I could not put this book down' - THE SUN 'Pretty Little Liars meets The Breakfast Club' - ENTERTAINMENT WEEKLY

""Students of the prestigious Tokyo Metropolitan Advanced Nurturing High School are given remarkable freedom--if they can win, barter, or save enough points to work their way up the ranks! Ayanokoji Kiyotaka has landed at the bottom in the scorned Class D, where he meets Horikita Suzune, who's determined to rise up the ladder to Class A. Can they beat the system in a school where cutthroat competition is the name of the game? ""

The Silent Patient by way of Stephen King: Parker, a young, overconfident psychiatrist new to his job at a mental asylum, miscalculates catastrophically when he undertakes curing a mysterious and profoundly dangerous patient. In a series of online posts, Parker H., a young psychiatrist, chronicles the harrowing account of his time working at a dreary mental hospital in New England. Through this internet message board, Parker hopes to communicate with the world his effort to cure one bewildering patient. We learn, as Parker did on his first day at the hospital, of the facility's most difficult, profoundly dangerous case--a forty-year-old man who was originally admitted to the hospital at age six. This patient has no known diagnosis. His symptoms seem to evolve over time. Every person who has attempted to treat him has been driven to madness or suicide. Desperate and fearful, the hospital's directors keep him strictly confined and allow minimal contact with staff for their own safety, convinced that releasing him would unleash catastrophe on the outside world. Parker, brilliant and overconfident, takes it upon himself to discover what ails this mystery patient and finally cure him. But from his first encounter with the mystery patient, things spiral out of control, and, facing a possibility beyond his wildest imaginings, Parker is forced to question everything he thought he knew. Fans of Sarah Pinborough's Behind Her Eyes and Paul Tremblay's The Cabin at the End of the World will be riveted by Jasper DeWitt's astonishing debut.

This book is unique in its approach to the Qur'an. It argues the point that only God could author such a book, and that Muhammad could have never produced anything like it. While this objective has been attempted by several Muslim scholars who highlighted one aspect or another of the topics highlighted in the Qur'an, Dr. Draz's works is perhaps the first that relies totally on the merits of the Qur'anic text for an irrefutable proof. Dr. Draz discusses the arguments made at the time of the Prophet and later on which suggested that the Qur'an was taught to Muhammad by various teachers, and shows how they all collapse at the first test. When he has irrefutably established the fact that the Qur'an could only be a divine revelation, Dr. Draz goes on to analyze the Qur'anic style, showing how it combines merits that could never be found together in any human writing. Equipped with a profound literary sense and a powerful Arabic style, Dr. Draz discusses the main characteristics of the Qur'anic style, as well as the unity of theme that runs through each chapter , or surah. The work is now presented to English readers as it gives students of the Qur'an valuable insight, enabling them to understand the Qur'an better.

" . . . a rewarding book." --Times Literary Supplement Set in the vast windswept Central Asian steppes and the infinite reaches of galactic space, this powerful novel offers a vivid view of the culture and values of the Soviet Union's Central Asian peoples.

Originally published in 1971, The Exorcist remains one of the most controversial novels ever written and went on to become a literary phenomenon. Inspired by a true story of a child's demonic possession in the 1940s, William Peter Blatty created an iconic novel that focuses on Regan, the eleven-year-old daughter of a movie actress residing in Washington, D.C. A small group of overwhelmed yet determined individuals must rescue Regan from her unspeakable fate, and the drama that ensues is gripping and unfliningly terrifying. Two years after its publication, The Exorcist was, of course, turned into a wildly popular motion picture, garnering ten Academy Award nominations. On opening day of the film, lines of the novel's fans stretched around city blocks. In Chicago, frustrated moviegoers used a battering ram to gain entry through the double side doors of a theater. In Kansas City, police used tear gas to disperse an impatient crowd who tried to force their way into a cinema. The three major television networks carried footage of these events; CBS's Walter Cronkite devoted almost ten minutes to the story. The Exorcist was, and is, more than just a novel and a film: it is a true landmark. Purposefully raw and profane, The Exorcist still has the extraordinary ability to disturb readers and cause them to forget that it is "just a story." Published here in this beautiful fortieth anniversary edition, it remains an unforgettable reading experience and will continue to shock and frighten a new generation of readers.

