

Dont Be Like Trump

A #1 New York Times Bestseller! "I read it cover-to-cover. I did not intend to, but I started at the beginning and didn't let it go until it was over."—Rachel Maddow, MSNBC This book almost didn't see the light of day as government officials tried to bar its publication. The Inside Story of the Real President Trump, by His Former Attorney and Personal Advisor—The Man Who Helped Get Him Into the Oval Office—Once Donald Trump's fiercest surrogate, closest confidant, and staunchest defender, Michael Cohen knows where the skeletons are buried. This is the most devastating business and political horror story of the century. As Trump's lawyer and "fixer," Cohen not only witnessed firsthand but was also an active participant in the inner workings of Trump's business empire, political campaign, and presidential administration. This is a story that you have not read in newspapers, or on social media, or watched on television. These are accounts that only someone who worked for Trump around the clock over a decade—not a few months or even a couple of years—could know. Cohen describes Trump's racist rants against President Barack Obama, Nelson Mandela, and Black and Hispanic people in general, as well as the cruelty, humiliation, and abuse he leveled at family and staff. Whether he's exposing the fact that Trump engaged in tax fraud by inflating his wealth or electronic fraud by rigging an online survey, or outing Trump's Neanderthal views towards women or his hush-money payments to clandestine lovers, Cohen punches no punches. He shows Trump's relentless willingness to lie, exaggerate, mislead, or manipulate. Trump emerges as a man without a soul—a man who courts evangelicals and then

Download Ebook Dont Be Like Trump

trashes them, panders to the common man, but then rips off small business owners, a con man who will do or say absolutely anything to win, regardless of the cost to his family, his associates, or his country. At the heart of *Disloyal*, we learn how Cohen came under the spell of his charismatic "Boss" and, as a result, lost all sense of his moral compass. The real "real" Donald Trump who permeates these pages—the racist, sexist, homophobic, lying, cheating President—will be discussed, written about, and analyzed for years to come. A riveting, meticulously researched, and provocative biography of Donald J. Trump from the author of *Alexander Hamilton, Revolutionary*. Born into a family of privilege and wealth, he was sent to military school at the age of 13. After an unremarkable academic career, he joined the family business in real estate and built his fortune. His personal brand: sex, money and power. From no-holds-barred reality TV star to unlikely candidate, Donald J. Trump rose to the highest political office: President of the United States of America. Learn fascinating details about his personal history including: -Why Trump's grandfather left Germany and immigrated to America -Why Woodie Guthrie wrote a song criticizing Trump's father -How Trump's romance with Ivanka began—and ended -When Trump first declared his interest in running for President Discover the incredible true story of America's 45th President: his questionable political and personal conduct, and his unprecedented rise to power. Richly informed by original research and illustrated throughout with photographs and documents, *Unprecedented* is a gripping and important read.

In the #1 New York Times bestseller, the former Assistant to the President and Director of Communications for the Office

Download Ebook Dont Be Like Trump

of Public Liaison in the Trump White House provides an eye-opening and "explosive" (The Boston Globe) look into the corruption and controversy of the current administration. If you were a member of Donald Trump's inner orbit longer than Omarosa Manigault Newman. Their relationship spanned fifteen years—through four television shows, a presidential campaign, and a year by his side in the most chaotic, outrageous White House in history. But that relationship came to a decisive and definitive end, and Omarosa finally shares her side of the story in this "deftly executed" (The Guardian) jaw-dropping account. A stunning tell-all and takedown from a strong, intelligent woman who took every name and number. Unhinged is a must-read for any concerned citizen.

Conrad Black, bestselling author of Franklin Delano Roosevelt: Champion of Freedom and Richard M. Nixon: A Life in Full, turns his attention to his "friend" President Donald J. Trump and provides the most intriguing and significant analysis yet of Trump's political rise. Ambitious in intellectual scope, contrarian in many of its opinions, and admirably concise, this is surely set to be one of the most provocative political books you are likely to read this year.

Takeaways

A book-in-rhyme encouraging children to develop characteristics that are the opposite of those possessed by Donald Trump.

