

## Dont Ask Me What I Mean Modern Poets In Their Own Words

"Liliana Cruz does what it takes to fit in at her new nearly all-white school, but when family secrets come out and racism at school gets worse than ever, she must decide what she believes in and take a stand"--

Jenny is fourteen when she moves from her mom's house in Florida to her dad's in New York. It's hard starting over -- new family, new school, new friends. Then Jenny meets Pete McCaffrey, the mysterious boy next door. Stay away from him, everyone warns her, he's trouble. He's already got a girlfriend. And he deals drugs. But Jenny needs someone to lean on, so she ignores their advice. Pretty soon, Pete's hooked on Jenny. And Jenny is hooked on drugs. She knows she's in over her head. The question is, can she get out?

Paranormal gets a Stephen King makeover: An oracle in a small-town Florida uses her troubling gift to stop a murderer—before he comes for her. Aria Morse is an Oracle, blessed—or cursed—with the gift of prophecy. Ask her anything, and the truth spills out immediately. But Aria ' s answers sound like nonsense, even to herself . . . just as they did to those at Delphi 2,500 years ago. To cope, Aria has perfected the art of hiding in plain sight—until Jade Price, the closest person she has to a friend, disappears. All of a sudden, everyone around her has questions. The “ nonsense ” Aria spouts becomes a matter of life and death. Aria may be the only one who can find out what happened to Jade. But the closer she gets to the truth, the closer she comes to being the next target of someone else who hides in plain sight. Someone with a very dark plan. From the Hardcover edition.

Nira Ghani has always dreamed of becoming a musician. Her Guyanese parents, however, have big plans for her to become a scientist or doctor. Nira's grandmother and her best friend, Emily, are the only people who seem to truly understand her desire to establish an identity outside of the one imposed on Nira by her parents. When auditions for jazz band are announced, Nira realizes it's now or never to convince her parents that she deserves a chance to pursue her passion. As if fighting with her parents weren't bad enough, Nira finds herself navigating a new friendship dynamic when her crush, Noah, and notorious mean-girl, McKenzie "Mac," take a sudden interest in her and Emily, inserting themselves into the fold. So, too, does Nira's much cooler (and very competitive) cousin Farah. Is she trying to wiggle her way into the new group to get closer to Noah? Is McKenzie trying to steal Emily's attention away from her? As Farah and Noah grow closer and Emily begins to pull away, Nira's trusted trumpet "George" remains her constant, offering her an escape from family and school drama. But it isn't until Nira takes a step back that she realizes she's not the only one struggling to find her place in the world. As painful truths about her family are revealed, Nira learns to accept people for who they are and to open herself in ways she never thought possible. A relatable and timely contemporary, coming-of age story, In the Key of Nira Ghani explores the social and cultural struggles of a teen in an immigrant household. "Ask Me Anything isn't just any YA romance. This is a badass YA romance..." -Hypabale.com

I should've kept my mouth shut. But Wilmont Academy's been living in the Dark Ages when it comes to sex ed, and someone had to take matters into her own hands. Well, I'm a kickass coder, so I created a totally anonymous, totally untraceable blog where teens can come to get real, honest, nothing-is-off-limits sex advice. And holy hell, the site went viral overnight. Who knew this school was so hard up. Now the school administration is on a war path to shut me down, and they have Dean—my coding crush—hot on my trail. If he discovers my secret, I could lose his trust forever. And thousands of teens who need real advice won't have anyone to turn to. Ask me anything...except how to make things right.

Don't Ask Me Now by Emma Darcy released on Apr 24, 1987 is available now for purchase.

It-girl Betty White delivers a hilarious, slyly profound take on love, life, celebrity, and everything in between. Drawing from a lifetime of lessons learned, seven-time Emmy winner Betty White's wit and wisdom take center stage as she tackles topics like friendship, romantic love, aging, television, fans, love for animals, and the brave new world of celebrity. If You Ask Me mixes her thoughtful observations with humorous stories from a seven-decade career in Hollywood. Longtime fans and new fans alike will relish Betty's candid take on everything from her rumored crush on Robert Redford (true) to her beauty regimen ("I have no idea what color my hair is and I never intend to find out") to the Facebook campaign that helped persuade her to host Saturday Night Live despite her having declined the hosting job three times already. Featuring all-new material, with a focus on the past fifteen years of her life, If You Ask Me is funny, sweet, and to the point—just like Betty White.

