Tim Bosma was a happy young father with a promising future when he listed his pickup truck for sale online, went for a test drive with two strangers, and never returned. The story of the Hamilton man ' s strange disappearance in

Where To Download Dodge Ram 2500

May 2013 captured headlines across the country and took over social media, resonating with everyone who had ever taken a test drive or bought and sold goods online.

When Dellen Millard and Mark Smich were eventually arrested

and charged with
Bosma ' s murder,
the mystery only
deepened. Millard
was the wealthy
heir to an aviation
business. Smich was
his ne ' er-do-well
best friend from a
middle-class family.
There was no
obvious reason why
the pair had made it

their deadly mission to steal a truck, murder its owner, and incinerate the body. Tim Bosma was their randomly chosen “ thrill kill ” target.

Veteran journalist and private investigator Ann Brocklehurst had a front-row seat at

Millard 's and
Smich 's 2016
trial, where many of
the questions about
their shocking
crime were finally
answered. Others
still linger, waiting
to be further
explained at two
more murder trials
set for 2017. Both
Millard and Smich

with the first-degree
murder of Laura

Babcock, who

Millard alone faces
murder charges in

previously has been
ruled a suicide.