The essential book to understanding Donald Trump as a businessman and leader—and how the biggest deal of his life went down.

Now, Barrett's classic book is back in print for the first time in years and with an introduction about Trump's 2016 presidential campaign. Donald Trump claims that his success as a "self-made"

businessman and real estate developer proves that he will make an effective president, but this devastating investigative account by legendary reporter Wayne Barrett proves otherwise. Back in print for the first time in years, Barrett's seminal book reveals how Trump put together the biggest deal of his life—Trump Tower—through manipulation and deceit; how he worked with questionable characters from the mafia and city politics; and how it all nearly came crashing down. Here is a vivid and inglorious portrait of the man who wants now to be the most powerful man in the world. In *Trump: The Greatest Show in the World—The Deals, the Downfall, the Reinvention*, Barrett unravels the myth and reveals the truth behind the mogul's wheelings and dealings. After decades covering him, few reporters know Trump as Barrett does. Instead of the canny businessman that Trump claims in his own books, Barrett explores how Trump exploited his father's banking and political connections to finance and grease his first major deals. Barrett's investigative biography takes us from the days of Donald's lonely youth to his brash entry into the real estate market, and to the back room deals behind his New York,

Download Ebook Dont Be Like Trump

Atlantic City and Florida projects. Most compellingly Barrett paints an intimate portrait of Trump himself, a man driven by bravado, obsessive self-regard, and an anxious ruthlessness to subdue his rivals and seduce anyone with the power to aid his empire. We see him head to head with an opponent as powerful as Pete Rozelle, ingratiating himself with the brooding governor on the Hudson, and fueling the Drexel engine driven by Michael Milken with hundreds of millions in fees—paid, ironically, by gaming companies to fend off Trump takeovers. We explore his complicated emotional and business relationship with his first wife, Ivana, and the use he planned to make of his mistress—and later, his second wife—Marla Maples as a “southern strategy” in his then contemplated presidential campaign. With interviews with scores of adversaries and former colleagues, we are given a privileged look at Trump the businessman in action—reckless as often as he is brilliant, reliant on threats as much as on charm, and ultimately a cautionary tale: is this the man we want to lead the world? PRAISE FOR TRUMP: “Trump is a withering portrait of the most self-mythologized and promoted businessman of our era, an exhaustively researched and

Download Ebook Dont Be Like Trump

long-overdue antidote to Trump's own books. It is a penetrating portrait of the age that spawned him and the many who aided and abetted his rise. Trump seems destined to be the definitive account of how Trump got ahead and why he fell. It is a sad story, with important lessons for us all." —James B. Stewart, Pulitzer

Prize-winning author of *Den of Thieves*

"Donald Trump surprises us again. Wayne Barrett's Trump is a fresh, detailed, and vivid account of the tangled connections of money, politics, and power in our times." —Nicholas Pileggi, author of

The Smart Kid's Guide to President Trump

Why aren't you winning more? I'll tell you why: You've been playing the game wrong—we all have. But there's hope for us yet. For decades Donald Trump's been paving a path to success that anyone can follow. We just needed to pay attention. He's mastered five winning behaviors that have made him the most unstoppable force of the 21st century. In this short book, I'll share them with you. My formula for winning isn't complicated--this book'll probably take you 15 minutes to read--but it's no exaggeration to say that what it offers could change the rest of your life. The only way to Make America Great Again is if we each Make Ourselves Great Again. What I've written--and what President Trump has lived every day for decades--will teach you to tap into your bold American spirit and fight like hell to get your piece of the pie. So, when you're ready to win like Trump and grab yours, read this book. Or don't. I don't give a damn. More for me.