For any woman who has experienced illness, chronic pain, or endometriosis comes an inspiring memoir advocating for recognition of women's health issues In the fall of 2010, Abby Norman's strong dancer's body dropped forty pounds and gray hairs began to sprout

from her temples. She was repeatedly hospitalized in excruciating pain, but the doctors insisted it was a urinary tract infection and sent her home with antibiotics. Unable to get out of bed, much less attend class, Norman dropped out of college and embarked on what would become a years-long journey to discover what was wrong with her. It wasn't until she took matters into her own hands--securing a job in a hospital and educating herself over lunchtime reading in the medical library--that she found an accurate diagnosis of endometriosis. In *Ask Me About My Uterus*, Norman describes what it was like to have her pain dismissed, to be told it was all in her head, only to be taken seriously when she was accompanied by a boyfriend who confirmed that her sexual performance was, indeed, compromised. Putting her own trials into a broader historical, sociocultural, and political context, Norman shows that women's bodies have long been the battleground of a never-ending war for power, control, medical knowledge, and truth. It's time to refute the belief that being a woman is a preexisting condition.

Ask Me

Don't Ask Me to Leave

Inappropriate Thoughts on Motherhood

**Don't Tell Me Not to Ask Why, Samantha King Holmes's second solo poetry collection following her bestselling *Born to Love, Cursed to Feel*, is a mirror that reflects our honest truths. Holmes's poems are like little stories, hooking readers while navigating issues like body image, family relationships, loneliness, failed relationships, and finding belonging. *Don't Tell Me Not to Ask Why* is a call to introspection, a demand for honesty, and an affirmation of second chances.**

**A country singer and a lonely couple give a young runaway the compassion she never knew at home. *Passages Hi/Lo Novel*. Each of us has a question we dread. When the simple community of Lakehaven is shaken by a violent crime, doubts begin to arise among the locals about whom they can trust. In a quiet neighborhood in the wealthy Austin suburb of Lakehaven, the body of Danielle Roberts is discovered on a park bench. Danielle was a beloved member of the community, an adoption consultant who delivered the joy of parenthood to a number of local families. Her murder shocks Lakehaven. Perhaps no other family is as crushed as the Pollitts, who lived two houses down from Danielle and thought of her almost like family. Her death becomes the catalyst for a maelstrom of suspicion and intrigue. You have been told a huge lie, an anonymous email charges the son, Grant. No one can**

learn the truth now, thinks the father, Kyle. Never ask me what I'd do to protect my family, resolves the wife, Iris. I'll do whatever it takes to save him, vows the daughter, Julia, of Danielle's grieving teenage son. The Pollitts always thought they'd always be there for each other. When each begins to suspect the others of the unimaginable, the strength of their bonds will be tested in extraordinary new ways. The latest from New York Times bestselling author Jeff Abbott is his most suspenseful thriller yet: a riveting tale of the dangerous secrets one family has concealed -- and what happens when the question each Pollitt hoped they'd never be asked threatens to expose their darkest truths.

When God calls people to make an impact, feelings of fear, doubt, and insufficiency can often get in the way. In *Ask Me Anything, Lord*, Heather C. King reminds readers that God can use questions in Scripture to uncover their fears, challenge their thinking, and help them overcome. Exploring some of the encounters God had with people throughout the Bible and sharing her own experiences, King encourages readers to draw closer to God, receive the fullness of His blessings, and boldly move forward. This soul-searching book includes additional resources for personal reflection, group discussion, and life application. *Ask Me Anything, Lord* is perfect for women's small group study.

Newlywed Rachel Miller has everything she could want from life-the perfect husband, her dream job, and a cute little house in the country-but the daydream is shattered when her husband is killed in a tragic accident. Her mother-in-law, Nadine, takes her in as she tries to pick up the pieces, and their handsome neighbor Beau is willing to help...if Rachel will let him. Does she dare open her heart for a second chance at love?

The groundbreaking classic that explores how women can and should negotiate for parity in their workplaces, homes, and beyond When Linda Babcock wanted to know why male graduate students were teaching their own courses while female students were always assigned as assistants, her dean said: "More men ask. The women just don't ask." Drawing on psychology, sociology, economics, and organizational behavior as well as dozens of interviews with men and women in different fields and at all stages in their careers, *Women Don't Ask* explores how our institutions, child-rearing practices, and implicit assumptions discourage women from asking for the opportunities and resources that they have earned and deserve-perpetuating inequalities that are fundamentally unfair and economically unsound. *Women Don't Ask* tells women how to ask, and why they should.

