

Dont Tell Mummy A True Story Of The Ultimate Betrayal

...“This book will allow anyone to change fear to courage and speak out no matter what the situation...I felt disgust and hate for that monster and such sadness for the author, ALL at the same time! It was difficult to put down and has changed the way I communicate with my daughter because all people should know they can overcome ANY obstacle in life after reading this!” ... G. Vigil / Natalia, TX. ...“A MUST READ for every survivor and a wake up call for parents..Let’s end the cycle!” ... “Tayla” / Tampa, Florida. ...“The author made her tragic story so relatable you truly feel her pain and sorrow! Her ability to overcome and seek justice after so many years made me proud of her.” ... D. Tompson / also a survivor / Houston, TX.“Even though I found the story very disturbing and sad, it was so well written that I couldn’t put it down. There’s no doubt that we need to learn more about these pedophiles and help protect the children of this country.” ...“Tom B.” / U.S. Army Veteran, 6 years of proud service / Columbia, SC. Website: http: //www.outskirtspress.com/donttellmommy In her new book, the no.1 bestselling author of Damaged tells the story of the Dawn, a sweet and seemingly well-balanced girl whose outward appearance masks a traumatic childhood of suffering at the hands of the very people who should have cared for her.

Do you know the truth behind the dressing up and trick-or-treating that are important parts of this holiday? If not, you need to read this book with your child. Halloween comes every yearand so does the question: Mommy, Why Dont We Celebrate Halloween? Most likely, your child has either asked you this, or will ask you in the future. This is why you should be ready to explain Halloween to a kid, sharing the dangers of Halloween and discussing Halloween as a pagan holiday. This book will help your child have a Christian perspective on Halloween, making it clear why you dont celebrate the holiday. It reveals, in story form, the truth behind the activities that have become such an accepted part of Halloween traditions. Children who read this book and talk about it with their parents will learn how the “fun” of Halloween harms them. They will also learn what to say to others who do not understand the true meaning of Halloween.

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

Silent Child

The true story of twin boys, their unbreakable bond and a childhood of abuse

From no.1 bestseller Toni Maguire comes a new true story of abuse and survival

Out of the Dust (Scholastic Gold)

From No.1 bestselling author Toni Maguire comes a new true story of shame, silence, abuse and survival. 'I have a very clear picture of the day Clive entered our lives. I can see him now as he walked into our living room, a tall man with a loud commanding voice, a wide smile and an armful of presents. It is a memory that still lives deep inside my head.' Ryan and Phil had always been inseparable. Twins born 35 minutes apart, Ryan was the protective one, constantly looking out for his younger brother. They can't remember how old they were when the abuse started, but they can remember their uncle very clearly. A frequent visitor to their home in Lincoln, he lavished their family with expensive treats. School holidays and weekends were spent visiting him, when he would often take the two little boys aside to play the games he liked. Trapped with him, day after day, year after year, the abuse continued until Ryan and Phil turned 16. After a showdown with Ryan when he was finally big enough, their uncle never approached them again. Nearly 20 years after the abuse ended, Ryan and his wife decided to foster troubled children, making their home a safe place filled with love for those in desperate need of it. Ryan and Phil suffered for years at the hands of their uncle, but throughout it all their bond held them together.

“In this joyous, wildly unconventional memoir, Séamas O'Reilly tells the story of losing his mother as a child and growing up with ten siblings in Northern Ireland during the final years of the Troubles as a raucous comedy, a grand caper that is absolutely bursting with life.”—Patrick Radden Keefe, NYT bestselling author of Say Nothing and Empire of Pain Séamas O'Reilly’s mother died when he was five, leaving him, his ten (!) brothers and sisters, and their beloved father in their sprawling bungalow in rural Derry. It was the 1990s; the Troubles were a background rumble, but Séamas was more preoccupied with dinosaurs, Star Wars, and the actual location of heaven than the political climate. An instant bestseller in Ireland, Did Ye Hear Mummy Died? is a book about a family of loud, argumentative, musical, sarcastic, grief-stricken siblings, shepherded into adulthood by a man whose foibles and reticence were matched only by his love for his children and his determination that they would flourish.

This heart-wrenching memoir from Toni Maguire tells the deeply moving story of an idyllic childhood that masked a terrible truth. Underneath her mother's gentility and her father's roguish charm lay horrifying secrets, which eventually led to their only child's near destruction.

“Abbi Waxman is both irreverent and thoughtful.”—#1 New York Times bestselling author Emily Giffin A young woman arrives in Los Angeles determined to start over and discovers she doesn’t need to leave everything behind after all, from Abbi Waxman, USA Today bestselling author of The Bookish Life of Nina Hill When Laura Costello moves to Los Angeles, trying to escape an overprotective family and the haunting memories of a terrible accident, she doesn’t expect to be homeless after a week. (She’s pretty sure she didn’t start that fire — right?) She also doesn't expect to find herself adopted by a rogue bookseller, installed in a lovely but completely illegal boardinghouse, or challenged to save a losing trivia team from ignominy...but that’s what happens. Add a regretful landlady, a gorgeous housemate and an ex-boyfriend determined to put himself back in the running and you’ll see why Laura isn’t really sure she’s cut out for this adulting thing. Luckily for her, her new friends Nina, Polly and Impossibly Handsome Bob aren't sure either, but maybe if they put their heads (and hearts) together they’ll be able to make it work.

