

## Doa Kristen Sebelum Mulai Rapat

*For those friends and acquaintances, who have expressed a wish to read the complete story of my life, from my childhood to the present time, I have undertaken the writing of this book. By including even some incidents that, in themselves, may seem trivial, I have tried to make this account a full and accurate autobiography. In modesty, however, I have also desired to render my story as simple as possible, in fact, to give a vivid picture of my work, my opinions and my aspirations, not only as a teacher but also as a writer of sacred songs; and if I have spoken with a frankness that may seem akin to egotism, I hope that I may be pardoned; for I am fully aware of the immense debt I owe to those numberless friends, only a few of whom I have been able to mention, and especially to that dear Friend of us all, who is our light and life.*

*The Catechism of the Council of Trent was directed to all priests. The recently released Catechism of the Catholic Church was directed to all bishops. The Catechism of Pope St. Pius X is that pope's partial realization of a simple, plain, brief, popular Catechism for uniform use throughout the whole world. In other words it is directed to the layman. It was used in the ecclesiastical province of Rome and for some years in other parts of Italy. It was not, however, prescribed for use throughout the universal church. Aeterna Press*

What would it be like for modern readers to sit down beside Jesus as he explained the Bible to them? What life-changing insights might emerge from such a transformative encounter? Lois Tverberg knows the treasures that await readers willing to learn how to read the Bible through Jewish eyes. By helping them understand the Bible as Jesus and his first-century listeners would have, she bridges the gaps of time and culture in order to open the Bible to readers today. Combining careful research with engaging prose, Tverberg leads us on a journey back in time to shed light on how this Middle Eastern people approached life, God, and each other. She explains age-old imagery that we often misinterpret, allowing us to approach God and the stories and teachings of Scripture with new eyes. By helping readers grasp the perspective of its original audience, she equips them to read the Bible in ways that will enrich their lives and deepen their understanding.

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

***Knowledgeable, accessible answers to these provocative questions: What is spiritual warfare? Can a Christian be demon-possessed? Are we called to engage territorial spirits?***

***God delivered Israel from Egyptian bondage to captivate them for Himself. In the arid wilderness He planned to reveal His nature and ways to them, but they drew back. How different are we today? Many confess the Lordship of Jesus and acknowledge His saving power, yet like Israel, they've drawn back. Rather than pursuing His heart they have cleaved to this world's form of worship—the worship of self. As a result we have changed the image of Jesus to be like us. Fire can alter these images. The fire we need is found in the Holiness of God. God is calling us to draw nearer still...to tremble on Mt.***

The author of *Desiring God* reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Includes a study guide for individual and small-group use. Isn't it true—we really don't know someone until we understand what makes that person happy? And so it is with God! What does bring delight to the happiest Being in the universe? John Piper writes, that it's only when we know what makes God glad that we'll know the

greatness of His glory. Therefore, we must comprehend “ the pleasures of God. ” Unlike so much of what is written today, this is not a book about us. It is about the One we were made for—God Himself. In this theological masterpiece—chosen by World Magazine as one of the 20th Century ’ s top 100 books, John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Then we will be able to drink deeply—and satisfyingly—from the only well that offers living water. What followers of Jesus need now, more than anything else, is to know and love—behold and embrace—the great, glorious, sovereign, happy God of the Bible.

“ This is a unique and precious book that everybody should read more than once. ” —J.I. PACKER, Regent College, Vancouver, British Columbia

\* A delightfully-written story of faith and exploration \* Helpful for those who are searching, and for those who are settled What if we stopped trying to find the perfect church in the right Christian tradition and intentionally explored our faith with all our Christian brothers and sisters? Can Christians embrace God fully by exploring other faith traditions? In Not All Who Wander, we discover that we do indeed find Jesus in a church, and traces of him in our everyday lives as well. Not All Who Wander walks readers through the author's faith journey, and how her experience with churches in a number of traditions has left her longing for more of Jesus than any one church offers. It also presents stories from other believers to give readers a sense of how alike, and different, our spiritual experiences can be. Rhoades has developed a passion for discovering all the ways we worship Jesus and invites readers to join her. With utter delight, she's discovered no matter which traditions she worships with, Jesus meets her there.

Islamisasi Jawa? Mengapa tema ini sangat penting? Antara lain karena suku Jawa merupakan salah satu kelompok etnis terbesar dunia muslim. Dengan sekitar 100 juta dari hampir 250 juta penduduk Indonesia, etnis Jawa sekaligus merupakan suku terbesar Indonesia. Karena itu, etnis Jawa memainkan peran penting dalam berbagai dinamika Indonesia sejak dari sosial, budaya, agama, ekonomi, dan politik dalam periodisasi sejarah nusantara. Meski demikian, banyak kalangan, di dalam maupun luar negeri, melihat sebagian besar Muslim Jawa hanyalah abangan atau “Islam KTP”. Masih absahkah anggapan tersebut?Sejarawan terkemuka Ricklefs membantah anggapan itu secara meyakinkan dalam karya mutakhirnya ini. Islamisasi masyarakat Jawa terus berlanjut kemunculan Islam dalam masyarakat Jawa pada abad ke-14. Ia menunjukkan bahwa tanah Jawa kini makin “hijau”: Islamisasi mengalami pendalaman dan proses ini tak bisa dibalikkan.Buku kaya data (dari beragam literatur, primer dan sekunder, juga wawancara, sensus dan survei) ini mengupas bagaimana masyarakat Muslim Jawa melewati masa sulit sejak awal penyebaran penjajahan kolonialisme Belanda dan Jepang, periode kemerdekaan, pemerintahan Presiden Soekarno yang kacau, totalitarianisme Presiden Soeharto, dan demokrasi kontemporer. Bagaimana masyarakat Muslim Jawa menempuh berbagai perubahan itu, kini menjadi contoh luar biasa dalam hal peningkatan religiositas keislaman. Tentu saja, proses Islamisasi itu tidak bergerak lurus (tapi panjang dan berliku. Selamat menikmati kisah tentang terang-pudar Islam di Tanah Jawa sejak abad ke-14 sampai sekarang Diterbitkan oleh penerbit Serambi Ilmu Semesta" (Serambi Group)

If God is in control of everything, can Christians sit back and not bother to evangelize? Or does active evangelism imply that really sovereign at all? J. I. Packer shows in this classic study how both of these attitudes are false.

**The Historical Volume of what was originally called Reformed Dogmatics now appears with a new title, namely, History of Christian Doctrines. Works on the gradual development of theological truth in the Church of Jesus Christ usually appear alongside of those which deal with the systematic reproduction of it, and thus stand out as separate works. It was thought best to follow this practice, since this will stress the fact that, after all, the history of the development of Christian thought in the Church is a separate study.**

Presentation Zen

FOREWORD BY GUY KAWASAKI Presentation designer and internationally acclaimed communications expert Garr Reynolds, creator of the most popular Web site on presentation design and delivery on the Net — presentationzen.com — shares his experience in a provocative mix of illumination, inspiration, education, and guidance that will change the way you think about making presentations with PowerPoint or Keynote. Presentation Zen challenges the conventional wisdom of making "slide presentations" in today's world and encourages you to think differently and more creatively about the preparation, design, and delivery of your presentations. Garr shares lessons and perspectives that draw upon practical advice from the fields of communication and business. Combining solid principles of design with the tenets of Zen simplicity, this book will help you along the path to simpler, more effective presentations.