Perfect for fans of Rupi Kaur and Elizabeth Acevedo, Jasmin Kaur's stunning debut novel is a collection of poetry, illustrations, and prose. scream so that one day a hundred years from now another sister

will not have to dry her tears wondering where in history she lost her voice The six sections of the book explore what it means to be a young woman living in a world that doesn't always hear her and tell the story of Kiran as she flees a history of trauma and raises her daughter, Sahaara, while living undocumented in North America. Delving into current cultural conversations including sexual assault, mental health, feminism, and immigration, this narrative of resilience, healing, empowerment, and love will galvanize readers to fight for what is right in their world.

How do you ask the question, when you know the answer may change everything? Sasha Brooks has been focused on one thing her entire life: her career. Newly promoted as the vice

president in a New York advertising company, she has beauty, brains, and one hell of a fierce reputation. But she also has a secret that she keeps carefully guarded. Brian Carpenter is finding out that managing his newest VP isn't without its challenges, but when it comes to Sasha, he'd expect nothing less. His easygoing personality and Southern charm are the yang to her yin and the calm to her storm. Over the last eight years of their friendship, the flirtations, innuendos, and chemistry have almost led to more, but Sasha has convinced herself they're better off just friends. Almost. Until the moment she thinks he's with someone else. Is she too late to admit her feelings? Gathering the courage to ask the question, Sasha discovers she isn't the only one keeping secrets. You think you know someone.... This is a full length standalone book with no cliffhanger and the second book of the "Something Series"\*\*\*Ask Me Something is for mature audiences due to steamy bedroom scenes that are in no way contained to just the bedroom.\*\*\*

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit "reply all"
- you're being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate's loud speakerphone is making you homicidal
- you got drunk at the holiday party

Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or

new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

**\*\*\*\*\* What do you do when the unthinkable happens? Elle Wright had an admittedly easy pregnancy, and in May 2016 she and her husband welcomed their son, Teddy, into the world. Just a few hours later, they woke to find him cold and unresponsive, and the happiest day of Elle's life had turned into every parent's worst nightmare. Three days after delivering him into the world, she sat with Teddy as he took his last breaths, and tucked him in for the final time. Ask Me His Name is a moving account of Elle's pregnancy, Teddy's life, and what happens when a mother leaves hospital with empty arms. In the UK, 1 in 4 pregnancies end in loss, but conversations about the heartbreakingly frequent experience are few and far between. In this honest and hopeful exploration of mothering, Elle shows us how she navigated a parenthood no one had prepared her for. \* A portion of the proceeds from the sale of this book will be donated to Tommy's charity. **A father and daughter explore their neighborhood, talking and asking questions as they go.**

**From the founder of That’s Inappropriate—one of the most popular parenting blogs on the web—comes a hilarious, genuine, and relatable essay collection on the ups and downs of motherhood. Meredith Masony founded That’s Inappropriate in 2014 as an innocent and humorous way to chronicle her chaotic days as a working mom, child wrangler, and busy wife. It soon evolved into a massive, dynamic community of parents—now nearly three million strong—brought together by their shared belief that parenthood and marriage don’t have to be perfect. Now, in Ask Me What’s for Dinner One More Time, Meredith shares her collection of witty essays on the universal frustrations of being a mom in today’s world, presenting her laugh-out-loud perspective on sex, aging, anxiety, friendship, and much more. Perfect for fans of Jenny Lawson, Laura Clery, and**

Jen Mann, these essays provide laughter, relief, validation, and “a metaphorical hug for all of those moments you spend crying on your bathroom floor, thinking that you are failing at the hardest job on the planet.”

As but one of my Heavenly Father's children, forgive me for asking this one simple question: If we as such truly believe our heavenly Creator loves us, why are we killing each other in one way or another?