Nobody Came

The Glass Castle

The True Story of an Abandoned, Abused Little Girl Who Was Desperate to Be Part of a Family

The True Story of a Troubled Boy with a Dark Secret

The first time her father made an improper advance on Toni Maguire, she was six years old. When she finally built up the courage to tell her mother what had happened, her mother told her never to speak of the matter again. This memoir tells the story of an idyllic childhood that masked a terrible truth.

Abused, unloved and alone. Can't Anyone Help Me? is the shocking true story by Toni Maguire. Jackie was an unwanted child. So unwanted that her mother regularly left Jackie at her uncle's house.

Which was when the nightmare started. For when his wife went out, her uncle's friends came round. He had a Special Room. In it Jackie was tied up and molested, beaten, burnt by cigarettes and urinated on. Sometimes other children were brought along. Jackie got to know the Special Room intimately. Jackie could never bring herself to tell her mother. She ended up in a home for disturbed children. She ran away, and a life of homelessness, drugs, prostitution and psychiatric wards followed. Eventually, Jackie sought help. But could she turn her life around? Would her evil uncle and his Special Room haunt her forever? Can't Anyone Help Me? by Toni Maguire is the inspirational story of struggle and survival against all odds as one young woman attempts to put her torturous past behind her and make a future for herself. Toni Maguire is the author of four bestselling books: Don't Tell Mummy, When Daddy Comes Home,Nobody Came and Helpless.

Don't Tell Mummy

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Neglected by her careless parents, Marianne turned to her neighbour, the one person that she thought she could trust...

A triumphant tale of a young woman and her difficult childhood, The Glass Castle is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbit. And don't miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic!

Tucked away in a near-derelict library in the center of London, The House of Marvellous Books is a publishing house on the brink of financial disaster. With assistant Ursula asleep at her desk, head publisher Gerard going health and safety mad, and chief editor Drusilla focused on finding a supposedly priceless but famously missing manuscript, there is hardly anyone left to steer the ship. Young Mortimer Blackley, assistant editor, charts the descent of the House in his logbook as it lurches from one failure to the next. Will mysterious Russian buyers, lurking in the wings, stop the ship from sinking at great cost to all? Or will Drusilla find the legendary Daybreak Manuscript and save the day? With witty and sharp observations, Fiona Vigo Marshall draws upon a career spent working in small publishing houses to create a laugh-out-loud ode to the publishing industry.

Can't Anyone Help Me?

Daddy's Little Earner

Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma.

A scientific response to the best-selling The Bell Curve which set off a hailstorm of controversy upon its publication in 1994. Much of the public reaction to the book was polemic and failed to analyse the details of the science and validity of the statistical arguments underlying the books conclusion.

Here, at last, social scientists and statisticians reply to The Bell Curve and its conclusions about IQ, genetics and social outcomes.

This is the first-hand account from one of the survivors of the Haut de La Garenee children's home in Jersey which hit international headlines when children's remains were found there in February 2008.

Every family has its secrets, but some are worse than others. 'I had learnt to switch myself off from feeling anything when he molested me. Just lie there like a wooden doll and don't give him the satisfaction of allowing one whimper to leave your mouth.' Lynn's mother wanted the world to see the perfect family. An immaculate house, three well-dressed children and a charming husband. But behind closed doors it was a different story. Abused by her father from when she was just a baby, Lynn would scream for her mother, who ignored the little girl's cries. Nothing was going to shatter her perfect life. Threatened by their parents, Lynn and her brother never told anyone in fear of being separated, but the trauma of their past followed them throughout their lives, with devastating consequences. Now as Lynn tries to piece together and come to terms with her past as an adult, she discovers she wasn't the only one with a secret.

Daddy's Little Girl

The Appalling True Story of Brothers Cruelly Abused in a Jersey Care Home

The story of the tormented and glamorous star, Joan Crawford, struggling to survive in a cutthroat world, succumbing to a rage leading to alcoholism and child abuse.

A laugh-out-loud guide to the first year of motherhood, filled with helpful advice and wisdom from real moms and dads who aren't at all afraid to tell it like it is There comes a time in every new mother's life when she finds herself staring at her screaming, smelly "bundle of joy" and wishing someone had told her that her house would reek of vomit, or that she shouldn't buy the cute onesies with a thousand impossible buttons, or that she might cry more than the baby. Best-selling author Dawn Dais, mother of two tiny terrors, is convinced that there is a reason for this lack of preparedness. She believes that a vast conspiracy exists to hide the horrific truth about parenting from doe-eyed expectant mothers who might otherwise abandon their babies in hospitals and run for it. Eschewing the adorableness that oozes out of other parenting books, Dais offers real advice from real moms-along with hilarious anecdotes, clever tips, and the genuine encouragement every mom needs in order to survive the first year of parenthood. The Sh!t No One Tells You is a must-have companion for every new mother's sleepless nights and poop-filled days.

