

Disarm 1 June Gray

This read will take you on a real-life journey as peace officers are getting shot and desperately fight for their lives. These are not made up stories, but you will live the events as they actually happened. These stories are told by those officers who were shot, in a millisecond by millisecond, and bullet by bullet sequence. You will experience fear, anger, sadness, and happiness in the triumph of the human spirit, as you go through a profound emotional roller coaster ride that is extremely compelling. If you've ever wondered what it is really like to be in a gunfight, this is a must-read book. Many of these storytellers have received the Medal of Valor from their respective departments for their actions. One storyteller received the Congressional Badge of Bravery, an award that is rarely bestowed. All the locations are listed so the reader can access Internet maps, go to the street view and see the actual places where the shootings occurred. This is a one of kind read that will chill you, make you cry, and at the same time give you a new sense of respect for peace officers because of what they go through and the values they embrace.

This history-mystery series continues with another fine display of brains and bravery from the Wollstonecraft Girls—Ada Bryon Lovelace and Mary Shelley. Inspired fun for middle grade readers and fans of The Mysterious Benedict Society and Lemony Snicket! The Wollstonecraft Detective Agency was supposed to be a secret constabulary, but after the success of their first case, all of London knows that Lady Ada and Mary are the girls to go to if you have a problem. Their new case is a puzzle indeed. It involves a horrible hospital, a missing will, a hasty engagement, and a suspiciously slippery servant. But Mary's stumbled onto a mystery of her own. She spotted a ghostly girl in a grey gown dashing through the park. A girl who is the spitting image of their new client. The two cases must be linked . . . or else there's a perfectly supernatural explanation. Cyberspace, where information--and hence serious value--is stored and manipulated, is a tempting target. An attacker could be a person, group, or state and may disrupt or corrupt the systems from which cyberspace is built. When states are involved, it is tempting to compare fights to

warfare, but there are important differences. The author addresses these differences and ways the United States protect itself in the face of attack.

A provocative, timely, and deeply-researched history of gun culture and how it reflects race and power in the United States

The Missed Connection

The Complete Novel

*Do you know someone who is overly arrogant, shows an extreme lack of empathy, or exhibits an inflated sense of entitlement? Do they exploit others, or engage in magical thinking? These are all traits of narcissistic personality disorder, and when it comes to dealing with narcissists, it can be difficult to get your point across. So how do you handle the narcissistic people in your life? You might interact with them in social or professional settings, and you might even love one—so ignoring them isn't really a practical solution. They're frustrating, and maybe even intimidating, but ultimately, you need to find a way of communicating effectively with them. *Disarming the Narcissist, Second Edition*, will show you how to move past the narcissist's defenses using compassionate, empathetic communication. You'll learn how narcissists view the world, how to navigate their coping styles, and why, oftentimes, it's sad and lonely being a narcissist. By learning to anticipate and avoid certain hot-button issues, you'll be able to relate to narcissists without triggering aggression. By validating some common narcissistic concerns, you'll also find out how to be heard in conversation with a narcissist. This book will help you learn to meet your own needs while side-stepping unproductive power struggles and senseless arguments with someone who is at the center of his or her own universe. This new edition also includes new chapters on dealing with narcissistic women, aggressive and abusive narcissists, strategies for safety, and the link between narcissism and sex addiction. Finally, you'll learn how to set limits with your narcissist and when it's time to draw the line on unacceptable behavior.*

A manual for verbal self-defense explains how to transform hostility, eliminate aggression, handle tormenters, control emotion, and promote harmonious conversation

Tor has loved Kenzi since the day she was born. He is fifteen years older than her, but sometimes love pays no attention to society's

demands.