Ask Me Again

Poetry & Prose

A Novel

The Blue Book of Grammar and Punctuation

Don't Ask Me! Ask My Father

Ask Me Anything, Lord

What do you do when the source of all your problems is the one thing you don't know how to fix? With Don't Ask, Don't Tell nothing more than an unpleasant memory, US Army surgeon Sabine Fleischer is ready to move on with her life—if she can just figure out how to move past her PTSD. Fresh from her first deployment since surviving a vehicle attack in Afghanistan, Sabine is finding the things she's tried so hard to push aside aren't as easy to ignore as she'd hoped. Sabine's girlfriend and ex-commanding officer Rebecca Keane is happily settled into her new job running a trauma department in a civilian hospital. Life with Sabine is everything Rebecca ever wanted. But when Sabine's PTSD reappears worse than before, she's left struggling with her own guilt. There's no doubt that both Sabine and Rebecca want the same thing. But how do you help the most important person in your life when they don't want to need your help? Ask Me Again is the must-read sequel to the best-selling Ask, Tell. To write a book was in my mind for a long time. This is not my first one. My first one which is still going through the process of writing and rewriting is NLP Blue print to success. As I started writing I realized that I need to have clarity in my thoughts, penning it in a simple form, making it readable. I started to write my spontaneous thoughts as posts and articles in my LinkedIn page. This is how I sharpened my saw. This book has all my thoughts, emotions, feelings, reflections that I have experienced for a period of four years. Every chapter is not more than one page, few are more than one page. The topics have wide range from meditation, NLP, Coaching, Life, experience, living, marketing, healing, EGO, sex, love, energy, organization and development, training and more. Reader can start from any topic and for front and back, this gives complete freedom for the reader to pick a topic and read it. Topics are focused to the core of the issue or point and invite the reader to explore and experiment how it play in your life. This book is not a complete know it all book but an expression of my own self at those moments in my life, this makes this book alive for the reader to connect, relate and apply.

Don't Ask Me Where I'm From Simon and Schuster

Where can you turn when you're caught in a crossfire of war and passion? Captain Sabine Fleischer is a skilled and dedicated U.S. Army surgeon deployed to a combat hospital in Afghanistan. She is also one of the thousands of troops who are forced to serve in silence because of the military's anti-gay policy of “Don't Ask, Don't Tell (DADT).” Usually driven and focused, Sabine finds that battles raging both inside and outside the perimeter walls are making it more and more difficult for her to deal with her emotions. Dealing with loss and mortality, lack of privacy, sleep deprivation, loneliness and the isolation forced on her by “Don't

**Ask, Don't Tell**” are all taking their toll. Plus, her long-term relationship with a civilian back home is quickly becoming another casualty of war. Colonel Rebecca Keane is an enigmatic career officer who runs the surgical unit like clockwork. Well liked and respected by those who work with and under her, she walks a fine line to preserve the military's chain of command while connecting with those under her care and supervision. Sabine knows the Colonel is way off-limits, but can't help fantasizing about her. Especially when she starts picking up unspoken cues—a stolen glance, a secret smile, an “accidental” brush of hands. Or is it just wishful thinking? After all, Rebecca's wedding ring shines almost as brightly as her deep blue eyes...

*“A funny, perceptive, and much-needed book telling a much-needed story.” —Celeste Ng, author of the New York Times bestseller Little Fires Everywhere*  
*“Written with humor and grace, with intimacy and empathy, Don't Ask Me Where I'm From is the perfect coming of age novel for our time.” —Matt Mendez, author of Barely Missing Everything and Twitching Heart First-generation American LatinX Liliana Cruz does what it takes to fit in at her new nearly all-white school. But when family secrets spill out and racism at school ramps up, she must decide what she believes in and take a stand. Liliana Cruz is a hitting a wall—or rather, walls. There's the wall her mom has put up ever since Liliana's dad left—again. There's the wall that delineates Liliana's diverse inner-city Boston neighborhood from Westburg, the wealthy—and white—suburban high school she's just been accepted into. And there's the wall Liliana creates within herself, because to survive at Westburg, she can't just lighten up, she has to whiten up. So what if she changes her name? So what if she changes the way she talks? So what if she's seeing her neighborhood in a different way? But then light is shed on some hard truths: It isn't that her father doesn't want to come home—he can't...and her whole family is in jeopardy. And when racial tensions at school reach a fever pitch, the walls that divide feel insurmountable. But a wall isn't always a barrier. It can be a foundation for something better. And Liliana must choose: Use this foundation as a platform to speak her truth, or risk crumbling under its weight.*

*The story of a girl who—thanks to her friends, her famous dad, and a chance encounter with a whale—learns the true meaning of family. Twelve-year-old Natalia Rose Baleine Gallagher loves possibilities: the possibility that she'll see whales on the beach near her new home, that the boy she just met will be her new best friend, that the photographers chasing her actor father won't force Nat and her dad to move again. Most of all, Nat dreams of the possibility that her faraway mother misses and loves Nat—and is waiting for Nat to find her. The thing is, Nat doesn't even know who her mother is. She left Nat as a baby, and Nat's dad refuses to talk about it. Nat knows she shouldn't need a mom, but she still feels like something is missing. In this heartfelt story about family, friendship, and growing up, Nat's questions lead her on a journey of self-discovery that will change her life forever.*

