

## ***Divided Soul The Life Of Marvin Gaye David Ritz***

A New York Times bestseller • One of Time Magazine 's 100 Best YA Books of All Time • Winner of the Michael L. Printz Award • A Stonewall Honor Book The radiant, award-winning story of first love, family, loss, and betrayal for fans of John Green, Becky Albertalli, and Adam Silvera "Dazzling."—The New York Times Book Review "A blazing prismatic explosion of color."—Entertainment Weekly "Powerful and well-crafted . . . Stunning." —Time Magazine " We were all heading for each other on a collision course, no matter what. Maybe some people are just meant to be in the same story. " At first, Jude and her twin brother are Noah and Jude; inseparable. Noah draws constantly and is falling in love with the charismatic boy next door, while daredevil Jude wears red-red lipstick, cliff-dives, and does all the talking for both of them. Years later, they are barely speaking. Something has happened to change the twins in different yet equally devastating ways . . . but then Jude meets an intriguing, irresistible boy and a mysterious new mentor. The early years

are Noah ' s to tell; the later years are Jude ' s. But they each have only half the story, and if they can only find their way back to one another, they ' ll have a chance to remake their world. From the acclaimed author of *The Sky Is Everywhere*, this exhilarating novel will leave you breathless and teary and laughing—often all at once.

Everything about Sarah Bernhardt is fascinating, from her obscure birth to her glorious career--redefining the very nature of her art--to her amazing (and highly public) romantic life, to her indomitable spirit. Well into her seventies, after the amputation of her leg, she was performing under bombardment for soldiers during World War I and toured America for the ninth time. Though the Bernhardt literature is vast, this is the first English-language biography to appear in decades, tracking the trajectory through which an illegitimate--and scandalous--daughter of a Jewish courtesan transformed herself into the most famous actress who ever lived, and into a national icon, a symbol of France.--From publisher description.

**#1 NEW YORK TIMES BESTSELLER • Pulitzer Prize – winning author Jon Meacham helps us understand the present moment in American politics and life by looking back at critical times in our history when hope**

overcame division and fear. ONE OF OPRAH ' S " BOOKS THAT HELP ME THROUGH " • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The Christian Science Monitor • Southern Living Our current climate of partisan fury is not new, and in The Soul of America Meacham shows us how what Abraham Lincoln called the " better angels of our nature " have repeatedly won the day. Painting surprising portraits of Lincoln and other presidents, including Ulysses S. Grant, Theodore Roosevelt, Woodrow Wilson, Franklin D. Roosevelt, Harry S. Truman, Dwight Eisenhower, and Lyndon B. Johnson, and illuminating the courage of such influential citizen activists as Martin Luther King, Jr., early suffragettes Alice Paul and Carrie Chapman Catt, civil rights pioneers Rosa Parks and John Lewis, First Lady Eleanor Roosevelt, and Army-McCarthy hearings lawyer Joseph N. Welch, Meacham brings vividly to life turning points in American history. He writes about the Civil War, Reconstruction, and the birth of the Lost Cause; the backlash against immigrants in the First World War and the resurgence of the Ku Klux Klan in the 1920s; the fight for women ' s rights; the demagoguery of Huey Long and Father Coughlin and the isolationist work of America First in the years before World War II; the anti-Communist witch-hunts

led by Senator Joseph McCarthy; and Lyndon Johnson ' s crusade against Jim Crow. Each of these dramatic hours in our national life have been shaped by the contest to lead the country to look forward rather than back, to assert hope over fear—a struggle that continues even now. While the American story has not always—or even often—been heroic, we have been sustained by a belief in progress even in the gloomiest of times. In this inspiring book, Meacham reassures us, “ The good news is that we have come through such darkness before ” —as, time and again, Lincoln ' s better angels have found a way to prevail. Praise for *The Soul of America* “ Brilliant, fascinating, timely . . . With compelling narratives of past eras of strife and disenchantment, Meacham offers wisdom for our own time. ” —Walter Isaacson “ Gripping and inspiring, *The Soul of America* is Jon Meacham ' s declaration of his faith in America. ” —Newsday “ Meacham gives readers a long-term perspective on American history and a reason to believe the soul of America is ultimately one of kindness and caring, not rancor and paranoia. ” —USA Today