Trump's leaving the White House all the way to January 6—from ABC News' chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump's rise in the New York Times bestseller Front Row at the Trump Show. Now he tells the story of Trump's downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth. Rage

NEW YORK TIMES BESTSELLER • From an award-winning journalist at *The Atlantic*, these searing essays make a powerful case that “real hope lies not in a sunny nostalgia for American greatness but in seeing this history plain—in all of its brutality, unadorned by euphemism” (*The New York Times*). NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • “No writer better demonstrates how American dreams are so often sabotaged by American history. Adam Serwer is essential.”—Tahereh Mafi

To many, our most shocking political crises appear unprecedented—un-American, even. But they are not, writes *The Atlantic*’s Adam Serwer in this prescient essay collection, which dissects the most devastating moments in recent memory to reveal deeply entrenched dynamics, patterns as old as the country itself. The January 6 insurrection, anti-immigrant sentiment, and American authoritarianism all have historic roots that explain their continued power with or without President Donald Trump—a fact borne out by what has happened since his departure from the White House. Serwer argues that Trump is not the cause, he is a symptom. Serwer’s phrase “the cruelty is the point” became among the most-used descriptions of Trump’s era, but as this book demonstrates, it resonates across centuries. The essays here combine revelatory reporting, searing analysis, and a clarity that’s bracing. In this new, expanded version of his bestselling debut, Serwer elegantly dissects white supremacy’s

profound influence on our political system, looking at the persistence of the Lost Cause, the past and present of police unions, the mythology of migration, and the many faces of anti-Semitism. In so doing, he offers abundant proof that our past is present and demonstrates the devastating costs of continuing to pretend it's not. The Cruelty Is the Point dares us, the reader, to not look away.

NEW YORK TIMES BESTSELLER "Reilly pokes more holes in Trump's claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming." -- *The New Yorker* "Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit." -- *Chicago Sun-Times* "Every one of Trump's most disgusting qualities surfaces in golf." -- *The Ringer* An outrageous indictment of Donald Trump's appalling behavior when it comes to golf -- on and off the green -- and what it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he's a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparing look at Trump in the world of golf. Based on Reilly's own experiences with Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, *Commander in Cheat* is a startling and at

times hilarious indictment of Trump and his golf game. You'll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his scores (the "Trump Bump"), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50 million), and tramples the etiquette of the game (driving on greens doesn't help). Trump doesn't brag so much, though, about the golf contractors he stiffes, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, "Golf is like bicycle shorts. It reveals a lot about a man." Commander in Cheat "paints a side-splitting portrait of a congenital cheater" (Esquire), revealing all kinds of unsightly truths Trump has been hiding.

The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as # 1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait

of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with vivid, eyewitness accounts of what really happened. Peril is supplemented throughout with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making for an unparalleled history. It is also the first inside look at Biden's presidency as he faces the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president. "We have much to do in this winter of peril," Biden declared at his inauguration, an event marked by a nerve-wracking security alert and the threat of domestic terrorism. Peril is the extraordinary story of the end of one presidency and the beginning of another, and represents the culmination of Bob Woodward's news-making trilogy on the Trump presidency, along with Fear and Rage. And it is the beginning of a collaboration with fellow Washington Post reporter Robert Costa that will remind readers of Woodward's coverage, with Carl Bernstein, of President Richard M. Nixon's final days.

"Mom, why is Donald Trump such a jerk?" If you or your kids have ever asked this question, Don't Be

Like Trump is here to inform and entertain you. Now that you're homeschooling during the Covid-19 pandemic, you may have to learn or teach about Trump yourself in the 2020 election. Trump provides the perfect example of how not to behave, speak, and treat people. Now there's a book to help your kids understand why Trump alarms[DL2] most Americans. Most kids' presidential biographies gloss over the scandals and bad behavior. We explain how Trump wants to return to an America that wasn't great for Blacks, women, immigrants, or anyone different. We explore his worrying relationship with dictators. Don't Be Like Trump explains the long history of useless border walls, Trump's military service (just kidding!), and the Resistance in an accessible, breezy style. Plus! 12 activities make learning about our awful president fun, including: - Impersonate the President- Get Rich Quick Using Trump's Proven Method- Prove You are Smarter than the President with Quizzes- Annoy President Donald Trump Eight Different Ways

