain; it’s just a tool. iGeners are also different in how they spend their time, how they behave, and in their attitudes toward religion, sexuality, and politics. They socialize in completely new ways, reject once sacred social taboos, and want different things from their lives and careers. More than previous generations, they are obsessed with safety, focused on tolerance, and have no patience for inequality. With all these differences, it’s no wonder that iGeners understand them: friends and family need to look out for them; businesses must figure out how to recruit them and sell to them; colleges and universities must know how to educate and guide them. And members of iGen also need to understand themselves as they communicate with their elders and explain their views to their older peers. Because where iGen goes, so goes our nation—and the world.