Memoir of a Modern Emigrant

A South African Exile Returns to Face His Country, His Tribe, and His Conscience

A Blues Journey to Faith

Trouble Man

There is a distinctive way each word earns its space in Thomas Whites first book of poetry and quotes, Healing of a Divided Soul. They fit accordingly after the mastermind of their structure. Giving you imagery in each piece, and taking you on a journey deep inside the soul of a man determined to overcome life difficulties through faith and commitment. Healing of a Divided Soul uniquely shares his story through poetry of living and escaping life on the bottom tier of the violent inner-city streets of Detroit. We all understand how the word dysfunction has become synonymous to a world that knows normal is not a given. Though the past may be a part of who we are, we cant let it dictate the kind of

## Access Free Divided Soul The Life Of Marvin Gaye David Ritz

person we want to become. Remember the heaviest chain we will ever wear is the chain that stops us from changing! For once your mind is free the rest will follow! Healing of a Divided Soul is sure to cleanse, restore, and bring the reader unprecedented wisdom from a Soul no more divided.

In These Unprecedented Times You Might Ask, "What does the Soul of America have to say?" Believe it or not, she is here, and has a lot to say.... if we are humble enough to ask and quiet enough to listen. Author Dr. Kymn Harvin dared to ask... and listen. In these pages she gives voice to the Soul of America, who shares powerful and heartfelt words for healing and thriving as individuals and as a country. If you are seeking personal growth, standing for our nation's resilience, wanting to make peace with the past and experience more happiness, this book is for you. Allow the Soul of America to lead you on a life-changing journey to: - Be liberated from traumas, fears and self-doubt - Become an artist of life and creator of joy - See yourself and others as truly sacred beings - Experience America's love and care for you - Serve our country and her people well by setting your Self free. Read this book slowly cover to cover, randomly select messages by opening to any page, or choose a topic from the index. Whatever your approach, tune in to America's Soul and receive her timely guidance and stirring messages. She is here to serve all who ask. Invite the Soul of America to speak with you and to be a companion on your journey through life... beginning now.

Investigates Plato's account of the tripartite soul, looking at how the theory evolved over the Republic, Phaedrus and Timaeus.

In the sound of the 1960s and 1970s, nothing symbolized the rift between black and white America better than the seemingly divided genres of country and soul. Yet the music emerged from the same songwriters, musicians, and producers in the recording studios of Memphis and Nashville, Tennessee, and Muscle Shoals, Alabama--what Charles L. Hughes calls the "country-soul triangle." In legendary

## Access Free Divided Soul The Life Of Marvin Gaye David Ritz

studios like Stax and FAME, integrated groups of musicians like Booker T. and the MGs and the Muscle Shoals Rhythm Section produced music that both challenged and reconfirmed racial divisions in the United States. Working with artists from Aretha Franklin to Willie Nelson, these musicians became crucial contributors to the era's popular music and internationally recognized symbols of American racial politics in the turbulent years of civil rights protests, Black Power, and white backlash. Hughes offers a provocative reinterpretation of this key moment in American popular music and challenges the conventional wisdom about the racial politics of southern studios and the music that emerged from them. Drawing on interviews and rarely used archives, Hughes brings to life the daily world of session musicians, producers, and songwriters at the heart of the country and soul scenes. In doing so, he shows how the country-soul triangle gave birth to new ways of thinking about music, race, labor, and the South in this pivotal period.

A Kierkegaardian Exploration

Rage to Survive

The Divided Soul

The Battle for Our Better Angels

The Divided Soul of Clarence Thomas

A New York Times Book Review Notable Book of 2017 From the great historian of the American Revolution, New York Times-bestselling and Pulitzer-winning Gordon Wood, comes a majestic dual biography of two of America's most enduringly fascinating