President Trump will put an end to a corrupt system of government ruled by the establishment and special interests. Still Winning is the story of the unlikeliest of heroes who emerged from the unlikeliest of places to take up the impossible cause of a truly forgotten people. They are people who love their country, trust their higher God, obey laws and will do anything for their family and neighbors. They are the very people the Founders envisioned when they hatched the radical idea of self-governance. This is the story of a Leviathan government -- the most powerful political force in the history of mankind -- that has become dangerously unmoored from the people it represents. It is the story of how elites and the politically comfortable controlling both parties in Washington have utterly lost touch. They don't even realize how much the people they represent despise the uncontrollable Leviathan. The establishment has tried their best to ignore Donald Trump -- except to brand him as a racist, a xenophobe, an isolationist, and a dangerous, violence-inciting war monger. All standards of reporting vanished. In the era of Trump, no sort of criticism was off-limits. They openly mocked his looks, ridiculed his private business accomplishments, pilloried his family and children and made fun of his foreign-born wife for her accent! The Leviathan has grown untamable. Democrats and Republicans run for office year after year on promises they have no intention of keeping. Neither side wants to fix a single problem. The whole thing has become one giant ungovernable, corrupt Ponzi scheme that -- one day -- will come crashing down. Charles Hurt advocates for the "Nuclear Option" for dealing with this mess: just blow the whole damned thing up. Whatever is presidential or diplomatic, let's try the opposite. Whatever these people in Washington find most horrifying, let's try that. Finally, the multi-headed Leviathan swamp monster has met the perfect dragon slayer in Donald Trump. Still Winning examines each corrupt head of this Leviathan, and why Donald Trump is the only good answer to fixing it.

“The novel that foreshadowed Donald Trump’s authoritarian appeal.”—Salon It Can’t Happen Here is the only one of Sinclair

Download Ebook Dont Be Like Trump

Lewis's later novels to match the power of *Main Street*, *Babbitt*, and *Arrowsmith*. A cautionary tale about the fragility of democracy, it is an alarming, eerily timeless look at how fascism could take hold in America. Written during the Great Depression, when the country was largely oblivious to Hitler's aggression, it juxtaposes sharp political satire with the chillingly realistic rise of a president who becomes a dictator to save the nation from welfare cheats, sex, crime, and a liberal press. Called "a message to thinking Americans" by the *Springfield Republican* when it was published in 1935, *It Can't Happen Here* is a shockingly prescient novel that remains as fresh and contemporary as today's news. Includes an Introduction by Michael Meyer and an Afterword by Gary Scharnhorst

NEW YORK TIMES BESTSELLER The shocking, definitive account of the 2020 election and the first year of the Biden presidency by two New York Times reporters, exposing the deep fissures within both parties as the country approaches a political breaking point. This is the authoritative account of an eighteen-month crisis in American democracy that will be seared into the country's political memory for decades to come. With stunning, in-the-room detail, New York Times reporters Jonathan Martin and Alexander Burns show how both our political parties confronted a series of national traumas, including the coronavirus pandemic, the January 6 attack on the Capitol, and the political brinksmanship of President Biden's first year in the White House. From Donald Trump's assault on the 2020 election and his ongoing campaign of vengeance against his fellow Republicans, to the behind-the-scenes story of Biden's selection of Kamala Harris as his running mate and his bitter struggles to unite the Democratic Party, this book exposes the degree to which the two-party system has been strained to the point of disintegration. More than at any time in recent history, the long-established traditions and institutions of American politics are under siege as a set of aging political leaders struggle to hold together a changing country. **Martin and Burns break news on most**

A Biography of Donald Trump

Why Skills Trump Passion in the Quest for Work You Love

Breitbart.com editor Jerome Hudson delivers the red pills his readers know him for, showing you the facts, statistics, and analysis that the mainstream media have worked so hard to hide