Surviving and Thriving with the Self-Absorbed

Disarm and Defeat the Demonic Powers that Hinder Your Breakthrough

“Wow. This book totally rocks. It arrived on a day when I was in deep confusion and sadness about my age. Everything about it, from my invisibility to my neck. Within four or five wise, passionate pages, I had found insight, illumination, and inspiration. I never use the word empower, but this book has empowered me.” —Anne Lamott, New York Times bestselling author
Author, activist, and TED speaker Ashton Applewhite has written a rousing manifesto calling for an end to discrimination and prejudice on the basis of age. In our youth obsessed culture, we’re bombarded by media images and messages about the despairs and declines of our later years. Beauty and pharmaceutical companies work overtime to convince people to purchase products that will retain their youthful appearance and vitality. Wrinkles are embarrassing. Gray hair should be colored and bald heads covered with implants. Older minds and bodies are too frail to keep up with the pace of the modern working world and olders should just step aside for the new generation. Ashton Applewhite once held these beliefs too until she realized where this prejudice comes from and the damage it does. Lively, funny, and deeply researched, *This Chair Rocks* traces her journey from apprehensive boomer to pro-aging radical, and in the process debunks myth after myth about late life. Explaining the roots of ageism in history and how it divides and debases, Applewhite examines how ageist stereotypes cripple the way our brains and bodies function, looks at ageism in the workplace and the bedroom, exposes the cost of the all-American myth of independence, critiques the portrayal of elders as burdens to society, describes what an all-age-friendly world would look like, and offers a rousing call to action. It’s time to create a world of age equality by making discrimination on the basis of age as unacceptable as any other kind of bias. Whether you’re older or hoping to get there, this book will shake you by the shoulders, cheer you up, make you mad, and change the way you see the rest of your life. Age pride!

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the

commission of the actual terrorist incidents. Illustrations.

Do you have a narcissist, sociopath, or psychopath in your life, or think that you might? Do you continually feel anxious around someone in your life, but can't pinpoint why? Do conversations seem to go off track, leaving you feeling knocked off balance and confused? Does it feel like they are making your life a living hell, but they insist that you are too sensitive, crazy, or to blame? Perhaps you know you are being manipulated or abused, but don't know how to make it stop. The Narcissist's Playbook can help. Dana Morningstar is a domestic violence advocate, author, podcaster, YouTuber, speaker, and group leader. She writes from personal as well as professional experience in the field of domestic violence awareness, narcissistic abuse, and advocacy. Some of the topics covered in The Narcissist's Playbook are: -What manipulation is and isn't. -How to spot manipulative behaviors early (and why most people struggle with this). -How and why people get caught up with manipulators, and why they have a hard time breaking free. -How to identify the emotional "hook" that is keeping you stuck in manipulation and what you can do about it. - How to effectively disable manipulation as it is happening. - How to identify the common personality traits that are frequently exploited by manipulators. You can take back your life. The Narcissist's Playbook tells you how.

A Study of Active Shooter Incidents in the United States Between 2000 and 2013 In 2013, the president signed into law the Investigative Assistance for Violent Crimes Act of 2012, which granted the attorney general the authority to assist in the investigation of "violent acts and shootings occurring in a place of public use" and in the investigation of "mass killings and attempted mass killings at the request of an appropriate law enforcement official of a state or political subdivision." To provide further clarity on these threats, the Federal Bureau of Investigation (FBI) in 2014 initiated a study of "active shooter" incidents. The goal of the FBI study is to provide federal, state, and local law enforcement with data so they can better understand how to prevent, prepare for, respond to, and recover from these incidents.

As a hit man from the time he was very young, money, women, and danger have always ruled Gideon's life; but for the first time, it's taking its toll. Still, Gideon is about to launch his biggest act of revenge yet... one he believes will destroy his adversary, Midnight, once and for all. Taking down Midnight's team isn't so clear cut thanks to two dangerous women. Is it possible that Midnight's downfall will come from the inside, or will Gideon finally meet his match?

DisarmThe Complete NovelBerkley

Brave, clear-eyed, and passionate, Stakes Is High is the book we need to

guide us past crisis mode and through an uncertain future. The events of the past decade have forced us to reckon with who we are and who we want to be. We have been invested in a set of beliefs about our American identity: our exceptionalism, the inevitable rightness of our path, the promise that hard work and determination will carry us to freedom. But in *Stakes Is High*, Mychal Denzel Smith confronts the shortcomings of these stories -- and with the American Dream itself -- and calls on us to live up to the principles we profess but fail to realize. In a series of incisive essays, Smith exposes the stark contradictions at the heart of American life, holding all of us, individually and as a nation, to account. We've gotten used to looking away, but the fissures and casual violence of institutional oppression are ever-present. There is a future that is not as grim as our past. In this profound work, Smith helps us envision it with care, honesty, and imagination.

