About the Book In India, the Companies are managed by the directors who are collectively called as "the Board of Directors". The concept of Corporate Governance has brought drastic changes in the composition of Board of Directors, which has introduced few new categories of directors such as Independent Directors, Woman Directors, Resident Directors etc. This book covers a detailed discussion on duties of directors to aid the readers in understanding the nitty-gritties of all the relevant provisions of the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standards in a simple and easy to refer format. The intention is to

value system. Recent years have seen several key developments in the law, policy, and practice related to child rights.

Significantly, with the adoption of the United Nations Convention on the Rights of the Child in 1989, a rights-based approach has acquired prominence in the child rights discourse across the world. The book analyses the laws in the light of court judgments and policy initiatives taken in India. It also examines the interventions and strategies employed by non-governmental organizations in recommending legislative reforms in support of children. This fully revised third edition focuses on the new legal developments in India—such as the Juvenile Justice (Care and Protection of Children)
