These lively lectures introduce the theory, practice and application of a versatile, rigorous and non Anglocentric approach to cross-linguistic semantics. Topics include semantic primes and molecules, emotions, evaluation, verbs and event structure, cultural key words and scripts, language teaching.

The iconic Alice in Wonderland, a classic Disney Little Golden Book, is now available as a board book! Follow Alice down the rabbit hole and into a new and exciting world in this classic Disney Little Golden Book, now finally available as a board book! Just the right size for little hands and with sturdy pages, this book is perfect for Disney fans ages 0 to 3.

A little girl falls down a rabbit hole and discovers a world of nonsensical characters.

This gorgeous 150th anniversary edition of Alice's Adventures in Wonderland is also a revelatory work of scholarship. Alice's Adventures in Wonderland--published 150 years ago in 1865--is a book many of us love and feel we know well. But it turns out we have only scratched the surface. Scholar David Day has spent many years down the rabbit hole of this children's classic and has emerged with a revelatory new view of its contents. What we have here, he brilliantly and persuasively argues, is a complete classical education in coded form--Carroll's gift to his "wonder child" Alice Liddell. In two continuous commentaries, woven around the complete text of the novel for ease of cross-reference on every page, David Day reveals the many layers of teaching, concealed by manipulation of language, that are carried so lightly in the beguiling form of a fairy tale. These layers relate directly to Carroll's interest in philosophy, history, mathematics, classics, poetry, spiritualism and even to his love of music--both sacred and profane. His novel is a memory palace, given to Alice as the great gift of an education. It was delivered in coded form because in that age, it was a gift no girl would be permitted to receive in any other way. Day also shows how a large number of the characters in the book are based on real Victorians. Wonderland, he shows, is a veritable "Who's Who" of Oxford at the height of its power and influence in the Victorian Age. There is so much to be found behind the imaginary characters and creatures that inhabit the pages of Alice's Adventures in Wonderland. David Day's warm, witty and brilliantly insightful guide--beautifully designed and stunningly illustrated throughout in full colour--will make you marvel at the book as never before.

Alice in Wonderland: Tim Burton's Novelization

Beatrice thinks she has no acting talent but that doesn't stop her from auditioning for the annual middle school play. She has two missions--winning the role of Pocahontas (which guarantees her popularity with the cool kids, at least in her mind) and grabbing the attention of her estranged father. Easy! Except Michiko, a new girl from Japan, shows up and ruins everything! So begins Beatrice's diabolical and hilarious plan to scare away Michiko. But Michiko has goals of her own with no plans to leave soon. Beatrice is sometimes sarcastic, sometimes very funny and always honest. A great book for those who love theater and every part of it--the good, the bad and the crazy.

Dive into Wonderland with Alice and discover a whole new world! Tumble down the rabbit hole with Alice in this magical Disney tale! From the floating grin of the Cheshire Cat to the tea-soaked table of the Mad Hatter and March Hare, this story shows just how wonderful Wonderland can be. With more than 40 stickers and beautiful illustrations, this colorful classic will have Disney fans reliving the magic of Alice in Wonderland again and again!

Join Alice as she disappears down a rabbit hole one more time and emerges in the topsy-turvy world of Wonderland! Curious happenings punctuate Alice's journey, including wild encounters with the Red Queen, the Mad Hatter, the Jabberwocky, and many others! A novelization from the screenplay of Alice in Wonderland, the motion picture directed by Tim Burton.