Description: If you heard that one president deported more people than any other president, started the program of family separation, and did nothing to stop Russia's election meddling, how many of them would guess it was Obama? In 50 Things They Don't Want You to Know Jerome Hudson dives deeply into the things Americans are not supposed to realize. Many of our most hotly debate topics are shaped by Davos power

brokers, woke college professors, TV talking heads, social media activists and feckless Washington swamp monsters who want you to only follow their narrative. Your teachers, your politicians, and your local paper are not likely to ever tell you: Racial minorities fare far better in the absence of race-based affirmative action policies. Latinos make up a little more than 50% of the Border Patrol, according to 2016 data. The U.S. settled more refugees in 2017 than any other nation. Between 2011 and 2016, the IRS documented 1.3 million identity thefts by Illegal aliens. Half of federal arrests are immigration-related. Welfare recipients in 34 states earn more than a person making minimum wage. Taxpayers doled out \$2.6 billion in food stamps to dead people in less than two years. 1,700 private jets flew to Davos to discuss the impact of global warming. Google could swing an election by secretly adjusting its search algorithm, and we would have no way of knowing. Once you're done reading 50 Things They Don't Want You to Know, you'll never trust the powers that be to give you the whole truth again.

This is the book that the leftist elites don't want you to read -- Donald Trump, Jr., exposes all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to rampant "political correctness." In Triggered, Donald Trump, Jr. will expose all the tricks that the left uses to smear

conservatives and push them out of the public square, from online "shadow banning" to fake accusations of "hate speech." No topic is spared from political correctness. This is the book that the leftist elites don't want you to read! Trump, Jr. will write about the importance of fighting back and standing up for what you believe in. From his childhood summers in Communist Czechoslovakia that began his political thought process, to working on construction sites with his father, to the major achievements of President Trump's administration, Donald Trump, Jr. spares no details and delivers a book that focuses on success and perseverance, and proves offense is the best defense.

The Final Act of the Trump Show Don't Be Like Trump

Conrad Black, bestselling author of Franklin Delano Roosevelt: Champion of Freedom, Richard M. Nixon: A Life in Full, and Flight of the Eagle: America's Rise from Colonial Upstart to the World's Superpower, turns his attention to his friend President Donald J. Trump and provides the most intriguing and significant, but certainly not uncritical, analysis yet of Trump's political rise. Ambitious in intellectual scope, contrarian in many of its opinions, and admirably concise, this is surely set to be one of the most provocative political books you are likely to read this year.

What do you do when you spot a wild Trump in the election season? New York Times bestselling author and comedian Michael Ian Black has some sage advice for children (and all the rest of us who are scratching our heads in disbelief) in this perfectly timely parody picture book intended for adults that would be hysterical if it wasn't so true. The beastly is called an American Trump. Its skin is bright orange, its figure is plump. Its fur so complex you might get enveloped. Its hands though are, sadly, underdeveloped. The Trump is a curious creature, very often spotted in the wild, but confounding to our youngest citizens. A business mogul, reality TV host, and now...political candidate? Kids (and let's be honest many adults) might have difficulty discerning just what this thing that's been dominating news coverage this election cycle is.

Could he actually be real? Are those...words coming out of his mouth? Why are his hands so tiny? And perhaps most importantly, what on earth do you do when you encounter an American Trump? With his signature wit and a classic picture book style, comedian Michael Ian Black introduces those unfamiliar with the Americus Trumpus to his distinguishing features and his mystifying campaign for world domination...sorry...President of the United States.

The instant #1 New York Times bestseller | A Washington Post Notable Book | One of NPR's Best Books of 2021 The definitive behind-the-scenes story of Trump's final year in office, by Phil Rucker and Carol Leonnig, the Pulitzer-Prize winning reporters and authors of A Very Stable Genius.

"Chilling." – Anderson Cooper "Jaw-dropping." –

John Berman "Shocking." – John Heilemann

"Explosive." – Hallie Jackson "Blockbuster new reporting." – Nicolle Wallace "Bracing new

revelations." – Brian Williams "Bombshell reporting." – David Muir

The true story of what took place in Donald Trump's White House during a disastrous 2020 has never before been told in full.