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

(From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, *Volume Three*, was wack. People set higher standards for me, and I love it.

A Forbidden Romance

A Study of Active Shooter Incidents in the United States Between 2000 And 2013

Mastering Eskrima Disarms

The Case of the Girl in Grey (The Wollstonecraft Detective Agency, Book 2)

Bill Cooper, former United States Naval Intelligence Briefing Team member,

reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long." -- Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands." -- William Cooper, October 24, 1989.

Bestselling author June Gray's romances have been praised as "scorching hot"(MsRomantic Reads). Now, in her latest scintillating read, one woman is torn between remembering her past and committing to an unpredictable future... Julie Keaton had everything—she had a new career in a new city and, more importantly, a bright future with fiance, Jason Sherman. That is, until the day she discovered that he had been killed in Afghanistan. In one moment, her life changed, as everything she'd hoped for died along with him. Years later and Julie still feels the aftershocks of Jason's death. She is no longer the same adventurous, open girl; now she wears armor around her heart in order to protect the most important thing in her life—her son. But when Julie meets the mysterious Neal, she starts to feel the smallest flicker of hope, as what began as a fling quickly becomes something more. Neal is the first man since Jason's death to break down her armor and make her believe again. But when she discovers the secret he's been keeping, she has to ask herself: can she surrender to a future with Neal or will Jason's death forever tie her to the past?

A dense black cloud boiled up in the southeastern sky. It rose high and

fast, like a time-lapse movie of the birth of a thunderhead. But it was no rain cloud. Wholly black, it reached up and up until it loomed over her, blocking out the sun. Somehow, she knew, it was Death coming for her. Pre-med student Coral is on vacation in Idaho when something terrible happens. The black cloud is followed by a wildfire and searing heat that lasts for days. She survives deep in a cave but emerges days later to find the world transformed, with blackened trees, an ash-filled sky, and no living creatures stirring--except for her. So begins her desperate journey: to find water, and food, and other survivors...and the answer to the mystery of what happened. Gray I is the first novel in a series.

Life begins at happily ever after... For Elsie and Henry, getting married and buying a house is only the beginning of their passionate new adventure. Elsie is flourishing in her job while Henry embarks on a new career as a police officer. Everything, it seems, has finally fallen into place. Just when it's all smooth sailing, they face life-altering changes that make Elsie question her ability to adapt. With Henry's job putting him in constant danger, she watches helplessly while he slips back into his old habits. Elsie must find a way—through any means necessary—to prevent the past from repeating. With the sand constantly shifting underfoot, Elsie and Henry have to figure out how to strengthen their bond—before they end up losing what matters most...

The manual describes the general strategy for the U.S. Marines but it is beneficial for not only every Marine to read but concepts on leadership can be gathered to lead a business to a family. If you want to see what make Marines so effective this book is a good place to start.

Two strangers share a romantic night together only to discover months later they're professional rivals in this grumpy meets sunshine romance novella from the acclaimed author of How To Fail at Flirting. Gia loves her job as a professor, even when it means dealing with an elusive rival academic who's made it his mission to criticize her work. When she meets him for the first time, she's shocked to learn they've met before.

Months earlier, they shared a perfect New Year's Eve together in an airport during a weather delay. After months of working together, Felix still can't believe the person whose research he's been challenging is the same captivating woman he kissed that night. The two couldn't be more different. Gia is bubbly, friendly, and extroverted and drives ordered, serious Felix nuts. Now the two have been assigned to embark on a five-school tour for work. Gia and Felix can't imagine a travel partner they'd enjoy less until they feel the sparks fly over their shared armrests, security mishaps, and a shared hotel room. They'll need to decide if they can manage their professional tension, or risk missing the connection of a lifetime.