figures, whose partnership helped birth a nation, and whose subsequent falling out did much to fix its course. Thomas Jefferson and John Adams could scarcely have come from more different worlds, or been more different in temperament. Jefferson, the optimist with enough faith in the innate goodness of his fellow man to be democracy's champion, was an aristocratic Southern slaveowner, while Adams, the overachiever from New England's rising middling classes, painfully aware he was no aristocrat, was a skeptic about popular rule and a defender of a more elitist view of government. They worked closely in the crucible of revolution, crafting the Declaration of Independence and leading, with Franklin, the diplomatic effort that brought France into the fight. But ultimately, their profound differences would lead to a fundamental crisis, in their friendship and in the nation writ large, as they became the figureheads of two entirely new forces, the first American political parties. It was a bitter breach, lasting through the presidential administrations of both men, and beyond. But late in life, something remarkable happened: these two men were nudged into reconciliation. What started as a grudging trickle of correspondence became a great flood, and a friendship was rekindled, over the course of hundreds of letters. In their final years they were the last surviving founding fathers and cherished their role in this mighty young republic as it approached the half century mark in 1826. At last, on the afternoon of July 4th, 50 years to the day after the signing of the Declaration, Adams let out a sigh and said, "At least Jefferson still lives." He died soon thereafter. In fact, a few hours earlier on that

## Access Free Divided Soul The Life Of Marvin Gaye David Ritz

same day, far to the south in his home in Monticello, Jefferson died as well. Arguably no relationship in this country's history carries as much freight as that of John Adams of Massachusetts and Thomas Jefferson of Virginia. Gordon Wood has more than done justice to these entwined lives and their meaning; he has written a magnificent new addition to America's collective story.

Curtis Mayfield was one of the seminal vocalists and most talented guitarists of his era, and his music played a vital role in the civil rights movement: "People Get Ready" was the black anthem of the time. In *Traveling Soul*, Todd Mayfield tells his famously private father's story in riveting detail. Born into dire poverty, raised in the slums of Chicago, Curtis became a musical prodigy, not only singing like a dream but growing into a brilliant songwriter. In the 1960s he opened his own label and production company and worked with many other top artists, including the Staple Singers. Curtis's life was famously cut short by an accident that left him paralyzed, but in his declining health he received the long-awaited recognition of the music industry. Passionate, illuminating, vivid, and absorbing, *Traveling Soul* will doubtlessly take its place among the classics of music biography.

*DIV* The life and thought of a forceful figure in Israel's religious and political life /div  
A riveting cautionary tale about the ecstasy and dangers of loving Marvin Gaye, a performer passionately pursued by all—and a searing memoir of drugs, sex, and old school R&B from the wife of legendary soul icon Marvin Gaye. After her seventeenth

birthday in 1973, Janis Hunter met Marvin Gaye—the soulful prince of Motown with the seductive liquid voice whose chart-topping, socially conscious album *What's Going On* made him a superstar two years earlier. Despite a seventeen-year-age difference and Marvin's marriage to the sister of Berry Gordy, Motown's founder, the enchanted teenager and the emotionally volatile singer began a scorching relationship. One moment Jan was a high school student; the next she was accompanying Marvin to parties, navigating the intriguing world of 1970s-'80s celebrity; hanging with Don Cornelius on the set of *Soul Train*, and helping to discover new talent like Frankie Beverly. But the burdens of fame, the chaos of dysfunctional families, and the irresistible temptations of drugs complicated their love. Primarily silent since Marvin's tragic death in 1984, Jan at last opens up, sharing the moving, fervently charged story of one of music history's most fabled marriages. Unsparring in its honesty and insight, illustrated with sixteen pages of black-and-white photos, *After the Dance* reveals what it's like to be in love with a creative genius who transformed popular culture and whose artistry continues to be celebrated today.

*Perhaps the finest soul singer of the rock era—but equally at home singing blues and jazz—Etta James is one of the great women of American music. In *Rage to Survive* she tells her mesmerizing tale in her uniquely big, bold, and unrepentant voice. Without a trace of self-pity she describes her chaotic world of early R&B, depicts legends like Sam Cooke and Little Richard, details her dependency on drugs and bad men, and unsparingly recounts the golden age of soul, when her “Tell Mama” topped the charts. *Rage to Survive* is a funky, ribald tale told with unparalleled sass.*

*Drawing from interviews conducted before Marvin Gaye's death, acclaimed music writer David Ritz has created a full-scale portrait of the brilliant but tormented artist. With a cast of characters that includes Diana Ross, Berry Gordy, Smokey Robinson, and Stevie Wonder, this intimate biography is a definitive and enduring look at the man who embodied the very essence of the word soul.*