The Disney Musical: Critical Approaches on Stage and Screen is the first critical treatment of the corporation's hugely successful musicals both on screen and on the stage. Its 13 articles open up a new territory in the critical discussion of the Disney mega-musical, its gender, sexual and racial politics, outreach work and impact of stage, film and television adaptations. Covering early 20th century works such as the first full-length feature film Snow White and the Seven Dwarfs (1937), to The Lion King - Broadway's highest grossing production in history, and Frozen (2013), this edited collection offers a diverse range of theoretical engagements that will appeal to readers of film and media studies, musical theatre, cultural studies, and theatre and performance. The volume is divided into three sections to provide a contextual analysis of Disney's most famous musicals: · DISNEY MUSICALS: ON FILM · DISNEY ADAPTATIONS: ON STAGE AND BEYOND · DISNEY MUSICALS: GENDER AND RACE The first section employs film theory, semiotics and film music analysis to explore the animated works and their links to the musical theatre genre. The second section addresses various stage versions and considers Disney's outreach activities, cultural value and productions outside the Broadway theatrical arena. The final section focuses on issues of gender and race portraying representations of race, hetero-normativity, masculinity and femininity in Newsies, Frozen, High School Musical, Aladdin and The Jungle Book. The various chapters address these three aspects of the Disney Musical and offer new critical readings of a vast range of important works from the Disney musical cannon including Enchanted, Mary Poppins, Hunchback of Notre Dame, The Lion King and versions of musicals for television in the early 1990s and 2000s. The critical readings are detailed, open-minded and come to surprising conclusions about the nature of the Disney Musical and its impact.

The Pleasure and Promise of Musical Theatre Across America

Disney Alice in Wonderland: The Story of Alice in Wonderland

The Musical

Ten Lectures on Natural Semantic MetaLanguage

Plays, musicals, movies, documentaries, places to visit, books to read, and other stagey surprises. A must-have bucket list for all thespians who are serious about their love for the theatre!

The Myth: Alice was an ordinary girl who stepped through the looking glass and entered a fairy-tale world invented by Lewis Carroll in his famous storybook. The Truth: Wonderland is real. Alyss Heart is the heir to the throne, until her murderous aunt Redd steals the crown and kills Alyss' parents. To

escape Redd, Alyss and her bodyguard, Hatter Madigan, must flee to our world through the Pool of Tears. But in the pool Alyss and Hatter are separated. Lost and alone in Victorian London, Alyss is befriended by an aspiring author to whom she tells the violent, heartbreaking story of her young life. Yet he gets the story all wrong. Hatter Madigan knows the truth only too well, and he is searching every corner of our world to find the lost princess and return her to Wonderland so she may battle Redd for her rightful place as the Queen of Hearts.

Mackenzie "Max" Miller has a problem. Her parents have arrived in town for a surprise visit, and if they see her dyed hair, tattoos, and piercings, they just might disown her. Even worse, they're expecting to meet a nice wholesome boyfriend, not a guy named Mace who has a neck tattoo and plays in a band. All her lies are about to come crashing down around her, but then she meets Cade. Cade moved to Philadelphia to act and to leave his problems behind in Texas. So far though, he's kept the problems and had very little opportunity to take the stage. When Max approaches him in a coffee shop with a crazy request to pretend to be her boyfriend, he agrees to play the part. But when Cade plays the role a little too well, they're forced to keep the ruse going. And the more they fake the relationship, the more real it begins to feel. The hot new, New Adult title from New York Times bestselling author of Losing It, Cora Carmack.

Calico Illustrated Classics Set 4

Disney Theatrical Productions: Producing Broadway Musicals the Disney Way is the first work of scholarship to comprehensively examine the history and production practices of Disney Theatrical Productions (DTP), the theatrical producing arm of the studio branch of the Walt Disney Corporation. This book uncovers how DTP has forged a new model for producing large-scale musicals on Broadway by functioning as an independent theatrical producer under the umbrella of a large entertainment corporation. Case studies of three productions (The Lion King, Tarzan, and Newsies) demonstrate the flexibility and ingenuity of DTP, and showcase the various production models that the company has employed over the years. Exploring topics such as the history of DTP, its impact on the revitalization of Times Square, and its ability to open up a new audience base for Broadway theatre, this volume examines the impact that DTP has had on American musicals, both domestically and internationally, and how its accomplishments have helped reshape the Broadway landscape. This book is relevant to students in Musical Theatre, History of Musical Theatre, Theatre History, and Arts Management courses, along with general Disney enthusiasts.

Provides step-by-step instructions on how to draw favorite Disney characters.

Dust and Drama is a lighthearted look at the memories of people who acted, directed, and were otherwise connect to Broken Hill Repertory Society. Wherever there is theater, there are funny stories, and these snippets of memories have been collected into this book. There are many other stories. Some people were unable to be contacted, and some stories were unsuitable for print. We hope you enjoy reminiscing as you read.

Retelling of the classic in which a little girl falls down a rabbit hole and discovers a world of nonsensical and amusing characters.