In June 1994 the United States went to the brink of war with North Korea. With economic sanctions impending, President Bill Clinton approved the dispatch of substantial reinforcements to Korea, and plans were prepared for attacking the North's nuclear weapons complex. The turning point came in an

extraordinary private diplomatic initiative by former President Jimmy Carter and others to reverse the dangerous American course and open the way to a diplomatic settlement of the nuclear crisis. Few Americans know the full details behind this story or perhaps realize the devastating impact it could have had on the nation's post-Cold War foreign policy. In this lively and authoritative book, Leon Sigal offers an inside look at how the Korean nuclear crisis originated, escalated, and was ultimately defused. He begins by exploring a web of intelligence failures by the United States and intransigence within South Korea and the International Atomic Energy Agency. Sigal pays particular attention to an American mindset that prefers coercion to cooperation in dealing with aggressive nations. Drawing upon in-depth interviews with policymakers from the countries involved, he discloses the details of the buildup to confrontation, American refusal to engage in diplomatic give-and-take, the Carter mission, and the diplomatic deal of October 1994. In the post-Cold War era, the United States is less willing and able than before to expend unlimited resources abroad; as a result it will need to act less unilaterally and more in concert with other nations. What will become of an American foreign policy that prefers coercion when conciliation is more likely to serve its national interests? Using the events that nearly led the United States into a second Korean War, Sigal explores the need for policy change when it comes to addressing the challenge of nuclear proliferation and avoiding conflict with nations like Russia, Iran, and Iraq. What the Cuban missile crisis was to fifty years of superpower conflict, the North Korean nuclear crisis is to the coming era.

NEW YORK TIMES BESTSELLER The “paradigm-influencing” book (Christianity Today) that is fundamentally transforming our understanding of white evangelicalism in America. Jesus and John Wayne is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, with “a spiritual badass.” As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today’s evangelicals might not be theologically astute, but they know their VeggieTales, they’ve read John Eldredge’s Wild at Heart, and they learned about purity before they learned about sex—and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes—mythical warriors and rugged soldiers, men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of “Christian America.” Chief among these evangelical legends is John Wayne, an icon of a lost time when men were uncowed by political correctness, unafraid to tell it like it was, and did what needed to be done. Challenging the commonly held assumption that the “moral majority” backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump in fact represented the fulfillment, rather than the betrayal, of white evangelicals’ most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, Jesus and John Wayne shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans.

I never meant to be the other woman... Jake and I felt a connection the moment he walked into my life, an attraction both of us tried so hard to deny. Still, I found myself longing for the very thing I couldn't have. I didn't set out to fall in love with Jake. Not when he clearly wasn't mine. He was my mother's.

From the author of Jurassic Park, Timeline, and Sphere comes a captivating thriller about a deadly extraterrestrial microorganism, which threatens to annihilate human life. Five prominent biophysicists have warned the United States government that sterilization procedures for returning space probes may be inadequate to guarantee uncontaminated re-entry to the atmosphere. Two years later, a probe satellite falls to the earth and lands in a desolate region of northeastern Arizona. Nearby, in the town of Piedmont, bodies lie heaped and flung across the ground, faces locked in frozen surprise. What could cause such shock and fear? The terror has begun, and there is no telling where it will end.

PART SIX OF JUNE GRAY'S DISARM SERIES The conclusion to the story of Henry and Elsie The future beckons... Elsie has given Henry three chances to win back her trust, but before he is able to complete the challenge, she finds herself faced with a life-changing decision. Elsie must ask herself an important question: is Henry just a thing of the past or does he have a place in her future?

Understanding and Dealing with Verbal Abuse and Emotional Manipulation. How Manipulators Use Guilt, Fear, Obligation, and Other Tactics to Control People How to Identify, Disarm, and Protect Yourself from Narcissists, Sociopaths, Psychopaths, and Other Types of Manipulative and Abusive People

"It rips to shreds every argument of the anti-gun crowd and has opened my eyes to the mentality of those people." Jan Morgan, FOX News Analyst/Certified NRA Instructor Dan Wos explains the tactics and strategies of Anti-2nd Amendment Radicals and uncovers the motivation behind their mission to vilify guns and gun owners.

Follows Elsie Sherman as she finally acts on the crush she's had on her brother's best friend since she was a little girl.