*A candid examination of women's issues of the past twenty years is presented through the struggles of former 60 Minutes correspondent Meredith Vieira, West Virginia first lady Rachel Worby, and breast surgery hospital chief Alison Estabrook. Reprint.*

*My Traitor's Heart*

*The Soul of America*

*The Life of Sarah Bernhardt*

*The Life of Aretha Franklin*

*The Life Of Marvin Gaye*

*Divided Soul*

*Sarah*

The definitive biography of the Queen of Soul from acclaimed music writer David Ritz, hailed by Rolling Stone as "a remarkably complex portrait of Aretha Franklin's music and her tumultuous life." Aretha Franklin began life as the golden daughter of a progressive and promiscuous Baptist preacher. Raised without her mother, she was a gospel prodigy who gave birth to two sons in her teens and left them and her native Detroit for New York, where she struggled to find her true voice. It was not until 1967, when a white Jewish producer insisted she return to her gospel-soul roots, that fame and fortune finally came via "Respect" and a rapidfire string of hits. She has evolved ever since, amidst personal tragedy, surprise Grammy performances, and career reinventions. Again and again, Aretha stubbornly finds a way to triumph over troubles, even as they continue to build. Her hold on the crown is

tenacious, and in *Respect*, David Ritz gives us the definitive life of one of the greatest talents in all American culture. "Comprehensive and illuminating." --USA Today

'An enthralling adventure story, honest and powerful. The Wars of the Roses are imagined here with energy, with ferocity, with hunger to engage the reader.' Hilary Mantel  
1469: Although the Yorkist King Edward sits on his throne in Westminster, within his family there is discord as his former ally, the Earl of Warwick, continues to conspire against him. And while to one another's faces they are all smiles, their household men speak in lies and whispers. No man comes to court unarmed. As riot and rebellion stalk the land, so too do rumours of a secret, which, if proved true, will have devastating effects on the kingdom. Once again Thomas and Katherine Everingham are drawn into the fray by ruthless enemies and by past lives that refuse to be forgotten... 'Mesmerising' *The Times* 'Consistently enthralling' *Daily Telegraph* 'Exhilarating" *Daily Express*

The Soul of America Speaks

*One of the Best Books of the Year: NPR, GQ, Billboard, JazzTimes In jazz parlance, "playing changes" refers to an improviser's resourceful path through a chord progression. In this definitive guide to the jazz of our time, leading critic Nate Chinen boldly expands on that idea, taking us through the key*

## Access Free Divided Soul The Life Of Marvin Gaye David Ritz

*changes, concepts, events, and people that have shaped jazz since the turn of the century--from Wayne Shorter and Henry Threadgill to Kamasi Washington and Esperanza Spalding; from the phrase "America's classical music" to an explosion of new ideas and approaches; from claims of jazz's demise to the living, breathing scene that exerts influence on mass culture, hip-hop, and R&B. Grounded in authority and brimming with style, packed with essential album lists and listening recommendations, Playing Changes takes the measure of this exhilarating moment--and the shimmering possibilities to come.*

*Plato's Moral Psychology is concerned with Plato's account of the soul and its impact on our living well or badly, virtuously or viciously. The core of Plato's moral psychology is his account of human motivation, and Rachana Kamtekar argues that throughout the dialogues Plato maintains that human beings have a natural desire for our own good, and that actions and conditions contrary to this desire are involuntary (from which follows the 'Socratic paradox' that wrongdoing is involuntary). Our natural desire for our own good may be manifested in different ways: by our pursuit of what we calculate is best, but also by our pursuit of pleasant or fine things - pursuits which Plato assigns to distinct parts of the soul. Kamtekar develops a very different interpretation of Plato's moral psychology from the mainstream interpretation, according to which Plato first proposes that human beings only do what we believe to be the best of the things we can do ('Socratic intellectualism') and then in the middle dialogues rejects this in favour of the view that the soul is divided into parts with some good-dependent and some good-independent motivations ('the divided soul').*