What was really going on around the president, as the government failed to contain the coronavirus and

over half a million Americans perished? Who was influencing Trump after he refused to concede an

election he had clearly lost and spread lies about election fraud? To answer these questions, Phil

Rucker and Carol Leonnig reveal a dysfunctional and

bumbling presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members— Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump's supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.

"Unprecedented" is the adjective most often

ascribed to everything about Donald Trump. Trump @ Work is about the unprecedented impact that Donald Trump and his Presidency and style has had on attitudes and perceptions of leadership and management. This book brings a unique perspective about what has changed and what has not changed through humorous and true "bullets" and observations. Why do some leaders get fired for things that other leaders boast about? In spite of controversy, why do some initiatives still get implemented? Is implementation all that matters? Is empathy and credibility still critical to success? Why aren't there any instruction manuals about how to navigate the new workplace? These are not questions raised by just a few. These are questions everyone in the workplace is asking. Trump @ Work explores these questions and many more. It reveals how the rules of the game have changed for everyone seeking success or at least, to survive. It's hard enough to keep up with leadership and management trends. Donald Trump is making it more difficult, not intentionally, not through the tweets he writes, but by how he is challenging the long existing norms. Who knew that tweeting would become an established way of communicating to an organization? Who knew that in spite of constant searing criticism, one can disregard it and continue to follow an agenda? Who knew that preaching to supporters and ignoring naysayers is a way to manage? Whether you appreciate Donald Trump or not, he has had an impact on the thinking about

leadership and management and the author precisely explores that impact in this book.

Trump

Rage is an unprecedented and intimate tour de force of new reporting on the Trump presidency facing a global pandemic, economic disaster and racial unrest. Woodward, the #1 international bestselling author of *Fear: Trump in the White House*, has uncovered the precise moment the president was warned that the Covid-19 epidemic would be the biggest national security threat to his presidency. In dramatic detail, Woodward takes readers into the Oval Office as Trump's head pops up when he is told in January 2020 that the pandemic could reach the scale of the 1918 Spanish Flu that killed 675,000 Americans. In 17 on-the-record interviews with Woodward over seven volatile months—an utterly vivid window into Trump's mind—the president provides a self-portrait that is part denial and part combative interchange mixed with surprising moments of doubt as he glimpses the perils in the presidency and what he calls the “dynamite behind every door.” At key decision points, Rage shows how Trump's responses to the crises of 2020 were rooted in the instincts, habits and style he developed during his first three years as president. Revisiting the

earliest days of the Trump presidency, Rage reveals how Secretary of Defense James Mattis, Secretary of State Rex Tillerson and Director of National Intelligence Dan Coats struggled to keep the country safe as the president dismantled any semblance of collegial national security decision making. Rage draws from hundreds of hours of interviews with firsthand witnesses as well as participants' notes, emails, diaries, calendars and confidential documents.

Woodward obtained 25 never-seen personal letters exchanged between Trump and North Korean leader Kim Jong Un, who describes the bond between the two leaders as out of a "fantasy film." Trump insists to Woodward he will triumph over Covid-19 and the economic calamity. "Don't worry about it, Bob. Okay?" Trump told the author in July. "Don't worry about it. We'll get to do another book. You'll find I was right."

A simple yet informative biography of Supreme Court Justice Ruth Bader Ginsburg.

In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's

place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

In an unorthodox approach, Georgetown University professor Cal Newport debunks the long-held belief that "follow your passion" is good advice, and sets out on a quest to discover the reality of how people end up loving their careers. Not only are pre-existing passions rare and have little to do with how most people end up loving their work, but a focus on passion over skill can be dangerous, leading to anxiety and chronic job hopping. Spending time with organic farmers, venture capitalists, screenwriters, freelance computer programmers, and others who admitted to deriving great satisfaction from their work, Newport uncovers the strategies they used and the pitfalls they avoided in developing their