A dictionary of surnames of the first settlers of New England and 3 successive generations prior to 1692.

Two best friends have one week to return a lost love letter found in a candy store—and to work up the courage to confess to the deep feelings between them—in this romance novella from the acclaimed author of How To Fail at Flirting. Teagan's job in an airport candy store pays the bills but she dreams of traveling the world. With one week until she

boards a plane for an international adventure, she finds an abandoned love letter in the store and talks her BFF into helping her figure out who it belongs to. Silas solves problems for a living as an airline customer service representative. One problem he can't solve is how to reveal a big secret to his best friend that would risk changing their entire relationship. When she proposes they work together to get the love letter back to its owner, he jumps at the chance. Teagan and Silas stumble on romantic clues, old stories, and more than a few dead ends along the way while trying to play Cupid, all of which bring them closer together. With only a few days before Teagan's transatlantic move, the two of them must decide if the sweet temptation of falling for their best friend is worth the potential heartbreak or if either can stand to keep their feelings wrapped up.

Surrender

Who then is THE BOY? He told me this.... There was a woman there at the edges of the Hockomock Swamp, her year feels like 1749...the woman who lived alongside - and stepped into the swamp many times, living nearby off the land. People came and went and took their way with her and she bore many children. THE BOY tells me that sixteen and one half (?) children were born to her... They were products of her anguish and she treated them poorly. Many died - others were put to death - and she eventually joined them. All of their bodies rotted into the swamp.... THE BOY is a Daemon...and he gave these sigils to me.... 29 deadly Sigils to Harm, Gain Control or Disarm 1. To allow yourself to do damaging works 2. Go ahead....Jump 3. To cause someone to lie all the time against their will 4. To stop another from feeling joy 5. To cause someone to forever desire what they cannot have 6. To take away someone's ability to orgasm 7. To cause one to confess to a crime they did not commit 8. To keep one stuck in sorrow 9. To inject oneself into sexual dreams 10. To steal away the love of an "Infant" 11. To shut someone's mouth completely 12. To cause destruction through suggestion of Possession 13. To force distance between two humans 14. To cause someone to forget their identity 15. To cause one to self-destruct through guilt 16. To encourage Self-loathing 17. To cause someone to think they are someone else of your choice 18. To make someone pay, with their wellness or longevity, for wasting your time or trust (the brother sigil to the Poisoner's Sigil) 19. To have your words heard as deadly 20. To increase un-wellness in increments 21. To allow for profound and obvious humiliating declining of another 22. To cause one to be trapped in a loop 23. To force someone to live in the past 24. To make someone vulnerable to possession 25. To cause one to hear constant noise 26. To Cause A Coma that Mimics Death 27. To Cause a Landlord to be Destroyed 28. To Cause a Liar's Tongue to Swell and choke them 29. To Invite the Action of Death into Someone's Home CLOSING

COMMENTS This book is brutal, these sigils are brutal, THE BOY is brutal and I am brutal when intentionally crossed. Let this be a clear warning to those who mistake kindness for weakness. THE BOY is a Daemon, and a Daemon without a conscience. He doesn't care if you destroy your stalker, cause eternal pain for someone who stole from you, put someone

into an unforgiving loop of sorrow when they posed as a friend and became a poacher of ideas and favors....and neither do I. This is not a PC tome. I have a list of individuals, just as you do, who have crossed the line of trust with intent and malice - go ahead - admit it to yourself. You may have better access to that list after you use the first Sigil, 29DS - I. I don't care if your world is polluted with fools who use you like a paper towel and toss you away - however YOU SHOULD CONSIDER CARING about that. This book will assist you in these considerations....