*A San Francisco Chronicle Best Book of the Year. "A work of scope and profound insight into the divided soul of Mexico." —History Today The Life and Times of Mexico is a grand narrative driven by 3,000 years of history: the Indian world, the Spanish invasion, Independence, the 1910 Revolution, the*

## Access Free Divided Soul The Life Of Marvin Gaye David Ritz

*tragic lives of workers in assembly plants along the border, and the experiences of millions of Mexicans who live in the United States. Mexico is seen here as if it were a person, but in the Aztec way; the mind, the heart, the winds of life; and on every page there are portraits and stories: artists, shamans, teachers, a young Maya political leader; the rich few and the many poor. Earl Shorris is ingenious at finding ways to tell this story: prostitutes in the Plaza Loreto launch the discussion of economics; we are taken inside two crucial elections as Mexico struggles toward democracy; we watch the creation of a popular "telenovela" and meet the country's greatest living intellectual. The result is a work of magnificent scope and profound insight into the divided soul of Mexico.*

*Soren Kierkegaard's Purity of Heart Is to Will One Thing is an astute analysis of inner dividedness. In this striking little book, Kierkegaard gently yet incisively specifies the precise forms it takes. Like many of Soren Kierkegaard's books, however, Purity of Heart contains a good deal of formidable prose. The aim of The Divided Soul: A Kierkegaardian Exploration is to make Kierkegaard's scrutiny of our inner terrain in Purity of Heart accessible and inviting. With clear, direct prose, Clifford Williams lays bare Kierkegaard's discerning descriptions of the tension between a desire for goodness and resistance to goodness. Williams then reflects on themes arising from Kierkegaard's conception of faith.*

*Divided Soul: The Life Of Marvin Gaye*

*An Afrikaner crime reporter returns home to face the evil and complex legacy of South African apartheid in "a witness-bearing act of the rarest courage" (Michael Kerr). Rian Malan's classic work of reportage, My Traitor's Heart is at once beautiful, horrifying, and profound in ways that earned him comparisons to Michael Herr and Ryszard Kapuściński and inspired the London Times to call him "South Africa's Hunter S. Thompson." An Afrikaner, Malan is the scion of a centuries-old clan deeply involved in the creation of apartheid. As a young crime reporter, he covered the atrocities of an undeclared race war and ultimately fled the country, unhinged by what he had seen. Eight years later, he returns to confront his own demons, and those that are tearing his country apart. With unflinching candor, Malan explores the grizzly violence and perverse rationalizations at the root of his nation's identity. Written in the final years of apartheid's bloody collapse, My Traitor's Heart still resonates, offering a "passionate, blazingly honest testament" to the darkest recesses of the black and white*

*South African psyches. "Those who read it will never again see South Africa the same way" (Los Angeles Times Book Review).*

*There is no more powerful, detested, misunderstood African American in our public life than Clarence Thomas. Supreme Discomfort: The Divided Soul of Clarence Thomas is a haunting portrait of an isolated and complex man, savagely reviled by much of the black community, not entirely comfortable in white society, internally wounded by his passage from a broken family and rural poverty in Georgia, to elite educational institutions, to the pinnacle of judicial power. His staunchly conservative positions on crime, abortion, and, especially, affirmative action have exposed him to charges of heartlessness and hypocrisy, in that he is himself the product of a broken home who manifestly benefited from racially conscious admissions policies. Supreme Discomfort is a superbly researched and reported work that features testimony from friends and foes alike who have never spoken in public about Thomas*

*before—including a candid conversation with his fellow justice and ideological ally, Antonin Scalia. It offers a long-overdue window into a man who straddles two different worlds and is uneasy in both—and whose divided personality and conservative political philosophy will deeply influence American life for years to come.*

*The Temptations were the most commercially successful and critically lauded male vocal group of the Sixties and early Seventies. Through the years, the group's trademark razor-sharp choreography, finely tuned harmonies, and compelling vocals made them the exemplars of the Motown style. This is the frank, revealing story of the legendary supergroup, told by its founder.*

*Aleister Crowley's The Book of Lies is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner's knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth*

A profile of the Grammy Award-winning R&B artist describes every aspect of his life, from his impoverished childhood and feuds with fellow performers to the speculations about his sexuality and 2003 stroke. Reprint.