Turn to Film: Film in the Business Schooloffers creative and powerful uses of film in the business school classroom and surveys the pedagogical and performative value of watching films with students. This volume examines not only how film offers opportunities for learning and investigation, but also how they can be sources of ideological poison, self-delusion and mis-representation. Throughout the text, renowned contributors embrace film's power to embark on new adventures of thought by inventing images and signs, and by bringing novel concepts and fresh perspectives to the classroom. If film often reveals organizational dysfunctionality and absurdity, it also teaches us to understand the other, to see difference, and to accept experimentation. A wide spectra of films are examined for their pedagogical value in terms of what can be learned, explored and discussed by teaching with film and how film can be used as a tool of research and investigation. The book sees film in the classroom as an educational challenge wherein rich learning and personal development are encouraged.

It's the ultimate showdown between the Mighty Morphin Power Rangers and Teenage Mutant Ninja Turtles, up against the joint forces of Rita Repulsa and Shredder! Cowabunga!

The Sustainability Secret

The Committee of 300

The Way of the Superior Man

Discourses

Pax Galactica. Enemies become allies. Old secrets are at last revealed. Long-held beliefs and widely accepted truths are challenged. Man turns to leisurely pursuits. In this golden age, two old friends are drawn together. They seek to understand, and wonder how what they have long believed, what they have been taught, was never so. Over two hundred years ago, the life of one of Starfleet's earliest pioneers came to a tragic end, and Captain Jonathan Archer, the legendary commander of Earth's first warp-five starship, lost a close friend. Or so it seemed for many years. But with the passage of time, and the declassification of certain crucial files, the truth about that fateful day -- the day that Commander Charles "Trip" Tucker III didn't die -- could finally be revealed. Why did Starfleet feel it was necessary to rewrite history? And why only now can the truth be told?

1978. A group of idealistic young doctors join a mission of mercy to Africa. Two of them, Matthew and Silvia, fall in love. They have one year together before they are swept apart by bloodshed and violence. Matthew has been in mourning ever since. The present. A pioneer in genetic therapy at the very top of his field, Matthew is appealed to by a rich man whose wife's brain tumour has been declared inoperable by every other surgeon. When she walks through the door he sees that it is Silvia, as beautiful as ever - still his 'only love'. It's as if the years have never passed. He must save her life. And if he does . . . what then?

A lone crow is a dead crow. That's what Diana Van Doren, exiled crow shifter, has always believed. The last murder of crow shifters known to exist wouldn't accept her into the flock, leaving her vulnerable. Worse, her kleptomaniacal father's schemes put them in a demon's crosshairs. Without the support of the murder, Diana fears death will come all too quickly. So when an opportunity to steal a rare blade that can kill anything-even demons-crosses their path, she decides to play her father's games one last time. However, she isn't the only one hoping to take the blade. Sasha Sokolov, a clairvoyant, has been forced from childhood to serve the very demon hunting Diana and her family. After two decades of service, his boss finally offers him what he can't refuse: freedom. All he has to do is bring in the knife and the Van Dorens, and his bloodline will be free from serving the demon forever. When Diana and Sasha meet at the auction, they strike an uneasy alliance. Diana sees a way to finally be welcomed into the murder. Sasha sees an opportunity to get his freedom. To get what they want, only one of them can walk away with the blade. But when their magic inexplicably links as they reluctantly work together to steal the knife, betraying each other for their own ends may no longer be an option.

The timeless and practical advice in The Magic of Thinking Big clearly demonstrates how you can: Sell more Manage better Lead fearlessly Earn more Enjoy a happier, more fulfilling life With applicable and easy-to-implement insights, you'll discover: Why believing you can succeed is essential How to quit making excuses The means to overcoming fear and finding confidence How to develop and use creative thinking and dreaming Why making (and getting) the most of your attitudes is critical How to think right towards others The best ways to make [action] a habit How to find victory in defeat Goals for growth, and How to think like a leader "Believe Big," says Schwartz. [T]he size of your success is determined by the size of your belief. Think little goals and expect little achievements. Think big goals and win big success. Remember this, too! Big ideas and big plans are often easier -- certainly no more difficult - than small ideas and small plans."