The third edition of this top-selling Scary Storybook Collection has been updated with new stories and illustrations. With eighteen stories, gilded pages, and over 250 pieces of spot and full-page art, this gently spooky storybook collection is perfect for Halloween!

Boys and girls ages 2-5 will love this boxed set featuring five Little Golden Books starring their favorite Disney Junior characters: Doc McStuffins, Sofia the First, Minnie Mouse Bow-tique, and Jake and the Never Land Pirates!

A bright, illustrated retelling of the classic children's tale! Come down the rabbit hole and enjoy this brand-new version of the Lewis Carroll classic story! Long before Disney's animated movie, Alice, bored while spending the afternoon in the country with her sister, followed a white rabbit—a rabbit with a top hat and a briefcase! Alice chases the strange creature straight down a hole in the trunk of an old tree. At the bottom, she encounters talking animals playing cards, who try to shoot her with a cannon, and more creatures—all dressed in human clothes—who invite her to celebrate their non-birthday. However, Alice's only desire is to follow the white rabbit, and so eventually she leaves her new companions and runs after him, straight to the Queen, who arrests poor Alice! With bright, full-color illustrations and simple text, this picture book is perfect for early readers or as a bedtime story. Introduce your child to the classic story of talking animals and strange events in this new version of Alice in Wonderland! Introducing a new series from Racehorse for Young Readers! These brightly illustrated and easy-to-read retellings are perfect for introducing your child to classic fairy tales and children's stories. With simple verses and colorful pictures, your child will love to dive into these magical and intriguing stories. Perfect for beginning readers, or for reading as a family or at bedtime, this brand-new series will bring a smile to everyone's face—young or old!

When you look at fine connections, it's hard to say exactly what relation "Alice in Wonderland" has to this book, "Through the Looking-Glass," Oh, it's plainly the same girl, though she seems older, here, and some characters (like Tweedledum and Tweedledee) appear in both. But she doesn't get there the same way, and doesn't refer to her adventures in Wonderland so much as once. Oh well: maybe it's all a dream and she can't remember the last one -- or maybe the magic through the Looking-Glass has hold of her, just as it has hold of Humpty Dumpty, or the Walrus and the Carpenter.

Featuring favorite characters from Alice in Wonderland, The Jungle Book, 101 Dalmatians, Peter Pan, and more!

How can you march to the beat of your own drummer when you're still writing the song? Everyone's search for one's authentic self is at the heart of *Wonderland: Alice's Rock & Roll Adventure*. Carroll's beloved, poetic tale of self-actualization is brought to life by a cast of actor/musicians who create an eclectic, live rock soundtrack as 7 1/2-year-old Alice search for her own inner musical voice. Along the way, Alice faces challenges and fears, but she meets the ultimate test in the form of the Jabberwocky, an insidious monster made up of the dark thoughts and self-doubt that lurks inside us all. In learning to believe in the impossible, Alice learns to believe in herself. Throughout her journey, the actors surround Alice in a live musical tapestry ranging from classic rock to punk to ska and even a little bit of Bollywood. Rock concert meets live theatre as Alice reflects the vulnerabilities of all kids and then confidently finds her own inner voice.

Bring classic children's tales to young readers with the Calico Illustrated Classics series. World-class illustrations make rafting the river and braving the revolution an exciting journey through literature. Large type and leveled language make the classics assessable to readers of all ages.

The idea of American musical theatre often conjures up images of bright lights and big city, but its lifeblood is found in amateur productions at high schools, community theatres, afterschool programs, summer camps, and dinner theatres. In *Beyond Broadway*, author Stacy Wolf looks at the widespread presence and persistence of musical theatre in U.S. culture, and examines it as a social practice--a live, visceral experience of creating, watching, and listening. Why does local musical theatre flourish in America? Why do so many Americans continue to passionately engage in a century-old artistic practice that requires intense, person-to-person collaboration? And why do audiences still flock to musicals in their hometowns? Touring American elementary schools, a middle school performance festival, afterschool programs, high schools, summer camps, state park outdoor theatres, community theatres, and dinner theatres from California to Tennessee, Wolf illustrates musical theatre's abundance and longevity in the U.S. as a thriving social activity that touches millions of lives.