In this timeless and profound inquiry, Aristotle presents a view of the psyche that avoids the simplifications both of the materialists and those who believe in the soul as something quite distinct from body. On the Soul also includes Aristotle's idiosyncratic and influential account of light and colors. On Memory and Recollection continues the investigation of some of the topics introduced in On

the Soul. Sachs's fresh and jargon-free approach to the translation of Aristotle, his lively and insightful introduction, and his notes and glossaries, all bring out the continuing relevance of Aristotle's thought to biological and philosophical questions.

As a ghostwriter, biographer, and lyricist, David Ritz has worked with some of the biggest names in music, such as Aretha Franklin, Ray Charles, and Marvin Gaye. Now, in his inspiring memoir, he shares how writing for these legendary artists led him to faith. Over the last forty-five years, David Ritz has collaborated with some of the biggest stars in music. Working to give a voice to these iconic musicians, he found his own, and following the sacred pulse he calls “The God Groove,” he also found belief in Christ. In his moving memoir, he recalls growing up as a secular Jew in New York and Dallas, and finding himself drawn to the smoky jazz clubs and Pentecostal churches where the music touched something deep in his soul, unlike anything he ’ d ever felt before. It was this love of music, coupled with an equal passion for words—both language that flowed across the page and language sung out loud—that led him, against all odds, to convince Ray Charles to hire him as a ghostwriter. Through this first project, David learned the art of capturing another ’ s voice. As Marvin Gaye ’ s biographer and cowriter of “Sexual Healing,” David learned about Marvin ’ s father, a charismatic storefront

preacher in an ultra-strict Christian sect, but he also saw the visceral love Marvin had for Jesus. David's conversations with Aretha Franklin, conducted during the two-year process of writing her memoir, yielded further insights into Christianity. Threaded throughout David's story are in-depth conversations with Willie Nelson, BB King, Janet Jackson, Smokey Robinson, Etta James, Buddy Guy, and Jessi Colter, all of whom shaped his thinking about faith. *The God Groove* is a moving, deeply personal, and inspiring memoir about the unlikely ways God works—if we listen to Him.

*A Soul Divided: Memoir of a Modern Emigrant* inspires readers from all walks of life to keep moving forward, no matter what life throws at them... and to persist in finding their special purpose. This story of an emigrant woman, Maka Kartheiser (Kverenchkhiladze) who shares her personal journey from the European country of Georgia, her beloved homeland, to her cherished new foster country, the United States of America. The author also recalls her life experiences growing up in the former Soviet Union country. *A Soul Divided* is about a journey similar to thousands of fellow emigrants who, like Maka, were forced to move away from their homelands, leaving behind their lifelong friends, parents, children and... a piece of their soul. The struggle to find one's place, one's self, and one's calling is universal; for emigrants, this struggle is even more to bear. They are destined to

dwell among two countries, not belonging fully to both. Thus, living with a soul divided. This book is a story of hope, inspiration, and strength to do what seems impossible. It takes your heart and soul into the experience of holding on to one's identity, roots, and culture. A Soul Divided speaks to thousands of emigrants whose journeys and hardships are all unique, and give them courage and hope. It also opens the eyes of the people of those foster countries and helps them understand emigrants' search for belonging, challenges they face, and strengths they hold while overcoming them. Author's Note: The beauty of A Soul Divided: Memoir of a Modern Emigrant is that it brings to light the similarities that we all share as humans. Copyright (c)2017 by Maka Kartheiser

Plato and the Divided Self

(Book 3)

And, On Memory and Recollection

Healing of a Divided Soul

A challenging but much-needed book for Christians across a broad spectrum--from laypersons and students to pastors and Christian philosophers--Singleness of Heart

systematically yet gently searches the secret places of the Christian heart, taking readers beyond the cursory acquaintance they often have with their own true selves and leading them to the healing power of God's grace and the single-minded pursuit of eternity.