*compelling careers. Cal reveals that matching your job to a pre-existing passion does not matter. Passion comes after you put in the hard work to become excellent at something valuable, not before. In other words, what you do for a living is much less important than how you do it. With a title taken from the comedian Steve Martin, who once said his advice for aspiring entertainers was to "be so good they can't ignore you," Cal Newport's clearly written manifesto is mandatory reading for anyone fretting about what to do with their life, or frustrated by their current job situation and eager to find a fresh new way to take control of their livelihood. He provides an evidence-based blueprint for creating work you love, and will change the way you think about careers, happiness, and the crafting of a remarkable life. The New York Times–bestselling roadmap to resistance in the Trump era from the internationally acclaimed activist and author of *On Fire* and *The Battle for Paradise*. The election of Donald Trump is a dangerous escalation in a world of cascading crises. Trump's vision—a radical deregulation of the US economy in the interest of corporations, an all-out war on "radical Islamic terrorism," and a sweeping aside of climate science to unleash a domestic fossil fuel frenzy—will generate wave after wave of crises and shocks, to the economy, to national security, to the environment. In *No Is Not Enough*, Naomi Klein explains that Trump, extreme as he is, is not an aberration but a logical extension of the worst and most dangerous trends of the past half-century. In exposing the malignant forces behind Trump's rise, she puts forward a bold vision for a mass movement to counter rising militarism, nationalism, and*

corporatism in the United States and around the world. Longlisted for the National Book Award “I hope that Klein’s book is read by more than just her (mostly) leftwing fan base. For whatever you think about her economic arguments, she makes a powerful and an important point: that you cannot understand Trump without looking at how he reflects bigger cultural and social dynamics. And what is perhaps refreshing about No Is Not Enough is that Klein tries to move beyond mere outrage and hand-wringing to offer a practical manifesto for opposition.” —Financial Times “Brims with ideas rarely heard in the mainstream media. And her fiery, punchy writing style, which is occasionally laced with humor, makes it hard to put down.” —The Georgia Straight

But I Do NOT Like Donald Trump is a brightly colored picture book featuring lovable characters and less lovable photo images of Donald Trump. The rhymes will delight young children as well as adults who do NOT like Donald Trump. This book can be characterized as fitting into the wit and humor category. President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout,

Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal “Trump makes one believe for a moment in the American dream again.”—The New York Times “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—Chicago Tribune “Fascinating . . . wholly absorbing . . . conveys Trump’s larger-than-life demeanor so vibrantly that the reader’s attention is instantly and fully claimed.”—Boston Herald “A chatty, generous, chutzpa-filled autobiography.”—New York Post

The most frank and intimate portrait of the Trump White House yet Stephanie Grisham rose from being a junior press wrangler on the Trump campaign in 2016 to assuming top positions in the administration as White House press secretary and communications director, while at the same time acting as First Lady Melania Trump’s communications director and eventually chief of staff. Few members of the Trump inner circle served longer or were as close to the first family as Stephanie Grisham, and few had her unique insight into the turbulent four years of the administration, especially the personalities behind the headlines.

The instant #1 bestseller, now updated with new reporting. “This taut and terrifying book is among the most closely observed accounts

of Donald J. Trump's shambolic tenure in office to date." - Dwight Garner, The New York Times Washington Post national investigative reporter Carol Leonnig and White House bureau chief Philip Rucker, both Pulitzer Prize winners, provide the definitive insider narrative of Donald Trump's presidency "I alone can fix it." So proclaimed Donald J. Trump on July 21, 2016, accepting the Republican presidential nomination and promising to restore what he described as a fallen nation. Yet as he undertook the actual work of the commander in chief, it became nearly impossible to see beyond the daily chaos of scandal, investigation, and constant bluster. In fact, there were patterns to his behavior and that of his associates. The universal value of the Trump administration was loyalty—not to the country, but to the president himself—and Trump's North Star was always the perpetuation of his own power. With deep and unmatched sources throughout Washington, D.C., Carol Leonnig and Philip Rucker reveal the forty-fifth president up close. Here, for the first time, certain officials who felt honor-bound not to divulge what they witnessed in positions of trust tell the truth for the benefit of history. A peerless and gripping narrative, A Very Stable Genius not only reveals President Trump at his most unvarnished but shows how he tested the strength of America's democracy and its common heart as a nation.