*“There are moments when a story shakes you...Barely Missing Everything is one of those stories, and Mendez, a gifted storyteller with a distinct voice, is sure to bring a quake to the literary landscape.” —Jason Reynolds, New York Times bestselling author of Long Way Down In the tradition of Jason Reynolds and Matt de la Peña, this heartbreaking, no-holds-barred debut novel told from three points of view explores how difficult it is to make it in life when you—your life, brown lives—don't matter. Juan has plans. He's going to get out of El Paso, Texas, on a basketball scholarship and make something of himself—or at least find something better than his mom Fabi's cruddy apartment, her string of loser boyfriends, and a dead dad. Basketball is going to be his ticket out, his ticket up. He*

*just needs to make it happen. His best friend JD has plans, too. He's going to be a filmmaker one day, like Quentin Tarantino or Guillermo del Toro (NOT Steven Spielberg). He's got a camera and he's got passion—what else could he need? Fabi doesn't have a plan anymore. When you get pregnant at sixteen and have been stuck bartending to make ends meet for the past seventeen years, you realize plans don't always pan out, and that there are some things you just can't plan for... Like Juan's run-in with the police, like a sprained ankle, and a tanking math grade that will likely ruin his chance at a scholarship. Like JD causing the implosion of his family. Like letters from a man named Mando on death row. Like finding out this man could be the father your mother said was dead. Soon Juan and JD are embarking on a Thelma and Louise—like road trip to visit Mando. Juan will finally meet his dad, JD has a perfect subject for his documentary, and Fabi is desperate to stop them. But, as we already know, there are some things you just can't plan for...*

*Don't Ask Me If I Love is the story of a young man who hates war, but serves faithfully in his country's army. He loves his parents, but can no longer care about the things that are important to them. He is a citizen of a religious state, but questions many of its precepts. In need of someone to give meaning to his life he falls in love with an American girl. He is Assaf Ryke—one of the new Israelis of the 1960s. Moving from a discotheque in Jerusalem to the beach at Caesarea, from a shabby flat in Tel Aviv to an apartment in London, Don't Ask Me If I Love is a novel of love and alienation in a country not normally associated with the generation gap.*

**A Quest to Make Doctors Believe in Women's Pain**

How do you define yourself? By your friends? Your family? Your boyfriend? Your grades? Your trophies? Your choices? By a single choice? From the author of the acclaimed *Poisoned Apples* comes a novel in verse about a young woman and the aftermath of a life-altering decision. Fans of Laurie Halse Anderson and Ellen Hopkins will find the powerful questions, the difficult truths, and the inner strength that speak to them in *Ask Me How I Got Here*. Addie has always known what she was running toward, whether in cross country, in her all-girls Catholic school, or in love. Until she and her boyfriend—her sensitive, good-guy boyfriend—are careless one night, and she gets pregnant. Addie makes the difficult choice to have an abortion. And after that—even though she knows it was the right decision for her—nothing is the same. She doesn't want anyone besides her parents and her boyfriend to know what happened; she doesn't want to run cross country anymore; she can't bring herself to be excited about anything. Until she reconnects with Juliana, a former teammate who's going through her own dark places. Once again, Christine Heppermann writes with an unflinching honesty and a deep sensitivity about the complexities of being a teenager, being a woman. Her free verse poems are moving, provocative, and often full of wry humor and a sharp wit. You are a Vegan and search for a notebook? Then this notepad is a perfect gift idea for you! minutes per day have tricked masses into wasting their money on false promises. Supplements, smoothies, and 4-minute workouts aren't getting people any fitter. Getting that shredded body requires real commitment and real work—and Bobby can show you how. Maximus Body features circuit-style workouts that will push you to your limits and work your whole body. With a plethora of exercises like “Don't Ask Me About Your Abs,” that work your core with a combination of sit ups, push ups, pull ups, and even leg raises, you can develop an exercise routine that fits your needs. Whether you are overweight and trying to get back into shape, or a high-level athlete trying to gain that extra edge, Maximus Body offers up thousands of once-secret ways to burn fat, add lean muscle, reveal a shredded 8-pack, and build mind-bending physical fitness.

Count and explore the zany world and words of Seuss in this classic picture book. From counting to opposites to Dr. Seuss's signature silly rhymes, this book has everything a beginning reader needs! Meet the bumpy Wump and the singing Ying, and even the winking Yink who drinks pink ink. The silly rhymes and colorful cast of characters will have every child giggling from morning to night. From near to far from here to there, funny things are everywhere. Originally created by Dr. Seuss himself, Beginner Books are fun, funny, and easy to read. These unjacketed hardcover early readers encourage children to read all on their own, using simple words and illustrations. Smaller than the classic large format Seuss picture books like *The Lorax* and *Oh, the Places You'll Go!*, these portable packages are perfect for practicing readers ages 3-7, and lucky parents too!