Divided Soul represents photographer David Alan Harvey's thirty-year journey through the Spanish and Portuguese diaspora in the Americas. In this selection of over a hundred colour photographs, Harvey explores the exuberance and incongruities of a life and culture that hold for him an endless fascination. The photographs are presented within thematic chapters, each of which is introduced by Harvey's own commentary. The passionate and divided soul of the Hispanic world, where tradition and ritual are inherent to everyday life, is revealed in Harvey's evocative, and often contradictory, images: a pulsating carnival in Cuba's Trinidad, a fervent African tribal ceremony in Brazil, an erotic disco in Lisbon, a Whitsuntide procession in Andalucia and a first Communion in Mexico. Adopting an approach that combines intuition, patience and persistent curiosity - together with a rejection of cumbersome equipment - Harvey succeeds in minimizing the distance between himself and his subjects, producing images that capture the natural choreography of people within places and that resonate with magic.

David Ritz presents his uniquely candid and intimate account of the tumultuous life of the Prince of Soul music, Marvin Gaye. Author Ritz has assembled years of conversations and interviews from his life as a close friend and lyricist to the gifted Soul sensation, and tells the Marvin Gaye story with fly-on-the-wall accuracy and detail. From his early years as an abused child in the slums of Washington DC, through his rise to the very peaks of the Motown phenomenon, his fall from grace and subsequent comeback, to his untimely death

at the hands of his father, Marvin's story is the stuff of legends. The cast of characters includes the Jacksons, Smokey Robinson, Diana Ross and countless other icons of the world of soul music. The definitive biography of an enormously gifted and sensitive musician. NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute

rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

I'll Give You the Sun

Intellectualism, the Divided Soul, and the Desire for Good

Of all the figures in the Bible, David arguably stands out as the most perplexing and enigmatic. He was many things: a warrior who subdued Goliath and the Philistines; a king who united a nation; a poet who created beautiful, sensitive verse; a loyal servant of God who proposed the great Temple and founded the Messianic line; a schemer, deceiver, and adulterer who freely indulged his very human appetites. David Wolpe, whom Newsweek called “the most influential rabbi in America,” takes a fresh look at biblical David in an attempt to find coherence in his seemingly contradictory actions and impulses. The author questions why David holds such an exalted place in history and legend, and then proceeds to unravel his complex character based on information found in the book of Samuel and later literature. What emerges is a fascinating portrait of an exceptional human being who, despite his many flaws, was truly beloved by God.

#1 NEW YORK TIMES BESTSELLER • Everybody tells you to live for a cause larger than yourself, but how exactly do you do it? The author of *The Road to Character* explores what it takes to lead a meaningful life in a self-centered world. “Deeply moving, frequently eloquent and extraordinarily incisive.”—*The Washington Post* Every so often, you meet people who radiate joy—who seem to know why they were put on this earth, who glow with a kind of inner light. Life, for these people, has often followed what we might think of as a two-mountain shape. They get out of school, they start a career, and they begin climbing the mountain they thought they were meant to climb. Their goals on this first mountain are the ones our culture endorses: to be a success, to make your mark, to experience personal happiness. But when they get to the top of that mountain, something happens. They look around and find the view . . . unsatisfying. They realize: This wasn’t my mountain after all. There’s another, bigger mountain out there that is actually my mountain. And so they embark on a new journey. On the second mountain, life moves from self-centered to other-centered. They want the things that are truly worth wanting, not the things other people tell them to want. They embrace a life of interdependence, not independence. They surrender to a life of commitment. In *The Second Mountain*, David Brooks explores the four commitments that define a life of meaning and purpose: to a spouse and family, to a vocation, to a philosophy or faith, and to a community. Our personal fulfillment depends on how well we choose and execute

these commitments. Brooks looks at a range of people who have lived joyous, committed lives, and who have embraced the necessity and beauty of dependence. He gathers their wisdom on how to choose a partner, how to pick a vocation, how to live out a philosophy, and how we can begin to integrate our commitments into one overriding purpose. In short, this book is meant to help us all lead more meaningful lives. But it's also a provocative social commentary. We live in a society, Brooks argues, that celebrates freedom, that tells us to be true to ourselves, at the expense of surrendering to a cause, rooting ourselves in a neighborhood, binding ourselves to others by social solidarity and love. We have taken individualism to the extreme—and in the process we have torn the social fabric in a thousand different ways. The path to repair is through making deeper commitments. In *The Second Mountain*, Brooks shows what can happen when we put commitment-making at the center of our lives.