Only Love

Jurassic Park

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

An American bioengineering research firm erects a theme park on a Caribbean island, complete with living dinosaurs, and invites a group of scientists to be its first terrified guests.

It's the end of the world as we know it - or is it? Gorgeous, confident, and demanding, Haruhi Suzumiya is the leader of the SOS Brigade, a club comprised of her high school's most extraordinary students. So when Haruhi is bored, it's up to the SOS Brigade do something about it. In this sequel to the clever and uniquely witty The Melancholy of Haruhi Suzumiya, the SOS Brigade goes along with Haruhi's scheme to make a movie for the school's upcoming festival. But when filming begins, strange things start to happen, and Haruhi-who has no idea she's a goddess with the ability to destroy the world-starts to show her devastating powers. Could the end be near? Or is it just another day at high school? You never know when Haruhi is involved! Join the frenzy and the fun with this second book in the phenomenal bestselling series that took the world by storm with over 4.5 million copies sold. This hardcover collector's edition features the original Japanese cover!

#1 NEW YORK TIMES BESTSELLER • Danielle Steel tells a riveting story of the dark side of motherhood. Zoe Morgan's childhood was marked by her younger sister's tragic illness, watching as her parents dedicated themselves completely to her final days and then divorced. As a young woman driven by these painful memories, Zoe sets the bar high for herself, studying hard and pursuing a career in the nonprofit world, where her deep compassion for disadvantaged children finds a focus. When Zoe falls in love and has her own child, she is determined to be a perfect mother as well. But before long, old scars long dormant begin to pull Zoe to the edge of an abyss too terrifying to contemplate. As Zoe is haunted by the ghosts of the past, her story will become a race against time and a tale of psychological suspense that no reader will soon forget.

The Fellowship of the Ring

The Development of Armoured Forces, Their Tactics and Operational Potential

Far in the future, 60,000 light-years from Earth, a loose confederacy of Terran exiles are locked in battle with the enigmatic Protoss and the ruthless Zerg Swarm. Each species struggles to ensure its own survival among the stars in a war that will herald the beginning of mankind's greatest chapter -- or foretell its violent, bloody end. Bhekar Ro: a bleak, backwater world on the fringe of the Terran Dominion, where every day is a struggle to survive for its handful of human colonists. It is a veritable wasteland -- one speck of dust among many in the vast, dark sea of space. But when the most violent storm in recent memory unearths an unfathomable alien artifact, Bhekar Ro becomes the greatest prize in the Terran Sector -- the Holy Grail of the Zerg, the Protoss, and Humanity alike -- as forces from the three great powers converge to claim the lost secrets of the most powerful species the universe has ever known. shadow of the xel'naga An original tale of space warfare novels set in the world of the bestselling computer game!

Millennial Hospitality is not like any other book you may have read about aliens. You will find out many new things such as, the answer to the question, "where do the children of aliens play?" This book is about friendship, romance, terror and is based on the true life experiences of the author, who claims he is not an alien.

Six years after the secret disaster at Jurassic Park and the destruction of the dinosaurs, the dismantling of the park, and the closing of the island, rumors persist that some form of life has survived.

The explosive novel based on the eagerly anticipated StarCraft II video game expansion, Heart of the Swarm! The sinister zerg leader no longer commands her legions of bloodthirsty aliens against the humans of the Koprulu sector, all thanks to the combined courage and tenacity of Jim Raynor, General Horace Warfield, and a mismatched team of Dominion soldiers and outlaw rebels. Although the queen is no more, Sarah Kerrigan is very much alive. The woman who once controlled countless alien minds in a rampage across the stars has been spirited away by the man who dethroned her. Now Arcturus Mengsk's Dominion armada is on her heels, roaring for blood. Jim Raynor will need to test his strength, his wit, and his loyalties against impossible odds to protect the woman he loves. StarCraft II: Flashpoint bridges the events that take place in StarCraft II: Wings of Liberty and the upcoming StarCraft II: Heart of the Swarm. Featuring never-before-seen glimpses into Jim Raynor and Sarah Kerrigan's past, this novel opens a window into a world of passion, action, and adventure.