The shocking true story of a mother's neglect and a father's betrayal... When she was only six, Sally's mother died, and when she most needed to feel secure, safe and loved, Sally's father felt free to abuse his daughter whenever he wished. The conflict of wanting to be cared for by the same person who was violating her sowed the seeds of self loathing in Sally. Now in a supportive relationship, she has at last found happiness.

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher.

Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Mummy Told Me Not to Tell

Love You Forever

Don't Tell Mommy - a True Story and Memoirs of a Child Tortured and Sexually Abused for 12 Years and Now Seeking Justice

A Heartbreaking True Story of a Brave Little Girl's Escape from Violence

The Book of Two Ways

Unlike people with carefree previous lives, I packed away my past. There are some memories labelled 'Look at', and others 'Leave well alone'... Emily Smith was held in a prison of fear for ten years. When she was four, her father left and a new man was brought in, telling her so, but the emotional and physical abuse she suffered at his hands were a daily nightmare. Until one day, after he crept into her bedroom, her life became unbearable. Emily found she was different in another way as her autism became more noticeable, 'abnormal' behaviour more severe. Astonishingly, she managed to escape her home of hell, where she was abused right in front of her mother. Emily determinedly gained a university place and emerged triumphant with a new life and family in Ireland, desperate to start her, to a different life. Heartbreakingly true, *Silent Child* is a testament to Emily's strength as she sheds light on rampant abuse still happening today. Powerful and shocking, sharing her story means she finally has a voice to say: enough.

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

The #1 New York Times Bestseller: "A hilarious take on that age-old problem: getting the beloved child to go to sleep" (NPR). "Hell no, you can't go to the bathroom. You know where you can go? The f**k to sleep." *Go the Fuck to Sleep* is a book for parents who are tired of the few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of voices from Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.

This heart-wrenching memoir from Toni Maguire tells the deeply moving story of an idyllic childhood that masked a terrible truth. Underneath her mother's gentility and her father's roguish charm lay horrifying secrets, which eventually led to their only child's father made an improper advance on Toni, she was six years old. Her father warned her not to tell her mother, or anyone else, because they would blame her and wouldn't love her any more. It had to remain 'our secret.' When she finally built up the courage to tell her mother, she was told never to speak of the matter again. With no one to turn to, isolated and alone in rural Ireland, the abuse continued unhindered. At fourteen Toni fell pregnant by her father, and when her state was discovered she was made to have a late abortion. Her childhood could no longer be kept hidden but, just as her father predicted, Toni found herself judged and rejected by her family, teachers and friends. The blame and anger she was treated with only worsened when her father was sent to prison as a result of a story of her struggle to put the ghost of her childhood to rest, and emerge ultimately triumphant.

The Graveyard Book

Mommy, Why Don't We Celebrate Halloween?

Out of My Mind

The Daily Show (The Book)

SHE FINALLY THOUGHT SHE WAS SAFE... Toni Maguire, author of *Don't Tell Mummy*, takes up the story of her tragic childhood where she left off, revealing the awful truth about what happened when her father, sent to jail for abusing her, was released, and came home...

There was a time when I loved my mother. It's shocking to imply that I stopped loving my mum because mothers always love their children and always do their best for them. Mothers are supposed to be good. But my mother wasn't good. Ten years ago, Helen Naylor discovered her mother, Elinor, had been faking debilitating illnesses for thirty years. After Elinor's self-induced death, Helen found her diaries, which Elinor wrote daily for over fifty years. The diaries reveal not only the inner workings of Elinor's twisted mind and self-delusion, but also shocking revelations about Helen's childhood. Everything Helen knew about herself and her upbringing was founded on a lie. The unexplained accidents and days spent entirely on her own as a little girl, imagining herself climbing into the loft and disappearing into a different world, tell a story of neglect. As a teenager, her mother's advice to Helen on her body and mental health speaks of dangerous manipulation. With Elinor's behaviour becoming increasingly destructive, and Helen now herself a mother, she was left with a stark choice: to collude with Elinor's lies or be accused of abandoning her. *My Mother, Munchausen's and Me* is a heart-breaking, honest and brave account of a daughter unravelling the truth about her mother and herself. It's a story of a stolen childhood, mental illness, and the redemptive power of breaking a complex and toxic bond.

#1 NEW YORK TIMES BESTSELLER • From the author of *Small Great Things* and *A Spark of Light* comes a "powerful" (The Washington Post) novel about the choices that alter the course of our lives. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE** Everything changes in a single moment for Dawn Edelstein. She 's on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she is not as sure of the choice she once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on *The Book of Two Ways*—the first known map of the afterlife. As the story unfolds, Dawn 's two possible futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she 's never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn 't turned out to be the person you are right now?

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

The Giving Tree
