**If I should die before I wake... Then my soul is Caesar's to take. He pulls me down, he lifts me up. And then he leaves me in the muck. If I should fall before I fly... Then they know it was the fault of mine. He taught me better, he led the way. I just didn't know how to stay. And if I should not gain his heart... Fuck that, he made me this way. Curled my thoughts and twisted me. He belongs to me, forever. WARNING: This book is DARK. So dark, I barely found my way writing it. Know this. Understand it. Believe it. It's one long warning from beginning to end, but the love found between the pages is everlasting. This is NOT a conventional couple, and they don't come together with rainbows and silver linings. There's pain. There's violence. There's blood. You have been warned. Please ... Please, walk away if a filthy dark story isn't right for you. You will find no softness here. But if you like it so dark the sun won't make you feel warm again, then you've found the right place, and Caesar is waiting.**

One week is all we were supposed to share. One week as strangers. All the things you did differently irked me. I thought it meant we couldn't get along, that there was no chance we'd work out. But when it came time for me to leave, you know what I figured out? You were my echo. My call back. And damn it if I didn't find home in the end.

Year of The Cat - an enchanting and informative book for all children interested in other Cultures, Places [here, it's New York City's Chinatown] and Cats - is the debut title in a new series of Chinese-culture themed books by artist and emerging children's book writer Natasha Lynn Rabin, and collaborator, award-winning illustrator, Josie Yee. Ying shares her own observations and opinions about what makes Chinese New Year the 'best', introduces us to her family (including cats) and takes us along on her Year of the Cat campaign. It is a book about the joy of holidays with family and the extra, added anticipation that surrounds the arrival of a new sibling, all captured in Josie Yee's colorful, exquisitely detailed illustrations. The following excerpt begins the fun adventure with Year of the Cat: "In Chinese Time, months are measured by the cycles of the moon, and every year has an assigned animal from the Chinese Zodiac. There are twelve official Chinese animals. I was born in the Year of the Monkey. Maybe that's why it's hard for me to sit still. I ask Ma Ma, who knows the reasons for lots of things, Why isn't there a Year of the Cat?" Children and parents alike will learn why there isn't, and

about Ying's resolve to honor her cat, Bao, her Cousin's cat, Jackie Chan, and cats everywhere, when the New Year arrives.

Keith Maze has inspired many people during his battle with cancer. Battle is a good way to describe it. Maze is more of a battler than a victim. Maze has always been a fan of the underdog, rooting for and helping them in any way he can. Even during the darkest days of battling the disease the talented singer organized or performed at many charity events. So who could have imagined that one of the underdogs he helped was, well, a dog? Maze found the Jack Russel named Wishbone annoying in the beginning. Between the frequent fights with another Jack Russel, and constantly dropping a plastic toy on top of Maze's shoe in an effort to get his attention, the dog was nothing more than a nuisance. But then the dog lost one of it's limbs in a tragic accident and everything changed. The two suddenly had something in common - being "Single Handed". This story will draw a tear to your eye, but have you laughing at the same time. Not only can you overcome adversity during the worst moments, you can also do it with a smile.

September 11th, 2001 was America's wake up call to terrorism. Unfortunately, we hit the snooze alarm. The next wave of terror attacks won't be nation shaking, cataclysmic events. We're ready for that. Instead, they'll be minor, localized nightmares. Mere pinpricks to our country, but catastrophic to the small towns that find themselves in the crosshairs. Worst of all, there's nothing we can do to stop it from happening - or is there? A gritty novel extrapolated from real world events, this fast-paced, riveting thriller will leave you alarmed, angry, and awestruck at America's unpreparedness for the next wave of terror attacks. Some might refer to it as death by a thousand cuts, but the counterterrorism community calls it Small Ball. Small Ball is an indictment of our woefully wrongheaded security infrastructure and a testament to the resilience, resourcefulness, and integrity of the average American. You'll wonder why it hasn't happened already. Perhaps it's happening right now...

When a hurricane threatens Emily's small Maine town, she uses the psychic connection she shares with her dog, Zack, to help save the town from destruction.