SORCERESS CAGLIASTRO, Blood Sorceress, Necromancer in the hands of 9
*Learn how you can help combat micro and macroaggressions against socially devalued groups with this authoritative new resource *Microintervention Strategies: What You Can Do to Disarm and Dismantle Individual and Systemic Racism and Bias*, delivers a cutting-edge exploration and extension of the concept of microinterventions to combat micro and macroaggressions targeted at marginalized groups in our society. While racial bias is the primary example used throughout the book, the author's approach is applicable to virtually all forms of bias and discrimination, including that directed at those with disabilities, LGBTQ people, women, and others. The book calls out unfair and biased institutional policies and practices and presents strategies to help reduce the impact of sexism, heterosexism, ableism, and classism. It provides a new conceptual framework for distinguishing between the different categories of microinterventions, or individual anti-bias actions, and offers specific, concrete, and practical advice for taking a stand against micro and macroaggressions. *Microintervention Strategies* delivers the knowledge and skills necessary to confront individual and institutional manifestations of oppression. Readers will also enjoy: - A thorough introduction to the major conceptual distinctions between micro and macroaggressions and an explanation of the manifestations, dynamics, and impact of bias on marginalized groups. - An exploration of the meaning and definition of microinterventions, including a categorization into three types: microaffirmations, microprotections, and microchallenges. - A review of literature that discusses the positive benefits that accrue to targets, allies, bystanders, and others when microinterventions take place. - A discussion of major barriers to acting against prejudice and discrimination. Perfect for undergraduate and graduate students taking courses in psychology, education, social work, and political science, *Microintervention Strategies* will also earn a place in the libraries of psychologists, educators, parents, and teachers, who hope to do their part to combat microaggressions and other forms of bias and discrimination.*

PART FOUR OF JUNE GRAY'S DISARM SERIES In eighteen days, a life can change... Henry talks about the past during his therapy sessions but one night puts everything into question, including his relationship with the woman he's loved all his life. Don't miss *Engage*, part five of the *Disarm* series!

*From the École Polytechnique shootings of 1989 to the political controversy surrounding the elimination of the federal long-gun registry, the issue of gun control has been a subject of fierce debate in Canada. But in fact, firearm regulation has been a sharply contested issue in the country since Confederation. *Arming and Disarming* offers the first comprehensive history of gun control in Canada from the colonial period to the present. In this sweeping, immersive book, R. Blake Brown outlines efforts to regulate the use of guns by young people, punish the misuse of arms, impose licensing regimes, and create firearm registries. Brown also challenges many popular assumptions about Canadian history, suggesting that gun ownership was far from universal during much of the colonial period, and that many nineteenth century lawyers – including John A. Macdonald – believed in a limited right to bear arms. *Arming and Disarming* provides a careful exploration of how social, economic, cultural, legal, and constitutional concerns shaped gun legislation and its implementation, as well as how these factors defined Canada's historical and contemporary 'gun culture.'*

Are you the victim of a narcissist manipulator? Have you already desperately tried to find a way out without success? Believe me, you are not alone. There are millions of people that suffer from verbal abuse and emotional invalidation, and most of them never find the courage to face the problem. Probably the narcissist is the person you love, the person with whom you shared beautiful moments in your life, and you can't understand what is now happening. You could start believing that there is something wrong with you. Or maybe you are emotionally abused in the workplace, or even worse, you have been raised by narcissistic parents. Narcissistic abuse acts silently and people around you don't recognize the situation due to the "social mask" of your abuser. You feel isolated and frustrated. Some probably familiar symptoms include sleeplessness, absence of self-confidence, insecurity, constant anxiety, massive weight loss or weight gain, paranoia, and nightmares. We all know that there is a tremendous lack of practical and reliable information about this particular psychological topic, but in "Narcissistic Abuse" Dr. Paul Sharp has condensed, in a simple and beginner-friendly language, all the knowledge you need to deal effectively with narcissist people and finally find peace after narcissistic abuse. Here's just a tiny fraction of

what you'll learn: How to recognize a narcissist before becoming a victim The 6 types of narcissist personalities The covert manipulation techniques used by a narcissist such us verbal abuse, emotional invalidation, stonewalling, gaslighting and triangulation Why some people attract narcissists more easily than others (and how to reverse this situation) The effects of psychological violence in sentimental relationships The only scientific four-point framework to disarm and devalue a narcissist How to effectively reset boundaries after surviving The 9 powerful strategies for self-healing, recovery and freedom Now it's time to keep moving forward out of the gravity of the past. If you are ready to create the happy relationships and the life of peace and joy you deserve, then don't miss this book!
